

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + Refrain from automated querying Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at http://books.google.com/

CRITICAL AND GRAMMATICAL

COMMENTARY

ON ST. PAUL'S EPISTLES

TO THE

THESSALONIANS,

WITH A

REVISED TRANSLATION,

BY

C. J. ELLICOTT, B.D.

PROFESSOR OF DIVINITY, KING'S COLLEGE, LONDON;
AND LATE FELLOW OF ST. JOHN'S COLLEGE,
CAMBRIDGE.

LONDON:

JOHN W. PARKER AND SON, WEST STRAND.

M DOCCLVIII.

101.6.84.

SAVILL AND EDWARDS, PRINTERS, CHANDOS STREET,
COVENT GARDEN.

PREFACE.

The present volume forms the fifth part of my Commentary on St. Paul's Epistles, and is constructed as nearly as possible on the same plan as the portion which appeared last year, viz., that containing the Epistles to the Philippians, Colossians, and Philemon. I peculiarly specify this, as I have been informed by friends on whose judgment I can rely, that the last portion of my labours is an improvement on those which preceded it.

If I may venture to assume that this is really the case, I cannot help feeling that it is to be attributed not only to increased experience, but also to the cautious but somewhat freer admixture of exegesis which two of the three Epistles that formed the volume seemed more especially to require. This slight modification, and so to say dilution of the critical and grammatical severity which distinguished the earlier parts of the work, has been continued in the present volume, but it has been done so both watchfully and cautiously, and will be found really more in the way of slight addition than in actual change. experience seem both to show that the system of interpretation that I have been enabled to pursue is substantially sound, that plain and patient accuracy in detail does in most cases lead to hopeful results, and serves not unfrequently to guide us to far loftier and more ennobling views of the Word of Life, than

such an unpretending method might at first prepare us to expect.

The modifications then, or rather additions and expansions, are really slight, and may be briefly summed up under two heads; on the one hand, an attempt to elucidate more clearly the connexion of clauses and the general sequence of thought; and on the other hand, an attempt to develop more completely the dogmatical significance of passages of a more profound and more purely theological import. Neither of these portions of sacred interpretation was neglected in the early parts of this Commentary, but in the present a deepening sense of their extreme importance has suggested this further expansion and development.

A few slight additions to other departments of the Commentary may be briefly noticed.

To the ancient Versions which I have been in the habit of consulting, viz. the Old Latin, the Peschito, the Gothic, the Coptic, the Philoxenian Syriac, and the two Ethiopic Versions, I did not think it would be necessary for me ever to make any addition. I have been convinced, however, by the able notice of the Armenian Version in Horne's Introduction, by my learned acquaintance Dr. Tregelles, that this venerable Version has greater claims on our attention than I had before believed. In spite of the excellent edition of Zohrab, I had shared the opinion entertained by the majority of critics, that the once-called 'Queen of the Versions' had but slender claims to that supremacy, and had suffered so much from Latinizing recensions as to be but of doubtful authority. charges brought against the labours of King Haithom in the thirteenth century, and the admissions of the collator Uscan at a more recent period, tended of late years to awaken the suspicions of critical scholars. It is fair, however, to say that the charges of Latinism do not appear to be well founded, and that this ancient Version deserves the attention of the critic and commentator; still, if I am not presumptuous in hazarding an opinion, I do seem to myself to perceive a generally Occidental tinge in its interpretations, and I have more than once verified the observation of Loebe and De Gabelentz that there are coincidences and accordances with the Gothic Version that do not seem wholly accidental. My knowledge, however, is at present too limited to enable me to speak with confidence.

I have then deemed it my duty to make use of this Version, and to acquire such a knowledge of the language as should enable me to state faithfully its opinion in contested passages. To the student who may feel attracted towards this interesting, highly inflected, yet not very difficult language, I will venture to recommend the grammar and dictionary The former is now selling at a low price, of Aucher. and can easily be procured. Its great defect is in the syntax, which I cannot think very clearly or scientifically arranged; and in the Chrestomathy, which is not at first sufficiently easy and progressive. The present extracts, though curious, are not well suited for a beginner, and are not introduced by any elementary lessons in parsing and grammatical application. . . . A strong sense of the value of such aids reminds me that I may not unsuitably take this opportunity of recommending the Coptic Grammar of Uhlemann. It is extremely well arranged, is brief and perspicuous, and, besides a good progressive

Chrestomathy is furnished with a small but very useful Vocabulary.

I again venture to commend these Ancient Versions to the attention of all students who have leisure. and an aptitude for the acquisition of languages. is startling to find how little we really know of these ancient witnesses, how erroneous are the current statements of their mere readings, how neglected their authority in interpretation. And yet we see on all sides critical editions of the sacred volume multiplying, and, in at least one instance (I regret to say that I allude to the otherwise useful edition of Dr. Tischendorf), can abundantly verify the fact that Latin translations, not always trustworthy or exact, have been the main authorities from which the readings have been derived. Is it too much to demand of a critical editor, of one who is by the very nature of his work free from the many distractions of thought that are the lot of the commentator,—is it too much to demand that should consider it a part of his duties himself to acquire such a knowledge of these languages as to be able to tell us plainly and unmistakeably what are and what are not the true readings of these early and invaluable witnesses. Nay, more, it is, and it will ever be found, of paramount importance that the loyal critic should use no eyes but his own. He may endeavour to procure collations from others, he may try to proceed on the principle of division of labour, but he will, I firmly believe, ultimately be forced to admit that this is one of those cases in which labour cannot be well divided, and in which the mechanically-made comparisons of the associated collator can never be put in the same rank with the results of the intelligent search of the professed critic. The very interest that the latter feels in what he is looking for protects him, to a great degree, from those inaccuracies which the mere collator can never hope entirely to escape; added to which, his exact knowledge of the variations of the reading at issue will save him, as nothing else can, from confounding a merely greater inclusiveness of meaning with evidences of distinct textual change. To cite a single and familiar instance,—how often must the critical scholar have observed that Oriental Versions are adduced on one side or other, in such cases of prepositional variation as iv and dia, when the plain fact is that the greater inclusiveness of the Beth or the Bet of the Version leaves the actual reading which the translator had before him a matter of complete uncertainty. Are, then, our scholars, and more especially our critics, to shrink from such a useful and even necessary duty as the study of the ancient Versions? Are a certain number of weary hours, more or less, to be set in comparison with the ability and the privilege of making clearly known to others the critical characteristics of Versions of the Book of Life, that have been the blessed media of salvation to early churches and to ancient nations?

One word, and one word only as to my own humble, most humble efforts in this particular province. Time, toil, and patience, have done something; and though, alas, my knowledge is still limited, yet I may at length venture to hope that in most of these versions the student may fully rely on my statements, and that the number of those statements that may hereafter be reversed by wiser and better scholars than myself will not be very large. I am forced to say this,

as I have observed in one or two reviews with which I have been favoured, that avowals of inexperience, which seemed the more suitable and becoming in proportion as the means of detecting it were in fewer hands, have been understood to imply that my citations from these ancient authorities could not confessedly be relied on. This, however, has not been While I sensitively shrink from and is not the case. dragging into notice the amount of my own labours, I still perceive that I must beware of leading the reader to pass over what may be of real use to him, and of feeling distrust where actually there may be no just ground for it. The intelligent scholar will see at a glance that to state fairly and correctly the translation of words, of which the subject is familiarly known, is a task which certainly does not lie beyond the reach of ordinary patience and industry.

Among other additions, the reader will, I trust, be benefited by the still increasing attention to our best English divinity. I have made it my study to refer especially to sermons on all more interesting and difficult verses, and it is unusually cheering to find that no portion of my labours has been more kindly appreciated, or has apparently been of more real service to theological students. Without drawing any unfair comparison between English and German divinity, it does not seem one whit too much to say, that if we are often indebted to the latter for patient and laborious exegesis, it is to the former alone that we must go if we would fain add to our mere contextual knowledge some true perceptions of the analogy of Scripture, and are really and sincerely interested in striving to comprehend all the profound and mysterious harmonies of Catholic Truth.

With regard to matters of textual criticism, the student will observe in this volume the same persistent attention to the principal differences of reading, even in the grammatical notes. My constant effort is to popularize this sort of knowledge, to make exegesis lend it a helping hand, and to insensibly decoy the student into examining and considering for himself what human words seem to have the best claims to be regarded as the earthly instruments by which the adorable mercies of God have been made known to the children of men. These notices it must be remembered are merely selected, and neither are nor are intended to be enumerations of all the differences of reading; still I have good hope that in the present volume no reading that may be thought to deserve attention has been wholly overlooked.

I have now only to conclude with a few notices of those works to which I am especially indebted. This list is now gradually becoming shorter. I have been enabled to use so many more first-class authorities than when I commenced this work, that it does not seem disrespectful to such as can only be fairly considered as second-class, to silently omit them from pages where text and notes only too often stand in an undesirable though unavoidable disproportion.

In these Epistles, as in the Pastoral Epistles, I have lost the sagacious guidance of Dr. Meyer; I have not, however, so much to lament the change of editor as in the Epistles above alluded to. Though distinctly inferior to Meyer, especially in the critical and grammatical portion of his work, Dr. Lünemann is still a commentator of a very high order. His exegesis is commonly sound and convincing, and none

I am sure, can beneficially study these two beautiful Epistles without having at hand the Commentary of this able editor.

The larger and more comprehensive Commentaries will be found specified in former portions of this work, but I must pause to express my hearty sense of the continued excellence of my friend Dean Alford's Commentary. As our readers will see, we occasionally break a friendly lance, more especially in matters of detail. These gentle encounters, however, are not only unavoidable but even desirable. It is by all such amicable conflicts of opinion that the truth, often lying midway between those engaged in her defence, is most surely seen and recognised.

Of the separate editions of these Epistles I desire to specify the very able Commentaries of Pelt and Schott. The former of these two writers has the great merit of being one of the first of later times who distinctly felt the importance of using the exegetical works of the Greek Fathers, and the latter supplies a good specimen of that patient mode of grammatical interpretation which has now obtained such general currency. Though both these works have been many years before the world, and though in many cases their opinions have been reversed by more modern expositors, they can neither of them be justly considered as superseded or antiquated.

Last of all I come to the edition of Professor Jowett. And here I would rather that our differences of opinion appeared in their respective places than were thus specifically alluded to. I feel it, however, a duty to speak, and it is with pain that I must record my fixed opinion that the system of interpretation pursued by Professor Jowett is as dan-

gerous as I believe it to be inaccurate and untenable. Surely expressions that would be thought hard if applied to Pindar or Thucydides seem sadly out of place when directed against the diction of the inspired After making every possible allow-Saul of Tarsus. ance for the obvious fact that our systems of interpretation are completely and persistently antagonistic. after willingly making in my own case every correction for bias, I still feel morally convinced that the objections to Professor Jowett's system of interpretation are such as cannot be evaded or explained away.... After having thus performed a very painful duty, I trust I may be permitted to express my full recognition of the genius that pervades his writings, the ease, finish, and, alas, persuasiveness of the style, the kindly, though self-conscious spirit that animates his teaching, and the love of truth, that, however sadly and deeply wounded by paradoxes and polemics, still seems to be ever both felt and cultivated. May these good gifts be dedicated anew to the service of Divine Truth and be overruled to more happy and more chastened issues.

It now only remains for me with all humility and lowliness of heart to lay this work before the Great Father of Lights, imploring His blessing on what I may have said aright, and His mercy where mine eyes have been holden, and where I have not been permitted to see clearly all the blessed lineaments of Divine Truth.

FIRST EPISTLE TO THE THESSALONIANS.

CHAPTER I. 1.

Apostolic address and BAYΛΟΣ καὶ Σιλουανὸς καὶ Τιμό-salutation. Θεος, τῆ ἐκκλησία Θεσσαλονικέων ἐν

 Παθλος The absence of the official designation ἀπόστολος in these Epp. is not due to their early date, or to the fact that the title had not yet been assumed by St. Paul (comp. Jowett), but simply to the terms of affection that subsisted between St. Paul and his converts at Thessalonica, and their loving recognition of his office and authority; comp. Beng. in loc., and see notes on Phil. i. I. The reason of Chrys., followed by Theoph. and Œcum., διά τὸ νεοκατηχήτους είναι τούς άνδρας, και μηδέπω αὐτοῦ πεῖραν είληφέναι, does not seem sufficient. That it was 'propter reverentiam Silvani' (Cajet., Est.), is far from probable, for comp. 1 and 2 Cor. i. 1. Σιλουανός Identical with Silas mentioned in the Acts (comp. Acts xvi. 19 sq. with 1 Thess. ii. 1, 2, and Acts xviii. 5 with 2 Cor. i. 19), a προφήτης (Acts xviii. 32), and one ἡγούμενος έν τοῖς ἀδελφοῖς in the Church of Jerusalem: he was sent by the Apostles and elders of that Church with St. Paul and St. Barnabas to Antioch, and accompanied the former on his second missionary journey (Acts xv. 40) through Asia Minor to Macedonia. There he cooperates with the Apostle (Acts zvii. 4) and

Timothy (comp. Acts xvii. 3, xvi. 14, 1 Thess. iii. 6) in founding the Church of Thessalonica, and after staying behind at Berœa (Acts xvii. 14), rejoins St. Paul at Corinth, and actively preaches the Gospel in that city (2 Cor. i. 19). It does not seem improbable that he afterwards joined St. Peter, and is identical with the Silvanus mentioned 1 Pet. v. 12; compare Bleek on Hebr. Vol. 1. p. He is here placed before Timothy (so also Acts xvii. 14, 15, xviii. 5, 2 Cor. i. 19, 2 Thess. i. 1) as being probably the older man, and certainly the older associate of St. Paul. According to tradition, Silas was afterwards Bishop of Corinth, and Silvanus of Thessalonica (compare the list in Fabric. Lux Evang. p. 117); the former name, however, though paroxytone, is, in all probability, only a contracted form of the latter; see Winer, Gr. § 16. 1, p. 93. For further and legendary notices of Silas, see Acta Sanct. July 13, Vol. III. p. 476, and for an attempt to identify Silas with St. Luke, see Journal Sacr. Lit., Oct. 1850, p. 328 sq.

Τιμόθεος] The name of this convert is too well known to need more than

Θεφ πατρί καὶ Κυρίφ Ἰησοῦ Χριστφ. χάρις ύμιν καὶ εἰρήνη.

a brief notice. He was the son of a Greek father (Acts xvi. 1) and a Jewish mother (Eunice, 2 Tim. i. 5), most probably from Lystra, and perhaps converted by St. Paul on his first visit to that city (Acts xiv. 8 sq.). He accompanied the Apostle on his second missionary journey to Macedonia, remains behind at Berœa (Acts xvii. 14), is summoned by St. Paul when at Athens; probably rejoins him there (comp. I Thess. iii. I, and see Neander, Planting, Vol. 1. p. 195), is despatched to Thessalonica, and returns to the Apostle at Corinth (Acts xviii. 5). After an interval, he reappears in St. Paul's third missionary journey, and is sent from Ephesus to Macedonia (Acts xix. 22) and Corinth (1 Cor. iv. 17). He was with St. Paul when he wrote 2 Cor. (ch. i. 1) and Rom. (ch. xvi. 21), accompanied him from Corinth to Asia (Acts xx. 4), and subsequently was with him when he wrote Phil. (i. 1), Col. (i. 1), and Philem. (ver. 1). He appears afterwards to have been left in charge of the Church at Ephesus (1 Tim. i. 3), and finally, is summoned by St. Paul to Rome, at the close of the Apostle's second imprisonment. He is named by Eusebius (Hist. Eccl. III. 4, comp. Const. A post. VII. 46) as first bishop of Ephesus, and is said to have suffered martyrdom under Domitian; see Phot. Biblioth. CCLIV. p. 1402 (ed. Hoesch.), Acta Sanct. Jan. 24, Vol. II. p. 562, and Menolog. Græc. Vol. II. p. 128. It may be remarked that Silvanus and Timothy are here named with St. Paul, not merely as being then with him (Gal. i. 2), or as the 'socii salutationis' (comp. notes on Phil. i. 1), but also as having cooperated with him in founding the Church of Thessalonica.

TÎ ÈKKÀ. GETTAÀ. K.T.À.] 'to the Church of the Thessalonians in God the Father,' &c.; not 'scribunt aut mittunt hanc epistolam' (Est.), but in the usual elliptical form of greeting (Lucian, Conviv. § 22), the $\chi alpew$ (James i. 1) being involved and implied in the wish $(\chi d\rho\iota s \ \kappa.\tau.\lambda.)$ which forms the second period of the salutation; see notes on 1 Tim. i. 2.

Thessalonica was a large (Lucian, Asin., § 46), wealthy, and populous city (Strabo, Geogr. VII. 7, 4, Vol. II. p. 60, ed. Kramer) at the north-east corner of the Sinus Thermaicus. was built on the site of, or near to (Pliny, Hist. Nat. IV. 10 (17), ed. Sillig), the ancient Therme (Herod. VII. 121, Thucyd. I. 61), by Cassander, in honour of his wife Θεσσαλονίκη (Strabo, Geogr. VII. Fragm. 21, Vol. II. p. 79, ed. Kram.), and under the Romans was of sufficient importance to be chosen as the capital of the second district of Macedonia; see Livy, XLV. 29. It retained its importance through the middle ages (see Conyb. and Howson, St. Paul, Vol. I. p. 345 sq., ed. I), and even at the present day, under the name of Saloniki, is one of the chief cities of European Turkey; see Leake, N. Greece, Vol. III. p. 238 sq. For further notices, see the good account of Conyb. and Hows. l.c., Winer, RWB. Vol. II. p. 608, Pauly, Real Encycl. Vol. vi. p. 1880, and especially the learned and comprehensive treatises of Tafel, Histor. Thessalon. Tubing. 1835, and de Thessal. ejusque agro. Berol. 1839. έν Θεφ πατρί κ.τ.λ. must be closely joined with τῆ ἐκκλ. Θεσσ., to which it stands in the relation of a kind of tertiary predication (Donalds. Gr. § 480), and

which it serves to distinguish from

the πολλαὶ ἐκκλησίαι καὶ Ἰουδαικαὶ και Έλληνικαι (Chrys.), which were in that city; ἐν Θεῷ πατρί, as De Wette suggests, distinguishing it from the latter, $\kappa a l K \nu \rho$. $\kappa . \tau . \lambda$., from the former. To connect these words with what follows (Koppe), or to understand χαίρειν λέγουσιν (Schott,-not Winer [Alf.], who expressly adopts the right view) is arbitrary and untenable, and to supply $\tau \hat{\eta}$ or $\tau \hat{\eta}$ of $\sigma \eta$ (De W., Alf., comp. Chrys., Syr.), unnecessary, and even inexact, such unions without an art. being by no means uncommon in the N.T.; see exx. in Winer, Gr. § 20. 2, p. 123, and for the principle of such combinations, notes on Eph. i. 15. mentators call attention to the fact, that the term ἐκκλ. occurs only in the addresses to Thess., 1 and 2 Cor., and Gal., while in the supposed later Epp. Rom., Eph., Phil., Col., the more individualizing $\tau o \hat{i} s$ $\dot{a} \gamma los \kappa. \tau. \lambda$. is adopted. The variation is slightly noticeable; it does not, however, seem to point to gradually altered views with regard to the attributes of the Church (Jowett), but merely to the present comparative paucity of numbers (compare Chrysost.), and their aggregation in a single assembly; comp. Koch, p. 56, note. On the meaning and application of the term, see Pearson, Creed, Art. IX. Vol. I. p. 397, Jackson, Creed, XII. 2. 1 sq. χάρις ύμιν κ.τ.λ.] Scil. είη, not έστω (Schott); see notes on Eph. i. 2. On the blended form of Greek and Hebrew greeting, see notes on Gal. i. 2, Eph. i. 2. The reading is somewhat doubtful: Rec. adds άπὸ Θεοῦ πατρὸς ἡμῶν και Κυρίου Ίησοῦ Χρ. on good external authority [AC(appy.) DEJK; Tol.,

Copt. (Tisch., al., quote an incorrect Latin transl.), Syr. (Philox., but with asterisk), Æth. (Platt); Chrys., al.]; the omission, however, is fairly supported [BFG; 47. 73. 115; Vulg. (not Clarom., as Tisch.), Syr., Æth., Arm.; Chrysost. (comm.), Theophyl., al.], and, on critical grounds, decidedly preferable, as the uniqueness of the form in St. Paul's Epp. would be likely to suggest interpolation; comp. Col. i. 2.

2. εὐχαριστοθμεν] 'We give thanks;' comp. Phil. i. 3, Col. i. 3, Philem. 4. It has been doubted whether the plural is to be understood of the Apostle alone (Koch, Conyb.), as in ch. ii. 18, iii. 1 sq., or to be referred also to Silvanus and Timothy. the plural is elsewhere used in reference to the Apostle and his συνεργοί (comp. 2 Cor. i. 10, and notes on Col. i. 3), and as Silv. and Tim. stood in a very close relation to the Church of Thessalonica, it seems most natural here to adopt the latter view; so Lünem., and Alford, who, however, appears inexact in claiming all the ancient commentt., as Chrys. and the Greek expositors seem clearly, though indirectly, to adopt the former view. On the present late use of εὐχαρισ- $\tau \epsilon \hat{\imath} \nu$ in the sense of 'gratias agere,' see notes on Phil. i. 3, and esp. on Col. i. 12; the more correct χάριν ἔχω occurs 1 Tim. i. 12, 2 Tim. i. 3, and Philem. 7 (Tisch.). These thanks are returned to God (the Father, comp. Col. i. 3), ώς αὐτὸς έργασάμενος τὸ πῶν, Chrysost.; so 2 Thess. i. 3, 2 Tim. i. 3, and with the addition of μου, Rom. i. 8, 1 Cor. i. 4, Phil. i. 3, Philem. 4. πάντοτε κ.τ.λ. here obviously belongs to the finite

έπὶ τῶν προσευχῶν ἡμῶν, ³ ἀδιαλείπτως μνημονεύοντες ὑμῶν τοῦ ἔργου τῆς πίστεως καὶ τοῦ κόπου τῆς ἀγάπης

verb (1 Cor. i. 4, 2 Thess. i. 3, comp. Eph. i. 16), not to the participle (Phil. i. 4, Col. i. 3, Philem. 4, comp. Rom. i. 10). Even if the second $b\mu\hat{\omega}\nu$ be omitted (Lachm.), the connexion with the participle will be almost equally untenable, as the expression μνείαν ποιείσθαι περί τινος (though not unclassical, Plato, Protag. 317 E) is not elsewhere found in St. Paul's Epp.; so Syr., Æth., the Greek expositors (silet Theod.), and nearly all modern editors. On the alliteration #dvrore περί πάντων, comp. notes on Phil. περί πάντων ύμων] 'concerning you all;' not without slight emphasis, and affectionate cumulation; the Church of Thessalonica, like that of Philippi, presented but few unfavourable developments. The very εὐχαριστία was tacitly commendatory (τὸ εὐχαριστεῖν κ.τ.λ., μαρτυροθντός έστιν αὐτοίς πολλήν προκοπήν, Chrys.), the inclusive nature of it still more expressly so. The difference between the use of $\pi \epsilon \rho l$ (τ Cor. i. 4) and ὑπὲρ (Eph. i. 16) in this and similar formulæ in the N.T. is scarcely appreciable; see notes on Eph. vi. 19. Perhaps, as a general rule, we may say that in the former the attention is more directed to the object or circumstances to which the action of the verb extends, in the latter more to that action itself : see notes on Gal. i. 4, and on Phil. i. 7. μνείαν ύμων ποιούμ.] 'making mention of you: not a limitation of the preceding εὐχαρ. πάντοτε, but a definition of the circumstances under which it took place; comp. Rom. i. o, Eph. i. 16, Philem. 4. For further remarks on the formula (not 'making mention of, or remembering,' Jowett, but simply the former, -as often in Aristotle, al.), see notes on Philem. 4, and for a distinction between μνήμη (γενική τύπωσις ψυχής) and μνεία (λόγος κατ' ἀνανέωσιν λεγόμενος), Ammonius, Voc. Diff. p. 95 (ed. Valck.). The reading is slightly doubtful; Lachm. omits ὑμῶν with AB; 3 mss.; Amit., Harl.**, but apparently on insufficient evidence. It does not seem improbable that the presence of the former ὑμῶν suggested a supposed emendatory omission.

emendatory omission.

kπl τῶν προσευχῶν] 'in my prayers,
'in orationibus,' Vulg., Copt. (comp.
Syr., Æth.),—not merely 'at the time
I offer them,' but, with a tinge of local
reference, 'in my performance of that
duty;' see Bernhardy, Symt. v. 23
a, p. 246, and notes on Eph. i. 16.
In such cases perhaps the prep. marks
the object to which the action has reference, its point, so to say, of application; see Krüger, Sprachl. § 68.
40.5.

3. abialelatus] 'unremittingly;' used in the N.T. only by St. Paul, ch. ii. 13, v. 17, Rom. i. 9, and in all cases in direct (ch. v. 17) or indirect connexion with prayer. The adverb is referred by Syr., Æth., Arm., and some modern expositors, to the preceding participle, but far more naturally by Chrys. and the Greek commentators to μνημονεύοντες, each new clause serving to enhance and expand what had preceded; so Lachm., Tisch., Buttm., and perhaps Copt., Vulg. Alford urges Rom. i. 9, but there the order is different. νεύοντες] ' remembering, ' Auth. Ver., 'memores,' Vulg., Clarom.; participial clause parallel to the preceding μνείαν ποιούμενοι, and defining, not the cause (Schott), but the circumstances and temporal concomitants of καὶ της ύπομονης της έλπίδος του Κυρίου ημών Ίησου

the action: the εὐχαριστία found its utterance in the prayers, and owed its persistence $(\pi d\nu \tau o \tau \epsilon)$ to the unceasing continuance of the μνήμη. The first participle has thus more of a modal, the second of a temporal tinge; οὐ μόνον, φησίν, ἐπὶ τῶν προσευχών μου μέμνημαι ύμων άλλά καί άλλοτε πάντοτε, Theoph. It has been doubted whether µνημον. is here 'commemorare' (Beza), or 'memor esse' (Vulg., Syr., Æth., Arm., and appy. Copt.), as in Heb. xi. 22 (but with $\pi \epsilon \rho i$ and a gen.). The context ($\xi \mu$ - $\pi \rho o \sigma \theta \epsilon \nu \Theta \epsilon o \theta \kappa. \tau. \lambda.$) seems slightly in favour of the former (De Wette, Alf.), but St. Paul's use of the verb, and the case after it (gen. not accus.), somewhat decidedly in favour of the latter; see Winer, Gr. § 30. 10, p. 184 (ed. 6), Jelf, Gr. § 512. obs., notes on ch. ii. 9, and on 2 Tim. ii. 8. The three objects of the Apostle's remembrance then follow in their natural order (so ch. v. 8, Col. i. 4, comp. Tit. ii. 2; aliter 1 Cor. xiii. 13), ἀγάπη being the result and exemplification of $\pi l \sigma \tau is$, and ξλπις the link between the present and the future; see Reuss, Théol. Chrét. IV. 20, Vol. II. p. 219, and esp. Usteri, Lehrb. II. 1. 4, p. 238. ύμων του έργου κ.τ.λ.] 'your work of faith,' i.e., 'which characterizes, is the distinctive feature of, faith;' comp. Rom ii. 15, and in point of sentiment, Gal. v. 6, πίστις δι' άγάπης ενεργουμένη. The precise meaning and connexion of these words has been much contested. The simplest view seems to be as follows:—(I) ' $\Upsilon \mu \hat{\omega} \nu$ is not immediately dependent on μνημον. (Œcum.), as this would involve an untenable ellipse of a prep. before the succeeding words (see Herm. Viger, p. 701, Lond. 1824), but is a possess.

gen. in connexion with τοῦ ἔργου, and also (as its slightly emphatic position suggests) τοῦ κόπου and τῆς ὑπομονῆς; see further exx. in Winer, Gr. § 22. 7. 1, p. 140. (2) Τοῦ ἔργου is certainly not pleonastic, but must stand in parallelism both in force and meaning (hence not 'veritas,' Kypke, Obs. Vol. II. p. 332) with the succeeding τοῦ κόπου (Winer, Gr. § 65. 7, p. 541), and has probably here not so much a collective (Syr. | opera]), as a tinge of active force, imparted both by the context and the following τοῦ κόπου; comp. Eph. iv. 12, Knapp, Scripta Var. Arg. Vol. II. p. 491, note, and Usteri, Lehrb. II. i. 4, p. 238. (3) Τη̂s πίστεωs is certainly not a gen. of apposition (Alf.), as it would thus lose all parallelism with the succeeding genitives, but is either (a) a gen. of the origin (Hartung, Casus, p. 17, comp. on Col. i. 23), 'quod ex fide proficiscitur,' Grot., or perhaps more simply (b), a possessive genitive. τοῦ ἐργοῦ being the prevailing feature and characteristic of the πίστις, and that by which it evinces its vitality: comp. Chrys., ή πίστις διά τῶν ἔργων δείκνυται, who, however, with Theod., al., doubtfully limits τὸ ἔργον to endurance in sufferings, τὸ ἐν κινδύνοις βέβαιον, Theod. τοῦ κόπου της άγάπης] 'the labour of love,' i.e. (retaining the same genitival relation as in the preceding words) 'the labour which characterizes and evinces the vitality of love; 'multum est per se dilectio, sed multo magis, si accedunt molesti labores, id enim κόπος,' Grot.; see notes on I Tim. iv. 10. The dγdπη is here not in reference to God, or to God and one another (comp. Œcum.), but simply to the latter (Col. i. 4, Heb. vi. 10); and

Χριστοῦ ἔμπροσθεν τοῦ Θεοῦ καὶ πατρὸς ἡμῶν, 4 εἰδότες,

teaching (comp. De W.), or in bearing a brother's faults (Theod.), or in ministering to the sick, &c. (Alf.),but, as the forcible κόπος seems to suggest, in ministering to, labouring for, and if need be, suffering for, a brother-Christian; comp. Chrysost. in loc. On the theological meaning and application of dydun (Vulg. 'caritas' or 'dilectio;' appy. never 'amor,' but consider August. de Civ. Dei, XIV. 7), see Reuss, Théol. Chrét. IV. 19, Vol. II. p. 203 sq., and comp. Barrow, Serm. XXVII. Vol. II. p. 44 sq. της ύπομ. της έλπ.] 'the patience of Hope,' i.e., as before, 'the patience which is, -not exactly the product (De W.), or the cause (Œcum.), but the distinguishing and characterizing feature of your hope; ὑπομένειν δὲ προσήκει τον ταύτην δεξάμενον την έλπίδα, καὶ φέρειν γενναίως τὰ προσπίπτοντα σκυθρωπά. Theod. In the noble word ὑπομόνη, there always appears (in the N.T.) a background of άνδρεία (comp. Plato, Theæt. p. 177 B, where ἀνδρικῶς ὑπομείναι is opp. to ἀνάνδρως φεύγειν); it does not mark merely the endurance, the 'sustinentiam' (Vulg.), or even the 'patientiam' (Clarom.), but the 'perseverantiam' (see Cicero, de Invent. II. 54 [163]), the brave patience with which the Christian contends against the various hindrances, persecutions (Chrysost.), and temptations (Theophyl.), that befal him in his conflict with the inward and outward world; comp. Rev. ii. 3, and see notes on 2 Tim. ii. 10, and on Tit. ii. 2, and Neander, Planting, Vol. I. p. 479 In some cases it seems almost to occupy the place of $\epsilon \lambda \pi ls$; comp. 2 Thess. i. 4, 1 Tim. vi. 11, Tit. ii. 2, and for a full notice of other

that, as evinced,-not merely in

shades of meaning, Barrow, Serm. XLII. Vol. II. p. 525 sq. τοῦ Κύριου κ.τ.λ. does not refer to the three preceding substantives (Olsh.), but merely to the immediately foregoing exalos: our Lord was the object of that hope; His second coming was that to which it ever turned its gaze; comp. ver. 10, and see Reuss, Théol. Chrét. IV. 20, Vol. II. p. 221. For exx. of this accumulation of genitives, esp. in St. Paul's Epp., see Winer, Gr. § 30. 3. 1, p. ξμπροσθεν κ.τ.λ.] I 72. 'before God and our Father,' scil. μνημονεύοντες (Syr., Theoph. τ, Alf.), not with τοῦ ἔργου τῆς πίστεως κ.τ.λ. (Theod., Theoph. 2, Jowett), as in such a case the article could scarcely be dispensed with. The formula $\xi \mu \pi \rho$. τοῦ Θεοῦ, which only occurs in this Ep. (ch. iii. 9, 13, comp. ch. ii. 19), and in Acts x. 4 (Lachm., Tisch.), is scarcely distinguishable in meaning from the more usual ἐνώπιον τοῦ Θεοῦ, Rom. xiv. 22, Gal. i. 22, al., or the less usual έναντι τοῦ Θεοῦ, Luke i. 8, and Acts viii. 21 (Lachm., Tisch.): it serves to hint at the more solemn circumstances (of prayer) under which the remembrance took place, and to mark its sincerity and earnestness; it was no accidental or pretended uvela, but one entertained in His presence, and in which His eyes saw no insincerity; comp. Calv. in loc., and on the phrase generally, Frankel, Vorstud. z. LXX. p. 159. the formula $\Theta \epsilon \delta s$ kal $\pi a \tau \eta \rho$, see notes on Gal. i. 4.

4. είδότες] 'seeing we know,' or 'knowing as we do;'
[novimus enim], Syr.; participial clause parallel to μνημονεύοντες, and similarly dependent on εὐχαριστοῦ-

αδελφοί ήγαπημένοι ύπο Θεού, την εκλογην ύμων, 5 ὅτι το εὐαγγελιον ήμων οὐκ εγενήθη εἰς ύμας εν λόγφ μόνον,

 $\mu \epsilon \nu$, serving to explain the reasons and motives which led to the εὐχαριστία. The finite verb has thus three participial clauses attached to it; the first serves principally to define the manner, the second the time and circumstances, the third the reasons and motives of the action. These delicate uses of the Greek participle deserve particular attention; comp. Krüger, Sprachl. § 56. 10 sq. It is somewhat singular that so good a commentator as Theodoret should refer előóres to the Thessalonians; so also Grot., who refers the clause to the remote $\dot{\epsilon}\gamma\epsilon\nu\eta\theta\eta\tau\epsilon$, ver. 6. There is no trace of such a connexion in any of the ancient Vv., except in Æth. (Polygl.)

ήγαπημένοι ὑπὸ Θεοῦ] 'beloved by God;' comp. 2 Thess. ii. 13; so rightly Syr., Vulg., Clarom., Copt., Æth. (Pol.), and inferentially Chrys. (ὑπὸρ γὰρ τῶν τοῦ Θεοῦ ἀγαπητῶν τί οὐκ ἄν τις πάσχοι). Το connect ὑπὸ Θεοῦ with τὴν ἐκλογήν, as Æth. (Platt), Theophyl., and our own Auth. Ver., involves a disturbance of the natural order, and an ellipse of εἶναι that is here highly improbable.

την έκλογην ὑμῶν] 'your election;' scil. out of others not exhertal, with reference to the sovereign decree of God made before the foundation of the world; see Eph. i. 4, and notes in loc. To refer this merely to the manner of their election to the Gospel (Baumg. Crus., Jowett 2), or to any internal renewing of the Spirit (Pelt), is in a high degree forced and unsatisfactory. On the use of the terms έκλέξασθαι, έκλογή, and έκλεκτοί, in St. Paul's Epp. see Reuss, Théol. Chrét. IV. 14, Vol. II. p. 132, and on the doctrine generally, the clear and

mainly satisfactory statements of Ebrard, Dogmatik, § 560, 561; comp. also the very valuable remarks of Hooker, on Predest. Vol. II. p. 705, sq. (ed. Keble), especially p. 711, 712.

5. STI] 'in that,' 'because,' Syr., 'quia,' Vulg., and sim. Copt. (Clarom.), Æth., Arm.; reason for this knowledge on the part of St. Paul and his companions, ött having here its causal force (Winer, Gr. § 53. 8. a., p. 395), and, with its regular objective characteristics (Krüger, Sprachl., § 65. 8. 1), referring to known facts as confirmatory of a preceding assertion. The Apostle argues they must be elect, because (ver. 5) he and his companions were enabled to preach the Gospel among them with such power, and, secondly (ver. 6), because they received it with such joy; ¿κ τούτου φησί, δήλον ότι έκλεκτοί έστε. έκ του τον Θεον το κήρυγμα έν υμίν δοξάσαι, Theoph. Others, as Bengel, Schott, give on its expository force. 'that,' 'to wit that,' (see Krüger, Sprachl. § 61. 1. 3), and place only a comma after ὑμῶν: in which case ver. 5 becomes an objective sentence (Donalds. Gr. § 584 sq.), dependent on előbres, and more distinctly explanatory of the nature of the ἐκλογή. This is grammatically tenable, but certainly not exegetically satisfactory, as the whole context seems to have more of a direct and argumentative. than of a dependent and explanatory nature. τὸ εὐαγγ. ἡμῶν] 'our gospel,' 'the gospel which we preached;' the gen. being appy. that of the (mediate) source or origin (Hartung, Casus, p. 23), or perhaps rather the (mediate) causa efficiens; see notes

άλλα και εν δυνάμει και εν Πνεύματι αγίφ και εν πληροφορία πολλή, καθώς οίδατε οίοι εγενήθημεν εν ύμιν δι'

on ver. 6. eyevába eis ėµâs] 'came unto you;' not 'erga vos,' Calv., but simply 'ad vos,' Vulg., Copt., the preposition not having here its ethical force (comp. Philem. but simply marking the direction which was taken by the εὐαγγέλιον; comp. Donalds. Cratyl. § 170, and notes on Gal. iii. 14. The reading is very doubtful. Hods is well supported, viz., by AC**DEFG; 5 mss.; Chrys., Theoph. (Lachm., Tisch. ed. I). As, however, els appears a less probable correction for $\pi \rho \delta s$ than the converse, and is fairly supported by external authority [B, perhaps C*, JK; nearly all mss.; Chrys. (ms.), Theod., al., Rec., Griesb.], we retain the reading of Tisch. (ed. 2). If $\pi \rho \delta s$ be adopted, the same meaning will be admissible (comp. 2 John 12, Lachm., Tisch.), but will seem less probable than 'apud' (Clarom.; comp. 1 Cor. xvi. 10), as the general reference of the context is rather to the development of the Gospel among them than the circumstances of its first arrival; for this meaning of γίνεσθαι πρός in the N.T., which Alford seems to doubt, see Meyer on 1 Cor. ii. 3, and Fritz. on Mark, p. 201. On the passive form ἐγενήθη, which occurs noticeably often in this Epistle, but does not appy. involve any passive meaning (Alf.), see Lobeck, Phryn. p. 108, Thomas M. p. 180 (ed. Bern.), and notes on Col. iv. 11.

ἐν λόγφ] 'in word;' not merely equivalent to λόγος (comp. Jowett), but, as usual, with a reference to the sphere or domain of its action, 'non stetit intra verba,' Grot.; compare Winer, Gr. § 48. a, p. 345.

ev δυνάμει κ.τ.λ.] 'in power and in the Holy Ghost;' 'in an element of

power and,-to specify a yet higher principle (kal being not so much epexegetic as slightly climactic, see on ver. 6), in the influence of the Holy Ghost;' the preposition as before defining the sphere, and thence inferentially the manner, in which the preaching took place; see notes on ch. ii. 3. Δυνάμει does not appear to refer specially to 'miraculous powers' (Theod., Theophyl., al.), but, as in the similar passage, I Cor. ii. 4, to the reality, energy, and effective earnestness with which the Apostle and his followers preached among the Thessalonians. Jowett defends the reference of èv δυν. to the influence produced on the Thess., but is thus led into an interpr. of ἐν Πνεύμ. ἀγίφ,— 'the inspiration of the speaker caught by the hearers,' which, as tending to obscure the reference to the personal Πνεθμα άγιον seems in a high degree precarious and unsatisfactory. the absence of the art. with Πνεύμ. dγlφ, see notes on Gal. v. 5, and comp. Winer, Gr. § 19. 1, p. 111 (ed. 6). πληροφορία πολλη ['much assurance,' i.e. 'much confidence, much assured persuasion,' on the part of the preachers; subjective, corresponding to the more objective side presented in the preceding clause : comp. Heb. x. 22, πληροφορία πίστεωs, which latter subst. Alford here unnecessarily inserts in translation. Of the three explanations which Jowett proposes, (a) certainty, (b) fulness of spiritual gifts, Corn. a Lap., al., (c) effect, fulfilment, Thom. Aq. 2, the first alone seems in harmony with the context, if limited to the Apostle and his companions. To refer it to the Thess. (Musc., comp. Zanch. ap. Pol. Syn.), or to them and the ύμας 6 καὶ ύμεῖς μιμηταὶ ἡμῶν ἐγενήθητε καὶ τοῦ Κυρίου,

Apostle (Vorst., Schott) seems to mar the correct sequence of thought, and to introduce notices of the state of the recipients which only come first into view in ver. 6. The word πληροφορία (Hesych. βεβαιότης) appears confined to the N.T. (Col. ii. 2, Heb. vi. II. x. 22) and the ecclesiastical Kalling offate] writers. 'even as ye know;' 'appeal for confirmation to the knowledge of the readers themselves,' Olsh.; ὑμεῖς, φησί, μάρτυρες πως εν υμίν ανεστράφημεν, Theoph. To place a colon or period at πολλή, and to regard καθώς οίδατε as the antecedent member of a sentence of which και ὑμεῖs is the consequent ('qualem me vidistis . . . tales etiam vos estis,' Koppe), involves untenable meanings of οίδατε and εγενή- $\theta\eta\tau\epsilon$, and is well refuted by Lünemann in loc. oloi everybuner] 'what manner of men we proved;' not 'quales fuerimus,' Vulg., nor yet quite so much as 'facti simus,' Alf. (who throws undue emphasis on the passive form), but with the more certain and natural sense, 'came to be, proved to be;' see above, and on Col. iv. 11. The moiorns was not evinced merely in confronting dangers (Theod. comp. Chrys.), but in the power and confidence with which they delivered δι' ύμᾶς] their message. 'on your account,' 'for your sake;' 'propter vos,' Vulg.; not with so specific a force as ὑπὲρ ἡμῶν (comp. Theod., who uses this latter formula in connexion with κινδύνους ὑφεστάναι), nor yet one so undefined as περί ὑμῶν, but with a clear and distinct reference to the cause and best interests [sake, -Sax. sac, Germ. Sache] of those to whom the Apostle preached; τη̂s έμη̂s [ἡμετέρας] σπούδης της είς ὑμᾶς ἡ ὑμῶν παρά θεοῦ ἐκλογὴ πρόφασις γέγονεν,

Œcum. The ἐν ὑμῶν, it need scarcely be said, is simply 'among you;' ἀνεστράφημεν ἐν ὑμῶν, Theoph.

6. Kal bueis K.T. A.] 'and ye became imitators of us:' second ground for knowing that the Thess. were έκλεκτοί; the καί not being ascensive (comp. on Eph. ii. 1), or equivalent to 'sic, more Hebræo' (Grot.), but simply copulative, and the verse remaining, if not structurally, yet logically, under the vinculum of the preceding ore. It thus seems best to place neither a period (Tisch., Alf.) nor a comma (Lachm., Buttm.), but a colon, after ver. 5. Here, as in ver. 5, Lün. and Alf. lay a stress on the passive form εγενήθητε, 'ye were made to receive.' This, however, is lexically doubtful: the Apostle is rather dwelling on the effects produced among them, on what they came to be, and thus significantly adopts not the simple verb μιμείσθαι, but the more definitive μιμηταί γίνεσθαι; see I Cor. iv. 16, xi. 1, Eph. v. 1, Phil. iii. καὶ τοῦ Κυρίου] 'and of the Lord,' tacit avoidance of any misunderstanding by means of the slightly climactic ral, see Hartung, Partik Kal, 5. 4, Vol. I. p. 145. This use of the particle, which is strictly in accordance with its supposed derivation [tshi, 'cumulare,' comp. Pott, Etym. Forsch. Vol. II. p. 320], forms the sort of connecting link between its simply copulative and simply ascensive uses, and may perhaps be termed its climactic use, comp. Fritz. on Mark, i. 5, p. 11. For a brief analysis of the leading distinctions in the use of this particle, see notes on Phil. iv. 12. exact manner in which the Thessalonians became imitators of their founders-and of the Lord, is defined δεξάμενοι τὸν λόγον ἐν θλίψει πολλῆ μετὰ χαρᾶς Πνεύματος άγίου, ⁷ ώστε γενέσθαι ὑμᾶς τύπον πᾶσιν τοῖς

in the concluding words of the verse, έν θλίψει πολλή μετά χαράς Πν. άγίου: joy amid suffering and affliction is the 'tertium comparationis;' comp. Acts v. 41, Heb. x. 34. δεξάμενοι τον λόγον] 'having received the word;' temporal use of the participle (see notes on Eph. iv. 8, but transpose 'subsequent' and 'preceding'), marking here the contemporaneousness of the action with that of the finite verb: the predication of manner is given in the following words : comp. Rom. iv. 20. It is scarcely necessary to add that τον λόγον is here practically equivalent to τον λόγον τοῦ Κυρίου (ver. 8), τοῦ Θεοῦ (2 Cor. ii. 17), or της άληθείας (Eph. i. 13), and refers to the preaching of the gospel, which was the λόγος, κατ' έξοχήν; comp. Luke, viii. 13, Acts xvii. 11. On the force of δέξασθαι τὸν λόγον, and its probable distinction from παραλαβείν τ. λόγ., see notes on ch. ii. 13. θλίψει πολλή] 'much affliction.' affliction of the Thessalonians dated back as early as their first reception of the gospel (see Acts xvii. 6), and, as this Epistle incidentally shows, continued both while the Apostle was with them (ch. ii. 14), and after he had left them (ch. iii. 2, 3). χαρᾶς Πνεύματος] 'joy of the Spirit;' certainly not 'lætitiam de Spiritu,' Fritz. (Nova Opusc. p. 271), still less χαρά πνευματική (Jowett), but 'joy inspired by and emanating from the Spirit:' gen. of the originating cause;

see notes on Col. i. 23. Between the

two usual forms of the gen. of abla-

tion, viz. (a) the stronger gen. of the

causa efficiens, and (c) the weaker gen.

originis, which forms the point of

transition to the partitive genitive,

it is perhaps not hypercritical in the

N.T. to insert (b), a gen. of the originating cause, or, if the expression be permissible, the originating agent, -in which the two ideas of source and agency are blended and intermixed; consider the exx. cited in Scheuerl. Synt. § 17. 1, p. 126. With the present case, which appears to fall under form (b), -the Spirit being not only an external giver, but an internal source of the xapd-contrast on the one hand, 2 Theas. ii. 13 ἀγιασμὸς Πνεύματος, where the verbal in -μος suggests the form (a), and on the other, Gal. v. 22, ὁ καρπὸς τοῦ Πνεύμ.. where, if the gen. be not possessive, the image seems to suggest the weaker form (c). Such distinctions. which are not wholly without importance in the N.T., are really due as much to doctrinal, as to grammatical considerations; comp. Winer, Gr. § 30. 1. p. 167 sq.

7. GOTE YEV. TÚTOV.] 'so that ye became an ensample: spiritual progress of the Thessal. converts; they were not only imitators of the example of their teachers, but themselves (regarded as a collective body : comp. Winer, Gr. § 27. 1, p. 157 note) an example to others. could hardly apply to those who had received the Gospel before them (oi προλαβόντες, Chrys., Theoph.), for, as Lünemann observes, the church of Philippi was the only one in Europe which received the Gospel before that of Thessalonica; comp. ch. ii. 2, Acts The reading is very doubtful; the plural τύπους is well supported [ACFGJK; Boern., Syr. (Philox.); many Ff.], but seems so much more likely to have been changed from the singular than vice versa (Schott), that on the whole τύπον,

πιστεύουσιν εν τη Μακεδονία και εν τη 'Αχαΐα. 8 άφ' ύμων γαρ εξήχηται ο λόγος του Κυρίου ου μόνον εν τη

though with less external authority [BD*(D***E, and 1 mss. read τόποs); 3 mss.; Clarom., Sangerm., Vulg., Syr., Æth. (both), al., Lachm., Tisch.] is here to be preferred.

πῶσιν τοξε πιστ.] 'to all the believers;' πιστεύουσιν not having here a pure participial force, τοῖς ήδη πιστεύουσι, Chrys., but, as often in the N.T., coalescing with the article to form a substantive; see Winer, Gr. § 45. 7, p. 316.

Maκεδ. και 'Aχ.] 'Macedonia and Achaia,' i.e. the whole of Greece; Acts xix. 21, Rom. xv. 26. comp. 2 Cor. ix. 2. Macedonia was at first (B.c. 167) divided by the Romans into four provinces, but subsequently (B.C. 142) reunited into one, comprising all the northern portion of Greece. Achaia proper was united with Hellas and the rest of the Peloponnese (B.C. 142) in one province, and as the leading state at that time gave the name to the whole southern portion of Greece; see Winer, RWB. Vol. 1. p. 16, and Vol. 11. p. 44. The omission of εν before τη 'Axala (Rec.) has against it all the uncial MSS. except J and K; see Tisch. in loc.

8. ἀφ' ὑμῶν γάρ] 'For from you.' proof and amplification of the preceding assertion. The preposition is here simply local (Alf.),—not ethical ('vobis efficientibus,' Storr; a very questionable paraphrase), nor both combined (Schott),—and marks the Thess. as the simple terminus a quo of the ἐξηχεῖσθαι. It may be observed that appy. in all cases in the N.T. where ἀπὸ is said to be equivalent to ὑπό, the action implied in the verb is represented as emanating from, rather than wrought by the assumed agent; comp. Luke vi. 18

(Lachm., Tisch.), James i. 13, see Winer, Gr. § 47. b, p. 331, and notes on Gal. i. 1.

'hath sounded forth;' an ἄπ. λεγόμ. in the N. T. (Hesychius, ἐξῆλθεν ἐκηρύχθη), but found in the LXX (Joel iii. 14, comp. Ecclus. xl. 13) and occasionally in later writers, e.g. Polyb. Hist. XXX. 4. 7, τὸ κύκνειων ἐξηχήσαντες. The word forcibly marks both the clear and the pervasive nature of the λόγος τοῦ Κυρίου; ὡς ἐπὶ σάλπιγγος λαμπρὸν ήχούσης καὶ ἐπὶ πολὺ φθανούσης, Theoph.

δ λόγος τοῦ Κυρίου] 'the word of the Lord,' i.e. the gospel (see above, ver. 6) as received by the Thess., not 'the report that it was received by them' (De W.), still less 'the message from the Lord' (Alf.),—both of which meanings seem needlessly artificial. The gospel was received by them with such eager zeal, its words were so constantly in their mouths, and so wrought in their hearts, that it swelled as it were into a mighty trumpet call that was heard of all men sounding forth from Thessalonica.

èν τη Maκ. και 'Aχ.] Here the omission of the article and prep. before 'Axala is not only permissible (on the ground that the previous more exact specification of each would preclude any misconception), but really grammatically exact: Macedonia and Achaia now form a whole in antithesis to all the rest of the world; comp. Winer, Gr. § 19. 4, p. 116 sq. The reading, however, is very doubtful: Lachm. inserts ἐν τή with strong external testimony [CDEFGJK; 30 mss.; Vulg., Clarom., Syr. (both), al.], but as the insertion of the $\dot{\epsilon}\nu \tau \hat{\eta}$ would seem so much more likely to have been a conformation to ver. 7,

Μακεδονία καὶ 'Αχαΐα, ἀλλὰ καὶ ἐν παντὶ τόπφ ἡ πίστις ὑμῶν ἡ πρὸς τὸν Θεὸν ἐξελήλυθεν, ὥστε μὴ χρείαν ἔχειν

than its omission to have been accidental, we retain the reading of Tisch., though only with AB (e sil); majority of mss.; some Vv.; Chrys., Theod., άλλ' ἐν πάντι κ.τ.λ.] al. There is some little difficulty in the exact connexion, as άλλ' ἐν κ.τ.λ. seems clearly in immediate antithesis to οὐ μόνον κ.τ.λ. (opp. to Lünem., who places a colon after Kuplou), but yet stands associated with a new nominative. The most simple explanation appears that of Rückert (Loc. Paul Expl. Jen. 1844), according to which the Apostle is led by the desire of making a forcible climax into a disregard of the preceding nominative, and in fact puts a sentence in antithesis to où µbror—'Axala instead of a simple local clause, έν πάντι τόπφ, or ἐν ὅλφ τῷ κόσμφ (Rom. i. 8), as the strict logical connexion actually required. Rec. inserts kal after άλλά, but on decidedly insufficient authority-viz., CD***EJK; Vulg., Æth. (both), and several Ff. On the distinction between this latter form ('ubi prior notio, non per se, sed quatenus sola est, negatur') and où μόνον---άλλά ('ubi posterior notio, ut gravior, in locum prioris substituitur, priore non plane sublato') see the good note of Kühner on Xenoph. Mem. 1. 6. 2, and correct accordingly in Jelf, Gr. § 762. 1; see also Klotz, Devar. Vol. II. p. 8. ή πρὸς τὸν Θεόν] 'which is toward God,' 'to Godward,' Auth.: more exact definition of the wloves by means of the repeated article; comp. Tit. ii. 10, notes on Gal. iii. 26, and Winer, Gr. § 20. 1, p. 119 sq. The less usual preposition $\pi \rho \delta s$ is here used with great propriety, as there is a tacit contrast to a previous faith, $\pi\rho\delta s$ $\tau\delta$

είδωλα (see ver. 9), in which latter case the deeper mlor. els (faith to and into, -surely not 'on,' Alf.) would seem theologically unsuitable. the meaning of $\pi l \sigma \tau$. $\pi \rho b s$, see notes on Philem. 5, and on the force of πίστις and πιστεύειν with different prepp., Reuss, Théol. Chrét. IV. 14, Vol. II. p. 129, and notes on I Tim. έξελήλυθεν] 'is gone forth: so, with reference to a report, Matth. ix. 26, Mark i. 28, Rom. x. 18: Koch compares the Hebrew Ezek. xvi. 14. currency of the report was probably much promoted by the commercial intercourse between Thess. and other cities, both in Greece and elsewhere; see Koch in loc., and Wieseler, Chronol. p. 42, who suggests that Aquila and Priscilla, who had lately come from Rome (Acts xviii. 2), might have mentioned to the Apostle the prevalence of the report even in that more distant city. If this be so, the justice and truth of the Apostle's hyperbole is still more apparent; to be known in Rome was to be known everywhere: contrast Baur, Paulus, λαλείν τι] 'to p. 484. speak anything,' scil. about your πίστις, or, as Syr. (22) vobis]; προδλαβεν ήμας ή φήμη καί παρ' άλλων ἀκούομεν & λέγειν έθέλομεν, Theodoret. On the difference between λαλείν and λέγειν, comp. notes on Tit. ii. t. The fundamental distinction that λαλεῖν (Hesych, φθέν- $\gamma \epsilon \sigma \theta a \iota$) points merely to sound and utterance, héyew to purport, is mainly observed in the N.T. with this exception, that haheir is sometimes used where \(\lambde{\epsilon}\gamma\epsilon\epsilon\) would appear more natural, but never vice versa; see

9 αὐτοὶ γὰρ περὶ ἡμῶν ἀπαγγέλλουσιν ήμας λαλείν τι όποιαν είσοδον έσχομεν πρὸς ύμας, και πῶς ἐπεστρέψατε προς τον Θεον από των ειδώλων δουλεύειν Θεώ ζωντι καί

esp. the good note of Lücke on John, viii. 43. The position of ημας after Execu is supported by overwhelming uncial authority.

9. airol] 'they themselves;' i.e. the people in Macedonia and Achaia and elsewhere; a very intelligible 'constructio ad sensum;' see Winer, Gr. § 22. 3, p. 131, and notes on Gal. ii. 2. The interpr. of Pelt, 'sponte,' $a\dot{v}\tau o\mu a\theta \hat{\omega}_s$, is here artificial and unnecessary: autol stands in somewhat emphatic antithesis to the preceding ήμαs; 'we have no need to say anything about you, for they to whom otherwise we might have told it, themselves speak of it and spread it; ού παραμένουσιν άκοθσαι περί ύμων άλλα τούς παρόντας και τεθεαμένους τά ύμέτερα κατορθώματα, οί μη παρόντες μηδέ τεθεαμένοι παραλαμβάνουσιν, Chrys. περί ύμων] 'about us,' scil. the Apostle and his helpers; not 'de me et vobis simul,' Zanch. (compare Lünem., -well answered by Alf.), as the studied prominence of περί ἡμῶν and the real point of the clause are thus completely overlooked: instead of our telling about our own success, they do it for us; α γαρ αὐτούς έχρην παρ' ήμων ακούειν, ταθτα αὐτοί προλαβόντες λέγουσι, Chrys.

δποίαν είσοδ. έσχ.] 'what manner of entering in we had unto you: fuller explanation of the preceding wepl ήμῶν. The reference of the qualitative oxolar to the dangers and sufferings undergone by St. Paul and his followers in their first preaching at Thess. (Chrys., Theoph., Œcum.) is rightly rejected by most modern commentators: the moiorns is rather evinced in the power and confidence with which they preached, and serves to illustrate verse 5. Eloodos has here no ethical meaning, 'indolem nostram,' Æth. (Pol.), comp. Olsh... but, as always in the N.T. (ch. ii. 2, Acts xiii. 24, Heb. x. 19, 2 Pet. i. II), is simply local in its reference, 'introitus,' Vulg., Arm., 'ingressus,' Copt., 'quomodo venimus ad vos.' Æth. (Platt): so too, inferentially, the Greek commentators, and after them most modern writers. The present έχομεν (Rec.) appy. rests only on the authority of cursive mss., and is rejected by all modern editors.

πῶς ἐπεστρέψατε] 'how ye turned;' illustration of ver. 6. The πω̂s does not necessarily involve εὐκόλως, μετά πολλής σφοδρότητος, Chrys., 'quanta facilitate,' Calv., but simply points to the fact of ἐπιστροφή (Alf.), the clause not being modal, but objective; comp. Donalds. Gr. § 584. In the verb ἐπιστρέφειν the prep. does not here seem to mark regression (comp. on Gal. iv. 2), but simply direction: both meanings are lexically admissible (see Rost u. Palm, Lex. s.v., and s.v. ἐπί, c), but the second seems most in accordance with the context.

πρὸς τὸν Θεὸν marks the conversion in its general, rather than its specifically Christian aspects, with reference to the former heathen and Gentile condition of the Thessalonians: if they had been Jews, the appropriate formula, as Olsh. well observes, would have been πρός τὸν Κύριον. On this and the following verse, a sound sermon will be found by Sherlock, Sermi. LIII. Vol. III. p. 56 (ed. Hughes). δουλεύειν κ. τ.λ.]

'to serve the living and true God; infinitive of the purpose or intention, είς τὸ δουλεύειν κ.τ.λ., Chrys. -a. άληθινφ, 10 καὶ ἀναμένειν τὸν υίὸν αὐτοῦ ἐκ τῶν οὐρανῶν, ὅν ἥγειρεν ἐκ τῶν νεκρῶν, Ἰησοῦν τὸν ρυόμενον ἡμᾶς ἀπὸ τῆς ὀργῆς τῆς ἐρχομένης.

form of the final sentence (Donalds. Gr. § 606) not uncommon in St. Paul's Epp.; see 1 Cor. i. 17, Eph. i. 4, Col. i. 22. On the difference between this and the infin. with wore (consecutive sentence), see notes on Col. l.c., and comp. Winer, Gr. § 44. I (ed. 6), but more fully, § 45. 3 (ed. 5). God has here the appropriate title of fww (Acts xiv. 15), in contrast with the dead (Wisdom xiv. 29, 5, comp. Habak. ii. 9) and practically non-existent (r Cor. viii. 4, see Meyer in loc.) gods of the heathen,—and that of άληθινός (John xvii. 3, 1 John v. 20, comp. 2 Chron. xv. 3), in contrast to their false semblance (Gal. iv. 8) and ματαιότης אַרְיִלְם Lev. xix. 4. 4, xxvi. 1). On the omission of the art. with Ocos. comp. Winer, Gr. § 19. 1, p. 110.

10. avaperer | 'to await;' second great purpose involved in the exi- $\sigma\tau\rho o\phi \eta$: hope of the nature here described, as Lünem. observes, involves and includes faith, and forms a suitable preparation for the allusions in the latter portion of the Epistle. If yapa be said to be the key note of the Ep. to the Phil. (iii. 1), έλπις may truly be termed that of the present The verb ἀναμένειν, an ἄπ. λεγόμ. in the N.T., does not here involve any reference to awaiting one who is to return (comp. Beng.), nor yet any specific notion of eagerness or joy (Flatt), but simply that of patience ('erharren,' Winer) and confidence; the drd having that modified intensive force (προσμένειν, Theod. [1 Tim. i. 3], περιμένειν, Theoph. [Acts i. 4]), which is so hard to convey without paraphrase; see esp. Winer, de Verb. Comp. III. p. 15, and comp. Rost. u. Palm, Lex. s.v. ard, B. b.

έκ των ούρανων belongs to αναμένειν, involving a slight, but perfectly intelligible, form of brachylogy, scil. έρχόμενον έκ τῶν ούρ.; comp. Winer, Gr. § 66. 2, p. 547. δν ήγειρεν κ.τ.λ.] 'whom He raised from the dead: relative-sentence placed emphatically before 'Ιησοῦν as involving an 'argumentum palmarium' (Beng.) of His sonship; see Rom. i. 4, and comp. Pearson, Creed, Art. v. Vol. 1. p. 313 (ed. Burton). The article before νεκρών is omitted by Rec. with ACK; mss.; Œc., but is supported by preponderating external evidence [BDEFGJ; majority of mss.; Ff.], and by the probability of a conformation to the more usual eyelpeur ἐκ νεκρῶν. Ίησοῦν τὸν ρυόμ.] 'Jesus who delivereth us.' The present participle has not the force of an aor. ('qui eripuit,' Vulg., Arm.) or future part. ('qui eripiet,' Clarom., 'qui liberabit,' Copt.) but may serve (a) to mark the action as commenced and continuing (Vorst.), or (b) as 'rem certo futuram' (Schott), or, still more probably, (c) is associated with the article in a substantival character, 'our deliverer,' Alf.; see Winer, Gr. § 45. 7, p. 316. THE EPYOHENTE 'which is coming;' more specific definition of the dpyth; elae the draστασιν, λέγει και την άνταπόδοσιν ην ημέραν όργης καλεί, Œcum. present participle has no future tinge, $e.g. = \mu \epsilon \lambda \lambda o \omega \sigma \eta s$ (Olsh., Koch) but marks the certainty of the coming (Bernhardy, Synt. x. 2, p. 371), and hints at the enduring principles of the moral government of God; comp. Eph. v. 5, Col. iii. 6. The powerful term δργή is not merely synonymous

with κόλασις or τιμωρία (Orig. Cels.

ed bravely, and en-couraged you both by actions and words.

Our entrance was not empty; we neither beguiled you nor were burdensome, but toile εΐσοδον ήμων την πρὸς ὑμᾶς, ὅτι οὐ κενη ² ἀλλὰ προπαθόντες καὶ ὑβρισγέγονεν,

IV. p. 211, comp. Lünem.), but implies definitely the holy anger of God against sin, -that anger which, deeply considered, only serves to evince His love; see esp. Müller, Doctr. of Sin, 1. 2. 2, Vol. 1. p. 265 (Clark).

CHAPTER II. 1. autol yap offare] 'For ye yourselves know ?' explanatory confirmation of the first part of ch. i. o, by an appeal to the knowledge and experience of his readers. In verse 9, two distinct subjects are alluded to, (a) the power and confidence of the preachers, (b) the obedience and receptivity of the hearers, comp. Chrys.: the former is amplified in the present and 11 following verses, the latter in ver. 13-16. Γάρ is thus certainly not resumptive, nor yet explicative, but what Hartung (Partik. váo. § 2) terms 'argumentativ-explicativ,' the doa element of the particle referring to what had preceded ('quasi pro re natâ jam recte atque ordine hoc ita se habere dicitur,' Klotz) the yè element adding an explanatory asseveration; see esp. Klotz, Devar. Vol. II. p. 235. If the distinction of Hand (Tursell. Vol. II. p. 375) be correct, 'nam ipsi,' Vulg., is here a judicious correction of 'ipsi enim,' Clarom.

δτι οὐ κενή γέγ.] 'that it was not empty,' i.e. void of power and earnestness; 'non inanis, sed plena virtutis,' Beng. In this form of the objective sentence,-by no means uncommon after verbs of 'knowledge, perception, &c.,' there is an idiomatic anticipation of the object, which serves to awaken the reader's attention to the subsequent predications; see esp. Krüger, Sprachl. § 61. 6. 2. For other forms of the objective sentence,

see Donalds. Gr. § 592. The exact meaning of kevh has been somewhat differently estimated: it can scarcely involve any ethical reference ('deceitful,' Hammond, μῦθοι ψευδεῖς καλ ληροι, Œcum.), nor any allusion to accompanying dangers (Theod., Theophyl.) nor yet to the results of the eloodos (De Wette 1) as these belong to the second part of ver. o, -but, as γέγονεν and the leading idea in the following words (ἐπαρρησ. ἐν τῷ Θεῷ $\kappa.\tau.\lambda.$) both suggest, to the essential character of the elocoos, its fulness of power and purpose and reality; our άνθρωπίνη οὐδὲ ἡ τύχουσα, Chrys. So rightly, De Wette 2, Lünem. and Alf.

2. all introduces the antithesis to the preceding οὐ κενή γέγονεν; see I Cor. xv. 10. προπαθ. καλ iβρισθ.] 'having suffered previously and having been injuriously treated,' Acts xvi. 20, 21 sq.; 'id quod alios a prædicando deterrere potuisset,' Beng. It is doubtful whether the participle is here concessive ('although we had, &c.,' Lünem.; see Plato, Rep. II. 376) or simply temporal. If kal (Rec.) were to be admitted in the text before the part., the former meaning would seem more probable, as in such cases the kal (though not = $\kappa a l \pi \epsilon \rho$, De W.) serves to sharpen the antithesis involved in the concession (see Krüger, Sprachl. § 56. 13. 1 sq.); as, however, kal has no uncial authority, the simple participle seems here more naturally regarded as temporal; comp. Xenoph. Mem. II. 2. 5. So Auth., and appy. Syr., Copt. The verb προπάσχειν is an äπ. λεγόμ. in the N.T., though not uncommon elsewhere (Thucyd. III.

θέντες καθώς οΐδατε εν Φιλίπποις, επαρρησιασάμεθα εν τῷ Θεῷ ἡμῶν λαλησαι πρὸς ὑμᾶς τὸ εὐαγγέλιον τοῦ Θεοῦ εν πολλῷ ἀγῶνι. ³ ἡ γὰρ παράκλησις ἡμῶν

3 οὐδέ (2nd.)] So Lachm. with ABCD*FG; 6 mss.; Copt. (Tisch. ed. 1). The reading is, however, very doubtful. Tisch. (ed. 2) reads οὐτὲ with D***EJK; nearly all mss.; Chrys. (aliquoties), Theod. (οὔτε—οὔτε), Dam., al. (Rec., Alf.), and with some plausibility, as οὐδὲ might be thought a correction for οὔτε, which, though unusual, is here deemed not indefensible (comp. Schott, Alf.): still, as this defence rests mainly on a doubtful use of ἐν, as a recognition of the change of prepp. might have suggested a change from οὐδὲ to οὔτε nearly as probably as a non-recognition of it the converse, and lastly, as the uncial authority very distinctly preponderates in favour of οὐδέ, we revert to the reading of Tisch. (ed. 1). So Winer (Gr. § 55. 6, p. 437), Olsh., De W., Lünem., Koch.

67, Xenoph. l.c., Plato, l.c.) and serves clearly to define the relation of time; dπὸ κινδύνων ἐκφυγόντες πάλιν εἰς ἐτέρους κινδύνους ἐνεπέσομεν; comp. Syr. and Æthiop. (Platt). To this ὑβρισθ. gives an additional force and circumstantiality.

ἐπαρρησιασάμεθα] 'we were bold of speech; so distinctly Æth. (Pol., but not Platt). It seems more exact to retain this primary meaning; for though rappnola has indisputably in the N.T. the derivative meaning of confidence, boldness (see on Eph. iii. 12), still, by comparing Eph. vi. 20, and Acts xxvi. 26 (a speech of St. Paul's), the idea of bold speech, even though reiterated in λαλήσαι, can scarcely be excluded. This mappyola was έν τῷ Θεῷ ἡμῶν; it was in Him (not exactly 'per Deum,' Schott 1), as the causal sphere and ground of its existence, that the mappyola was felt and manifested. On the particularizing ημών, see notes on Philem. 6, and on Phil. i. 3. λαλησαι] 'so as to speak;' explanatory infinitive, defining still more clearly the oral nature of the boldness; see Winer, Gr. § 44. 1. p. 285; so rightly De W., Meyer (on Eph. vi. 20), and Koch, who, however, by his reference to Winer, Gr. p. 379 (ed. 5), con-

founds this use with that of the inf. with the art. τοῦ. Lünem., Alf., and others, far less plausibly, consider the inf. as a simple object infin. after $\epsilon \pi \alpha \rho \rho \eta \sigma$. The ancient Vv. here give no distinct opinion, except perhaps Syr. (Philox.), 'in fiducia (?) in Dec nostro, loqui, &c.,'where the inf. seems clearly regarded as epexegetic: so too (appy.) Chrys. τὸ εὐαγγ. τοῦ Ocoû] 'the gospel of God;' the gospel which cometh from Him, and of which He is the origin; gen. not of the object (Chrys. on Rom. i. 1), but of the origin or originating cause; see notes on ch. i. 6. On the various genitives associated with εὐαγγ., comp. Reuss, Théol. Chrét. IV. 8, Vol. п. р. 81. έν πολλφ άγωνι] 'in much conflict;' not without emphasis: it was this fortitude amidst external dangers that peculiarly evinced that the eloodos of kerh γέγουεν. It does not seem necessary here to refer dyw to any internal conflict (comp. on Col. ii. 1), but simply, in accordance with the context, to the external dangers by which they were surrounded, so Theoph.. Œcum.; Chrysost. appears to unite both.

3. ἡ γὰρ παράκλ. ἡμῶν] 'for our exhortation;' explanatory confirmation

ούκ έκ πλάνης οὐδὲ έξ ἀκαθαρσίας οὐδὲ έν δόλω.

ἐκδιδόασιν, Œcum., compare Chrys. There is here, as Bengel acutely observes, an 'ætiologia duplex,' the present yap introducing a reference to the Apostle's regular habit, the second $\gamma a \rho$ (ver. 5) to that habit as specially evinced among the Thessalonians. The word παράκλησις here includes 'totum præconium evangelicum' (Beng.), and approaches in meaning to διδαχή (Chrys.), or διδασκαλία (Theod.), from both of which, however, it is perhaps distinguishable, as directed more to the feelings than the understanding; comp. notes on I Tim. iv. 13. A good dissertation on παρακαλείν, παράκλησις, and παράκλητος will be found in Knapp, Scripta Var. Argum. No. IV.; see esp. p. 134. ούκ έκ πλάνης] 'is not of error;' not, 'grounded on,' Alf. 1, but, 'having its source in,' Alf. 2, the prep. retaining its usual and primary force of origination from; see notes on Gal. ii. 16, Winer, Gr. § 47. b, p. 329 (ed. 6). The verb to be supplied is not #\(\times \)(Syr., Æth.), but έστίν (Copt.); as the Apostle is here referring to his general and habitual mode of preaching; see above. Lastly, πλάνη is not transitive, 'impostura,' Beza, 'seducendi studium,' Grot. (comp. Theoph.), but, as appy. in nearly all passages in the N.T., intransitive, 'error,' Vulg., |20-5 [error] Syr., the context serving to show whether it is in the more abstract sense of 'mentis error'

('Irrthum'), as in Eph. iv. 14, or as here in the more general meaning of

'being deceived' (Irrwahn, delusion),

whether by oneself or others; comp.

(see on ver. 1) of $\epsilon \pi \alpha \rho \dot{\rho}$. $\kappa.\tau.\lambda.$, espe-

cially of the concluding words, of

πλανώντες ούκ είς κινδύνους έαυτούς

ἀκολασίας ἐμπέπλησται. άκαθαρσίας] 'impurity,' almost 'impure motives;' not apparently with any reference to the unclean and licentious teaching of udyww kal γοήτων, Theoph. (comp. Chrys.), but, as έν προφάσει πλεονεξίας (ver. 5) seems to suggest, with reference to moral impurity, more especially as evinced in covetousness (Olsh.) and desire of gain (Lünem., Alf.); comp. the term αlσχροκερδήs in ref. to Christian teachers, I Tim. iii. 8, Tit. i. 7, and the charges that appear to have been brought against the Apostle himself, 2 Cor. xi. 8 sq. οὐδὲ ἐν δόλφ] 'nor in guile,' i.e. 'in any deliberate intention to deceive; not so much with reference 'to the manner in which' (Alf.), as to the (ethical) sphere in which the rapdκλησις was found, and by which it was, as it were, environed; comp. 2 Cor. iv. 2, μη περιπατούντες έν πανουργία μηδέ δολούντες τον λόγον τοῦ Θεοῦ, a somewhat instructive parallel. The use of ev, especially

Theod., οὐκ ἔοικε τὰ παρ' ἡμῶν προσ-

φερόμενα τη μυβολογία των ποιητών,

ά πολλοῦ μέν ψεύδους πολλής δέ

with abstract or non-personal substantives, is always somewhat debate-

able in the N.T., and can only be

fixed by the context; it sometimes

librates towards &id, both with gen.

(1 Pet. i. 5) and acc. (Matth. vi. 7),

4 ἀλλὰ καθώς δεδοκιμάσμεθα ὑπὸ τοῦ Θεοῦ πιστευθῆναι τὸ εὐαγγέλιον, οὕτως λαλοῦμεν, οὐχ ὡς ἀνθρώποις ἀρέσκοντες ἀλλὰ Θεῷ τῷ δοκιμάζοντι τὰς καρδίας ἡμῶν. 5 Οὔτε γάρ

most suitable transl. of ού---οὐδέ, notes to Transl.

4. καθώς δεδοκιμ.] 'according as we have been approved;' οὐκ αὐτοχειροτόνητοι διδάσκαλοι καθεστήκαμεν, άλλ' ύπὸ τοῦ Θεοῦ τὸ εὐαγγέλιον ἐπιστεύθημεν, Theod. Καθώς (see on Gal. iii. 6) has here no argumentative force (Eph. i. 4, see notes), but stands in correlation to outws, marking the measure or proportion existing between their approval by God to preach the gospel, and their actual performance of the commission. The idea of a recognition of any worth on the part of God in the δεδοκιμασμένοι (Chrys., Theoph., Œcum.) is certainly here not necessarily involved in the word. Δοκιμάζειν is properly, (a) 'to put to the test' (Eph. v. 10, 1 Tim. iii. 10), thence, by an easy gradation, (b) 'to choose after testing,' which again passes insensibly into-(c) 'to approve of what is so tested: comp. Rom. xiv. 22, I Cor. xvi. 3, and notes on Phil. i. to. In the present case, the appended notice of the subject in respect of which the δοκιμασία was exercised, seems clearly to limit the meaning to (b): $\epsilon \pi \epsilon \iota \delta \dot{\eta}$ $\epsilon \delta o \xi \epsilon \nu$ αὐτῷ καὶ ἐδοκίμασε πιστεύσαι ἡμίν, Theod. πιστευθήναι τὸ evayy.] 'to have the gospel entrusted to us,' comp. 1 Tim. i. 11, Tit. i. 3: explanatory infinitive serving to define more nearly that to which the δοκιμασία was directed, see Winer, Gr. § 44, 1, p. 285; compare Madvig, Synt. § 148. For remarks on, and exx. of, the idiomatic construction of the accus. rei with πιστεύομαι and similar verbs, see Winer, Gr. § 32. 5, ώς άνθρ. άρέσκοντες] 'as busied in pleasing men;' the present tense having here its fullest force, and marking that which they were engaged in, were seeking to do; άρέσκειν θέλοντες, Theophyl.; see Scheuerl. Synt. § 31. 2, p. 313, and comp. notes on Gal. i. 10. The particle &s, as usual, serves to characterize the action, and to define the aspect in which the whole was to be regarded, 'not as striving to please men, but (as striving to please) God, &c.; comp. Bernhardy, Synt. VII. 2, p. 333, and notes on Col. iii. 23. τῷ δοκιμ. κ.τ.λ.] 'who proveth, trieth, our hearts;' δοκιμ. here relapsing back to its primary meaning, see above. The plural ἡμῶν can here scarcely be referred otherwise than to St. Paul and his fellow-preachers at Thessalonica: if the sentence had been general it would have been omitted (Rom. viii. 27); if the reference were simply to St. Paul, the plurals καρδίας and ψυγάς (ver. 8) would seem wholly inappropriate. The insertion of the art. before $\Theta \in \hat{\varphi}$ (Rec.), though well attested [AD***EFGJK], seems due to grammatical correction, and is rightly rejected by Tisch. and [Lachm.]

5. οὐτε γὰρ κ.τ.λ.] Confirmation of this general character of his and their Apostolic teaching by a special appeal to the experience of his readers; comp. ver. 3. έγενήθημεν ev] 'did we take part in,' 'came we to share in; scarcely 'were we found employed in,' Alf. (comp. Lünem.) as the more distinct passive meaning cannot safely be maintained; see notes on Eph. iii. 7. The Greek commentators (Chrys., Theoph.) paraphrase it simply by ἐκολακεύσαμεν; this however somewhat falls short of the idiomatic γίγνομαι έν, 'in aliqua

ποτε εν λόγφ κολακείας εγενήθημεν, καθώς οίδατε, ούτε εν προφάσει πλεονεξίας, Θεός μάρτυς, 6 ούτε ζητούντες

re versor' (Matth. Gr. § 577. 5, Vol. II. p. 1004), and fails to mark the entrance into, and existence in, the given thing or condition; see notes on 1 Tim. ii. 14. Kohakelas] 'speech of flattery,' 'sermone adulationis,' Vulg., Syr., 'verbo adulationis,' Copt., 'blanditiis usi sumus in voce,' Æth. (Platt); λόγος having here its simple and proper meaning of 'speech,' 'teaching' (not = דבר,--a use not found in the N.T.), and κολακείαs being a gen. not of quality ('assentatorio,' Beza), nor of origin ('ex adulandi studio profecto,' Schott), but of the substance and contents; comp. 2 Cor. vi. 7, Eph. i. 13, al., and see Scheuerl. Synt. § 12. 1, p. 182, Hartung, Casus, p. 21. The word κολακεία [possibly connected with khelew, Pott, Etymol. Forsch. Vol. 1. p. 233, or with κόλος, κλάω in sense of broken-spiritedness, cringing is an $d\pi$. $\lambda \epsilon \gamma \delta \mu$. in the N.T., and is defined in Pseud. Plat. Def. Vol. IX. p. 272 (ed. Bekk.), as δμιλία ή πρός ήδονην άνευ τοῦ βελτίστου; comp. Theophr. Charact. 2. It serves here more specifically to illustrate the év δόλ φ of ver. 3, and forms a natural transition to the next words, the essence of κολακεία being self-interest; ό δὲ ὅπως ὡφέλειά τις αὐτῷ γίγνηται els χρήματα καὶ ὅσα διὰ χρημάτων, κόλαξ, Aristotle, Ethic. Nicom. IV. 12 (ad fin.), comp. viii. 9. έν προφάσει πλεον.] 'in a cloke of covetousness;' 'prætextu specioso quo tegeremus avaritiam,' Beng. exact meaning of these words is not perfectly clear. Πρόφασιs is not here

'occasio,' Vulg., Clarom., nor 'accu-

satio,' Hamm., nor even 'species,'

Wolf, still less is otiose, Loesn. (Ubs.

p. 376), but has its simple and usual

τυρα, Chrys.
6. oðre ζητοῦντες κ.τ.λ.] 'neither seeking glory from men;' continued notice, on the negative side, of the characteristics of his own and his companions' ministry; ζητοῦντες being dependent on the preceding ἐγετήθημεν, and the clause serving to illustrate οὐχ ὡς ἀνθρ. ἀρέσκ., ver. 4. It is very difficult here to substantiate any real distinction between ἐξ and ἀπό. The assertion of Schott and Olsh. that ἐκ refers to the immediate, ἀπὸ to the more remote origin is true (see

meaning of 'prætextus' (comp. Copt.; $\Delta \Delta \Delta \Delta \Delta Syr.$ is somewhat indef.), while the gen. πλεονεξίας is a gen. objecti (comp. Scheuerl. Synt. § 17. 1. p. 126) serving to define that to which the πρόφασις was applied, and which it was intended to mask and conceal; comp. Xenoph. Cyr. II. 1. 25, πρόφασις μειονεξίας, and see exx. in Rost u. Palm, Lex. s.v. (b), Vol. II. p. 1251. The Apostle and his companions used no hoyos which contained κολακεία, nor any pretext which was intended to cloke their πλεονεξία. On the true meaning of \(\pi \rangle \epsilon \rangle \e notes on Eph. iv. 19, and on its distinction from φιλαργυρία, Trench, Synon. § XXIV. μάρτυς] 'God is (our) witness;' strong confirmation of the declaration immediately preceding; comp. Rom. i. o, Phil. i. 8. The Greek commentators pertinently remark that in what men could judge of he appeals to his readers, but in what they could not so distinctly recognise he appeals to God; ὅπερ ἢν δῆλον, αὐτούς καλεῖ μάρτυρας εἰ ἐκολακεύσαμεν οίδατε, φησίν δπερ δὲ ἄδηλον ῆν, τὸ εἰ τρόπω (!) πλεονεξίας, Θεόν καλεί μάρέξ ανθρώπων δόξαν, οὖτε αφ' ύμῶν οὔτε απ' ἄλλων, δυνάμενοι ἐν βάρει εἶναι ὡς Χριστοῦ ἀπόστολοι· ⁷ ἀλλ' ἐγενήθημεν ἤπιοι ἐν μέσω ὑμῶν, ὡς ἐὰν τροφὸς θάλπη τὰ

on Gal. ii. 16), but here inapplicable: that of Lünem. and Alf., -that ex points to what is abstract and general, $d\pi\delta$ to what is concrete and special, is artificial and precarious. It would really seem more probable that they are here synonymous (Winer, Gr. 50. 2, p. 365), and that while in the first clause éx might seem more idiomatic in immediate union with ζητείν, the disjunctive clauses into which it is expanded might admit and be lightened by the change to dπό. St. Paul's love of prepositional variation has often been noticed; comp. Winer, Gr. § 50. 6, p. 372, notes on Gal. i. I. δυνάμενοι έν Baper elvar] 'though we could be of weight;' concessive participial clause subordinated to the preceding part. ζητοῦντες; comp. Krüger, Sprachl. § 56. 13. 1, Donalds. Gr. § 621. The meaning of these words is somewhat Two interpretations dedoubtful. serve consideration: (a) 'oneri esse,' Vulg., Æth. (Copt. baros, uncertain), βάρος retaining its more simple meaning, and referring to the Apostolic right of being sustained by converts (Theod.); comp. ἐπιβαρῆσαι, ver. 9, 2 Thess. iii. 8, κατεβάρησα, 2 Cor. xii. 16, and the converse, άβαρη έτήρησα, 2 Cor. xi. 9: (b) 'in gravitate [honore] esse,' Clarom., and appy. Syr., | [honorabiles; see Schaaf. Lex. s.v.], βάρος having its derivative sense of 'weight,' 'authority;' comp. Diod. Sic. IV. 61, τὸ βάρος τῆς πόλεως (τὴν Ισχύν, Suid.), esp. XVI. 8 (where it is associated with άξίωμα), and somewhat similarly Polyb. Hist. IV. 32. 7, XXX. 15. 1: see esp. Suidas, s.v. Of these (a) is plausible on account of ἐπιβαρ., ver. 9: as, however, the concessive clause is closely appended to one in which δόξα is the prevalent notion, and as the reference to ήπιότης serves to enhance the same idea by contrast, it seems more exegetically correct, and more in harmony with the immediate context to adopt (b); so Chrys., πολλη̂s ἀπολαῦσαι τιμῆs, and less decidedly, Theophyl. and Œcum. Χρ. ἀπόστολοι] 'as Christ's A postles;' the (possessive) gen. marking, with slight emphasis, whose ministers they were (see on Eph. i. I, Col. i. I), and the term dπόστολοι receiving its more extended sense (see on Gal. i. 1), and including Silvanus and Timothy. De Wette, Koch, al., refer the plural solely to St. Paul, but without sufficient reason. Though a reference to the Apostle's coadjutors must not, perhaps, be strongly pressed in every

favour the more extended application.
7. ἀλλ' ἐγενήθημεν] Statement, on the positive side, of the behaviour of the Apostle and his helpers, the ἀλλὰ introducing an antithesis, not merely to the last clause, but to the whole of the preceding verse: they did not seek δόξαν as διδάσκαλοι, but, what was very different (see Klotz, Devar. Vol. II. p. 2), evinced the affection of a parent; οὐ βάρυ οὐδὲ κόμπον ἔχον ἀπεδειξάμεθα, Chrys.

case where the plural occurs, yet, in

the present passage, καρδίας, ver. 4.

and $\psi v \chi ds$, ver. 8, seem distinctly to

ήπιοι] 'gentle.' a δls λεγόμ. in the N.T., here and 2 Tim. ii. 24. The epithet is similarly applied to a father (Hom. Od. II. 47), to a ruler (Herod. III. 89), to the gods (Eur. Androm. 741), as marking 'animi lenitatem

έαυτης τέκνα, ⁸ ούτως όμειρόμενοι ύμων εύδοκουμεν μεταδουναι ύμιν ου μόνον τὸ εὐαγγέλιον του Θεου, άλλα

in aliis ferendis' (Tittm.), and pointing to an outward exhibition of an inward πραότης: comp. Etym. M. ήπιος ο έν λόγφ πάντα ποιῶν καὶ μὴ πάθει, ἐκ μεταλήψεως δέ και ὁ διά λόγου προσηνής και πράος (where, however, the derivation seems too much pressed), see Tittm. Synon. I. p. 140, and notes on 2 Tim. l.c. The reading is doubtful: νήπιοι is well supported [Lachm. with BC*D*FG; mss.; Vulg., Clarom., Copt., Æth. (both), al.], but as a repetition of the N, owing to the somewhat common use of νήπιος in St. Paul's Epp., is more probable than that of an omission, and as viruos mars both the sense and metaphor, we seem fully justified in adopting ##105, with AC ** D *** EJK; great majority of mss.; Sah., Basm., Syr. (both). So Tisch., and the majority of recent editors.

ἐν μέσφ ὑμῶν] 'in the midst of you; scarcely, by an anticipation of the image, 'sicut gallina pullis circumdata,' Beng.,—but, with a hint at the absence of all assumption of authority, 'as one of yourselves,' 'ut æquales idque cum omnibus,' Zanch.; ὡς ἀν εἶποι τις, ἐξ ὑμῶν, οὐχὶ τὴν ἄνω λαβόντες λῆξιν, Chrys.

ws the rpothes κ.τ.λ.] 'as a nurse (nursing mother) doth cherish her own children; the particle ws having here not a temporal, but simply a comparative, force (Klotz, Devar. Vol. II. p. 757) [sicut] Syr. 'tanquam si,' Vulg., Clarom., 'sicut,' Copt., Æth.,—and combining with the pres. subj. in marking the habitude or, perhaps rather, continuance of the objectively-possible event; see Winer, Gr. § 42. 3. b, p. 274, and comp. Herm. de Part. dr.

p. 275, Green, Gr. p. 57 sq. For exx. of somewhat similar usages of τρόφος, see the list collected by Loesner, Obs. p. 377, and on the meaning of $\theta d\lambda \pi \epsilon \omega$ [fostering warmth of the breast, comp. Deut. xxii. 6], see Krebs, Obs. p. 345, and notes on Eph. v. 29. The tenderness conveyed in the τὰ ἐαυτῆς τέκνα should not be overlooked; την φιλοστοργίαν αὐτοῦ δείκνυσιν, Theoph. present clause must not be separated by a colon (Lünem.), but regarded both as an illustration of the preceding words, and as the protasis to the following, ούτως δμειρόμενοι δμών εὐδοκοῦμεν, ver. 8.

8. ouerpouror] 'earnestly, affectionately, desiring you,' 'having a fond affection for you;' ἐπιθυμοῦντες, Hesych., Photius (Lex. p. 242). This form, though not found in the current lexicons (Rost u. Palm not excepted). is supported by all the uncial, and more than 30 cursive mss., and rightly retained by Lachm., Tisch., and most modern commentators. It is not compounded of ὁμοῦ and είρεω (Theoph., Phot.), but is either, (a) a form of the shorter μείρομαι (comp. δύρομαι, όδύρομαι), Winer, Gr. § 16.4, p. 92, or (b) a late and perhaps coarselystrengthened form of the more usual lμείρομαι, comp. Fritz. 1, on Mark, p. 792. As it seems probable that μείρομαι (Nicander, Theriaca, 402) is not an independent verb, but only an apocopated form of luelpoual, 'metri causâ' (see Rost u. Palm, Lex. s.v. $\mu \in l\rho \circ \mu$.), it seems safer to adopt (b). and to consider δμείρομ. a corrupted and perhaps strengthened form of the more usual verb. OUTUSεύδοκ.] 'So-had we good will;' the ουτως being connected, not with the

καὶ τὰς ἐαυτῶν ψυχάς, διότι ἀγαπητοὶ ἡμῖν ἐγενήθητε. 9 μνημονεύετε γάρ, ἀδελφοί, τὸν κόπον ἡμῶν καὶ τὸν

participle, but with the finite verb. The verb εύδοκ. is here not present, 'cupimus,' Clarom., but imperf., 'cupide volebamus,' Vulg. (comp. Copt., an-temat), the past tenses being commonly found in the N.T. with the more Attic ev (comp. Lobeck, Phryn. p. 140, 456), not with ηύ as B here, and a few MSS. elsewhere, 1 Cor. x. 5 [ABC], Col. i. 19 [ADE], al. The verb εὐδοκ. is only found in writers after the time of Alexander (see Sturz, de Dial. Maced. p. 167), and appears commonly used in N.T., not as a mere equivalent for δοκέω (comp. Koch), but, as conveying the idea either of the 'propensa voluntas' (Fritz.), or the free, unconditioned, and gracious will (Luke xii. 22, Gal. i. 15, comp. 1 Thess. iii. 1) of the subject: comp. notes on Eph. i. 5, and esp. see Fritz, on Rom. x. 1. Vol. II. p. 360 sq. For a notice of the constructions of evolor. in the N.T., see notes on Col. i. 19. μεταδοῦναι] 'to impart;' properly and specially in connexion with $\tau \delta$ εὐαγγ., but also, by a very intelligible zeugma, with τας έαυτων ψυχάς, the compound verb being in the latter case understood in its simple form; comp. δοθναι την ψυχήν, Mark x. 45. The use of μεταδιδόναι with a dat. and acc., though less usual than with a dat. and gen. (Jelf, Gr. § 535) is not without example, especially when the partitive notion is by the context inadmissible; see Krüger, Sprachl. § 47. 15. φγγφ καl κ.τ.λ.] 'but even our own souls,' 'nostras animas,' Clarom.; not with any Hebraistic tinge (= נְמָשׁוֹתֵנּבּ) 'nosmet ipsos' (Koppe), nor even merely 'nostras vitas,' but perhaps with a

faint reference to the deeper meaning

of ψυχή, as pointing to the centre of the personality (Olshaus. Opusc. p. 154, Beck, Seelenl. § 1), our lives and souls (Fell), our very existences, and all things pertaining to them. On the plural, see above on ver. 4, and on the use of ἐαυτῶν with an included reference to the third person, Winer, Gr. § 22. 5, p. 136. The force of the strong antithesis οὐ μόνον—ἀλλὰ καὶ is noticed on ch. i. 8.

διότι άγαπ. ήμεν έγεν.] 'because ye became very dear (beloved) to us: surely here with no reference to the Agent by whom they were made so (Alf.), but simply to their having become so, owing to their eager and earnest reception of the apostolic message; see on ch. i. 5. On the pronominal conjunction διότι, here used in its slightly modified sense of διά τοῦτο ότι (eo quod), 'quoniam,' Vulg., 'quia,' Clarom., see Fritz. on Rom. i. 19, Vol. 1. p. 58, but correct the very doubtful statement (endorsed by Koch) that διότι is there equivalent to γàρ or 'nam,' see Meyer in loc. The reading $\dot{\epsilon}\gamma\epsilon r\dot{\eta}\theta$. is supported by all the uncial MSS. except K (yeyé- $\nu\eta\sigma\theta\epsilon$); the latter reading may have been a correction to harmonize the clause with the supposed present εὐδοκ.

9. μνημονεύετε γάρ] 'For ye remember;' confirmation of the main declaration of ver. 8, (μετα)δοῦναι τὰς ἐαυτῶν ψυχάς, not of the more remote ήπιοι ἐγενήθητε (comp. Olsh.), still less of the subordinate causal member διότι κ.τ.λ. (Lünem.; comp. Just., Alf.),—a doubtful reference of γάρ appy. suggested by an undue limitation of the term ψυχάς, and, still more, by finding no allusion in the present verse to actual dangers.

μόχθον νυκτὸς καὶ ἡμέρας ἐργαζόμενοι, πρὸς τὸ μὴ έπιβαρησαί τινα ύμων, έκηρύξαμεν είς ύμας το εύαγγέλιον

This, however, is not necessary: the Apostle and his followers practically gave up their existences to their converts, when they spent night and day in toil rather than be a burden to any of them. τὸν κόπον καὶ τὸν μόχθον] 'our toil and our travail,' the article being repeated to give emphasis to the enumeration, and to enhance the climax; comp. Winer, Gr. § 19. 5, p. 117. The words κόπος and μόχθος are again found in connexion in 2 Thess. iii. 8, and 2 Cor. xi. 27: the former perhaps marks the toil on the side of the suffering it involves (see on I Tim. iv. 10), the latter, as derivation seems to suggest [connected with μόγιε, and perhaps allied to µéyas, see Pott, Etym. Forsch. Vol. I. p. 283] on the side of the magnitude of the obstacles it has to overcome: the connexion of $\mu \delta \chi \theta$ os with $\delta \chi \theta$ os (Koch, Rost u. Palm, Lex. s.v.) seems philologically doubtful: comp. Pott, l.c. No. 373. νυκτός και ήμ. έργαζ.] 'labouring night and day;' modal participial clause defining the circumstances under which the κήρυγμα was delivered. On the (secondary) predication of time, νυκτὸς καὶ ἡμέρας, and on the strict grammatical force of the gen. as pointing to some indefinite point of the continuous time expressed by the subst. (contrast 2 Thess. iii. 8), see notes on I Tim. v. 5. There is perhaps some emphasis in the collocation of the whole expression, but appy. none in that of νυκτός (Alf.), as St. Paul always adopts this order; see further on 1 Tim. l.c., and comp. Lobeck, Paralipom. p. 62 sq. The addition of γάρ after νυκτὸς [Rec.

with D***EJK; mss.; Chrys. (Text), Theod.], though partially defended by

De W., seems to have been an insertion 'nexus causa,' and is rightly rejected by most modern editors.

έργαζόμενοι has here a special reference to the manual labour (Schott) of the Apostle and his associates; comp. Acts xviii. 3. In 1 Cor. iv. 12 (comp. Eph. iv. 28) the verb is enhanced by the addition ταις χέρσω.

πρός το μη έπιβ.] 'with a view of not being burdensome to any of you;' object contemplated in the νυκτὸς καλ $\dot{\eta}\mu$. $\dot{\epsilon}\rho\gamma\alpha\dot{\zeta}$. On this use of $\pi\rho\delta s$, comp. Winer, Gr. § 44. 6, p. 295 (ed. 6), and on its possible distinction from els, comp. notes on Eph. iv. 12, and on Tit. i. 2. The late form έπιβαρεῖν (2 Cor. ii. 5, 2 Thess. iii. 8, comp. Dion. Halic. IV. 9, VIII. 73) is nearly, but not quite, equivalent in meaning to καταβαρείν (2 Cor. xii. 6), the prep. in the former case being mainly directive (onus imponere), in the latter mainly intensive; comp. ἐπιβαρύνειν, Exod. xxi. 30. The inference of Chrys., Theoph. that the Thessalonians were ev πενία, is very questionable; consider Acts xvii. 4, γυναικών τε των πρώτων ούκ όλίγαι, and comp. Baumgarten, Acts, Vol. II. p. 208 sq. έκηρύξ. εἰς (Clark).

ύμᾶς] 'we preached unto you,' و Syr., Æth.; not 'in vobis,' Vulg., Clarom., Copt., the preposition being not equivalent to ev, but indicative of the direction, so to say, which the κήρυγμα took; see Matth. Gr. § 578. b. It is singular that Winer (Gr. p. 191, ed. 6) should have been induced merely by the plural to adopt the less probable translation 'unter,' especially as in ed. 5 (p. 241), he has added the more exact rendering 'Botschaft an die Völker gebracht; comp.

τοῦ Θεοῦ. Το ὑμεῖς μάρτυρες καὶ ὁ Θεός, ὡς ὁσίως καὶ δικαίως καὶ ἀμέμπτως ὑμῖν τοῖς πιστεύουσιν ἐγενήθημεν, Τι καθάπερ οἴδατε, ὡς ἕνα ἕκαστον ὑμῶν, ὡς πατὴρ τέκνα

Mark xiii. 10, Luke xxiv. 47, 1 Pet. i. 25.

10. ύμεις μάρτ. και δ Θεός] 'Ye are witnesses, and God: statement in a collected form of what had previously been expanded into particulars. As the summary involves what could not be adequately judged of by man, the Apostle subjoins an appeal to God; τοῦ δὲ Θεοῦ τὴν μαρτυρίαν προστέθεικεν έπειδή τοίς άνθρώποις δήλα τὰ δρώμενα μόνα, τῷ δὲ Θεῷ καὶ τὰ τοὺς ἀνθρώπους λανθανόμενα, Theod. ώς δσίως κ.τ.λ.] 'how holily and righteously and blamelessly we behaved to you that believe; characteristics of the behaviour of the Apostle and his associates, the adverbs $\delta\sigma l\omega s$ $\kappa.\tau.\lambda$. not being merely adjectival, but serving as secondary predicates (Donalds. Gr. § 436 sq.) to define the form and manner of the 'comparatum esse' involved in γίγνεσθαι; see Winer, Gr. § 54. 2, p. 341, Krüger, Sprachl. § 62. 2. 3. The adverbs are grouped together somewhat cumulatively, to express, both on the positive and negative side, the complete faithfulness of the ministry. The ordinary distinction between the two former (περὶ μεν άνθρώπους τα προσήκοντα πράττων δικαι' άν πράττοι, περί δὲ Θεούς δσια, Plato, Gorg. 507 B; comp. Chariton, I. 10), urged here with some plausibility (Theoph., Alf., al.) on account of the preceding upers rat o bebs, is still always precarious in the N.T.; see notes on Eph. iv. 24, Tit. i. 8. Perhaps it is safer to say that ooiws and δικαίωs form on the positive side a compound idea of holy purity and righteousness, whether towards God or towards men, while ἀμέμπτως states on the negative side the general blamelessness in both aspects and relations. To refer ἀμέμπτως to themselves (Beng.), or to regard it as merely the negative reiteration of δικαίωs in ref. to men (Olsh.), seems too restrictive; comp. Luke i. 6. ύμεν τοις πιστεύουσιν] 'to you that believe;' objects in whose interest the behaviour was shown; dative of interest, see Krüger, Sprachl. § 48. 4. Lünem. and Alf., following Œcum. and Theoph., and swayed by the position of the words and supposed passive force of εγενήθ., regard ὑμῶν as a dat. judicii; comp. Winer, Gr. § 31. 3. b, p. 245 (ed. 5,—omitted in ed. 6). This, however, seems very doubtful; the Apostle would scarcely have appealed to God in ref. to the judgment of the Thessalonians; nor would an allusion to their estimate of a former line of conduct have been so pertinent as one to their consciousness that they were the interested objects of it. The addition rois mior. is not otiose (Jowett), nor suggestive of different relations with unbelievers (comp. Theoph.), but enhances the appeal to the conduct towards the Thess., by showing that their spiritual state was such as would naturally evoke it.

11. $\kappa a\theta d\pi \epsilon \rho$ of $\delta a\tau \epsilon$] 'even as ye know;' confirmatory appeal to the individual experience of his hearers; the general $\delta \sigma (\delta \tau \eta s)$, $\delta \kappa \kappa a \omega \sigma \delta \tau \eta$, and $\delta \mu \epsilon \mu \phi \delta a$ of the Apostle and his companions was verified by its strict accordance ($\kappa a\theta d\pi \epsilon \rho$) with what was observable in special cases. The genuine and expressive form $\kappa a\theta d\pi \epsilon \rho$ ($\kappa a\theta d$ marking the comparison, $\pi \epsilon \rho$ the latitude of the application, 'ambitum rei majorem yel quamvis maxi-

έαυτοῦ, παρακαλοῦντες ὑμᾶς καὶ παραμυθούμενοι 12 καὶ μαρτυρόμενοι εἰς τὸ περιπατεῖν ὑμᾶς ἀξίως τοῦ Θεοῦ

mum,' Klotz, Devar. Vol. II. p. 722) is only used in the N.T. by St. Paul (10 or 11 times) and by the author of the Ep. to the Hebrews (ch. iv. 2, v. 4 [Rec.]), the later $\kappa a \theta \dot{\omega} s$ (see on Gal. iii. 6) being greatly the predominant form. The simple $\kappa a \theta \dot{\alpha}$ only occurs once, Matth. xxvii. 10.

Eva Exactor] 'as regards each one of you,' 'unumquemque, nemine omisso,' Schott; accus. governed by the participles, and put prominently forward to mark the individualizing reference of the acts; βαβαί, ἐν τοσούτψ πλήθει μηδένα παραλιπείν, Chrys. The collective $b\mu as$ follows, as serving still more clearly to define that all were included; it is thus not so much a mere pleonastic repetition of the pronoun (Col. ii. 13, comp. Bernhardy, Synt. p. 275), as a defining and supplementary accus., somewhat allied to the use of that case in the $\sigma \chi \hat{\eta} \mu \alpha \kappa \alpha \theta$ όλον και μέρος, Jelf, Gr. § 584.

ώς πατήρ] Appropriate change from the image of a mother (ver. 7) to that of a father; the reference not being here to the tenderness of the love, but to its manifestation in instruction and education. The remark of Theoph. (suggested by Chrys.), ανω μέν οδυ τροφώ έαυτον άπείκασε νθυ δέ πατρί, την άγάπην δεικνύων, και την προστασίαν, is thus not wholly appropriate. παρακαλ. ύμᾶς και παραμυθ.] 'exhorting you and encouraging you;' more exact specification of the behaviour previously described. The participles are certainly not directly (Copt.), nor even indirectly (by an assumed omission of ήμεν, Beza, al.) equivalent to finite verbs, but are either (a) dependent on έγενήθημεν supplied from the preceding clause (Lünem., Alf.), or (b), are used ἀνακολούθως, as modal clauses to a finite verb $(=\dot{\epsilon}\gamma\epsilon\nu\eta\theta.\ \dot{\nu}\mu\hat{\iota}\nu)$ that has been omitted, but is readily suggested by the context; 'ye know how we did so, exhorting you, &c.;' so appy. Theod. ταθτα δὲ ἐποίουν προτρέπων κ.τ.λ., and probably Vulg., Goth., which simply retain the par-Between (a) and (b) the difference is practically not great; in the former the participles form part of the primary, in the latter of the modal and secondary predication: (b), however, seems preferable, both from the special consideration that thus the secondary predications of manner in ver. 10 find a parallelism in ver. 11, and from the general consideration that these participial anacolutha are common in St. Paul's Epp.: comp. 2 Cor. vii. 5, and Winer, Gr. § 45. 6, The verb $\pi a \rho a \mu \nu \theta$. seems p. 313. here to imply not so much direct 'consolation' (John xi. 31), comp.

Syr. (and provided in cordibus vestris] Copt., Æth., as 'encouragement,' yet not specially to meet dangers bravely (Œcum.), but, as the context suggests,—to perform generally their duties as Christians.

12. μαρτυρόμενοι] 'charging, 'conjuring,' 'quasi testibus adhibitis' (comp. Eph. iv. 17),—not however = διαμαρτυρόμ. (De Wette, Lünem.), which is obviously a stronger form; see notes on 1 Tim. v. 12. This sense of μαρτυρ. is abundantly confirmed by the use of the verb not only in later (Polyb. Hist. XIII. 8. 6), but even in earlier writers, e.g. Thucyd. VI. 80, δεόμεθα δὲ καὶ μαρτυρόμεθα, and VIII. 53, μαρτυρομένων καὶ ἐπιθειαζόντων μὴ καταγεῖν (Goöll.),—and is similar to, though not, as the con-

τοῦ καλοῦντος ὑμᾶς εἰς τὴν ἐαυτοῦ βασιλείαν καὶ δόξαν.

We thank God that ye 13 Διὰ τοῦτο καὶ ἡμεῖς εὐχαριστοῦμεν received our preaching.

Ye suffered from your own people as we did from the Jews.

13. Διὰ τοῦτο] So Rec. with DEFGJK; appy. all mss.; Syr., Vulg., Clarom., Goth., Æth. (both); Chrys., Theod., Theoph., Œcum. (De W., Lünem., Koch). Tisch. and Lachm. prefix καὶ with AB; Copt., Syr. (Philox.); Theod. (ms. B), Ambrosiaster (Alf.),—but certainly not on sufficient authority, especially as it is by no means unreasonable to suppose that the καὶ was prefixed to help out the difficulty of connexion.

text shows, perfectly identical with (Koch), its use in Gal. v. 3, Eph. iv. 17, where it approaches more nearly to μαρτυρούμαι; see notes in locc. The reading is slightly doubtful: Rec., Lachm., read μαρτυρούμ. with B (e sil.) D*FG; most mss.; Theod., Theoph., al., but as the external evidence in favour of μαρτυρ. [D***Ε(?)JK; 30 mss.; Chrys., Œc.] is nearly of equal weight, and as μαρτυρείσθαι is always used passively in St. Paul's Epp., we adopt μαρτυρόμ. with Tisch. and the majority of modern critics; see Rinck, Lucubr. Crit. p. 91. els Tò περιπατ. buâs] 'that ye should walk worthy,' Col. i. 10; dependent on the preceding participles, and indicating not merely the subject (Lünem.) or direction (Alf.), but, as els to with the infin. nearly always indicates, the purpose of the foregoing exhortation and appeal: comp. Chrys., who paraphrases by tra with the subj., and contrast Theod. who paraphrases with a simple infin. The form $\epsilon ls \tau \delta$ with the infin. is commonly used by St. Paul simply to denote the purpose (comp. Winer, Gr. § 44. 6, p. 295, Meyer, on Rom. i. 20, note), and probably in no instance is simply indicative of result (ecbatic); still, as perhaps in the present case, there appear to be several passages in which the purpose is so far blended with the subject of the prayer, entreaty, &c., or the issues of the action, that it may

not be improper to recognise a secondary and weakened telic force, analogous to that in the parallel use of lva; comp. on Eph. i. 17. present περιπατείν is rightly adopted by most modern editors on preponderant uncial authority [ABD*FG; many mss.]. τοῦ καλοῦντος] 'who is calling;' not καλέσαντος, as in Gal. i. 6, and here in A and 8 mss.; the calling was still continuing as relating to something which, in its fullest realization, was future. It has been before observed that in St. Paul's Epistles, the gracious work of calling is always ascribed to the Father: comp. notes on Gal. l.c., Reuss, Théol. Chrét. IV. 15, p. 144 sq., Usteri, Lehrb. II. 2. 3, p. 269 sq. On the 'vocatio externa and interna,' see the good distinctions of Jackson. Creed, XII. 7. 1, 2.

βασιλείαν και δόξαν] 'kingdom and glory;' not an ἐν διὰ δυοῦν for βασιλεία ἐνδοξος (Olsh.), but, as all the Vv. rightly maintain (Syr., Copt., Æth. even repeat the pronoun), two separate substantives, the common article being accounted for by the inserted genitive; see Winer, Gr. § 19. 4. d, p. 116. The βασιλεία τοῦ Θεοῦ is the kingdom of His Son, the βασιλεία τῶν οὐράνων (Chrys.), of which even while here on earth the true Christian is a subject, but the full privileges and blessedness of which are to be enjoyed hereafter; comp. Reuss, Théol. Chrét.

τῷ Θεῷ ἀδιαλείπτως, ὅτι παραλαβόντες λόγον ἀκοῆς παρ'

IV. 22, Vol. II. p. 244 sq., and the long treatise of Bauer (C. G.) in Comment. Theol. Part II. p. 107-172. The δόξα to which He calls us is His own eternal glory, of which all the true members of the Messianic kingdom shall be partakers; comp. Rom. v. 2, and see Reuss, L.c., p. 253, Usteri, Lehrb. II. 2. B, p. 351.

13. Sid TOUTO] 'For this cause;' as we have displayed this zeal and earnestness, we thank God that ye received our message in an accordant spirit. The exact reference of these words is somewhat doubtful. Schott and others refer the words to the 'effectum admonitionis' implied in els τὸ $\pi \epsilon \rho \iota \pi$. κ.τ.λ. (comp. Jowett); De W., al., to the purpose and object of the preaching which the same words seem to imply, but thus introduce a greater or less amount of tautology which it seems impossible to explain It would seem then, as Lünem, correctly observes, that we can only logically refer them (a) to the specific declaration involved in the clause immediately preceding, scil. ότι καλεί ὑμᾶς ὁ Θεὸς εἰς κ.τ.λ.., Olsh., Lünem., Alf.; or (b) to the general subject of the preceding verses,-the earnestness and zeal of the Apostle and his associates. Of these (a) deserves consideration, but is open to the grave objection that thus διά τοῦτο is made to refer to a mere appended clause rather than, as usual, to the tenor of the whole preceding sentence. We therefore with (as it would seem) the Greek expositors, adopt (b): οὐκ ἔστιν εἰπεῖν ὅτι ἡμεῖς μέν πάντα άμέμπτως πράττομεν, ύμεις δὲ ἀνάξια της ημετέρας ἀναστροφης έποιήσατε, Chrys. ήμεις] 'we also,' not, as Alf. and Lunem., 'we as well as wartes of

πιστεύοντες' (ch. i. 7),-a reference far too remote, -but, 'we, as well as you who have so much to be thankful for: ' the kal being contrastive (see on Phil. iv. 12), and delicately marking the corresponsiveness of the feeling between of περί τον Παῦλον and the twice repeated vueis in the preceding verse; see esp. notes on Eph. i. 15. De W. and Koch (so also Auth.) refer καὶ to διὰ τοῦτο,—a connexion decidedly at variance with the usage of the particle in demonstrative clauses, but involving a less error than the counter-assertion of Lünem., that we should then expect διά καί τοῦτο: such collocations are very rare; see on Phil. iv. 3, and comp. Hartung, Partik. Kal, 4. 3, Vol. I. p. εύχαριστούμεν τώ Θιφ] 'we give thanks to God.' On the meaning and usages of εὐχαρ. see notes on Phil. i. 3, and esp. on Col. i. ότι παραλαβόντες κ.τ.λ.] 'that when ye received;' objective sentence (Donalds. Gr. § 584 sq.) defining the matter and grounds of the εὐχαριστία. The participle is here temporal, and specifies the more external act that was either contemporaneous with, or rather, immediately prior to, the more internal έδέξασθε; comp. on Eph. iv. 8, but transpose 'subsequent to' and 'preceding.' The distinction between παραλαμβ. and δέχεσθαι, stated by Lünem. and Koch, viz., that wapaλαμβάνειν points rather to an objective (Gal. i. 12, see notes), δέχεσθαι to a subjective, reception (2 Cor. viii. 17), seems substantially correct, but must be applied with caution; see on Col. ii. 6.

λόγον ἀκοῆs] 'the word of hearing;' i.e. 'the word which was heard = the word of preaching,' ἀκοὴ being used ήμων του Θεου εδέξασθε ου λόγον ανθρώπων αλλά καθώς έστιν αληθώς λόγον Θεου, δς και ενεργείται εν υμίν τοις

in its prevailing (N.T.) passive sense (see on Gal. iii. 2; comp. Heb. iv. 2, and the Heb. קול שמועה, Jerem. x. 22), and the gen. being that of apposition or identity; Winer, Gr. § 59. 8, p. 470 (ed. 6), Scheuerl. Synt. 12. 1, p. 82, 83. The gen. dron is probably here subjoined to λόγος to introduce a slight contrast between the λόγος in its first state, as heard by the ear, and the same $\lambda \delta \gamma os$ in its subsequent state, as ἐνεργούμενος in the hearts of believers; comp. παρ' ήμων Rom. x. 17. thus naturally belongs to mapalaβόντες (ch. iv. 1, 2 Thess. iii. 6, comp. Gal. i. 12), from which it is only separated by the somewhat emphatic object-accusative; so Vulg., Syr., Copt., Goth. (Æth. omits παρ' ήμῶν), Œcum., and a few modern commentators. The construction adopted by the majority of expositors, and perhaps Clarom., Syr. (Philox.), ἀκοῆς παρ' ἡμῶν, is defensible,—but harsh and unnatural, and probably only suggested by the unusual but significant position of the following τοῦ Θεοῦ. On the force of παρά as denoting the more immediate source, see on Gal. i. 12, and esp. Schulz, Abendm. p. 218, sq.

τοῦ Θεοῦ] 'of God,' scil. 'which cometh from God,' Θεοῦ being not a gen. objecti ('de Deo,' Grot.), nor the possessive gen. ('belonging to,' Alf. 1), but a gen. of the author (De W., Alf. 2), or even more simply, the source from which the λόγος ἀκοῆς really and primarily came; see on ch. i. 6, and on Col. i. 23. The unusually placed τοῦ Θεοῦ seems added correctively, the words being appended, almost 'extra structuram,' to mark that though the ἡμεῖς were

the immediate human source of the dxon, its real and proper source was divine.

où hóyov áv8p.]

'not the word of men,' i.e. which cometh from them, and of which they are the true source; see above. It is incorrect to tacitly supply is: the Apostle, as Lünem. observes, is not stating what the Thessalonians regarded the message, but, as the next clause still more clearly shows, what it was as a matter of fact.

85 Kal everyetrai] 'which also worketh,' 'is operative,'-scil. the λόγος Θεοῦ (Clarom., Goth., Theoph., Œcum.), not Θεός (Vulg., Theod.), which in St. Paul's Epp., is never found with the middle ένεργείσθαι, but always with the act. ; see 1 Cor. xii. 6, Gal. ii. 8, iii. 5, Eph. i. 11, al. On the constructions of ἐνεγρ., see notes on Gal. ii. 8, and on the active ('vim exercere') and the intensive middle ('ex se vim suam exercere'), see notes on Gal. v. 6, Winer, Gr. § 38. 6, p. 231, and comp. Krüger, Sprachl. § 52. 8. 1 sq. The kal must not be omitted in transl. (Alf.), or associated with the relative (De W., Koch), but connected with ένεργ., which it enhances by suggesting a contrast with the inoperative nature of the λόγος when merely heard and not believed. On this use of rai, see notes on Eph. i. 11, Klotz, Devar. Vol. II. p. 636, and comp. Krüger, Sprachl. § 69. 32. 12.

έν ύμεν τοις πιστ.] 'in you that believe,' not 'in vobis qui credidistis,' Vulg., which would require τοις πιστεύσασιν, nor 'propterea quod fidem habetis,' Schott (comp. Olsh., Koch), which would require the omission of the article (comp. Donalds. Gr. § 492), but 'vobis qui creditis,' Goth., Syr. (Philox.), τοις πιστεύουσιν πιστεύουσιν. 14 ύμεις γὰρ μιμηταὶ ἐγενήθητε, ἀδελφοί, τῶν ἐκκλησιῶν τοῦ Θεοῦ τῶν οὐσῶν ἐν τῆ Ἰουδαία ἐν Χριστῷ Ἰησοῦ, ὅτι τὰ αὐτὰ ἐπάθετε καὶ ὑμεις ὑπὸ τῶν ἰδίων συμφυλετῶν, καθὼς καὶ αὐτοὶ ὑπὸ τῶν Ἰουδαίων

adding a spiritual characteristic that serves indirectly to illustrate and verify the preceding declarations of the verse.

14. thets γάρ] Confirmation, not of their reception of the word (Œcum.), nor of the predication of their belief (Olsh.), but of the ἐνέργεια displayed in them by the λόγος Θεοῦ: 'your imitation of the churches of Judæa in your sufferings is a distinct evidence of the ἐνέργεια of the word within you.' On the words μιμηταὶ ἐγενήθ., see notes on ch. i. 6.

Tân otorân in 'Ious.] 'which are in Judæa;' not 'præsens pro præterito,' Grot., but with a direct reference to the churches that were still existing in Judæa; comp. Gal. i. 22. Why the Apostle peculiarly specifies these churches has been very differently explained. The most probable reason seems to be that as the Jews were at present the most active adversaries of Christianity, he specifies that locality where this opposition would be shown in its most determined aspects, and under circumstances of the greatest social trial.

ἐν Χριστῷ Ἰησ.] 'in Christ Jesus;' 'in union and communion with Him;' comp. on Gal. i. 22. Both here and Gal. l.c. this spiritual definition is suitably subjoined, as still more clearly separating them even in thought from the συναγωγαί τῶν Ἰουδαίων (Œcum.), which might be ἐν Θεῷ, but were far indeed from being ἐν Χριστῷ.

ind των illus συμφυλ.] 'at the hands of your own countrymen;' closely dependent on ἐπάθετε, ὑπὸ being used correctly with neuter

verbs which involve a passive reference, see Winer, Gr. 47. b, p. 330: the reading dπd [D*FG; Or (1) in some ed.] is probably only due to a grammatical corrector. The supererogatory compound συμφυλ. ('contribulis, Vulg., ὁμοεθνής, Hesych.) is an $\delta \pi$. $\lambda \epsilon \gamma \delta \mu$. in the N.T.; it is not found in earlier writers $(\pi o \lambda l \tau \eta s,$ δημότης, φυλέτης, άνευ της σύν, Herodian, p. 471, ed. Lobeck), and is an instance of the observable tendency in later Greek to compound forms without adequate increase of meaning; comp. συμπολίτης, Eph. ii. 19, and see Thiersch, de Pentat. II. 1, p. 83. These συμφυλεταί, as the contrast requires, must have been Gentiles; it is, however, not unreasonable to suppose that they might have been instigated by Jews (De W.); comp. Acts xvii. 5, 13. καθώς καὶ αὐτοί] 'even as they also:' not a grammatically exact, though a perfectly intelligible apodosis; comp. Demosth. Philipp. 1. p. 51, and Heindorf on Plato, Phædo, § 79, Jelf, Gr. § 869. 2. On the repetition of kal in both members of the sentence, by which, 'per aliquam cogitandi celeritatem,' a double and reciprocal comparison is instituted, see Fritz. on Rom. i. 13, Vol. I. p. 37, 38, and notes on Eph. v. 23. The acrol obviously does not refer to the Apostle and his helpers (Goth., Æth. [Pol.,but not Platt], Copt.), but by a 'constructio ad sensum' to the persons included in the more abstract ἐκκλησιῶν (Syr., Vulg., Clarom., Arm.); comp. Gal. i. 22, 23, and Winer, Gr. § 22. 3, p. 131.

15 των καὶ τὸν Κύριον ἀποκτεινάντων Ίησοῦν καὶ τοῦς προφήτας, καὶ ἡμᾶς ἐκδιωξάντων, καὶ Θεφ μὴ ἀρεσκόντων

15. των και τον Κύρ. κ.τ.λ.] 'who slew both the Lord Jesus and,' &c.: warning notice of the true character of the unbelieving Jews, suggested probably by recent experiences; comp. Acts xvii. 5, 13, xviii. 6. The particle kal is not ascensive, 'qui ipsum Dominum occiderunt,' Clarom., nor connected with τῶν (Lünem.), -a most questionable connexion, as $\tau \hat{\omega} \nu$, properly considered, has no relatival force, -but simply correlative to the following kal, 'et Dominum et prophetas' (Vulg., Copt. omits first kal), and introductory of the first of two similar and co-ordinate members; see Winer, Gr. § 53. 4, p. 389, and notes on I Tim. iv. 10. The position of τον Κύριον is obviously emphatic, and serves more forcibly to evince the heinous nature of their και τούς προφήτ.] sin. 'and the prophets;' clearly governed by the preceding ἀποκτειν. (Chrys., Theoph., Œcum.), not by the succeeding ἐκδιωξάντων (De W., Koch). The counter-argument that all the prophets were not killed is of little weight, as, 'mutatis mutandis,' it can be nearly as strongly urged against the connexion with ἐκδιωξάντων. The addition of this second member serves indirectly to weaken the force of the plea of ignorance (comp. Acts iii. 17): άλλ' ήγνόησαν αὐτὸν ίσως. Μάλιστα μέν οθν ήδεσαν. Τὶ δαί; οὐχὶ καὶ τοὺς ίδίους προφήτας ἀπέκτειναν, Chrys. The reading is somewhat doubtful: lolous is inserted by Rec. with D*** E**JK; appy. Syr., Goth., al.; Chrys., Theod., al., but is not found in ABD*E*FG; 7 mss.; Vulg., Clarom., Copt. [errat Tisch.], Orig. (2), Tertull. (who ascribes the insertion to Marcion), and was perhaps suggested by the preceding $l\delta l\omega \nu$ in ver. 14. It is thus apparently rightly omitted by nearly all modern editors.

και ήμας έκδιωξ.] 'and drove us out;' i.e. not merely St. Paul and his helpers, but the Apostles generally. The force of the compound ἐκδιώκειν is somewhat doubtful: ¿κ does not seem otiose (De W.), or even simply intensive (Lünem.), but has appy. a semi-local reference, 'qui persequendo ejecerunt,' Beng., Alf.; comp. Luke xi. 49, and consider Acts xviii. 6. This meaning of ἐκδιώκειν does not seem to have been clearly recognised either by Chrys., al., or any of the best Vv., but is somewhat strongly supported by the prevailing use of the verb in the LXX; see Deut. vi. 19, 1 Chron. viii. 13, xii. 15, Joel ii. Θεφ μη άρεσκ.] 20, al. 'do not please God;' not 'placere non quærentium,' Beng., nor aoristic 'non placuerunt,' Clarom., but, with the proper force of the tense, 'are not pleasing,' are pursuing a course displeasing to, -the present marking the result of a regular and continuing course of behaviour; comp. Winer, Gr. § 45. I, p. 304. The μη here does not seem to imply so much as 'Deo placere non curantium,' Alf., but is simply used to mark the aspects under which their conduct leads them to be presented to the reader; comp. Winer, Gr. § 55. 5, p. 429, and esp. Gayler, de Part. Neg. ch. IX. p. 275 In estimating the force of μή with a participle in the N.T., two things should always be borne in mind, (1) that μh with the participle is so decidedly the prevailing combination, that while the force of ou with the part. will commonly admit

καὶ πᾶσιν ἀνθρώποις ἐναντίων, 16 κωλυόντων ήμᾶς τοῖς ἔθνεσιν λαλῆσαι ἵνα σωθῶσιν, εἰς τὸ ἀναπληρῶσαι αὐτῶν

of being pressed, that of $\mu\eta$ will not; see Green, Gr. p. 122; (2) that it is not correct always to find in the $\mu\eta$ (as Alf. here) a reference to the feelings or views of the *subject* connected with the participle (comp. on Gal. iv. 8), but that it sometimes refers to the aspect in which the facts are presented by the writer, and regarded by the reader; see esp. Winer, Gr. l.c., and Herm. Viger, No. 267.

πασιν ανθρ. εναντίων] 'contrary to all men; scil. 'quia saluti generis humani per invidiam et malitiam obsistebant,' Est. 2, and in effect Chrys. and the Greek commentators. The usual reference of the to evavtlor to the 'adversus omnes alios hostile odium,' Tacit. Hist. v. 5 (Olsh., De W., Jowett), has been recently called in question by Lünem., and satisfactorily refuted, (1) on the ground that this exclusiveness, which had originally a monotheistic reference, would hardly have received from the Apostle such unqualified censure; (2) on the grammatical principle that the (causal) participle κωλυόντων does not add any new fact, but explains the meaning of the appy. 'generaliter dictum' of the preceding words; so also Schott and Alford.

16. κωλυόντων] 'seeing they hinder;' not [qui prohibent] Syr., comp. De W., but [dum prohibent]. Syr., (Philox.), 'prohibentes,' Vulg., the participle being anarthrous, and supplying the causal explanation of the foregoing assertion; comp. Donalds. Gr. § 492, sq. There is no idea of 'conatus' (De W.) involved in κωλυόντων; the present simply states

what they were actually doing, as far as circumstances permitted; comp. λαλήσαι ΐνα σωθώσιν] ' to speak that they might be saved;' not, 'evangelium prædicare, ut ('qua,' Erasm.) salvæ fiant.' Menoch ap. Pol. Syn., but simply, 'gentibus loqui ut serventur,' Bezaλαλήσαι preserving its ordinary meaning, and appy. coalescing with Iva $\sigma\omega\theta\hat{\omega}\sigma\omega$ to form an emphatic periphrasis of εὐαγγελίζεσθαι (Olsh.). Ίνα will perhaps thus have a somewhat weakened telic force (see on Eph. i. 17), and the final sentence will to some extent merge into the objective. On the nature of these forms of sentence, see Donalds. $Gr. \S 584$ sq., and els tò àvaπληρ.] 'in order to fill up (the measure of) their sins;' final clause appended, not merely to κωλυόντων, but to the whole preceding verse, and marking with the full telic force of els τὸ (see notes on ver. 12) the purpose contemplated in their course of action. This purpose, viewed grammatically, must be ascribed to the Jews,whether as conscious and wilful (σκοπώ τοῦ ἀμαρτάνειν ἐποίουν, Œcum.), or blinded and unconscious agents (De W.); considered however theologically. it mainly refers to the eternal purpose of God which unfolded itself in this wilful, and at last, judicial blindness on the part of His chosen people; comp. Olsh. and Lüuem. in loc.

The compound dνaπλ. is not synonymous with πληροῦν, but marks the existence of partial rather than an entire vacuum; the Jews were always blind and stubborn, but when they slew their Lord, and drove forth His Apostles, they filled up (supplebant) the measure of their iniquities; see

τὰς άμαρτίας πάντοτε. ἔφθασεν δὲ ἐπ' αὐτοὺς ἡ ὀργὴ εἰς τέλος.

notes on Phil. ii. 30, and Winer, de Verb. Comp. III. p. 11, sq. πάντοτε] 'at all times,' Ξμάνι [omni tempore], Syr., not only in the times before Christ (ἐπὶ τῶν προφήτων), but when He came, and after He left them $(\ell\pi l \ \tau \hat{\omega} \nu \ d\pi o \sigma \tau \delta \lambda \omega \nu)$. There is no exegetical necessity for assuming that $\pi d\nu \tau o \tau \epsilon = \pi a\nu \tau \epsilon \lambda \hat{\omega} s$ (Bretchn., Olsh.): the Jews were always, in all periods of their history, acting in a manner that tended to fill up the continually diminishing vacuum. ξφθασεν δέ έπ' aὐτούς] 'but there is come upon them;' contrast between their course of evil and its sequel of punishment. It is scarcely necessary to say that δè is not here equivalent to γάρ ('enim,' Vulg.), but with its usual and proper force (Syr. ___, Clarom., 'autem') marks the antithesis between the procedure and its issue; 'alii rei aliam adjicit, ut tamen ubivis quædam oppositio declaretur,' Klotz, Devar. Vol. 11. p. 362. On the meaning of the verb φθάνειν in later Greek (not 'prævenit,' Clarom., but عدارات [advenit] Syr., and, with els, 'pervenit,' Vulg.), see notes on Phil. iii. 30, and Fritz. Rom. ix. 31, Vol. 11. The agrist $\xi \phi \theta a \sigma \epsilon$, p. 356, 357. 'came' (but see notes to Transl.), is certainly not equivalent either to a present (Grot.) or to a future (Schott), but marks the event as an historical fact that belongs to the past, without, however, further specifying 'quam late pateat id quod actum est;' see esp. Fritz. de Aor. Vi, p. 17. The perfect ξφθακεν [Rec., Lachm., with BD*] was appy. an interpr. suggested

by a supposed inappropriateness in the use of the acrist. The perf. contemplates an endurance in the present, the agrist leaves this fact unnoticed. but does not deny it. όργή] 'the anger,' scil. τοῦ Θεοῦ,--as actually added in DEFG; Vulg., Clarom., Goth.; comp. Rom. v. g. The article either marks the dorn as προωρισμένη καλ προφητευ<mark>ομένη</mark> (Chrys. 2, 3), or perhaps rather as όφειλομένη (Chrys. 1, Œcumen.), or even simply έρχομένη; comp. ch. i. eis relos] 'to the end,' 'to the uttermost;' 'usque ad finem,' Clarom.; in close connexion with έφθασε, not with δργή,—a construction that would certainly require the insertion of the article. Els $\tau \in \lambda$ os is not used adverbially (Jowett,--comp. Job xx. 7), whether in the sense of 'postremo' (Wahl, comp. Beng.) or 'penitus' (Homb.), but, in accordance with the ordinary construct. of $\phi\theta d\nu \epsilon \iota \nu$ els τl , marks the issue to which the δργή had arrived: it had reached its extreme bound, and would at once pass into inflictive judgments. As the cup of the amaptia had been gradually filling, so had the measures of the divine δργή. It can scarcely be doubted that in

these words the Apostle is pointing prophetically to the misery and destruction which in less than fifteen years came upon the whole Jewish nation. To regard the present clause as specifying what had already taken place (Baur, Paulus, p. 483), is wholly inconsistent with the context; see Lünem. in loc., who has well refuted the arguments of Baur, l.c., against the genuineness of the Ep. derived from this and the preceding verses.

I endeavoured to see you, but was hindered by Satan. Ye truly are \dot{a} $\dot{\phi}$ $\dot{\omega}$ $\dot{\omega$

17. ήμεις δέ] 'But we;' return after the digression to the subjects and leading thought of ver. 13, the ôè not being simply resumptive, but reintroducing the Apostle and his associates with contrasted reference to the Jewish persecutors just alluded to: comp. the remarks on this participle, Gal. iii. 8. άπορφανισθέντες άφ' ύμῶν] 'bereaved in our separation from you,' 'desolati a vobis,' Vulg., وعنك كقالم [orphani a vobis], Syr., —temporal, not concessive (Theod.) use of the participle, marking an action prior to that of the finite verb; comp. Winer, Gr. § 45. 6. b, p. 315. In this expressive compound, the dmò (reiterated before the pronoun) serves to mark the idea of separation (Winer, Gr. § 47, p. 331), and the term δρφανός, δρφανίζω, the feeling of desolation and bereavement which the separation involved. The further idea, παίδων πατέρας ζητούντων, Chrys. (Æsch. Choeph. 246), or conversely, 'orbati ut parentes liberis absentibus,' Beng., is not necessarily involved in the term, as δρφανός [cognate with 'orbus,' and perhaps derived from Sanscr. rabh, the radical idea of which is 'seizing,' &c.; see Pott, Etym. Forsch. Vol. I. p. 259] is not unfrequently used with some latitude of reference; comp. Pind. Isthm. VII. 16, δρφανοί έταίρων, Plato, Republ. 495 C, δρφανήν συγγενών, and the good collection of exx. in Rost u. Palm, Lex. s.v. Vol. II. p. 542. The idea of separation from those we love, seems, however, always involved in the term, when in personal references; comp. Plato, Phædr. 239 Ε, τῶν φιλτάτων δρφανόν.

mpds Kaipdy apas] 'for the season of

an hour;' a more emphatic expression than the usual $\pi\rho\delta s$ &ingmap (2 Cor. vii. 8, Gal. ii. 5, Philem. 15), or the less defined $\pi\rho\delta s$ $\kappa a\iota\rho\delta r$ (Luke viii. 13, I Cor. vii. 5), serving to mark the shortness of the time that elapsed between the bereavement and the feeling of the longing to return; comp. the Latin 'horæ momento,' Hor. Sat. I. 1. 7. On the use of $\pi\rho\delta s$ in these temporal formulæ, as properly serving to mark motion toward an epoch, conceived as before the subject, see notes on Philem. 15, and compare Donalds. Cratyl. § 177.

προσώπφ οὐ καρδία] 'in face, not in heart;' scil. τῆς αlσθητῆς ὑμῶν ἐστέρημαι θέας, τῆς δὲ νοητῆς ἀπολαύω διηνεκῶς, Theod.: datives, certainly not of manner (Alf.), but of relation (of 'reference to'), marking with the true limiting power of the case the metaphorical place to which the action is restricted; comp. I Cor. v. 3, Col. ii. 5, see notes on Gal. i. 22, and esp. Scheuerl. Synt. § 22, p. 179 sq., where the difference between the local, modal, and instrumental uses of this case are well illustrated.

περισσοτ. έσπουδ.] 'were the more abundantly zealous,' 'eo amplius [magis] studuimus,' Beza, -viz., because our heart was with you, and our longing consequently greater. The exact reference of the comparative is somewhat doubtful. It is certainly not merely an intensified positive (Olsh., Just. 2, comp. Goth.); for though frequently used by St. Paul (2 Cor. i. 12, ii. 4, vii. 13, xi. 23, xii. 15, Gal. i. 14, Phil. i. 14), it has appy, in every case its proper comparative force; see Winer, Gr. § 35. 4, p. 217. The most plausible ref. is not to the mere fact of the ἀπορφακαρδία, περισσοτέρως εσπουδάσαμεν το πρόσωπον υμών ίδειν εν πολλή επιθυμία. 18 διότι ήθελήσαμεν ελθείν προς υμάς, εγώ μεν Παυλος και άπαξ και δίς, και ενέκο-

18. Διότι] So Lachm. with ABD*FG; 7 mss (Tisch. ed. 1, Lünem., Alf.). It is singular that Tisch. (ed. 2) should return to the reading of Rec. διό, as the external authority—viz. D***EJK; great majority of mss.; Chrys., Theod., Dam., al. (De W.), is not strong, and, owing to the unusual position of διότι, the probability of correction very great.

νισμός (Winer, l.c.), nor to the briefness of the time as suggestive of a less obliterated remembrance (Lünem., comp. Alf., Jowett), still less to the comparative length of it (περισσοτ. η ώς εἰκὸς ην τοὺς πρὸς ὥραν ἀπολειφθέντας, Theoph., comp. Chrys.), but to the fact that the separation was προσώπφου καρδία; 'quo magis corde præsens vobiscum fui, hoc abundantius faciem vestram videre studui,' Musc. The form περισσοτέρως (περισσότερον, Heb. ii. I, xiii. 19) is appy. rare in classical Greek, comp. however Isocr. 35 E (ed. Coray).

πρόσωπον ύμων ίδειν] 'to see your face;' not 'exquisite positum' for ύμᾶς ιδείν, with reference to the preceding προσώπω (Schott, Jowett), but appy, an expressive Hebraistic periphrasis (רָאה אָת מְני), marking the personal face-to-face nature of the meeting; comp. ch. iii. 10, Col. ii. 1. έν πολλή ἐπιθ.] 'with great desire;' appended clause specifying the ethical sphere in which the $\sigma\pi o v \delta \dot{\eta}$ was evinced ('in multo desiderio,' Clarom., Copt., Goth.), or perhaps more simply the concomitant feeling ('cum multo desiderio, 'Vulg., comp. Arm.) with which it was associated; see notes on Col. iv. 2, and comp. above, on ver. 3.

18. διότι] 'On which account,' soil. of our longing to come and see you. The particle διότι is here used in a sense little different from διό (comp. Lat. 'quare'), and stands at the be-

ginning of the period,—a usage in which Jowett appears to have felt a difficulty, as he here unnecessarily alters the correct punctuation of Lachm., and places only a comma after exiθυμία. On the reading, see the ήθελήσαμεν] critical note. 'we wished,' 'would fain;' not ήβουλήθημεν, which would have expressed 'ipsam animi propensionem' (Tittm.) with a greater force than would be consistent with the context; comp. Philem. 13, 14. On the distinction between θέλω and βούλομαι, see notes on I Tim. v. 14, and Donalds. Cratyl. § 463, but in applying it in St. Paul's Epp. observe that the use of $\theta \in \lambda \omega$ is as 7 to 1 compared with that of βούλομαι. This perhaps suggests that we may commonly safely press the latter, but must be cautious with regard to the former.

έγω μέν Παθλος] 'even I, Paul,' 'ipse ego Paulus,' Æth. The μὲν 'solitarium' serves to enhance the distinctive use of the personal pronoun (Hartung, Partik. μέν, 3. 3. Vol. II. p. 413) by faintly hinting at the others from whom, for the sake of emphasis-not of contrast in conduct (κάκεινοι μέν γάρ ήθελον μόνον, έγω δέ καὶ ἐπεχείρησα, Chrys.)—he is here detaching himself; comp. Devar. de Partic. p. 122 (ed. Klotz). On the proper force of µέν (incorrectly derived by Klotz and Hartung from μήν), and its connexion with the first numeral. see Donalds. Cratyl. § 154, and comp.

ψεν ήμας ὁ Σατανας. 19 τίς γαρ ήμων έλπὶς ή χαρα ή στέφανος καυχήσεως, η οὐχὶ καὶ ὑμεῖς, ἔμπροσθεν τοῦ

Pott, Etym. Forsch. Vol. II. p. 324. και άπαξ και δίς] 'both once and twice,' i.e. 'not once only, but twice;' see Phil. iv. 16, and notes in loc. The first kal is not otiose (Raphel. Annot. Vol. II. p. 522), but adds an emphasis to the enumeration; contrast Nehem. xiii. 20, I Macc. iii. 30, where the omission of the kal leaves the formula scarcely stronger in meaning than 'aliquoties.' και ἐνέκοψεν κ.τ.λ.] 'and Satan hindered us.' The kal has here no adversative force ('sed,' Vulg., De W.), but simply places in juxtaposition with the intention the actual issue ('et impedivit,' Clarom., and all the other Vv.), the opposition lying really in the context. On this practically contrasting use of kal, see notes on Phil. iv. 12, and Winer, Gr. § 53. 3, p. 388. On the primary meaning of the verb εγκόπτειν (Hesych. ένεκοπτόμην: ένεποδιζόμην), 'to hinder by breaking up a road,' see notes on Gal. v. 7. ό Σατανᾶς] 'Satan,' Chald. אַשָּשָּ the personal evil Spirit, the 'adversary' κατ' έξοχήν (ὁ έχθρός, Luke x. 19); comp. notes on Eph. iv. 27. To refer this term to human adversaries (De W.), or to some inward impediment (Jowett, who most inaptly compares Acts xvi. 7), is in a high degree doubtful and precarious: St. Paul here plainly says that the Devil was the hindrance; what peculiar agencies he used are not revealed. Without here entering into controversy, it does seem proper to say, that the language of the N.T., if words mean anything, does ascribe a personality to the Tempter so distinct and unmistakeable, that a denial of it can be only compatible with a practical denial of Scripture inspiration. To the so-called

charge of Manicheism, it is enough to answer that if an inspired Apostle scruples not to call this fearful Being \dot{o} θεδs τοῦ αἰῶνος τούτου (2 Cor. iv. 4), no sober thinker can feel any difficulty in ascribing to him permissive powers and agencies of a frightful extent and multiplicity; see Hofmann, Schriftb. Vol. I. p. 389 sq., and Ebrard, Dogmatik, § 240, Vol. I. p. 290.

19. τίς γὰρ ἡμῶν] Interrogative confirmation of the Apostle's earnest desire to see his converts; 'who is so if ye are not so,' Olsh., 'quid mirum si tanto tenear vestri desiderio? nam quid aliud est in hoc mundo quo mihi placeam, quo me jactem, quo fretus mihi promittam felicitatem,' Calv.

that's † xapá] 'hope or joy;' not exactly 'causa spei et materies lætandi,' Schott, but the subjects and substratum of both one and the other,—the subjects in whom both reside; comp. Phil. iv. 1, and, more significantly and emphatically, 1 Tim. i. 1 (notes). Examples of similar uses in pagan writers are collected by Wetst. in loc.; the most pertinent seems Livy, xxviii. 39, 'Scipionem—spem omnem salutemque nostram.'

στέφανος καυχήσεως] 'crown of boasting;' comp. Prov. xvi. 31, Ezek. xvi. 12, προρή προρ [στέφ. καυχήσεως, LXX] and somewhat similarly Isaiah lxii. 3, έση στέφανος κάλλους και διάδημα βασιλείας: the Thessalonians were to the Apostle as it were a chaplet of victory, of which he might justly make his boast in the day of the Lord. It is scarcely necessary to add that καυχήσεως is not merely = δόξης λαμπρᾶς (Theoph.), but implies έφ' ῷ ἀγάλλομαι [καυχώμαι], Chrys., the genitive being not the gen. 'appositionis' (Koch), nor even

Κυρίου ήμῶν Ἰησοῦ ἐν τῆ αὐτοῦ παρουσία; 20 ὑμεῖς γάρ ἐστε ἡ δόξα ἡμῶν καὶ ἡ χαρά.

As we could not forbear any longer, we sent III. $\Delta\iota\dot{o}$ $\mu\eta\kappa\dot{\epsilon}\tau\iota$ $\sigma\tau\dot{\epsilon}\gamma o\nu\tau\epsilon\varsigma$, $\epsilon\dot{v}\delta o\kappa\dot{\eta}$ -Timothy to reassure you in your affliction.

of the metaphorical substance (comp. Rev. xii. 1), but, as the termination in $-\sigma \iota s$ seems to require, that of the 'remoter object;' see exx. in Winer, $Gr. \S 30. 2. \beta$, p. 170.

ή ούχι και ύμεις] 'or are not ye also; not 'nonne,' Vulg., but 'aut [an] non, Clarom., o o Syr. (Philox.), the particle # retaining its proper disjunctive force (see Devar. de Part. p. 101, ed. Klotz), and introducing a second and negative interrogation, explanatory and confirmatory of what is implied in the first; comp. Winer, Gr. § 57. 1, p. 451, and esp. compare the good remarks of Hand, Tursell. Vol. 1, p. 349. The ascensive kal serves to place the Thessalonians in gentle contrast with other converts, 'ye, as well as my other converts;' οὐ γὰρ εἶπεν ὑμεῖs, άπλως, άλλά, και ύμεις, μετά των άλλων, Chrys. [How accurate is this great commentator's observation of language.] **ἔμπροσθεν**

τοῦ Κυρίου κ.τ.λ.] 'in the presence of our Lord Jesus at His coming? There is some little difficulty in the connexion of this member with what precedes. We clearly must not assume a transposition, and connect it with τις γάρ-καυχήσεως (Grot.), nor again closely and exclusively unite it with ή οὐχὶ καὶ ὑμεῖs (Olsh.), but, as the context seems to require, append it to the whole foregoing double question, to which it imparts its specifically Christian aspect. The Apostle might have paused at και ὑμείε, and proceeded with ver. 20, but feeling that the $\ell \lambda \pi ls$, $\chi a \rho d$, $\kappa . \tau . \lambda$. needed characterizing, he subjoins the circumstances of place and time. Έν τῆ παρουσία obviously refers to the Lord's second coming,—not merely and exclusively 'to establish his Messianic kingdom' (Lünem., compare the objectionable remarks of Usteri, Lehrb. p. 352), but—to judgment; comp. ch. iii. 13, iv. 15, v. 23. The addition Χριστοῦ (Rec. with FGJ; many Vv.) is rightly rejected by Lachm., Tisch., and most modern editors.

20. ύμεις γάρ κ.τ.λ.] 'yea verily ye are our glory and our joy.' The γàρ does not appear here to be argumentative,-i.e. it does not subjoin a reason of greater universality (Alf., citing Soph. Philoct. 746, but see Buttm. in loc.), but seems rather confirmatory and explicative ('confirmat superiorem versum serid asseveratione,' Calv.), the nè element having here the predominance; see notes on Gal. ii. 6, and Winer, Gr. § 53. 8. b. p. 396. For a complete investigation of the primary meaning and principal uses of this particle, the student is especially referred to Klotz, Devar. Vol. II. p. 231 sq.

CHAPTER III. 1. διό] 'On which account;' not exactly διὰ τὸ εἶναι ὑμᾶς τὴν δόξαν ἡμῶν καὶ τὴν χαράν (Lünem.), which seems too restricted, but, on account of the affectionate but abortive desire expressed in the three preceding verses; ἐπειδὴ ἡμεῖς δραμεῖν πρὸς ὑμᾶς ἐκωλύθημεν ἀπεστείλαμεν Τιμόθεον, Theod. On the use of διό, see notes on Gal. iv. 31, and grammatical reff. on Philem. 8.

μηκέτι στέγοντες] 'no longer able to forbear;' 'no longer able to control my longing to see or at least hear

σαμεν καταλειφθήναι εν 'Αθήναις μόνοι, 2 καὶ επέμψαμεν Τιμόθεον τὸν ἀδελφὸν ήμῶν καὶ συνεργὸν τοῦ

about you;' 'cum desiderio vestri impares essemus,' Just. Lünemann (approved by Winer, Gr. § 55. 5, p. 520, ed. 6) rightly objects to the assertion of Rückert that μηκέτι is here incorrectly used for οὐκέτι, as μηκέτι can be properly and accurately explained as involving the subjective feelings of the writer ('being in a state that I could not,' 'as one that could not'), still, as has been before said (notes on ch. ii. 15), the tendency of later Greek to adopt the subjective form of negation with participles is very noticeable, and must always be borne in mind; comp. Madvig, Synt. § 207, and see also the notes and reff. on ch. ii. 15. The verb στέγειν (βαστάζειν, ὑπομένειν, Hesych.; φέρειν, ὑπομένειν, καρτερείν, Chrys. on I Cor. ix. 12) is only used in the N. T. by St. Paul, twice with (1 Cor. ix. 12, xiii. 17), and twice without (here and ver. 5), an accus. objecti: see, however, the list of exx. in Wetst. on I Cor. l.c., and those in Kypke, Annot. Vol. II. p. 213, the most pertinent of which in ref. to this place is Philo, in Flacc. § 9, Vol. II. p. 527 (ed. Mang.), μηκέτι στέγειν δυνάμενοι τàs ἐνδείαs. εὐδοκήσαμεν] 'we thought it good;' Auth., comp. Arm., 'placuit nobis,' Vulg., Clarom., 'galeikaida uns,' Goth., not 'enixe voluimus' [ahedarna] Æth., comp. Syr., as the idea of a 'libera' (είλό- $\mu\epsilon\theta a$, $\pi\rho o\epsilon\kappa\rho l\nu a\mu\epsilon\nu$, Theoph.), rather than a 'propensa voluntas' seems here more suitable to the context; see notes on ch. ii. 8, and Fritz. Rom. Vol. II. p. 369 sq. The plural here seems clearly to refer, not to St. Paul and Silas (Beng.), but to St. Paul alone, the subject of the verse being in close connexion with the conclud-

ing verses of ch. ii., where the Apostle expressly limits the reference to himself. καταλειφθ. έν 'Aθην. μόνοι] 'to be left behind at Athens alone,'-alone, not without some emphasis, as its position seems to indicate; alone, and that at Athens, 'urbe videlicet a Deo alienissima,' Beng. There is some little difficulty in reconciling this passage with Acts xvii. 14 sq. From the latter passage compared with xviii. 5, it would seem that Timothy and Silas first rejoined St. Paul at Corinth, and so, that the former was not with the Apostle at Athens; from the present words (καταλειφθήναι, έπέμψαμεν, ver. 2; $\xi \pi \epsilon \mu \psi \alpha$, ver. 5), however, it seems scarcely doubtful that Timothy was despatched from Athens. Omitting untenable suppositions of a second visit to Athens (Schrader), or of St. Luke's 'ignorance,' or 'that only Silas was left behind ' (Jowett), - we must either suppose (a) that St. Paul despatched Tim. before his own arrival to Athens (Wieseler, Chronol. p. 246 sq.), or perhaps more naturally, (b) that Timothy, having been able to obey the Apostle's order (Acts xvii. 15) more quickly than Silas, did actually come to Athens, and was at once despatched to Thessalonica. The Apostle then continued waiting for both where he was (Acts xvii. 16), but ultimately left the city, and was rejoined by them both after his arrival at Corinth; see Neander, Planting, Vol. I. p. 195, note (Bohn).

2. συνεργόν τοῦ Θεοῦ] 'fellow-worker with God,' 'adjutorem Dei,' Clarom.; comp. τ Cor. iii. 9. The σύν does not refer to others not named, but, in accordance with the regular construction of the word in the N.T.

Θεοῦ ἐν τῷ εὐαγγελίῳ τοῦ Χριστοῦ, εἰς τὸ στηρίξαι ὑμᾶς καὶ παρακαλέσαι ὑπὲρ τῆς πίστεως ὑμῶν ³ τὸ μηδένα

(Rom. xvi. 3, 9, 21, Phil. ii. 25, iv. 3, comp. 2 Cor. i. 24), to the expressed and associated genitive Θεοῦ; comp. Bernhardy, Synt. III. 49, p. 171, Jelf, Gr. § 519. The reading is somewhat doubtful, and the variations very numerous (see Tisch. in loc.), but all probably to be referred to the supposed difficulty of the expression. Rec. reads και διάκονον τοῦ Θεοῦ και συνεργόν ήμων with D***E (confusedly) JK; mss.; Syr. (om. kal), Philox. (but with asterisk), al.; Chrys., Theod. The text as it stands [Griesb., Lachm., Tisch., and most modern editors] is only found in D*; Clarom., Sangerm., Ambrosiast., but is supported indirectly by A, some mss., and several Vv. (Copt., Goth., Æth.) which have διάκονον instead of συνεργόν, and FG, al., which have both, and also to some extent by B, which omits τοῦ Θεοῦ. έν τῷ εύαγγελίω defines more precisely the sphere in which his co-operation was exhibited; see Rom. i. 9, Phil. iv. 3. eis τὸ στηρίξαι κ.τ.λ.] 'to establish you and to exhort in behalf of your faith that &c.:' purpose of Timothy's mission; he was, in the unavoidable absence of the Apostle, to strengthen them, and to exhort them to be steadfast; comp. Acts xv. 32. These expressions do not seem in accordance with the timid character which Alf. in loc. and on 2 Tim. 1. 7, 8, al. ascribes to the Apostle's faithful fellow-worker. παρακαλέσαι] 'to exhort,' 'ad exhortandos,' Vulg.; not here 'to comfort,' Auth., Syr. (Philox.), al. (Eph. vi. 22, Col. iv. 8 [correct on ib. ii. 2]), still less roget] **د**حد صدحه، حالاً del Syr., but, as the next verse seems

to require, in the more usual sense of 'encouraging;' or 'exhorting;' tra παρακαλέση φέρειν γενναίως τας των ἐναντίων ἐπιβουλάς, Theod. second vµas which Rec. here adds with D***JH; mss.; Vv., is rightly rejected by Lachm., Tisch., with distinctly preponderant external evidence [ABD*FG; mss.; Vv.; Chrys., Theod.] ύπέρ της πίστως] Not identical in meaning with περl της πίστεως (De W.), which Rec. here adopts on weak external authority [D***E**J; mss.], but appy. more distinctly expressive of the benefit to, and furtherance of, the faith, which was contemplated in the παράκλησις; see Winer, Gr. § 47. l, p. 343, and comp. notes on Phil. ii. 13.

3. To undera oalveodai] 'that no one be disturbed: objective sentence (Donalds. Gr. § 584) dependent on παρακαλέσαι, explaining and specifying the subject-matter of the exhortation; comp. Winer, Gr. § 44. 5, p. 294 (ed. 6), but more fully p. 375 (ed. 5). Of the different explanations of this infinitival clause, this seems far the most simple and grammatically tenable. That of Schott,-according to which τὸ μηδένα κ.τ.λ. is an accus. 'of reference to,' is defensible (see Krüger, Sprachl. § 50. 6. 8, comp. notes on Phil. iv. 10), but, in the case of transitive verbs like παρακαλείν, of precarious application: that of Lünem. and Alf., -according to which $\tau \delta \mu \eta \delta$. is in apposition to the whole preceding sentence, and dependent on the preceding els, more than doubtful; the regimen is remote, and the assumption that τουτέστι might have been written for $\tau\delta$ (Lünem.), or inserted before it (Alf.), extremely σαίνεσθαι ἐν ταῖς θλίψεσιν ταύταις· αὐτοὶ γὰρ οἴδατε ὅτι εἰς τοῦτο κείμεθα· 4 καὶ γὰρ ὅτε πρὸς ὑμᾶς ῆμεν, προελέγομεν ὑμῖν ὅτι μέλλομεν θλίβεσθαι, καθὼς καὶ

questionable, if not inconsistent with the assumed dependence on ϵls . The only objection to the construction here advocated—that παρακαλέσαι would thus be associated with a simple accus. rei - is of no real weight; for (1) such a construction is possible (comp. 1 Tim. vi. 2), and (2) the dependence of such epexegetic or accusatival infinitives on the governing verb is appy, not so definite and immediate as that of simple substantives; comp. Matth. Gr. § 543, obs. 2. 3, Scheuerl. Synt. § 45. 4, p. 478. The only real difficulty in these and similar constructions is to correctly define the difference between the infin. when with, and when without, the article: perhaps it amounts to no more than this, that in the former case the infinitival clause is more emphatic, aggregated, and substantival, in the latter more merged in the general structure of the sentence; see Winer, Gr. § 44. 2, p. 286 (ed. 6), Krüger, Sprachl. § 50. 6. 3, Matth. Gr. l.c. obs. 2. The reading of Rec., τφ μηδένα κ.τ.λ., is not either exegetically or grammatically admissible (opp. to Green, Gr. p. 277; see Winer, l.c. p. 294), and is wholly unsupported by uncial authority; see σαίνεσθαι] Tisch. in loc. 'be disturbed,' 'be disquieted.' This verb (an $\delta\pi$. $\lambda\epsilon\gamma\delta\mu$. in the N.T.) properly signifies 'to be fawned on' (σαίνειν, ἐπὶ ζώων άλόγων, δ ἐστι σείειν την ούραν, Eustath. p. 393, 9), and metaphorically, 'soothed' (Æsch. Choeph. 186), but is occasionally found in later writers in the stronger sense of κινεισθαι, σαλεύεσθαι (Hesych.); comp. Diog. Laert. VIII. 41 (cited by Elsner), σαινόμενοι τοις λεγομένοις

έδάκρυον καὶ Φμοζον. So rightly Chrys. (θορυβεῖσθαι), Theod., Zonaras Lex. p. 1632 (κλονείσθαι), al., most of the ancient Vv. (Syr. %4022 [succideretur], Vulg. 'moveatur'), and nearly all modern commentators. Wolf, Tittmann (Synon, I. p. 189), and appy. Jowett, retain the more usual sense 'pellici,' scil. 'ad officium deserendum,' but with little plausibility, and in opposition to the consent of both Ff. and Vv. The derivation, it need scarcely be said, is not from MAN- or MAN- (Benfey, Wurzellex. Vol. I. p. 181) but from σείω; comp. Donalds. Cratyl. § 473. èv ταις θλίψεσιν ταύταις] 'in these afflictions;' not merely those endured by the Apostle (comp. Œcum.), but those in which both he and his readers had recently shared, and which, though appy, over for a time (ver. 4). would be almost certain to recur. The er is certainly not instrumental, nor even temporal (Lünem.), but merely local, with ref. to the circumstances in which they were, and by which they were (so to say) environed; comp. Winer, Gr. § 48. a, P. 345. αύτοι γάρ οίδατε] 'for yourselves know;' reason for the foregoing exhortation το μή σαίνεσθαι κ, τ, λ .: both their own experiences and the Apostle's words (ver. 4) taught them this practical lesson. els τοθτο κείμεθα] 'we are appointed thereunto;' scil. τὸ θλίβεσθαι (comp. ver. 4), not τὸ ὑπομένειν θλίψεις, Koch 1, the τοῦτο referring laxly to the preceding θλίψεσω. On the meaning of κείμεθα (Vulg. 'positi,' Syr. Goth. 'ratidai,' but?) see

ἐγένετο καὶ οἴδατε. 5 διὰ τοῦτο κὰγὼ μηκέτι στέγων ἔπεμ√α εἰς τὸ γνῶναι τὴν πίστιν ὑμῶν, μή πως ἐπείρασεν ὑμᾶς ὁ πειράζων καὶ εἰς κενὸν γένηται ὁ κόπος ἡμῶν.

notes on Phil. i. 17, and with respect to the sentiment, which is here perfectly general (περὶ πάντων λέγει τῶν πιστῶν, Chrys.), see 2 Tim. iii. 12 (notes), and comp. Reuss, Théol. Chrét. IV. 20, Vol. II. p. 224 sq.

4. Kal Yap of K. T.A.] 'for verily when we were with you,' 'nam et,' Vulg., Clarom., $\Rightarrow \Rightarrow$ Syr.; proof of the preceding assertion, $\gamma a \rho$ introducing the reason, kal throwing stress upon it; see Winer, $Gr. \S 53$, p. 397, and notes on Phil. ii. 27, where this formula is briefly discussed. On the use of $\pi \rho \delta s$ with acc. with verbs implying rest, &c., see notes on Gal. i. 18, iv. 18.

μέλλομεν θλίβεσθαι] 'we are to suffer persecution;' here not merely a periphrasis of the future, but an indirect statement of the fixed and appointed decree of God; comp. ver. 3. The verb μέλλω has three constructions in the N. T.; (a) with the present,—in the Gospels and the majority of passages in the N.T.; (b) with the aor., Gal. iii. 23, Rev. iii. 2, iii. 16,-a construction found also in Attic Greek (Plato, Crit. 108 A, Gorg. 525 A, al.); (c) with a future, -only in a few passages (Acts xi. 28, xxiv. 15), though the prevailing use in earlier Greek: see Winer, Gr. § 44. 7, p. 298, Krüger, Sprachl. § 53. 8. 3 sq. kal o'Sate] 'and know,' scil. from your own experiences. The first kal does not here seem correlative to the second, kal-kal (see on I Tim. v. 10), but appears rather to have an ascensive force, while the second is simply copulative; ούχ ὅτι ἐγένετο τοῦτο λέγει μόνον, άλλ' ὅτι πολλά καὶ άλλα προείπε, καὶ έξέβη, Chrys.

scil. because the foretold tribulation had now actually come upon you. In the following κάγὼ the και does not belong to the sentence (the argument of Lünein., however, that it would then be dia kal τοῦτο, is of no weight, see on Phil. iv. 3) but to the pronoun, which it puts in gentle contrast with the $\dot{\nu}\mu\epsilon\hat{\imath}s$, both expressed and involved in the preceding verse: as they had felt for the Apostle (more fully alluded to ver. 6), so he on his part felt for them; comp. notes on ch. ii. 13. στέγων] 'no longer forbearing, able to contain; see notes on ver. I. els to yvavai] 'with a view of learning;' design of the ξπεμψα, comp. ver. 2. It does not seem right to mentally supply abrov (Olsh.; 'ut cognosceret,' Æth., Platt, sim. Pol.); the subject of the principal verb is naturally the subject of the infinitive. So rightly Syr. \! [ut cognoscerem]: the other Vv. adopt the inf., or an equivalent ('ad cognoscendam fidem vestram,' Vulg., Clarom.), and are thus equally indeterminate with the original. μήπως ἐπείρασεν κ.τ.λ.] 'lest haply the tempter have tempted you;' aor. indic. specifying a fact regarded as having actually taken place already: the temptation was a fact, its results, however, were uncertain (comp. Chrys.); see Winer, Gr. § 56. 2, p. 448, and comp. notes on the very similar passage Gal. ii. 2. It may be observed that Green (Gr. p. 81), Fritzsche (Fritz. Opusc. p. 176 note), and Scholef. (Hints, p. 114) regard μήπως as dubitative in the

first clause, and expressive of appre-

When he came to us and reported your faith, we were greatly function in the property of the p

hension in the second, 'an forte Satanas tentasset ne forte labores irriti essent,'-but with little plausibility. The argument of Fritz., that the μήπως (metuentis) in the first clause would have required γενήσεται in the second ('atque ita labores irriti essent futuri'), is certainly not valid: the future would have represented something to occur at some indefinite future time, the aor. subj. is properly used of a transient state occurring in particular cases; see Matth. Gr. § 519. 7, and comp. Madvig, Synt. § 124. 1, who correctly observes that μη with fut., after verbs of fearing, &c., always gives a prominence to the notion of futurity. On the substantival form ὁ πειράζων, see exx. in Winer, Gr. § 45. 7, p. 316, comp. Bernhardy, Synt. VI. 22, p. 316. els kevdy yévntai] 'prove in vain;' comp. Gal. ii. 2, and the exx. collected by Kypke, Obs. Vol. II. p.

comp. Gal. ii. 2, and the exx. collected by Kypke, Obs. Vol. II. p. 275. The primary force of the prep. is somewhat similarly obscured in the adverbial formulæ, εls κοινόν, εls καιρόν, κ.τ.λ.; see Bernhardy, Synt. v. 11, p. 221. On the meaning of κόπος, comp. notes on ch. ii. 9.

6. ἄρτι δὲ is most naturally connected with the participle (Æth. [Pol.],-distinctly), not with the remote verb παρεκλήθημεν, ver. 7 (Lünem., Koch), which has its own adjunct, διά τοῦτο; so appy. Syr., and probably all the other Vv., but the uncertainty as to punctuation precludes their being confidently cited on either side. The adverb ἄρτι [ἄρω, connected with dorlws, dopoil, which properly stands in opp. as well to immediately present (vûv, Plato, Meno, 89), as remotely past time (πάλαι, Plato Crit. 43), is often used in the N.T.

and in later writers in reference to purely present time; see esp. Lobeck, Phryn. p. 18 sq. λισαμένου] 'having told the good tidings of; comp. Luke i. 19: οὐκ είπεν άπαγγείλαντος, άλλ', εὐαγγελισαμένου τοσούτον άγαθον ήγείτο την έκείνων βεβαίωσιν και την άγάπην, Chrys. The verb εὐαγγελ. is used in the N.T. both in the active (Rev. x. 7, xiv. 6), passive (Gal. i. 11, Heb. iv. 6, al.), and middle. In the last form its constructions in the N.T. are singularly varied; it is used (a) absolutely, Rom. xv. 20, 1 Cor. i. 17; (b) with a dat. personæ, Rom. i. 15; (c) with an accus. personæ, Acts xvi. 10, 1 Pet. i. 12; (d) with an accus. rei, Rom. x. 15, Gal. i. 23; (e) with an accus. personæ and rei, Luke xiii. 32; and lastly (f)—the most common construction-with a dat. personæ and acc. rei, Luke i. 19 al. Of these (b), and occasionally (c), are the forms in use in the earlier writers; see Lobeck, Phryn. p. 267, Thom. Mag. p. 379, ed. Bern. דון אוסדוע και την άγ.] 'your faith and your love,' the faith which you have, and the love which you evince to one another (ver. 12); δηλοί ἡ μέν πίστις της εύσεβείας το βέβαιον, η δε άγάπη την πρακτικήν άρετην, Theod. The third Christian virtue, έλπίς, is not here specified (comp. 1 Tim. i. 14, 2 Tim. i. 13 al.), but obviously included; comp. Usteri, Lehrb. II. 1. 4, p. 241, Reuss, Théol. Chrét. IV. 22, Vol. II. p. 250, 260. Exere μνείαν κ.τ.λ.] 'that ye have good remembrance of us always;' not exactly, μνημονεύετε ήμων μετά έπαίνων καὶ εὐφημίας, Theoph. (comp. Chrys.). but simply 'that ye retain a good, i.e., as the following words more fully

την πίστιν καὶ την ἀγάπην ὑμῶν, καὶ ὅτι ἔχετε μνείαν ήμῶν ἀγαθην πάντοτε, ἐπιποθοῦντες ήμᾶς ἰδεῖν καθάπερ καὶ ἡμεῖς ὑμᾶς, ⁷ διὰ τοῦτο παρεκλήθημεν, ἀδελφοί, ἐφ' ὑμῖν ἐπὶ πάση τῆ ἀνάγκη καὶ θλίψει ἡμῶν διὰ τῆς ὑμῶν

specify, a faithful (βεβαίαν, Œcum.) and affectionate remembrance of us,' ut nostra memoria bona sit in vobis,' Copt., comp. Syr. The μνεία ἀγαθή formed the third item in the good tidings; τρία τέθεικεν ἀξιέραστα, τὴν πίστιν, τὴν ἀγάπην, καὶ τοῦ διδασκάλου τὴν μνήμην, Theod.

πάντοτε seems here more naturally joined with the preceding verb (Syr., Æth.), as in ch. i. 2, I Cor. i. 4, 2 Thess. i. 3, al., than with the participle (Copt.): the μνεία was not only dγαθή, but dδιάλειπτος; see 2 Tim. i. 4. So Auth., Arm., and appy. the majority of modern commentators.

έπιποθ. ήμας ίδειν] 'longing to see us:' further expansion of the preceding words; comp. 2 Tim. i. 4. On the force of the $\epsilon \pi l$, here not intensive but directive, see Fritz. on Rom. i. 11, Vol. I. p. 31, and notes on 2 Tim. καθάπερ και ήμεις l. c. ύμας 'even as we also are longing to see you;' τὸ γὰρ μαθεῖν τὸν φιλούντα ότι τούτο οίδεν ὁ φιλούμενος, δτι φιλείται, πολλή παραμυθία καί παράκλησιε, Chrys. On the meaning and use of $\kappa \alpha \theta d\pi \epsilon \rho$, see notes on ch. ii. 11, and on the use of ral with comparative adverbs, notes on Eph. v. 23.

parative adverse, hotes on Epn. V. 23.

7. δια τοῦτο] 'for this cause.' in reference to the three preceding specifications, which are here grouped together in one view. The resumed δια τοῦτο is not superfluous (comp. De W.): the length of the preceding sentence, and the fact that ἀρτι ἐλθόντοs involved mainly the predication of time, make a recapitulatory and causal formula here by no means inappropriate.

παρεκλ. ἐφ'

iμlv] 'we were comforted over you;' you were the objects which formed the substratum of our comfort; comp. 2 Cor. vii. 7. The prep. ἐπὶ is not exactly equivalent to 'in,' Vulg., 'ex,' [fram] Goth., or even 'propter,' Æth. (Pol.),—still less to 'quod attinet ad,' Lünem.,-but with its usual and proper force points to the basis on which the mapakanous rested, 'fundamentum cui veluti superstructa est, Schott; see Winer, Gr. § 48. c. p. 351. The reading παρακεκλήμεθα, though found only in A and 3 mss., has been adopted by Koch, as according better with his connexion of apri with the finite verb. Surely this is most rash criticism. πάση κ.τ.λ.] 'in all our necessity and tribulation;' certainly not 'in quavis angustia et afflictione,' Schott,-a translation distinctly precluded by the presence of the article, which here represents the άνάγκη καὶ θλίψις as a collective whole; comp. 2 Cor. i. 4, vii. 4. The use of επι is here only slightly different from that above; it has appy. neither a temporal (Lünem.) nor a causal (2 Cor. i. 4, but obs. the accompanying $\dot{\epsilon}\nu \ \tau \hat{\eta} \ \theta \lambda$.), but a semilocal force (comp. 2 Cor. vii. 4, and Mey. in loc.), marking that with which the παράκλησις stands in immediate contact and connexion; comp. Bernhardy, Synt. v. 24. b, p. 248 sq., and notes on Phil. i. 3. In the former use the idea of ethical superposition seems mainly predominant, in this latter, that of ethical contact; comp. Krüger, Sprachl. § 68. 41. 5. There is some little doubt as to what the $d\nu d\gamma \kappa \eta$ kal $\theta \lambda l \psi$ is are to be referred.

πίστεως, 8 ὅτι νῦν ζῶμεν ἐὰν ὑμεῖς στήκητε ἐν Κυρίφ. 9 τίνα γὰρ εὐχαριστίαν δυνάμεθα τῷ Θεῷ ἀνταποδοῦναι

On the whole the force of $d\nu d\gamma \kappa \eta$ [connected with ATK., Pott, Etym. Forsch. Vol. I. p. 184; 'vim omnem significat quæ evitari non potest,' Wunder, Soph. Trach. 823] and the tenor of the context seem to imply, not any inward distress (De W.), but rather some outward trial and trouble (Alf. compares Acts xviii. 5-10) under which the Apostle was then suffering; see Lünem. in loc. The order of the words is inverted in Rec. ($\theta \lambda l \psi$. κ . $d\nu d\gamma \kappa \eta$), but only on the authority of JK; mss.; several Ff.

διά της πίστεως] 'through your faith:' the medium by which this comfort was realized by the Apostle, was the faith on the part of the Thess. of which he had received tidings; αῦτη ἀσάλευτος μείνασα τὴν παράκλησιν ἡμῦν εἰργάσατο, Œcum.

8. STI VÛV [GHEV] 'because now we live;' confirmatory statement of the comfort which he received from hearing of the faith of his converts. The contrast shows that the Apostle regards the drdykn kal bllyis as a kind of death, from which he is raised to the full powers of life (comp. Rom. viii. 7) by the knowledge of the firm posture of the Thess.; τὴν γὰρ ὑμετέραν βεβαίωσιν ζωήν ήμετέραν ὑπολαμβάνομεν, Theod.; compare Pearson, Creed, Vol. II. p. 319 (ed. Burt.). The conditional member, έὰν ὑμεῖς κ.τ.λ., shows that νῦν (like the Lat. 'nunc') is not here used in a purely temporal (comp. Jowett), but in a logical and argumentative sense, approaching in meaning to 'in hoc rerum statu,' 'rebus sic se habentibus ;' see Hartung, Partik. vûv, 2. 2, Vol. II. p. 25, Jelf, Gr. § 719. 2. The true principle of the usage is well explained by Hand; 'sæpe in his duæ rerum conditiones collocantur, quarum altera aut præcessit, aut cogitatur esse posse, eique ex adverso opponitur ea quæ vera ac præsens adest et valet,' Tursell. Vol. IV. p. 340.

idv buels othere] 'if ye stand (fast); hypothetically stated, as the faith of the Thessalonians was not yet complete (comp. ver. 10); experience was yet to show whether the assumption was correct. On the force of ear with the subj. ('sumo hoc, et potest omnino ita se habere, sed utrum vere futurum sit, necne, id nescio, verum experientia cognoscam,' Herm.), and on its general distinction from el with the indic., see notes on Gal. i. 9, Winer, Gr. § 41. 2, p. 260, and Herm. Viger, No. 312. The solucistic reading στήκετε [AFGJK; mss.; Chrys. ms.] is maintained by Koch; but on insufficient authority, as such permutations of similar vowels are occasionally found even in the best MSS.; comp. Scrivener, Collation, p. LXIX. On the meaning of this late form othkew, not per se 'to stand fast' (comp. Rom. xiv. 4), see notes on Phil. i. 27. In the N.T. it occurs only in St. Paul's Epp., and Mark xi. 25. dv Kυρίφ] 'in the Lord,'—in Him as the element of their true life, and the sphere of its practical manifestations; comp. Phil. iv. 1, and see notes on Eph. iv. 17, vi. I.

9. τίνα γὰρ κ.τ.λ.] Confirmation of the preceding conditioned declaration, ὅτι νῦν ζῶμεν κ.τ.λ.; 'we live, I say, for what sufficient thanks can be rendered to God for our plenitude of joy on your account;' τοσαύτη, φησίν, ἡ δι' ὑμᾶς χαρά, ὅτι οὐδὲ εὐχαριστεῦν κατ' ἀξίαν εὐρίσκομεν, Œcum., comp. Τheoph. ἀνταποδοῦναι]

περὶ ὑμῶν ἐπὶ πάση τῆ χαρᾶ ἢ χαίρομεν δι' ὑμᾶς ἔμπροσθεν τοῦ Θεοῦ ἡμῶν; το νυκτὸς καὶ ἡμέρας ὑπερεκπερισσοῦ

'render,'-properly, 'in return,' 'retribuere, Vulg., Syr.; εὐχαριστία is regarded as a kind of return for the mercies and blessings of God: Grot. aptly compares Psalm cxvi. וביה לַיְהְיה The binary. compound άνταποδιδόναι is used by the Apostle both 'in bonam,' and 'in malam partem' (2 Thess. i. 6, comp. Rom. xii. 19), in the sense of rendering back a due; the dvtl marking the idea of return, the dwo hinting at that of the debt incurred, 'ubi dando te exsolvis debito, Winer, de Verb. Comp. IV. p. 12. wepl υμών] 'concerning you,' 'for you; comp. ch. i. 2, 1 Cor. i. 4, 2 Thess. i. 3, ii. 13. The difference between $\pi \epsilon \rho l$ and $\dot{\nu} \pi \dot{\epsilon} \rho$ (Eph. i. 16, comp. Phil. i. 4) in such combinations as the present is scarcely appreciable; see notes on Col. iv. 3, and comp. on έπι πάση τη Phil. i. 7. xapa] 'on account of, for, all the joy;' ἐπὶ having here more of its causal and derivative sense, and marking the ground and reason of the άνταπόδοσις εύχαριστίας: comp. 1 Cor. i. 4, 2 Cor. ix. 15, Polyb. Hist. XVIII. 26. 4, see notes on Phil. i. 5, and Krüger, Sprachl. § 68. 41. 6. The present use of $\epsilon \pi l$ is nearly allied to the common use of the prep. with verbs denoting affections of the mind, θαυμάζειν, ἀγαλλιᾶν, κ.τ.λ., but perhaps recedes a shade farther from the idea of 'ethical basis,' to which both this and all similar uses of the prep. are to be ultimately referred; see notes on ver. 7, and Winer, Gr. § 48. c, p. 351. It is scarcely necessary to say that πασα ή χαρά is not, except by inference, 'summa lætitia,' Schott (who however fails to observe the

article), but 'all the joy,' Copt.,-'joy taken in its whole extent;' see Winer, Gr. § 18. 4, p. 101: the Apostle's joy wanted nothing to make it full and complete. xalponer] 'which we joy;' attraction for ήν χαίρομεν (Winer, Gr. § 24. 1), the construction being appy. here χαίρειν χαράν (Matth. ii. 10), not χαίρειν χαρά (John iii. 29), which, though analogous, would be scarcely so natural with the simple relative. On these intensive forms, see Winer, Gr. § 32. 2, p. 201, § 54. 3, p. 341, Lobeck, Paralipom. p. 224 sq. ξμπροσθεν κ.τ.λ.] 'before our God;' further definition of the pure nature of the joy: it was such as could bear the scrutiny of the eye of God, 'illo videlicet teste atque inspectore, et ut arbitror probatore,' Just., comp. Calv. On the formula ξμπροσθεν τοῦ Θεοῦ, only used by St. Paul in this Ep. (ch. i. 3, iii. 13, comp. ii. 19), see notes on ch. i. 3. The clause obviously

10. νυκτὸς καὶ ἡμέρας] 'night and day;' καὶ τοῦτο τῆς χαρᾶς σημεῖον, Chrys. On this formula, see notes on ch. ii. 9, and on 1 Tim. v. 5. ὑπερεκπερισσοῦ δεόμενοι] 'above measure praying;' participial adjunct, not to χαίρομεν, which is only part of a subordinate clause, but to the leading thought τίνα—ἀνταποδοῦναι (Lünem., Alf., Jowett), the participle not having so much a causal (Lünem.), as a circumstantial ('praying as we do,' Alf.), or perhaps rather

belongs, not to χαρά (Pelt), still less

to ver. 10 (Syr. Pesch., but not

Philox.), but to the verb xalponer.

a simply temporal reference; compare Krüger, Sprachl. § 56. 10. 1. On the rare cumulative form ὑπερεκ. (ch. v. 13, Eph. iii. 20, Daniel iii. 23

δεόμενοι είς τὸ ἰδεῖν ὑμῶν τὸ πρόσωπον και καταρτίσαι τὰ ὑστερήματα τῆς πίστεως ὑμῶν.

May God direct my 11 $A \hat{v} \hat{\tau} \hat{o}_S$ $\delta \hat{\epsilon}$ δ $\Theta \hat{\epsilon} \hat{o}_S$ $\kappa a \hat{\iota}$ $\pi a \hat{\tau} \hat{\eta} \rho$ $\hat{\eta} \mu \hat{\omega} \nu$ make you abound in love, and stablish you in holiness.

(Theod.), comp. Clem. Rom. 1 Cor. 20), and St. Paul's noticeable use of compounds of $\dot{v}\pi\dot{\epsilon}\rho$, see notes on Eph. l.c. είς τὸ ίδεῖν] 'that we may see,' 'ut videamus,' Vulg., Clarom.; purpose and object (ἴνα ἰδη αὐτούς, Theoph.) of the prayer, with perhaps an included reference to the subject of it; comp. 2 Thess. ii. 2, and see notes on ch. Kataptical 'make complete,' 'ut suppleamus,' Clarom. The verb καταρτίζειν (Hesych. κατασκευάζειν, στερεούν, Zonar. άρμόζειν) properly signifies 'to make ἄρτιος'the κατά having appy. a slightly intensive force (see Rost u. Palm, Lex. s.v. κατά, IV. 4), -thence 'to readjust and restore,' whether in a simple (Matth. iv. 21), or an ethical sense (Gal. vi. 1), what had been previously out of order; and thence, with a somewhat more derivative sense (as here), 'to supply what is lacking or deficient, $\pi \lambda \eta \rho \hat{\omega} \sigma \alpha i$, Theod., $\dot{\alpha} \nu \alpha \pi \lambda \eta$ ρῶσαι, Œcum. For exx. see Wetst. Vol. I. p. 278, Elsner, Obs. Vol. II. p. 70, and notes on Gal. l.c. τά ύστερήματα κ.τ.λ.] 'the lacking measures of your faith,' 'that in which your faith was yet deficient; comp. Col. i. 24. These defects are referred by Olsh. to their faith, not on the side of its power but of its knowledge. This seems substantially true (οὐ πάσης ἀπέλαυσαν τῆς διδασκαλίας, ούδὲ δσα έχρην μαθείν ξμαθον, Chrys., comp. ch. iv. 13); it does not, however, seem correct to exclude defects on the side of practice, which ch. iv. I sq. seem mainly intended to supply; see Lünem. in loc.

11. αὐτὸς δὲ κ.τ.λ.] 'Now may

God Himself and our Father;' transition by the δε μεταβατικόν (see notes on Gal. iii, 8) to good wishes and prayers for their progress in holiness. The αὐτὸs does not seem here to suggest any antithesis between God and the δεόμενοι, ver. 10 (De W.), but merely to enhance the power of God in respect of the κατευθύνειν την όδόν (Lünem.), and to place in contrast the human agent with his earnest but foiled efforts (ch. ii. 18), and God, who, if He willed, could instantly and surely accomplish all; ώσει έλεγεν, ό Θεδς εκκόψαι του Σατανάν του πανταχοῦ ἡμίν διά των πειρασμών έμποδίζοντα, ίνα δρθην όδον προς ύμας ποιησώ- $\mu\epsilon\theta$ a, Œcum. On the meaning of the august title, ὁ Θεὸς καὶ πατήρ, and the probable connexion of ημών with only the latter subst. (so also Lünem.), see notes on Gal. i. 4. It may be remarked that the copula is omitted in Syr., Copt., Æth. (both). and retained in Vulg., Clarom., Goth., Arm., Syr. (Philox.), but that in these latter there is no trace of the epexegetic force here ascribed to it by many modern commentators.

και ὁ Κύριος ἡμῶν Ἰησ.] Union of the Son with the Father in the Apostle's prayer. The language of some of the German expositors is here neither clear nor satisfactory: we do not say with Lünem., that Christ, as sitting at the right hand of God, has a part in the government of the world, 'nach paulinischer Anschauung' (compare Usteri, Lehrb. II. 2. 4, p. 315), still less with Koch, that the Apostle regards Christ 'als die Weisheit und Macht Gottes,'—but assert simply and plainly, that the καὶ ὁ Κύριος ἡμῶν Ἰησοῦς κατευθύναι τὴν ὁδὸν ἡμῶν πρὸς ὑμᾶς. 12 ὑμᾶς δὲ ὁ Κύριος πλεονάσαι καὶ περισσεύσαι

Eternal Son is here distinguished from the Father in respect of His Personality, but mystically united with Him (observe the significant singular, κατευθύναι) in respect of his Godhead, and, as God, rightly and duly addressed in the language of direct prayer; see esp. Athan. contr. Arian. III. II, Waterl. Defence, Qu. XVII. Vol. I. p. 423, Qu. XXII. p. 467.

The addition Χριστός (Rec.), though supported by D****bEFGJK; mss.; Vv.; Ath., and many Ff., is appy. rightly rejected by most modern editors with ABD*****, 5 mss.; Clarom., Sangerm., Æth. (Pol.,—but not Platt), as a conformation to the more usual formula.

κατευθύναι] 'direct;' optative, not infinitive,-which though occasionally found in older, and esp. poetical writers in ref. to wishes and prayers (Apollon. de Synt. III. 14, Bernhardy, Synt. IX. 3, p. 357) has no place in the language of the N.T.; see Winer, Gr. § 43. 5, p. 283. The singular is certainly very noticeable both here and 2 Thess. ii. 16, 17: no reasons, except those founded on the true relation of the Father and Son, seem in any way to account for the enallage of number. The verb κατευθύνειν (Luke i. 79, 2 Thess. iii. 5) properly signifies 'to make straight,' thence (as here) 'to direct' ('dirigat,' Vulg., , Syr.), the κατά being appy. not so much intensive (Koch) as directive, and the appended πρὸς specifying the terminus ad quem; comp. Winer, Gr. § 52. 4, p. 383.

12. thas & | 'But you,'—you—whatever it may please God to appoint with respect to us and our prayer: 'aliud votum quo optat

Paulus ut interea dum obstructum illi est iter, se tamen absente Dominus illos confirmet in sanctitate,' Calv.

δ Κύριος Not the First Person of the blessed Trinity (Alf.), -still less the Third (Basil, ap. Pearson, Creed, Vol. 11. p. 265, ed. Burt.), but, in accordance with the application of the title both in ver. 11 and ver. 13, and the prevailing usage in St. Paul's Epp., the Second; comp. Winer, Gr. § 19. 1, p. 113. The subject δ Κύριος [ὁ Θεός, Α, 73; ὁ Κύριος Ίησοῦς, D* E*FG; Ital.] is omitted in Syr., Arab. (Erp.), and is rejected by Mill (Prolegom. p. cxxx.), De W., Koch, al., as an interpolation. The external authority for its insertion is too preponderant to be safely reversed: so Lachm., Tisch.

πλεονάσαι καὶ περισσεύσαι] 'make you to increase and to abound,' 'multiplicet et abundare faciat,' Vulg., Clarom.; both verbs transitive, and nearly synonymous; the former referring not to mere numerical increase (τω dριθμώ πλεονάσαι, Theod.). but to spiritual enlargement, the second to spiritual abundance, and having more of a superlative meaning; comp. Fritz. Rom. Vol. 1. p. 351. Haeordieur is not transitive elsewhere in the N.T., see, however, Psalm lxx. 21, έπλεόνασας την δικαιοσύνην, 1 Macc. iv. 35, πλεονάσας τὸν $\sigma\tau\rho d\tau o\nu$; the latter $\pi\epsilon\rho\iota\sigma\sigma$. is also commonly intrans., but see 2 Cor. iv. 15, ix. 8, Eph. i. 8 (notes).

τῆ ἀγάπη κ.τ.λ.] 'in your love one toward another, and toward all;' instrumental or rather ablatival dative specifying that with which they were to be enlarged and to abound; see Hartung, Casus, p. 94, Scheuerl. Synt. § 22, p. 178, 182. This love was to

τη αγάπη είς αλλήλους καὶ είς πάντας, καθάπερ καὶ ήμεῖς είς ύμας, ¹³ είς τὸ στηρίξαι ύμων τὰς καρδίας αμέμπτους εν άγιωσύνη ἔμπροσθεν τοῦ Θεοῦ καὶ πατρὸς ήμων, εν τῆ

be shown both in the form of brotherly love (φιλαδελφία, ch. iv. 9) and in its more extended form, to all mankind, whether ὁμόπιστοι (Theod.) or not; τοῦτο γὰρ τῆς κατὰ Θεὸν ἀγάπης ίδιον τὸ πάντας περιπλέκεσθαι, Theoph.

καθάπερ και ήμεις είς ύμ.] 'even as we also do toward you;' scil. πλεονάζομεν και περισσεύομεν τη άγάπη [περί ὑμᾶς διετέθειμεν, Theod.], the verbs which were previously transitive now relapsing into their usual intransitive meaning: τὸ μὲν ἡμέτερον ήδη ἐστί· τὸ δὲ ὑμέτερον άξιοῦμεν γενέσθαι, Chrys. This mode of supplying the ellipsis, though open to the objection of causing two different meanings to be assigned to $\pi\lambda\epsilon\omega\nu$, and $\pi\epsilon\rho\iota\sigma\sigma$, in the same verse, seems less arbitrary than that of Syr. (comp. Copt.), al., άγάπην έχομεν, Grot. 'sumus, more Hebræo,' &c., and is supported by the analogy of simple verbs being supplied from compound verbs, affirmative from negative; comp. Jelf, Gr. § 895. f, h. On the meaning of $\kappa \alpha \theta d\pi \epsilon \rho$, see notes on ch. ii. 11, and on the use of kal, notes on ch. iv. 5.

13. els τὸ στηρίξαι] 'in order to establish,' 'to the end He may establish,' 'Auth. Ver.; not the result (Baumg. Crus.), but the end and aim of the πλεον. καὶ περισσ. τῷ ἀγάπη: ἀν γὰρ αὐτὴ περισσεύη, στηριγμός ἐστι τῶν κεκτημένων αὐτήν, Œcum.; love being, as De W. observes, the fulfilling of the law (Rom. xiii. 10) and the bond of perfectness (Col. iii. 14). The subject of the inf., it need scarcely be said, is not ἡμᾶς (Corn. a Lap. 1), nor ἀγάπην (Œcum.), nor even Θεόν (a Lap. 2), but the subject of the foregoing verse, τὸν

άμέμπτους έν άγιωσύνη] 'so as to be unblameable in holiness;' proleptic use of the adjective; comp. 1 Cor. i. 8, Phil. iii. 21, see Winer, Gr. § 66. 3, p. 550, Jelf, Gr. § 439. 2, Schæfer, Demosth. Vol. 1. p. 239, and the long and elaborate note of Koch in loc. hearts (ἐκ τῆς καρδίας ἐξέρχονται διαλογισμοί πονηροί, Chrys.) were to be blameless, and that not simply, but in a sphere and element of holiness. On the orthographically correct but late form ἀγιωσύνη (Rom. i. 4, 2 Cor. vii. 1), not ἀγιοσύνη, as DEFG, see Fritz. Rom. Vol. 1. p. 10, Buttm. Gr. § 118. 11. In meaning it differs but little from αγιότης (2 Cor. i. 12 [Lachm., Tisch.], Heb. xii. 10), except perhaps that it represents more the condition than the abstract quality, while ayaauos, as its termination shows, points primarily to the process (I Thess. ii. 13, I Pet. i. 2), and thence, with that gradual approach of the termination in - uos to that in -σύνη which is so characteristic of the N.T., the state (1 Tim. ii. 15, see notes), frame of mind, or holy disposition (Waterland, on Justif. Vol. VI. p. 7), in which the action of the verb is evinced and exemplified; see Usteri, Lehrb. II. 1. 3, p. 226, and comp. dγαθωσύνη, dγαθότης, and notes on Gal. v. 22. ξμπροσθεν τοῦ Θεοῦ does not belong exclusively either to ἐν ἀγιωσύνη (Pelt) or to dμέμπτους (De W.), but to both (Lünem.): their αμεμφία εν αγιωσ. was to be such as could bear the searching eye of God; see notes on ver. 9, and on ch. i. 3.

ἐν τῆ παρουσία 'Iησοῦ] 'at the coming of Jesus.' καὶ γὰρ ὑπ' αὐτοῦ

παρουσία τοῦ Κυρίου ήμων Ἰησοῦ μετὰ πάντων των άγίων αὐτοῦ.

Abound ye, socording to my command. IV. $\Lambda o \iota \pi \grave{o} \nu$ $o \mathring{v} \nu$, $\grave{a} \delta \epsilon \lambda \varphi o \acute{l}$, $\grave{\epsilon} \rho \omega \tau \hat{\omega} \mu \epsilon \nu$ God's will is your sanctification, where $\check{v} \mu \hat{a} s \kappa a \grave{\iota} \pi a \rho a \kappa a \lambda o \hat{\nu} \mu \epsilon \nu$ $\grave{\epsilon} \nu \kappa \nu \rho \acute{\iota} \nu$ in $\kappa \nu \rho \dot{\nu} \nu$ fore be chaste and continent.

I tra καθώς] So Lachm. with BD*E*FG; 7 mss.; Syr., Vulg., Clarom., Copt., Goth. [but does not repeat it in last clause], Æth., Pol. (appy., but? Platt), Arm.; Chrys. (I ms.), Lat. Ff. (Tisch. ed. I, Lünem., Alf.) In his second ed. Tisch. omits the conjunction with AD***E**JK; great majority of mss.; Syr. (Philox.), appy. Æth. (Platt); Chrys., Theod., Dam., al. (Rec., Scholz) but scarcely on sufficient external authority.

καθώς και περιπατεῖτε] So Lachm. with ABDEFG; 7 mss.; Amit., Harl., Clarom., Copt., Goth., Syr. (Philox.), Æth., (both), Syr., (Philox.), Arm. (Tisch. ed. 1, Lünem., Alf.). The clause is now omitted by Tisch. with D***E**JK; great majority of mss.; Syr.; Chrys., Theod., Dam. (Rec., Mill, Scholz, De W.), but on authority even less decidedly sufficient than in the case of the preceding tra.

κρινόμεθα ξμπροσθεν τοῦ Πατρός, Theoph.; see notes on ch. ii. 19. The addition Χριστοῦ is rightly rejected by Lachm., Tisch. with ABD EK; 20 mss.; Clarom., Sangerm., Æth. (Pol.,—but not Platt); Dam., Ambr.: the appearance of Ἰησοῦ without Χριστοῦ seems somewhat noticeably frequent in this Epistle (9 times out of 16); comp. i. 10, ii. 15, 19, iii. 11, iv. 1, 2, 14 (bis).

μετά πάντων κ.τ.λ.] 'accompanied with all His Saints;' not où but μετά, they are here represented not so much united with Him as attending on Him and swelling the majesty of His train; comp. notes on Eph. vi. 23, and contrast Col. iii. 4, where, on the contrary, the context shows that the idea is mainly that of coherence. It is very doubtful whether ol dylor are, with Pearson (Creed, Vol. II. p. 296), to be referred to the Holy Angels (2 Thess. i. 7, Matth. xvi. 27, xxv. 31, al.; comp. Heb. קרטים Psalm lxxxix. 6, Zech. xiv. 5, al.), or, with Hofmann (Schriftb. Vol. II. 2, p. 595), to the Saints in their more inclusive sense (ch. iv. 14, comp. 1 Cor. vi. 2): perhaps the

addition $\pi d\nu \tau es$ may justify us in referring the term to both; so Beng., Alf. The $d\mu \eta \nu$ at the end of the verse [bracketed by Lachm., with AD*E; mss.; Clarom., Sang., Vulg.] seems a mere liturgical addition.

CHAPTER IV. 1. AOLHOV OUV Furthermore then,' in consequence of, and in accordance with the issue prayed for in the preceding verse; the own having here its collective force, and introducing an appeal to the Thessalonians on their side, grounded on what the Apostle had prayed for them from God; they were to do their part, Olsh. On the two uses of ov (the collective and reflexive) see Klotz, Devar. Vol. 11. p. 717, compared with Hartung, Partik. Vol. II. p. 9. The transl. of Vulg., 'ergo' (Clarom. less correctly, 'autem'), is judiciously altered by Beza to 'igitur;' the former being properly used only 'in graviore argumentatione,' Hand, Tursell. Vol. III. p. 187. The exact meaning of λοιπόν has been somewhat By observing its use contested. (2 Cor. xiii. 11) and that of the more specific τὸ λοιπόν (Eph. vi. 10, Phil.

καθώς παρελάβετε παρ' ήμων το πως δει ύμας περιπατείκ και αρέσκειν Θεώ, καθώς και περιπατείτε, ίνα περισσεύητε

iii. 1, iv. 8, 2 Thess. iii. 1) in St. Paul's Epp., it does not appear either simply temporal (del pèr kal els tò διηνεκές, Chrys., Theoph.), or simply ethical (ἀποχρώντως, Œcum. 2), but rather marks the transition to the close of the Ep., and to what remains yet to be said ('de cætero,' Vulg.), whether much (Phil. iii. 1) or little (2 Cor. xiii. 11); τὸ els παραίνεσιν έλθεῖν, Œcum. 1: comp. notes on Phil. iii. 1. The omission of $\tau \delta$ is here supported by all the MSS. except B** [mss.; Chrys., Theod.], and acquiesced in by Lachm., Tisch., and appy. all modern editors: that of our [only B*; 8 mss.; Copt.] though approved by Mill (Prolegom. p. xcv.) and Tisch. ed. I, is, on the contrary, by no means probable.

לְּהְשִׁרְּשִׁי 'we beseech;' comp. v. 12, Phil. iv. 3, 2 Thess. ii. 1: a derivative and non-classical use of לְּהְשִׁרְּעָּי, perhaps suggested by the double use of אַשְּׁי (Schott), of which in the LXX it is not uncommonly a translation; see Psalm cxxii. 6, ἐρωτήσατε (אַשִּׁי) δη τὰ εἰς εἰρήνην τῆ Ἱερουσαλήμ.

παρακαλούμεν έν Κυρίφ] 'exhort you in the Lord; our παράκλησιε is only in Him (see Phil. ii. 1, and notes); He is the sphere and element in which alone all we say and do has its proper existence and efficacy: see notes on Eph. iv. 17, vi. 1. The gloss διά του Θεού, Chrysost. (τὸν Χριστον παραλαμβάνει, Theophyl., 'per Christum rogat et obsecrat,' Schott 2), involves needless departures from the almost regular meaning of this significant formula: all the ancient Vv. retain the simple and primary meaning of the preposition. lya καθώς κ.τ.λ.] 'that, even as ye received from us;' subject of the prayer

blended with the purpose of making it, introduced by the partially telio $l\nu a$; see notes on Eph. i. 17. On the meaning of $\pi a \rho \epsilon \lambda d \beta \epsilon \tau \epsilon$, here unduly extended by Chrys., Theoph. to the teaching of examples $(oi\chi l \dot{\rho} \eta \mu d \tau \omega r \mu \dot{\rho} \nu \nu \dot{\epsilon} \sigma \tau (\nu, d \lambda \lambda \dot{\alpha} \kappa a l \pi \rho \alpha \gamma \mu d \tau \omega \nu)$ see notes on ch. ii. 13.

τὸ πῶς δεί κ.τ.λ.] 'how ye ought to walk; literally 'the how, &c.,' the τὸ giving to the whole clause a substantival character, and bringing the two members into a single point of view; comp. Luke ix. 46, Rom. iv. 13, viii. 26, see Winer, Gr. § 20. 3, p. 162 (ed. 5, omitted or placed elsewhere in ed. 6), Fritz. on Mark, p. 372, and the numerous exx. in Matth. Gr. § 280. kaj gojakin Θεφ] 'and (by so doing) to please The kal does not seem either explanatory (Schott 2), or Hebraistic ('vim consilii aut effectus describens,' Storr, cited by Schott), but with its not uncommon consecutive force marks the dpéakew as the result of the περιπατείν; comp. notes on Phil. iv. 12. On the insertion of the following clause, καθώς και περιπατείτε, which we can hardly say is 'vitiose et parum ad rem' (Just.), see critical notes: the terms of the concluding exhortation seem to render an allusion to their present state, if not necessary, yet certainly natural and appropriate. For a sound sermon on this text, see Beveridge, Serm. CXXIII. Vol. v. p. περισσεύητε 347 8Q. μάλλον] 'ye may abound still more,' scil. in your walking and pleasing God. The omission of an οῦτως corresponding to the first $\kappa a \theta \omega s$, and the conclusion of the sentence in terms not wholly symmetrical to what had preceded involve no real difficulty,

μάλλον. 2 οἴδατε γὰρ τίνας παραγγελίας εδώκαμεν ὑμίν διὰ τοῦ Κυρίου Ἰησοῦ. 3 τοῦτο γὰρ εστιν θέλημα τοῦ

and are characteristic of the Apostle's style.

2. οίδατε γάρ] 'For ye know.' Appeal to the memory of the Thess. in confirmation of the foregoing declaration καθώς παρελάβετε, 'quasi dicat, accepisse vos a nobis dico,' Est.; comp. 1 Cor. xv. 1, Gal. iv. 13. τίνας παραγγ.] 'what commands;' not 'evangelii prædicationem,' Pelt,-but, in accordance with the regular meaning of the word and the tenor of the context, 'præcepta,' scil. 'bene sancteque vivendi,' Est., 'vitæ præcepta,' Calv.; comp. Acts v. 28, xvi. 24, 1 Tim. i. 5, 18, and see notes in locc. The emphasis, as Lünem. observes, rests on rivas, and prepares the reader for the following τοῦτο, ver. 3. δια τοῦ Κυρ. 'Ιησ.] 'by the Lord Jesus,' 'per Dominum,' Vulg., Clarom., 'Bairh,' Goth.; not equivalent to ἐν Κυρίφ (Pelt), but correctly designating the Lord as the 'causa medians' through which the mapayγελίαι were declared: they were not the Apostle's own commands, but Christ's (οὐκ ἐμὰ γάρ, φησίν, ἄ παρήγγειλα, άλλ' ἐκείνου ταῦτα, Theoph.), by whose blessed influence he was moved to deliver them; comp. 2 Cor. i. 5, and see Winer, Gr. § 47. i, p. 330 (note). The addition does not, thus, seem designed so much to vindicate the authority of the Apostle (Olsh.), as to enhance the importance of the commands; comp. 1 Cor. vii.

3. τοθτο γάρ κ.τ.λ.] 'For this is the will of God,' 'this that follows, this that I am about to declare to you;' further explanation of the τίνας παραγγελίας, γάρ having here more of its explicative ('quippe hæc,' Schott) than its argumentative force; see

notes on Gal. ii. 6. Τοῦτο is obviously not the predicate (De W.), but the subject, placed somewhat emphatically forward to echo the preceding tivas, and to direct the reader's attention to the noun in apposition that follows. Lünem., Alf. compare Rom. ix. 8, Gal. iii. 7; but the passages are not perfectly analogous, as there the demonstrative pronoun is retrospective, here mainly prospective; comp. notes on Gal. l.c. θέλημα τοῦ Θεοῦ] 'the will of God;' 'id quod Deus vult,' Fritz. Rom. Vol. II. p. 33. The omission of the article (AFG[Lachm.] insert it) is not to be accounted for by the non-distribution of the predicate $\theta \dot{\epsilon} \lambda$. $\tau o \hat{v} \Theta \dot{\epsilon} o \hat{v}$ (Alf.), nor because what follows does not exhaust the conception (Lünem.), but simply on the principle noticed by the Greek grammarians (Apollon. de Synt. 1. 31, p. 64, ed. Bekk.) that 'after verbs substantive or nuncupative,' the article is frequently omitted: see Middleton, Gr. Art. III. 3. 2, p. 43 (ed. Rose), but observe that the rule is by no means so universal as Middl. seems to think; see Winer, When the Gr. § 18. 7, p. 104. subject is a demonstrative pronoun, and the verb omitted (Rom. ix. 8), the exceptions are naturally fewer, as the insertion of the article might often leave it uncertain whether the demonstr. pronoun was intended to be predicative or no; see Stalb. on Plato, Apol. 18. A, and Engelhart on Plato, Lach. § 1. It may be noticed that the useful and common form $\theta \dot{\epsilon} \lambda \eta \mu a$ is appy. confined to the LXX, N. T., and late writers; comp. Lobeck, Phryn. p. 7.

δ άγιασμὸς τηῶν] 'your sanctification', appositional member to the preceding θέλημα τοῦ Θεοῦ, further Θεοῦ, ὁ ἀγιασμὸς ὑμῶν, ἀπέχεσθαι ὑμᾶς ἀπὸ τῆς πορνείας, + εἰδέναι ἕκαστον ὑμῶν τὸ ἐαυτοῦ σκεῦος κτᾶσθαι ἐν

defined both negatively and positively in the following clauses, and more specially exemplified in the subsequent appositional member τὸ μὴ ὑπερβαίνειν, ver. 6. The late substantive ἀγιασμός,—which, as the defining clauses seem to show, has here somewhat of a special meaning (Beng.),—is not equivalent to ἀγιωσύνη (comp. Olsh., Usteri, Lehrb. p. 226, note), but, in accordance with its termination ('action of verb proceeding from subject,' Donalds. Cratyl. § 253), still retains its active force, ὑμῶν being a simple gen. objecti, 'sanctificatio vestri,' i.e. 'ut sanctitati studeatis,' Menoch. ap. Pol. Syn.; comp. Krüger, Sprachl. § 47. 7. I sq., and see note on ch. iii. 13. aπέχεσθαι ύμας κ.τ.λ.] 'to wit, that ye abstain from fornication; explanatory infinitive, defining on the negative side the preceding term & άγιασμός, which otherwise must have been regarded as simply general in its signification; see Krüger, Sprachl. § 57. 10. 6 sq., Winer, Gr. § 44. I, p. 284, and comp. Madvig, Synt. § 153, who, however, has not sufficiently illustrated this not uncommon use of the infinitive. Even Winer (Gr. § 44. 2) seems to regard the present as a subject-inf. in apposition to $\theta \in \lambda \eta \mu a$ τοῦ Θεοῦ (comp. too Syr., Æth.), but appy. with but little plausibility. The insertion (ch. v. 22) or omission of dπd (1 Tim. iv. 3) after the compound dπέχεσθαι involves no real change of meaning (compare Acts xv. 20, 20), but differs at most only thus much,-'ut in priori formula [with dπò] sejunctionis cogitatio ad rem, in posteriore autem ad nos ipsos referatur,' Tittmann, Synon. I. p. 225. The mopvelas] 'Fornication;' abstract,

and perhaps here with a somewhat comprehensive meaning [F and a few mss. insert $\pi d\sigma \eta s$, others, Chrys., Theod., al. (comp. Syr.), substitute it for the art.], 'quicquid est rerum venerearum,' Calv., or more suitably to the present context, 'omnem illicitum concubitum' (comp. Est.). It must be always remembered that the deadly sin of $\pi o \rho \nu \epsilon l a$ in its usual and restricted sense ever formed the subject of special prohibition, as being one of those things which the Gentile world regarded as $d\delta \iota d \phi o \rho a$; see Meyer on A cts xv. 20.

4. elbévai Ekacrov] 'that each one of you know (how) &c.;' explanatory infinitive, defining on the positive side the preceding άγιασμός: so (as far as can be inferred from the collocation of words and form of expression), Copt., Goth., Arm., and, in spite of modern punctuation, Vulg. Alford and others (comp. Clarom. 'abstinere—ut sciat—ut nequis') regard the whole είδέναι-διεμαρτυρά- $\mu\epsilon\theta\alpha$ as a further specification of what immediately precedes; this, however, tends to obscure the distinction between the infinitival clauses with and without the article (see below on ver. 6), and, exegetically considered, has nothing particularly to recommend it. For a similar comprehensive force of eldéval. 800 Phil. iv. 12; δείκνυσι ότι ἀσκήσεως καὶ μαθήσεώς έστι τὸ σωφρονεῖν, Theoph. τὸ ἐαυτοῦ σκεθος κτάσθαι] 'to get himself his own vessel,' Auth.: so too appy. Syr., Copt. (e-chphof naf), Armen. $(sd\bar{a}n\bar{a}l)$;—but, as in these and other languages the ideas of acquisition and possession are expressed by the same word, discrimination is not The meaning of the clause, and especially of the word σκεῦος, has άγιασμῷ καὶ τιμῆ, 5 μὴ ἐν πάθει ἐπιθυμίας καθάπερ καὶ

been much debated. Setting aside all arbitrary and untenable interpretations, we have two explanations of τὸ ἐαυτοῦ σκεῦος; (a) 'his body;' σκεθος τὸ σῶμά φησιν, Theophyl., Œcum.; so Chrysost., Theod. (who notices and rejects the other expl.), Tertull. (de Resurr. 16), Ambrosiast., Olsh., and some modern commentators; (b) 'his wife;' σκεῦος τὴν ίδιαν έκάστου γαμέτην δνομάζει, Theod. Mops., August. contra Jul. IV. 10, or more generally (De W.), his lawful 'copartner and recipient' in fulfilling the divine ordinance (Gen. i. 28),with a reference to the similar use of the Heb. קלי (see the pertinent ex. Megill. Esth. i. 11, 'vas meum quo ego utor,' cited by Schoettg. Hor. Vol. I. p. 727, and most commentt.) and the generally appropriate nature of the trope (see Sohar Levit. xxxviii. 152, cited by Schoettg.): so Aquin., Est., more recently Schott, De W., and appy. the majority of recent expositors. Of these two interpretations (a) is plausible, but open, as Lünem, clearly states, to four objections,-(a) the inaccurate meaning 'possidere' (Vulg.) thus assigned to $\kappa \tau \hat{a} \sigma \theta a \iota$; (β) the absence of any adj. (2 Cor. iv. 7) or defining gen. (Barnab. Epist. 17) which might warrant such a meaning being assigned to $\sigma \kappa \epsilon \hat{v}os$,—unsuccessfully evaded (Olsh.) by the assumption that eautou practically = $\psi v \chi \hat{\eta} s$; (γ) the emphatic position of ἐαυτοῦ (comp. 1 Cor. vii. 2), which is hardly explicable on the supposition of being a mere equivalent of a possess. pronoun; (8) the context, which seems naturally to suggest, not a mere periphrasis of what had preceded, but a statement on the positive and permitted side antithetical to the prohibition on the negative.

These objections are so strong that we can scarcely hesitate in adopting (b), towards which both lexical usage (κτασθαι γυναικα, Ecclus. iv. 4, Xenoph. Symp. II. 10) and exegetical arguments very distinctly converge. While mopvela is prohibited on the negative side, chastity and holiness in respect of the primal ordinance are equally clearly inculcated on the positive. For further details see the elaborate notes of De W., Koch, and Lünem. in loc. άγιασμφ και τιμή] 'in sanctification and honour; ethical element in which τὸ κτᾶσθαι was to take place: the union of man and woman was to be in sanctification and honour, not, as in the case of mopvela, in sin and shame. Here, as the associated abstr. subst. suggests, ἀγιασμῷ passes from its act. into its neutral meaning; comp. notes on ch. iii. 14.

5. μη έν πάθει ἐπιθ.] 'not in the lustfulness of desire;' not in that sinful and morbid state (comp. Cicero, Tusc. Disp. III. 4. 10) in which ἐπιθυμία becomes the ruling and prevailing principle, and the κοίτη ceases to be dμίαντος (Heb. xiii. 4, 5). On the meaning of πάθος, see Suicer, Thesaur. s.v. Vol. II. p. 542, and notes on Col. iii. 5.

καθάπερ και τὰ ξθνη] 'even as the Gentiles also;' the και having here its comparative force, and instituting a comparison between the Gentiles and the class implied in the ξκαστον ὑμῶν; comp. ch. iii. 6, and see notes on Eph. v. 23, where this usage is fully discussed. Alford cites Xenoph. Anab. II. i. 22, και ἡμῶν ταὐτὰ δοκεῖ ἄπερ και βασιλεῖ, but not with complete pertinence, as there the και appears in both clauses, here only in the relative clause; see Klotz, Devar.

τὰ ἔθνη τὰ μὴ εἰδότα τὸν Θεόν, 6 τὸ μὴ ὑπερβαίνειν καὶ πλεονεκτεῖν ἐν τῷ πράγματι τὸν ἀδελφὸν αὐτοῦ, διότι

Vol. II. p. 635. The remark of Fritz. (Rom. Vol. 1. p. 114) on the presence or absence of the article, 'ubi de paganis in universum loquitur, articulum addit; ubi de gentilium parte, eundem omittit,' is substantially correct, but must not be over-pressed: comp. 1 Cor. i. 23 (Lach., Tisch.). τὰ μὴ είδότα τὸν Θεόν] 'which know not God;' who as a class are so characterized, the subjective negation being rightly used both in harmony with the oblique and infinitival character of the preceding clauses, and with the fact that the Gentiles are here not historically described as 'ignorantes Deum' (see on Gal. iv. 8), but only so regarded by the writer; see Winer, Gr. § 55. 5, p. 428 sq. The article is here appropriately added to $\Theta \epsilon \delta \nu$, but this is one of the many words in the N. T. on which no precise rules can be laid down: see Winer, Gr. § 19. 1, p.

6. τὸ μὴ ὑπερβαίνειν] 'that no one go beyond,' 'that there be no going beyond,'-the subject accus. not being ἔκαστον (Alf.), but τινα (comp. Krüger, Sprachl. § 55. 2. 6) supplied from the following autou, and suggested by the general character of the prohibition. The clause is thus not merely parallel to the anarthrous eldévas, but reverts to the preceding dγιασμός, of which it presents a specific exemplification (comp. Krüger, Sprachl. § 50. 6. 3) more immediately suggested by the second part of ver. 4. First, πορνεία is prohibited; then a holy use of its natural remedy affirmatively inculcated; and lastly, the heinous sin of μοιχεία, especially as regarded in its social aspects, formally denounced. So rightly Chrys.

(ένταῦθα περί μοιχείας φησίν άνωτέρω δὲ καὶ περὶ πορνείας πάσης) and after him Theod., Theophyl., Œcum., and the majority of modern commentators. To regard the verse with Calv., Grot., and recently De W., Lünem., Koch, as referring to fraud and covetousness in the affairs of life, is (a) to infringe on the plain meaning of $\tau \hat{\mathbf{\varphi}} \pi \rho d \gamma \mu a \tau i$,—see below; (β) to obscure the ref. to the key-word of the paragraph, $d\kappa a\theta a\rho\sigma la$ ver. 7; (γ) to mar the contextual symmetry of the verses; and, lastly, to introduce an exegesis so frigid and unnatural, as to make us wonder that such good names should be associated with an interpretation so seemingly improύπερβαίνειν καλ πλεονεκτείν] 'go beyond and overreach,' 'supergrediatur et circumveniat,' Vulg., both words associated with the following accus., -and both of them significantly and appositely chosen. Υπερβαίνειν (an ἄπ. λεγόμ. in the N.T.) with an accus. personæ properly signifies a 'passing beyond,' thence derivatively a 'leaving unnoticed,' whether simply (Issaus, 38. 6, 43. 34) or contemptuously (Plutarch, de Amore Prol. § 3; comp. Kypke, Obs. Vol. 11. 337), as appy. Æth. taàhaja [extulit se],—with which perhaps, in the present case, there may be associated a reference to an ὑπέρ-Basis of another, in respect of the δροι appointed by God and by nature; see Chrys, and the Greek commentators, who, however, seem to have taken ὑπερβαίνειν absolutely; comp.

Raphel. Annot. Vol. II. 542. IIAcov-

εκτείν with an accus. personæ properly

signifies 'lucri causa fraudem facere

alicui' (2 Cor. vii. 2, xii. 17), thence with a slightly more general reference

έκδικος Κύριος περί πάντων τούτων, καθώς και προείπαμεν

'circumvenire aliquem' (comp. 2 Cor. ii. 11), 'bifaih(o),' Goth., the idea of selfish and self-seeking fraud rather than mere wrong or injury (comp. Syr., Copt., Arm.) being always involved in the word; see Suicer, Thesaur. s.v. Vol. II. p. 746, and comp. Meyer on 2 Cor. vii. 2. έν τῷ πράγματι] 'in the matter,' Copt. (definitely expressing the art.), and similarly, but too strongly, Syr. الدُوّر ايُون [in hoc negotio]. not exactly ἐν τῆ μίξει, Theoph., Œcum., but more generally, in the matter of which we are now speaking (comp. 2 Cor. vii. 11), which, however, obviously involves reference to deeds of carnality and adultery; see Middleton, Gr. Art. p. 377 (ed. Rose), Green, Gram. p. 156. To regard TO as enclitic (Koppe) is contrary to the language of the N.T., and to assume that $\tau \hat{\varphi} = \pi \rho d \gamma \mu a \tau \iota = \tau o \hat{\iota} s = \pi \rho d \gamma \mu a \sigma \iota \nu$ (De W., comp. Winer, Gr. § 18. 8, p. 105), or that it can imply 'the business in question' (Lünem.), when nothing has preceded sufficient to mark what the $\pi \rho \hat{a} \gamma \mu a$ really is, must respectively on grammatical and logical grounds be pronounced wholly τον άδελφον untenable. αὐτοῦ] 'his brother,'-not merely 'his neighbour' (Schott), but 'his Christian brother,' him, whom so to wrong and defraud is doubly flagitious; άδελφον καλείς και πλεονεκτείς, και έν ofs οὐ χρή, Chrys. διότι έκδικος ὁ Κύρ.] 'because that the Lord is the avenger;' οὐδὲ γὰρ άτιμωρητί ταῦτα πράξομεν, Chrys.; see Eph. v. 6, Col. iii. 6, where similar prohibitions are accompanied by a similar minitatory reason. The term έκδικος, a δls λεγόμ., in the N.T. · (here and Rom. xiii. 4) primarily denotes δ ξξω τοῦ δικαίου ων (Suid. s.v., Zonar., Lex.p. 651), 'lawless,' 'unjust' (comp. Soph. Œd. Col. 917); thence, in later writers, it passes over to the meaning of 'an avenger;' comp. Suid. s.v. 'Ίβυκον (ἴδε αἰ 'Ἰβύκου ξκδικοι), Wisdom xii. 12, Ecclus. xxx. 6. On the still later use in eccl. writers to denote 'Defensores' or 'Syndics' of the church, see Suicer, Thesaur. s.v. Vol. I. p. 1045, Bingham, Antiq. III. 11. 5. On διότι, comp. note and reff. on ch. ii. 8.

περὶ πάντων τούτων] 'concerning, in the matter of, all these things,'—not merely cases of ὑπερβασία and πλεονεξία (Alf.), but, as the comprehensive expression seems to require, all the sins of the flesh previously mentioned; see Chrys., Theoph., Œcum., who, by the inclusive nature of their language, appy. adopt the latter view. As illustrative of the use of ἔκδικος with περί, comp. I Maoc. xiii. 6, ἐκδικήσω περί τοῦ ἔθνους μου.

καθώς και προείπ. κ.τ.λ.] 'as also we before told you and solemnly testified; the first kal being comparative and associated with καθώς (see on ver. 6), the second simply copulative. The $\pi \rho \delta$ appears merely to point to a time prior to the ἐκδίκησις taking place: comp. Gal. v. 21, and notes in loc. On the stronger and more emphatic διαμαρτύρ. (not simply = μαρτύρομαι, Olsh.), see notes on I Tim. v. 21, and on the form elwaner [Griesb. and Scholz elπομεν, with AJK; majority of mss.; Chrys., Theod.], comp. Winer, Gr. § 15, p. 78. In the N.T. the 1st aor. form seems to prevail in the 2nd person (Matth. xxvi. 25, 64, Mark xii. 37, Luke xx. 39, John iv. 17), the other 2nd aor. forms in the other persons, but in the latter instances, esp. in the case of the 3rd υμίν καὶ διεμαρτυράμεθα. 7 οὐ γὰρ ἐκάλεσεν ἡμᾶς ὁ Θεὸς ἐπὶ ἀκαθαρσία ἀλλ' ἐν ἀγιασμῷ. 8 τοιγαροῦν ὁ

pers. pl., there is much difference of reading.

7. οὐ γὰρ κ.τ.λ.] 'For God called us not; proof of the preceding statement διότι $\xi \kappa \delta \iota \kappa \sigma s \kappa . \tau . \lambda .$, derived from the object contemplated in the κλησις. On the act of calling, soil. els την έαυτοῦ βασιλείαν και δόξαν (ch. ii. 13) as specially attributed to God the Father, see notes on Gal. i. 6. ἐπὶ ἀκαθαρσία] 'for uncleanness;' object or purpose for which they were (not) called, the primary meaning of the prep. ('nearness or approximation,' Donalds. Crat. § 172) not being wholly obliterated; see Krüger, Sprachl. § 68. 41. 7, Jelf, Gr. § 634. 3, notes on Gal. v. 13, and exx. in Raphel. Annot. Vol. II. p. 546. ėν άγιασμώ] 'in sanctification;' not 'in sanctificationem,' Vulg., but in

ëν ἀγιασμῷ] 'in sanctification;' not 'in sanctificationem,' Vulg., but in 'sanctificatione,' Clarom.; èν being neither equivalent to εls (Pisc), nor yet used brachylogically, soil. ὅστε εἶναι ἡμᾶς ἐν (Winer, Gr. § 50. 5, p. 370), but simply marking the sphere in which Christians were called to move; see notes on Gal. i. 6, and on Eph. iv. 4, compare Green, Gram. p. 292.

8. τοιγαρούν] 'Wherefore then,' logical conclusion from the preceding verse. The compound particle τοιγαρούν (only here and Heb. xii. I) is not simply synonymous with τοιγάρτοι (Hartung, Partik. s.v. τοί, 3. 5, Vol. I. p. 354) but while differing from the simpler τοιγάρ, 'hâc de causâ igitur' (Klotz), in imparting a more syllogistic and ratiocinative character to the sentence, differs also from τοιγάρτοι, 'qua propter sane,' in having not an affirmative (τοί), but a collective (οῦν) force; see Klotz, Devar. Vol. II. p. 738. δ ἀθετῶν] 'the despiser,' 'the re-

jecter;' substantival use of the present participle; see Winer, Gr. § 45. 7, p. 316, and Middleton, Gr. Art. p. 159. Any definite insertions after dθετών, e.g. Vulg. (Amit.) 'hæc,' Arm. ὑμᾶs, Beza 'hæc, scil. præcepta,' are wholly unnecessary. It is clear that the commands recently given must form the objects of the dθέτησις; these, however, the Apostle does not specify, his object being to call attention not so much to what is set at nought as to the person who does so, and the personal risk that he incurs. On the verb dθετεῦν, used in the N.T., both with persons (Mark vi. 26, Luke x. 16, John xii. 28) and things (Mark vii. 9, Gal. iii. 15, al.), comp. notes on Gal. ii. 21. ούκ ἄνθρωπον к.т. \lambda.] 'rejecteth not man but God,' not one whom it might be thought in some degree excusable to despise.but, τὸν Θεόν. The antithesis οὐκdλλά is thus not to be explained away, 'non tam hominem quam Deum,' Est., but retained with its usual and proper force, 'non hominem sed Deum,' Vulg.; see esp. Winer, Gr. § 55. 8, p. 439 sq. (ed. 6), and notes on Eph. vi. 12. On the exact difference between this formula ('ubi prior notio tota tollitur, et in ejus locum posterior notio substituitur'), οὐ μόνον—dλλd, and οὐ μόνον —dλλά καί, see Kühner on Xenoph. Mem. II. 6. 2, comp. also notes on ch. i. 8. The omission of the article before ανθρωπον, 'a man,' 'any man,' —with a latent ref. not to τον πλεονεκτηθέντα (Œcum.), but to the Apostle, -and its insertion before Θεόν (almost 'ipsum Deum'), though not capable of being conveyed in translation, must not be overlooked. τὸν καὶ δόντα] ' who also gave;' who

άθετων οὐκ ἄνθρωπον άθετει άλλα τὸν Θεὸν τὸν καὶ δόντα τὸ Πνεῦμα αὐτοῦ τὸ ἄγιον εἰς ὑμᾶς.

On brotherly love I 9 $\Pi \epsilon \rho i$ de $\tau \hat{\eta}_s$ $\phi i \lambda a \delta \epsilon \lambda \phi i a_s$ or $\chi \rho \epsilon i a \nu$ beseech you to be quiet, industrious, and orderly.

in addition to having called us èv $\dot{a}\gamma \iota a\sigma \mu \hat{\varphi}$, has also been pleased to furnish us with the blessed means of realizing it; comp. Reuss, Théol. Chrét. IV. 15, Vol. II. p. 150. The only difficulty is the reading: καί is omitted by Lachm. with ABD *** E; 10 mss.; Clarom., Sangerm., Goth., al.; Athan., Did., Chrys., Theod. (ms.), Theoph., al.,-but, as the insertion is well supported [D*FG JK; great majority of mss.; Boern., Syr. (Philox.), al.; Clem., Theod., Dam., Œcum.], and far less easy to be accounted for than the omission, we retain kal with Rec., Tisch. ed. 2, Alf., and the bulk of recent editors. It is much more difficult to decide between δόντα [Rec., Tisch. ed. 2, with AJK: great majority of mss.; appy. all Vv.; Clem., Chrysost., Theod.] and διδόντα [Lachm. with BDEFG; 10 mss.; Ath., Did.]. The latter deserves great consideration as having such strong uncial authority, still as it does certainly seem probable that the correction might have arisen from a desire to represent that the gift of the Spirit was still going on (comp. Luke xi. 13), and as δόντα has fair external support, we retain (with Tisch.) the aorist participle. αὐτοῦ τὸ Πν. τὸ ἄγιον Not without great emphasis and solemnity (comp.

atrov vò IIv. vò tyuv] Not without great emphasis and solemnity (comp. Eph. iv. 3),—His Holy Spirit, the blessed Spirit which proceeds from Him (see notes on Phil. i. 19), whose attribute is holiness, and whose office especially 'consists in the sanctifying of the servants of God,' Pearson, Creed, Vol. I. p. 387 (ed. Burt.). To dilute this distinct personal expression

into 'the gift of spiritual insight, &c.' (Olsh.), is by no means satisfactory; see notes on Gal. iv. 6.

see notes on Gal. 1v. 0.

Lets upage 'unto you,' not merely equivalent to a transmissive dative, nor yet with any idea of diffusion (Alf.,—see notes on ch. ii. 6), but, with the usual and proper meaning of local direction, 'in vos,' Clarom., Copt. (ekhrei): they were the objects to whom that blessed gift was directed; comp. Gal. iv. 6. The reading of Rec. \(\eta\tilde{\pu}\alpha\tilde{\psi}\) has but weak external support [A; Vulg., Syr. (Philox.), \(\tilde{\psi}\)th. (Pol., but not Platt); Chrys., al.], and on internal grounds is not free from some suspicion.

9. TEPL SE K.T. A.] 'Now concerning &c.;' transition by means of the δὲ μεταβατικόν to a fresh exhortation. On this force of $\delta \epsilon$, see notes on Gal. iii. 8. φιλαδελφίας] 'brotherly love,' love to their fellow Christians; Rom. xii. 10, Heb. xiii. 1, 1 Pet. i. 22, 2 Pet. i. 7, comp. 1 Pet. iii. 8. This love was to be no passive virtue, but, as verse 10 suggests, was to display itself in acts of liberality and benevolence towards their poorer and suffering brethren: so Theod., though perhaps a little too definitely, φιλαδελφίαν ένταῦθα την τῶν χρημάτων φιλοτιμίαν έκάλεσεν. It is unnecessary to exclude wholly a reference to a love $\epsilon ls \pi d\nu \tau as$ (Theoph.): the Christian άδελφοί were the primary objects (comp. 1 Pet. iii. 8, where φιλαδελφία is distinguished from, and prevenient to the general $d\gamma d\pi \eta$), but the great brotherhood of mankind was still not to be forgotten; comp. Gal. vi. 10. ού χρείαν έχετε γράφειν ύμιν] 'ye have no need

έχετε γράφειν ύμιν αὐτοὶ γὰρ ίμεις θεοδίδακτοί ἐστε εἰς τὸ ἀγαπᾶν ἀλλήλους το καὶ γὰρ ποιείτε αὐτὸ εἰς πάντας τους άδελφους τους έν δλη τη Μακεδονία. παρακαλουμεν

that I write to you; rhetorical turn, of teaching (οὐ δεῖσθε φησί, παρὰ technically termed 'præteritio,' or ἀνθρώπου μαθείν, Chrys., comp. Olsh.), παράλειψις, in which what might be but with the principal emphasis on said is partly suppressed, to conciliate the fact of their being already taught, a more loving acceptance of the and only a subordinate emphasis on implied command; κατά παράλειψιν the source of the teaching. The chief moment of thought, as Lünem. δέ την παραίνεσιν τίθησι, δυό ταῦτα κατασκευάζων εν μέν ότι ούτως άναγwell observes, rests on the second, καίον το πράγμα ώς μηδε διδασκάλου and not on the first half of the comδείσθαι έτερον δέ μάλλον αὐτούς ένpound verbal θεοδίδακτοι. The form itself is an ἄπαξ λεγόμ. in the N.T.; τρέπει, διεγείρων ζυα μή δεύτεροι έλθωσι της ύπολήψεως ήν έχει περί comp. however John vi. 45, διδακτοί αύτων, νομίζων αύτούς ήδη κατωρθωκέναι, Theoph. On this rhetorical form, see notes on Philem. 19, and Wilke, N.T. Rhetorik, p. 365. The reading is scarcely doubtful: Lachm. indeed adopts Exomer with D*FG; 6 mss.; Vulg., Clarom., Goth., Syr. (Philox.); Chrys., Theoph., but the external authority is not sufficiently strong, and the probability of a correction to obviate the difficulty of construction very great. γράφειν] 'that I write.' The objectinf. has here practically the sense of a passive (comp. ch. v. 1), but differs from it in suggesting the supplement of some accusative, - 'that I or any one should write to you;' see Winer, Gr. § 44. 8. 1, p. 303, Jelf, Gr. § 667. 3. To deny this on the ground that the context precludes an indefinite reference, and practically limits the supplied accus. to the Apostle (Lünem.), seems distinctly hypercritical, and is rightly rejected by Alford in loc. autol yap unele] 'for you yourselves;'

not 'vos ipsi sponte,' Schott, but

'yourselves,'-in sharp contrast to the subject involved in the infinitive;

θεοδίδακτοι] 'taught of God,'-not in

marked opposition to any other form

comp. 1 John ii. 20.

τοῦ Θεοῦ, and add Barnab. Epist. 21, γίνεσθε δε θεοδίδακτοι, εκζητούντες, τί ζητεί Κύριος ἀφ' ὑμῶν. els το άγαπαν άλληλους] 'to love one another,' 'ut diligatis invicem,' Vulg.; practical tendency and purpose of the διδαχή, with perhaps an included reference to the purport and subject of it; see notes on ch. 10. και γάρ κ.τ.λ.] 'for indeed ye do it; confirmatory explanation of the preceding clause; γàρ introducing the historical fact on which the confirmation rested (οίδα ἀφ' ὧν ποιείτε, Theoph.), kal enhancing the moietre, and putting it in gentle contrast with the θεοδίδακτοί έστε. Thus neither the kal nor the yap (Syr., Æth. Pol., -but not Syr. Philox., and Æth. Platt) is otiose: both fully retain their proper force (Copt., Goth., Arm.), their association being due to the early position which γάρ regularly assumes in the sentence; see notes and reff. on Phil. ii. 27, and comp. Winer, Gr. § 53. 8. b, p. 397.

αὐτό] 'it,' scil. τὸ ἀγαπῶν ἀλλήλους

(Lünem., Alf.), not τὸ τῆς φιλαδελφίας (Koch), a reference needlessly

άδελφ.] 'toward all the brethren;'

remote.

είς πάντας τούς

δε ύμας, αδελφοί, περισσεύειν μαλλον, 11 καὶ φιλοτιμεῖσθαι ἡσυχάζειν καὶ πράσσειν τὰ ίδια καὶ εργάζεσθαι

direction and destination of the action; not, observe, with any marked universality, els πάντας τούς άγlous, but,--εls πάντας τούς άδ. τούς έν δλη τη Μακεδ., the last definition fairly justifying the remark of Lünem. (opp. to Baur, Paulus, p. 484), that there is no reason for assuming any longer period between the conversion of the Thessalonians and the time of writing the Epistle (14 or 2 years) than is assumed in the ordinary chronology. The arguments of Baur, according to which this beautiful and most genuine Ep. is to be considered a 'matte Nachbild' of I Cor., have been recently reiterated in Zeller, Theol. Jahrb. for 1855, p. 151, but (it is not too much to say) without even-The second and plausibility. definitive robs (Winer, Gr. § 20. I, p. 119) is omitted by Lachm. with AD*FG; Chrys. (ms.), but appy. rightly retained by Tisch. with B(e sil) D***EJK; nearly all mss.; many Ff.

παρακαλούμεν δέ] 'but we beseech you;' continuation of the implied command in ver. 9 in a slightly antithetical form; not only is the duty of φιλαδελφία tacitly and delicately inculcated, but an expansion in the form of general $d\gamma d\pi n$, and especially an increase therein form the direct subjects of hortatory entreaty. On the pres. infin. after παρακαλώ, which is here rightly used as marking the continuance and permanence of the act, see Winer, Gr. § 44. 7, p. 298, but observe that the use of the pres. inf. or aor. inf. after commands, &c., depends much on the peculiarity of the writer, and the subjective aspects under which the command was contemplated; comp. Bernhardy, Synt.

x. 9, p. 383, and the good note and distinctions of Mätzner on Antiphon, p. 153 sq.

II. Kal pilotipelobai K.T.l.] 'and to study, &c.;' exhortation in close grammatical, though somewhat more lax logical connexion with what immediately precedes. The close union of these appy. different subjects of exhortation has been variously explained. On the whole, it seems most natural to suppose that their liberality involved some elements of a restless, meddling, and practically idle spirit, that exposed them to the comments of oi έξω. It is perhaps not wholly improbable that mistaken expectations in respect of the day of the Lord had led them into a neglect of their regular duties and occupations, and was marring a liberality, of which the true essence was έργαζόμενοι έτέροις παρέχειν, Chrys.

φιλοτιμείσθαι ήσυχάζειν] 'make it your aim to be quiet,' 'et operam detis ut quieti sitis,' Vulg. (sim. Clarom.). 'biarbaidjan anaqal,' Goth. It is somewhat doubtful whether (a) the primary meaning of φιλοτιμ., 'gloriæ cupiditate accensum aliquid facere' (compare Copt., Æth. Pol.), or (b) the secondary meaning, 'magno studio anniti,' 'operam dare' (Vulg., Clarom., Syr., Goth., Arm.) is here to be adopted. As both meanings rest on good lexical authority (comp. Xenoph. Mem. 11. 9. 3, with Œcon. IV. 24, in which latter passage φιλοτιμι is associated with μελεταν). the context will be our safest guide. Of the three passages in which it is used in the N.T., Rom. xv. 20, 2 Cor. v. 9, and h.l., the first alone seems to require (a); comp. Fritz. Rom. Vol. HI. p. 277, and even Meyer, on 2 Cor.

ταις χερσιν ύμων, καθώς ύμιν παρηγγείλαμεν, 12 ίνα περιπατήτε εύσχημόνως πρός τους έξω και μηδενός χρείαν έχητε.

l.c., who, while affecting to retain (a), translates in accordance with (b), beeifern wir uns u.s.w.' In all, perhaps, some idea of $\tau l \mu \eta$ may be recognised, but in 2 Cor. l.c. and here that meaning recedes into the background; see the numerous exx. in Wetst. Vol. II. p. 94, 95, and Kypke, Obs. Vol. II. p. 189. To consider $\phi \iota \lambda \sigma \tau$. an independent inf. (Copt., Theophyl. I; comp. Theod., Calv.) seems very unsatisfactory.

hσυχάζεν marks the sedate and tranquil spirit (comp. I Tim. ii. 2), which stands in contrast to the excited and unquiet bustle (περιεργάζεσθαι, 2 Thess. iii. II) that often marks ill-defined or mistaken religious expectation; see esp. 2 Thess. iii. II, I2, which forms an instructive parallel to the present exhortations.

mpdoresy τὰ tôια] 'to do your own business,' 'to confine yourselves to the sphere of your own proper duties.' The correct formula according to Phrynichus is τὰ ἐμαυτοῦ κ.τ.λ. πράττευ, οτ τὰ tôια ἐμαυτοῦ κ.τ.λ. πράττευ; see exx. collected by Lobeck, p. 441, and Kypke, Obs. Vol. II. p. 338. The form tδιοπραγεῖν occurs in Polyb. (Hist. VIII. 28. 9) and later writers. ἐργάζ. ταις χερσίν ὑμῶν] 'work with your hands,' i.e., 'follow your earthly

441, and Kype, coe. Vol. 11. P. 330. The form lδιοπραγείν occurs in Polyb. (Hist. VIII. 28. 9) and later writers. λργάζ. ταξε χερσιν ὑμῶν] 'work with your hands,' i.e., 'follow your earthly callings,' which, as the words imply, were those of handcraftsmen and artificers; 'ad populum scribit, in quo plurimorum est ea que manibus fiunt opera exercere,' Est. The numbers engaged in mercantile and industrial callings at Thessalonica are alluded to by Tafel, Hist. Thessal. p. 9. The inserted lδlaus [Rec. with AD***JK; mss.; Theod., Dam.] is rightly struck out by Lachm., Tisch.,

and most modern editors, on the preponderant authority of BD*E (!) EG; 10 mss.; appy. all Vv.; Bas., Chrys., Theoph., and Latin Ff.

καθὸς όμεν παρηγγ.] 'according as we commanded you,' soil. when personally present with you; with reference not merely to the last, but to all the preceding clauses. The very first publication of Christianity in Thessal. seems to have been attended with some manifestations of restlessness and feverish expectation.

12. Eva mepinar. eboxyphovos] 'in order that ye may walk seemly,' Rom. xiii. 13, 1 Cor. xiv. 40; purpose of the foregoing παράκλησις, the present member referring mainly to ἡσυχάζειν καὶ πράσσειν τὰ ίδια, the following to έργαζ, ταις χερσίν ύμων. The adverb εύσχημ. (associated with κατά τάξιν 1 Cor. l.c.) stands in partial contrast to draktws, 2 Thess. iii, 6 (Lünem.): the general idea, however, of that decent gravity and seemly deportment (εὐλαβῶs σεμνῶs, Zonar. s. v.), which should ever be the characteristic of the true Christian, ought not to be On the use of meoimately excluded. as commonly implying the 'agendi vivendique rationem quam quis continenter et ex animo sequitur,' see Winer, Comment. on Eph. iv. I, p. 5 (cited by Koch) Fritz, Rom. xiii. 13, Vol. III. p. 140 sq. Suicer, Thesaur. s.v. Vol. II. p. 679, and comp. notes on Phil. iii. 18. πρόε Tous toward them that are without;' woods pointing to the social relation in which they were to stand, or the general demeanour they were to assume toward those who were not Christians. On this use of $\pi \rho \delta s$, in which its primary meaning of ethical

Do not grieve for those that sleep. We shall not anticipate them, but at the last trump they will be raised, and we translated.

direction is still apparent, see reff. in notes on Col. iv. 5, where the same expression occurs. Ol έξω is the regular designation of those who were not Christians; see I Cor. v. 12, 13, Col. l.c., and notes on I Tim. iii. 7. μηδενός χρείαν έχ.] 'have need of no man;' the contrast being ἐπαιτεῖν καὶ ἐτέρων δεῖσθαι, Chrys., comp. Theod. It is somewhat doubtful whether μηδενδs is here to be regarded as masc. with Syr., Vulg., Æth., and the Greek commentt., or neuter with Copt. (appy.; Goth., Clarom. uncertain) and several modern commentators. On the whole, the masc. seems most in accordance with the context; they were not by the neglect of their proper occupations to live dependent upon others, whether heathens or (more probably) fellow Christians; comp. Chrys., Theod. The argument of Lünem., repeated by Alf., 'that to stand in need of no man is for man an impossibility,' is not of much weight, as the general statement will naturally receive its proper limitations from the context.

13. οὐ θέλομεν δὲ κ.τ.λ.] ' Now we would not have you to be ignorant: transition by means of the δὲ μεταβατικόν (Hartung, Partik. Vol. 1. p. 165, notes on Gal. iii. 8), and the impressive οὐ θέλομεν ὑμᾶς ἀγνοεῖν (Rom. i. 13, xi. 25, 1 Cor. x. 1, xii. 1, 2 Cor. i. 8) to a new and important subject, the state of the departed. Most modern expositors seem rightly to coincide in the opinion that in the infant church of Thessalonica, there had prevailed, appy. from the very first, a feverish anxiety about the state of those who had departed, and about the time and circumstances of the Lord's coming. They seem especially to have feared that those of their brethren who had fallen on sleep before the expected advent of the Lord would not participate in its blessings and glories (ver. 15). Thus their apprehensions did not so much relate to the resurrection generally (Chrys., Theod., Theoph.), as to the share which the departed were to have in the παρουσία τοῦ Κυρίου; see Hofmann, Schriftb. Vol. II. 2, p. 596, comp. Wieseler, Chronol. p. 249. The reading $\theta \hat{\epsilon} \lambda o \mu \hat{\epsilon} \nu [Rec. \theta \hat{\epsilon} \lambda \omega]$ has the support of all the MSS, and the majority of the mss., the bulk of Vv. and Ff., and is rightly adopted by Lachm., Tisch., and all modern περί τῶν κοιμωμένων] 'concerning those that are sleeping;' i.e. those that are dead, according to the significant synonym found not only in Scripture (I Kings ii. 10. John xi. 11. Acts vii. 60. 1 Cor. xi. 30, al.) but in Pagan writers (Callim. Fragm. x. 1), yet here, as the following verses clearly show, to be specially restricted to the Christian dead; comp. ol νεκροί έν Χριστώ, ver. 16, and see Suicer, Thesaur. s.v. Vol. II. p. 121. All special doctrinal deductions, however, from this general term (Weizel, Stud. u. Krit. 1836, p. 916 sq., comp. Reuss, Théol. Chrét. IV. 21, Vol. II. p. 239) must be regarded as extremely precarious, especially those that favour the idea of a ψυχοπαννυχία in the intermediate state; see esp. Bull, Serm. III. p. 41 (Oxf. 1844), Delitzsch, Bibl. Psychol. VI. 4, p. 360 sq., Zeller, Theol. Jahrb. for 1847, p. 390-409, and a long and careful article by West, Stud. u. Krit. for 1858, esp. p. 278, 290; comp. also Burnet, State of Departed, ch. III. p. 49 sq. (Transl.), and notes on Phil. i. 23. Death is rightly called sleep as involving the ideas of φοί, περὶ τῶν κοιμωμένων, ἵνα μὴ λυπῆσθε καθώς καὶ οἰ λοιποὶ οἱ μὴ ἔχοντες ἐλπίδα. 14 εἰ γὰρ πιστεύομεν ὅτι

continued existence (Chrys.), repose, and exphyopous (Theod.); comp. Theophyl. on John xi. 11, and the eloquent sermon of Manning, Serm. XXI. Vol. I. p. 308 sq. The reading is doubtful: Rec., with DEFG (KEKOLμηνων) JK; mss.; many Ff., reads κεκοιμημένων, —a form well supported, but not improbably a conformation to Matth. xxvii. 52, I Cor. xv. 20. We retain, therefore, the less usual κοιμωμένων with AB; many mss.; Orig., Chrys. (1 ms.), Dam. (Lachm., Tisch.). **[γα μή λυπήσθε]** 'that ye sorrow not:' purpose and object of the οὐ θέλομεν ὑμᾶς ἀγνοεῖν. The $\lambda i \pi \eta$ in this particular case was called out not merely by the feeling of having lost their departed brethren, but by anxieties in regard to their participation in Christ's Advent.

καθώς και οί λοιποί] 'even as the rest also,' scil. λυποῦνται. The καθώς does not introduce any comparison between the sorrow of Christians and that of ol howol, as if a certain amount of sorrow was permissible (οὐ παντελώς κωλύει την λύπην, άλλα την αμετρίαν ἐκβάλλει, Theod.), but simply contrasts with Christians those in whom λύπη might naturally find a place, of μη έχοντες έλπίδα. Christians, as the antithesis implies, were not to mourn at all; σὸ δὲ ὁ προσδοκῶν ανάστασιν, τίνος ξνεκεν όδύρη, Chrys. The ol λοιποί (Eph. ii. 3) obviously includes all, whether sceptical Jews or unenlightened heathen (Chrys.), who had no sure hope in any future resurrection. On the use of ral with adverbs of comparison, see notes on Eph. v. 23. οί μή έχοντες iλπίδα] 'who have no hope,' who form a class that is so characterized; comp. notes on ver. 5, and Winer, Gr. § 55.

5, p. 428 sq., but observe also that the comparative member is under the vinculum of the Iva. The hope here alluded to is obviously in reference to the resurrection; τίνος έλπίδα; ἀναστάσεως. οι γάρ μη έχοντες έλπίδα άναστάσεως οδτοι όφείλουσι πενθείν, The true hopelessness of Theoph. the old heathen world finds its saddest expression in Æsch. Eumen. 638, άπαξ θανόντος ούτις ἐστ' ἀνάστασις; see more in Lünem, and Jowett, and in answer to the quotation of the latter from the O.T., the pertinent remarks of Alford in loc.

14. et γάρ πιστεύομεν] 'For if we believe;' reason for the purpose expressed in the preceding verse, Iva μη λυπησθε κ.τ.λ., based on the fundamental truth that as Christ the Head died and rose again, even so shall all the members of His body; comp. Pearson, Creed, Art. XI. Vol. I. p. 450 (ed. Burt.), Jackson, Creed, XI. 16. 8 sq. The el here obviously involves no element of doubt, but is simply logical ('el particula est plane logica,' Herm. Viger, No. 312), and virtually assertory; comp. notes on Phil. i. 22, and on Col. iii. I.

άπέθανε και ἀνέστη] 'died and rose again;' the two foundations of Christian faith united in one enunciation. It is noticeable that the Apostle here, as always, uses the direct term dπέθανε in reference to our Lord, to obviate all possible misconception: in reference to the faithful he appropriately uses the consolatory term κοιμάσθαι; see esp. Theod. in loc. ούτως κ.τ.λ.] 'so also shall God.'

slightly inexact apodosis: the rigidly correct sequel would be και πιστεύειν δεί, ὅτι κ.τ.λ. (Lünem., Jowett), or some similar formula. The οῦτως is

Ίησοῦς ἀπέθανεν καὶ ἀνέστη, οὕτως καὶ ὁ Θεὸς τοὺς κοιμηθέντας διὰ τοῦ Ἰησοῦ ἄξει σὺν αὐτῷ. ¹⁵ τοῦτο γὰρ ὑμῖν λέγομεν ἐν λόγφ Κυρίου, ὅτι ἡμεῖς οἱ ζῶντες οἱ

not pleonastic (Olsh.) but, as Lünem. correctly observes, marks the complete accordance of the lot of Christians with that voluntarily assumed by their Lord, while the kal serves to enhance and to give force to the comparison; see Winer, Gr. § 60. 5, p. 478, and on this use of kal after relative or demonstrative particles, Klotz, Devar. Vol. II. p. 636. TOÙS κοιμηθέντας διά τοθ 'Ιησ.] 'those laid to sleep through Jesus;' certainly not equiv. to ev 'Iησ. (Jowett), but, with the usual and proper force of the prep., those who through His mediation are now rightly accounted as 'sleeping.' It must remain to the last an open question whether διά τοῦ Ἰησ. is to be connected (a) with the finite verb age, or (b) with the participle. Chrysost. and the Greek commentators (silet Theod.) admit both, but prefer the latter: modern writers mainly the former. There is confessedly a difficulty in (b) which the exx. adduced by Alf. scarcely tend to diminish; for the meaning τη πίστει τοῦ Ἰησοῦ κοιμηθ. (Chrys.), or the more exact meaning advocated above, is but in lax parallelism with είρηνην έχειν δι' αὐτοῦ (Rom. v. 1), καυχᾶσθαι δι' αὐτοῦ (Rom. v. 11), al. Still the negative arguments against (a), —viz., (t) that thus afer would have two participial members, (2) that the natural emphasis would then suggest the order διά τοῦ Ίησ. τοὺς κοιμηθ., (3) that the sentence would thus be harsh (De W.) and awkward in the extremeseem so unanswerable, that with the earlier interpreters, Æth., and (as the rigid preservation of the order seems to hint) the remaining Vv., we adopt

the more simple and logical connexion κοιμηθέντας δι' αὐτοῦ. The two contrasted subjects 'Ιησοῦς and κοιμηθέντας διὰ τοῦ 'Ιησοῦ thus stand in clear and illustrative antithesis, and the fundamental declaration of the sentence άξει σὺν αὐτῷ, remains distinct and prominent, undiluted by any addititious clause.

any administrous clause.

After σ'ν αὐτῷ] 'will bring with Him.'
The more natural word would have been ἐγερεῖ (comp. 2 Cor. iv. 14), but the Apostle probably uses the more significant ἀξει, as marking that blessed association of departed Christians with their Lord at His παρουσία, in which the Thess. feared their sleeping brethren would have no part; see above on ver. 13.

15. τουτο γαρ λέγομεν] 'for this we say;' confirmation, not (by an 'actiologia duplex') of the foregoing ίνα μη $\lambda \nu \pi \hat{\eta} \sigma \theta \epsilon$ (Koch), but of the words immediately preceding. The relation of the faithful living to the faithful departed is explained, first negatively in this verse, then positively in ver. 16, 17. έν λόγφ Kuplou] 'in the word of the Lord,' in coincidence with a declaration received directly from Him, 'quasi Eo ipso loquente,' Beza. The prep. is here neither equivalent to κατά (Zanch.) nor to did (Auth., comp. De W.), but has appy. its usual and prevalent meaning 'in the sphere of :' the declaration was couched in language of the Lord Himself, and gained all its force from coincidence with His words; see Winer Gr. § 48. a, p. 345, who, however, by comparing I Cor. 7, λαλοῦμεν ἐν μυστηρίω, I Cor. xiv. 6, λαλήσω έν αποκαλύψει, gives èv more of a reference to the

περιλειπόμενοι είς την παρουσίαν τοῦ Κυρίου οὐ μη

form or nature of the revelation than seems fully in accordance with the context. The meaning is simply, 'edicit me interprete Dominus,' Fritz. Rom. Vol. III. p. 34; compare בְּרָבּר I Kings xx. 35.

This revelation is certainly not to be referred to Matth. xxiv. 31 (Schott I. comp. Usteri, Lehrb. II. 2, B. p. 325), nor to any traditional 'effatum Christi,' (Schott 2, and appy. Jowett), but was directly received by the Apostle from the Lord himself; οὐκ ἀφ' ἐαυτῶν, άλλα παρά του Χριστου μαθόντες λέγομεν, Chrys.; see Gal. i. 12, ii. 2, Eph. iii. 3, and comp. 2 Cor. xii. I. With these passages before us can we say with Jowett, that 'St. Paul nowhere speaks of any special truths or doctrines as imparted to himself?' The language of Usteri, l. c. is equally unsatisfactory; not so that of De W. in loc. ήμεις οί ζωντες κ. τ. λ.] 'we the living who are remaining.' The deduction from these words, -that St. Paul himself expected to be then alive, as Lünem., Koch, and the majority of German commentt., must fairly be pronounced more than doubtful. Without giving any undue latitude to ημείς (ού περί ἐαυτοῦ φησί» άλλά τούς πιστούς λέγει, Chrys.), to fûrtes (fûrtas tàs ψυχάς, κοιμηθέντας δὲ τὰ σώματα λέγει, Method. de Resurr. ap. Œcum.), or to περιλειπόμενοι ('præsens loco futuri, more Hebraico,' Calv., 'superstites,' Bretsch.), it seems just and correct to say that περιλειπόμενοι is simply and purely present, and that St. Paul is to be understood as classing himself with 'those who are being left on earth,' (comp. Acts ii. 47), without being conceived to imply that he had any precise or definite expectations as to his own case. At the time of

writing these words he was one of the $\zeta \hat{\omega} \nu au \epsilon s$ and $\pi \epsilon
ho \iota \lambda \epsilon \iota \pi \delta \mu \epsilon
u o \iota$, and as such he distinguishes himself and them from the κοιμηθέντες, and naturally identifies himself with the class to which he then belonged. It does not seem improper to admit that in their ignorance of the day of the Lord (Mark xiii. 32) the Apostles might have imagined that He who was coming would come speedily, but it does seem incautious to ascribe to inspired men definite expectations, since proved to be unfounded, when the context, calmly weighed and accurately interpreted, supplies no certain elements for such startling deductions; see notes on I Tim. vi. 14. On the verb περιλείπεσθαι see notes ver. 17. φθάσωμεν] 'shall not prevent,' Auth. i. e. shall not arrive into the presence of the Lord, and share the blessings and glories of His advent, before others. The verb φθάνειν (Hesych. προήκειν, προλαμβάνειν) has here its regular meaning of 'prævenire,' involving the idea of a priority in respect of time, and thence, derivatively, of privilege; ουτω, φησίν, όξέως καὶ ταχέως καὶ ἐν ἀκαρεῖ οἱ τετελευτηκότες άπαντες άναστήσονται, ώς τούς έτι κατ έκείνον τον καιρον περίοντας προλαβείν, καί προαπαντήσαι τῷ σωτήρι τῶν ὅλων, Theod. On the strengthened negation où $\mu \dot{\eta}$ with the aor. subj. see Winer, Gr. § 56. 3, p. 450; and observe that the usually recognised distinction between these particles with the fut. and with the aor. (Hermann, on Soph. Æd. Col. 853) must not be pressed in the N. T. (opp. to Koch), the prevalence of ov $\mu\eta$ with the subj. being much too decided to justify a rigorous application of the rule; see notes on Gal. iv. 30.

φθάσωμεν τοὺς κοιμηθέντας, 16 ὅτι αὐτὸς ὁ Κύριος ἐν κελεύσματι, ἐν φωνῆ ἀρχαγγέλου καὶ ἐν σάλπιγγι Θεοῦ

16. 8m] 'because,' 2 440 [propterea quod] Syr., 'quia,' Clarom. 'quoniam,' Vulg., 'unte,' Goth., sim. Æth. (Platt, Pol. omits), Arm.; reason for the declaration immediately preceding, derived from the circumstances of detail. To regard on as 'that,' (Koch), and as dependent on the preceding τοῦτο ὑμῶν λέγομεν (ver. 15), mars the logical evolution of the passage, and is opposed to the opinion of the Greek expositors (γάρ, Theod., Theoph.) and, as is shown above, of the best ancient Versions. ο εότυρ Κύριος] 'the Lord Himself;' obviously not 'He the Lord' (De W.), nor yet 'Himself,' with ref. to his glorified body (Olsh.), but simply with ref. to His own august personal presence, αὐτὸς γάρ πρώτος τών δλων ό Κύριος έκ των ούρανων επιφανήσεται κατιών, Theod. er kelevopati] 'with a shout of command,' 'in jussu,' Vulg., Clarom., Goth., sim. Copt. [ouah-sahni], Syr., Arm. The word κέλευσμα (sometimes, though doubtfully κέλευμα, Lobeck, Soph. Ajax, 704, p. 323), an äπ. λεγόμ. in the N.T., occurs frequently in classical Greek in reference to the command or signal given by a general (admiral, or captain of rowers, Thucyd. II. 92), the encouraging shout of the charioteer, (Plato, Phædr. 253 D) or the huntsman (Xenoph. Cyneget. VI. 20), or more technically the cry of the κελεύστης to the rowers (Eurip. Iph. T. 1374), but in most cases with some ref. more or less distinct to the prevailing meaning of the verb: comp. Prov. xxx. 27, (ch. xxiv. LXX), στρατεύει άφ' ένδς κελεύσματος εὐτάκτως, and Philo, de Præm. § 19, Vol. II. p. 427 (ed. Mang.), ἀνθρώπους άπωκισμένους ραδίως αν ένι κελεύσματι συναγάγοι Θεός. To whom the κέλευσμα is to be referred is somewhat doubtful. The Greek expositors (Chrys. ?) seem to refer it directly to Christ; it appears, however, more plausible to refer it directly to the άρχάγγελος, as Christ's minister, and to regard it as a general expression of what is afterwards more distinctly specified by the substantives which follow. The purport of the κέλευσμα it is idle to guess at: it may perhaps be έγείρεσθε, ήλθεν ὁ νυμφίος (Chrys. I.), or more naturally, ἀναστῶσιν οἱ νεκροί (Chrys. 2, Theod.), or perhaps, still more probably, with a strict preservation of the current use of the word, the shout of command of the Archangel to the attendant angelical hosts. έτοίμους ποιείτε πάντας, πάρεστι γάρ ὁ κριτής, Chrys. 3; comp. Matth. xiii. On the use of èv to 4I. denote the concomitant circumstances (Arm. uses its 'instrumental' case). see notes on Col. ii. 7, iv. 2. Though with the Aramaic an in our memory it is not always desirable to over-press èv, yet in the present case, it may be used, as serving to hint at the kardβασις taking place during the κέλευσμα, in the sphere of its occurrence; comp. notes on ch. ii. 3. φωνή άρχαγγέλου] 'with the voice of the Archangel; more specific explanation of the circumstances and concomitants. Το refer the άρχαγγ. to Christ (Olsh.), or the Holy Spirit (see in Wolf), is obviously untenable: the term is a δls λεγόμ. (Jude 9,) in the N. T., and designates a leader of the angelical hosts by whom the Lord shall be attended on His second coming; compare Matth. xxiv. 31, xxv. 31, 2 Thess. i. 7. With regard to the oblique references of some of καταβήσεται ἀπ' οὐρανοῦ, καὶ οἱ νεκροὶ ἐν Χριστῷ ἀναστησονται πρῶτον, ¹⁷ ἔπειτα ἡμεῖς οἱ ζῶντες οἱ περιλει-

the German commentators to the 'jüdischer, nachexilischer Vorstellung' (Lünem. comp. Winer, RWB. Vol. II. p. 329, ed. 3), it seems enough to say that the Apostle elsewhere distinctly alludes to separate orders of angels (see notes and reff. on Eph. i. 21, Col. i. 16), and that he here as distinctly speaks of a leader of such heavenly Beings: to inquire further is idle and presumptuous. σάλπιγγι Geo0] 'trumpet of God;' not 'tuba Dei, adeoque magna, Beng., -such a form of Hebraistic superl. not occurring in the N. T., but simply 'the trumpet pertaining to God' (gen. possess.), the trumpet used in His service; comp. Rev. xv. 2, and see Winer, Gr. § 36. 3, p. 221. Greek expositors appropriately allude to the use of the trumpet when God appeared on Sinai, Exod. xix. 16; comp. also Psalm xlvii. 5, Isaiah xxvii. 13. Zach. ix. 14. With the Jewish use of the trumpet to call assemblies (Numbers x. 2, xxxi. 6, Joel ii. 1,) we have here nothing to do, still less with the speculations of later Judaism as to God's use of a trumpet to awaken the dead (Eisenmenger, Entd. Jud. Vol. II. p. 929, adduced by Lünem.): the Apostle twice definitely states that the trumpet will sound at Christ's advent (I Cor. xv. 52), and it infallibly will an odpavod from be so. heaven,'-where He now sits enthroned at the right hand of God; see esp. kal of vekpol Acts i. II. κ. τ. λ.] 'and the dead in Christ &c.;' consequence and sequel of the èv κελεύσματι κ.τ.λ., the και having here a slightly consecutive force; comp. notes on Phil. iv. 12. The words èv Χριστώ are clearly to be joined with verpol, as more specifically designating

those about whose share in the mapovola the Thessalonian converts were disquieted: the general resurrection of all men does not here come into consideration; see Winer, Gr. § 20. 2, p. 123, comp. West, Stud. u. Krit. for 1858, p. 283, and on the omission of the art., notes on Eph. i. 15, and Fritz. Rom. Vol. 1. p. 195. The connexion with ἀναστήσονται (Schott) would indirectly assign an undue emphasis to $\ell \nu \times \rho$. (Lün.), and introduce a specification out of harmony with the context: the subject of the passage is not the means by which (2 Cor. iv. 14), or element in which, the resurrection is to take place, but the respective shares of the holy dead and holy living in the mapovola of the Lord, considered in relation to πρώτον | 'first;' not with any reference to the πρώτη άνάστασις, Rev. xx. 5, (Theod., Theophyl., Œcum., al.), but, as the following ξπειτα suggests, only to the fact that the resurrection of the dead in Christ shall be prior to the assumption of the living. The reading πρῶτοι is found in D*FG; Vulg., Clarom.; Cyr., Theod. (1), al., and was perhaps suggested by the supposed dogmatical ref. to the first resurrection.

17. ἐπειτα] 'then,'—immediately after the ἀνάστασις of ol ἐν Χριστῷ; second act in the mighty drama. The particle ἐπειτα, as its derivation [ἐπ' εἶτα, Hartung, Partik. Vol. I. p. 302] and the following ἄμα (see below) both seem to suggest, marks the second event as speedily following on the first, and, like 'deinde' ('de rebus in temporis tractu continuis et proximis,' Hand, Tursell. Vol. II. p. 240), specifies not only the continuity but the

πόμενοι αμα σύν αὐτοῖς ἀρπαγησόμεθα ἐν νεφέλαις εἰς ἀπάντησιν τοῦ Κυρίου εἰς ἀέρα καὶ οῦτως πάντοτε σύν

proximity of the two events; comp. Erfurdt, Soph. Antig. 607. oi Laντes oi περιλειπ.] ' we, the living, who are remaining,' 'we who are being left behind;' see notes on ver. 15. aμa σύν αθτοίς] 'at the same time together with them,' 'simul rapiemur cum illis' Vulg., Copt. [euson]; i.e. we shall be caught up with them at the same time that they shall be caught up, äµa appy. not marking the mere local coherence, 'all together,' Alf., but, as usually, connexion in point of time ('res duas vel plures una vel simul aut esse aut fieri significat,' Klotz, Devar. Vol. 11. p. 95): comp. Ammon. s.v. άμα μέν έστι χρονικόν ἐπίρρημα, ὁμοῦ δέ τοπικόν, and Tittm. Synon. 1. p. 156, who, however, remarks that in Rom. iii. 12 (LXX) this distinction is not maintained. See notes on ch. v. 10. άρπαγησόμεθα έν νεφέλαις] 'shall be caught up in clouds;' certainly not 'in nubes,' Beza, nor even 'auf Wolken,' De W., Lün., but, 'in nubibus,' Vulg., Clarom., i.e. 'tanquam in curru triumphali,' Grot., -the clouds forming the element with which they would be surrounded, and in which they would be borne up to meet their coming Lord; ἐπὶ (?) τοῦ ὀχήματος φερόμεθα τοῦ Πατρός, καὶ γάρ αὐτός ἐν νεφέλαις ύπέλαβεν αὐτόν [Acts i. 9.], καὶ ἡμεις έν νεφέλαις άρπαγησόμεθα, Chrysost. The transformation specified in 1 Cor. xv. 52, 53, ('compendium mortis per demutationem expunctæ,' Tertull. de Resurr. ch. 48, compare Delitzsch, Psychol. VII. 5, p. 368 sq.) will necessarily first take place (comp. Pearson, Creed, Vol. I. p. 357), upon which the glorified and luciform body will be caught up in the enveloping and upbearing clouds. On the nature of the resurrection body, compare Burnet, State of Dep. ch. VII., VIII., and the curious and learned investigations of Cudworth, Intellect. Syst. ch. v. 3, Vol. III. p. 310 sq. (ed. Harrison). The forms ἡρπάγην and ἀρπαγήσομαι appear to be later forms (Thom. Mag. p. 412); but the 'librariorum arbitrium' often leaves it uncertain whether the first or second aor. was the original reading; comp. Pierson, Mær. p. 168 (ed. Koch).

els απάντησιν τοῦ Κυρ.] 'to meet the Lord,' as He is coming down to earth; και γαρ βασίλεως είς πόλιν είσελαύνοντος οί μεν έντιμοι πρός άπάντησιν εξίασιν, οί δὲ κατάδικοι ἔνδον μένουσι τὸν κριτήν, Chrys. The form els an authou (Matth. xxv. 1 (Rec.), 6, Acts xxviii. 15) seems to have been derived from the LXX, and answers to the Hebrew לקראת (Jud. iv. 18, 22; Alex. ἀπάντ.). It may be associated either, as here, with a defining gen., or with a dative (Acts xxviii. 15), the verbal subst. preserving in the latter case the government of the verb from which it is derived; see Bernhardy, Synt. III. 10, comp. Winer, Gr. § 31. 3, p. 189. Some authorities [D* (E*?) FG; Vulg., Clarom. ; Tert., al.] read είς ὑπάντησιν $\tau \hat{\varphi} \times \rho \iota \sigma \tau \hat{\varphi}$, but with every appearance of correction in both words.

ets άξρα] 'into the air,' 'in aera,' Vulg.,' Clarom, 'in luftan,' Goth., and sim. the other Vv. except Æth. (Pol.), 'in nube;' dependent on ἀρπαγησ. Είς άξρα is certainly not 'in cœlum' (Flatt), but, as the regular meaning of the word requires, 'into the air,'—though not necessarily with any precise limitation to the terrene atmosphere. The dήρ, as De W. well observes marks the way to heaven, and includes the interspace between earth

I THESSALONIANS IV. 17, 18, V. 1. 67

Κυρίφ ἐσόμεθα. 18 ώστε παρακαλείτε ἀλλήλους ἐν τοίς λόγοις τούτοις.

Ye know that the day of the Lord cometh V. Περὶ δὲ τῶν χρόνων καὶ τῶν καιρῶν, suddenly. Be watchful and prepared, for God has not appointed us for wrath, but salvation.

according to the context; see notes on Eph. ii. 2. To question whether the air is here represented as the final realm of the faithful (Usteri, Lehrb. II. 2, 13, p. 338, 441) is surely monstrous: the Apostle makes here a pause, simply because his design of clearing up the anxieties on the part of his converts is accomplished when he declares that the holy quick and holy dead shall be caught up into the air simultaneously to meet the Lord. The great events immediately following Christ's descent to judgment, (see Jackson, Creed, XI. 12. 1, 2), and His final and eternal union with His Saints in the heavenly Jerusalem (Rev. xxi., xxii.) are to be collected from other passages; see Alford in loc. και ούτως κ. τ. λ.] ' and so shall we be ever together with the Lord;' so, in consequence of this ἀρπάζεσθαι,—the subject of the ἐσόμεθα (Hesych. βιώσομεν) being clearly both classes previously mentioned. The force of the σύν, as implying not merely an accompanying (μετά) but a coherence with, should not be left unnoticed; see notes on Eph. vi. 22.

and heaven, with greater or less latitude

18. ἄστε] 'So then,' 'Consequently;' in consequence of the foregoing revelation. On the force of ἄστε and its connexion with the imperative mood, see notes on Phil. ii. 12. παρακαλείτε] 'comfort;' not here 'exhort,' 'teach,' Æth. (both), but, in accordance with the preceding Ινα μη λυπῆσθε (ver. 13), 'consolemini,' Vulg., Clarom., Goth., Syr., and similarly the remaining Vv.

λυ τοῖε λόγοιε τουτοῖε] 'with these

words;' not 'words of faith' (Olsh.), but simply 'these words' (τούτοις not without emphasis), -the words in which the Apostle here delivers to them his inspired message; τοῦτο δὲ ὅ λέγει νῦν, καὶ ἡητῶς ήκουσε παρά τοῦ Θεου, Chrys. on ver. 14. The $\dot{\epsilon}\nu$ is here used in that species of instrumental sense in which the action, &c., of the verb is conceived as existing in the means; 'solent Græci pro Latinorum ablativo instrumenti sæpe év præpositionem ponere, significaturi in ea re, cujus nomini præpositio adjuncta est, vim aut facultatem alicujus rei agendæ sitam esse,' Wunder, Soph. Philoct. 60, see exx. in Raphel; Annot. Vol. II. p. 549. Thus in the present case the παράκλησις may be conceived as contained in the divinely inspired words themselves; comp. Jelf, Gr. § 623. 3.

CHAPTER V. Ι. περί δὲ τῶν χρόνων κ.τ.λ. \ 'Now concerning the times and seasons,' scil. of the Lord's coming, της συντελείας, Theoph. The terms χρόνος and καιρός are not synonymous: the former denotes time indefinitely, the latter a definite period of time (μέρος χρόνου, ή μεμετρημένων ήμερων σύστημα, Thom. M., p. 489, ed. Bern.), and thence, derivatively, the right or fitting time; comp. Ammon. de Diff. Voc. p. 80, δ μέν καιρός δηλοί ποιότητα χρόνος δέ ποσότητα, and see Tittmann, Synon. I. p. 41, where the meaning of καιρόs is carefully investigated. The force of the plural has been somewhat differently estimated. On the whole, it seems most natural not to refer it to the length of the periods (Dorner, de Orat.

άδελφοί, ου χρείαν έχετε ύμιν γράφεσθαι· 2 αυτοί γαρ άκριβως οίδατε ότι ήμέρα Κυρίου ως κλέπτης εν νυκτί

Christ. Eschat. p. 73), but simply to the plurality either of the acts or the moments of the time (Lünem.)

There appears no reason to take και here as explicative (Koch): the two words simply are connected by the copula; comp. Acts i. 7, χρόνους ἡ καιρούς, Eccles. iii. 1, ὁ χρόνος και καιρός, Dan. ii. 21, καιρούς και χρόνους, Wisdom viii. 8, καιρῶν και χρόνων.

où χρείαν έχετε] 'ye have no need;' a παράλειψις, see notes on ch. iv. 9. The reason why there was no need does not seem here to be due to the ἀσύμφορον (Œcum., compare Chrys., and Acts i. 7), but, as the next verse suggests, because they had been accurately informed by the Apostle, by word of mouth, of all that it was necessary for them to know. On the qualifying and explanatory object. infin., see Krüger, Sprachl. § 55. 3, comp. § 50. 6. 4, 5.

2. ἀκριβώς] 'accurately;' only used once again by the Apostle, Eph. v. 15. The derivation of dep. is slightly doubtful; most probably from ἄκρος in a locative form (ἄκρι), and a root BA., Benfey, Wurzellex. Vol. 1. p. 158. ήμέρα Kuplou] 'the day of the Lord,' scil. της δεσποτικής επιφανείας, Theod.; the day of our Lord's coming to judgment (comp. Reuss, Théol. Chrét. IV. 21, Vol. II. p. 243), ή ὁ υίὸς τοῦ άνθρώπου άποκαλύπτεται, Luke xvii. 30; comp. 1 Cor. i. 8, iv. 5, 2 Cor. i. 14, Phil. i. 6, and for the somewhat similar ילם יְהוֹה, Joel i. 15, ii. 1, Ezek. xiii. 5, al. To refer it to the destruction of Jerusalem (Hamm.), or to include in it την ιδίαν έκαστου ἡμέραν (Theoph., comp. notes on Phil. i. 6) is here distinctly at variance with the context, which treats solely

and entirely of the Lord's mapovola. The reading is not quite certain. Rec. inserts η with AJK; many Ff., but though the omission of the \(\delta\) might have been due to the $\dot{\eta}$ of the following ημέρα, the probability of insertion (as more definitive), and the preponderance of uncial authority [BDEFG] seem in favour of the omission: so Lachm., Tisch. ώς κλέπτης έν νυκτί] 'as a thief in the night,' scil. ξρχεται; έν νυκτί not being added as a quasi-epithet to κλέπτης, but belonging to an unexpressed ἔρχεται; see Winer, Gr. § 20. 4, p. 126, note. This solemn and regular Scripture simile (comp. Matth. xxiv. 43, Luke xii. 39, 2 Pet. iii. 10, Rev. iii. 3, xvi. 15) does not contain any reference to the dread felt with regard to the coming (Schott, compare Alf.) but simply to the τὸ αἰφνίδιον (Theod.): see esp. Rev. l.c., ήξω ώς κλέπτης, καί ού μη γνώς ποίαν ώραν ήξω έπι σέ, and comp. Usteri, Lehrb. II. 2. B, p. 337. The addition ev vuktl (comp., however, Matth. xxiv. 43, ποία φυλακή) is peculiar to this place, and combined with Matth. l.c., xxv. 6, may have given rise to the ancient tradition of the early Church (noticed by Lünem.), that Christ was to come at night (on Easter Eve); compare

Matth. xxv. 6.

οὐτως ἔρχεται] 'so it comes;' the οὐτωs being added to give force and emphasis to the comparison. The pres. ἔρχεται is not for a future (Pelt, al.), nor yet to mark the suddenness of the event (Bengel, Koch), but its fixed nature and prophetic certainty; see Winer, Gr. § 40. 2, p. 237, comp. Bernhardy, Synt. x. 2, p. 371.

Lact. Inst. VII. 19 ('intempestâ et

tenebrosa nocte'), and Jerome on

ουτως έρχεται. 3 όταν λέγωσιν Ειρήνη και ασφάλεια, τότε αιφνίδιος αυτοις εφίσταται όλεθρος ωσπερ ή ωδιν τή

3. δταν λέγωσιν] So Tisch. (ed. 1 and 2) with AFG; 4 mss.; Syr., Clarom., Goth., Æth. (both); many Lat. Ff. (Griesb., Scholz, De W., Lünem., Alf.);—and appy. rightly. For though δè is well supported,—viz., by BDE; Copt., Syr. (Philox.); Chrys., Theod. ([Lachm.], Koch), and is not uncommonly displaced for γdρ (see on Gal. i. 11), which is here adopted by Rec., with JK; most mss.; Vulg., al.; Dam., and some Latin Ff., still the tendency to supply expletives is so very decided (Mill, Prolegom. p. clvi.), and the external authority for the omission so fairly satisfactory, that there seems here no sufficient reason for reversing the judgment of Tischendorf.

3. Star Mywow !! 'when they may say;' certainly not the Jews (Hamm.), nor even their persecutors generally (Chrys.), but all unbelieving and unthinking men; comp. Matth. xxiv. 38, Luke xvii. 26. The true believers were always watching and waiting, knowing the uncertainty and unexpectedness of the hour of the Lord's coming; comp. Matth. xxiv. 44, xxv. 13, Luke xii. 35, 36.

elρήνη και ἀσφάλεια] 'Peace and safety,' scil. ἐστίν,—is everywhere present; comp. Ezek. xiii. 10, λέγοντες Εἰρήνη και οὐκ ἔστω εἰρήνη. The distinction between these words is obvious: the first [είρω, necto, or more probably ΕΡ-, είρω, dico; comp. Benfey, Wurzellex. Vol. II. p. 7] betokens an inward repose and security; the latter [α, σ-φάλλω; comp. Sanser. root phal, Heb. ½-] Pott, Etym. Forsch. Vol. I. p. 238, Donalds. Crat. § 209] a sureness and safety that is not interfered with or compromised by outward obstacles.

Tore alpv(Stos K.T.A.] 'then with suddenness does destruction come upon them;' alpv(Stos not being a mere epithet (adjectivum attributum), 'sudden destr.,' Auth., 'plötzliches Verderben,' De W., but a secondary predication of manner (adjectivum appositum) scil. 'repentinus superveniet,' Vulg., Copt. [chen ou-exapina], al.,

and fully emphatic; see esp. Donalds. Cratyl. § 303. and Müller, Kleine Schrift. Vol. I. p. 310; comp. Winer, Gr. § 54. 2, p. 412, and notes on Col. ii. 3. The verb ἐφίσταται may be either simply 'imminet,' Beza, or more derivatively 'superveni[e]t,' Vulg., being a 'verbum solemne de rebus hominibusve citius quam quis existimaverit adstantibus,' Schott; comp. esp. Luke xxi. 34. On δλεθρος, comp. notes on 1 Tim. vi. 9.

κόπλρ ἡ ἀδίν] 'as the birth-pang.' The true point of the appropriate comparison ('πὲρ vim eam comparativam, quam habet ἀs, usitato more auget atque effert,' Klotz, Devar. Vol. II. p. 768) is neither the knowledge that the event is to come (Theod.), nor its nearness (De W.), but, as the context seems clearly to suggest, its suddenness and uncertainty; 'inter epulas et risus vel in medio somnio corripitur,' Calv. The form ἀδίν, like the forms dκrίν (?), δελφίν, belongs to later Greek; comp. Winer, Gr. § 9. 2, p. 61.

ἐν γαστρὶ ἐχούση] The regular formula in the N.T., Matth. i. 18, 23, xxiv. 19, Mark xiii. 17, Luke xxi. 23, Rev. xii. 2. The more usual expression in earlier Greek appears to have been ἐν γαστρὶ φέρειν (Plato, Legg. VII. 792 E, comp. Hom. Il. VI. 58),

έν γαστρὶ ἐχούση, καὶ οὐ μὴ ἐκφύγωσιν. 4 ὑμεῖς δέ, ἀδελφοί, οὐκ ἐστὲ ἐν σκότει, ἵνα ὑμᾶς ἡ ἡμέρα ὡς κλέπτης

4. ὑμᾶs ἡ ἡμέρα] So Lachm. with ADEFG; Vulg., Clarom., appy. Æth. (both); many Lat. Ff. (Tisch. ed. 1, Schott, Lünem., Koch). The simpler order ἡ ἡμέρα ὑμᾶs is adopted by Tisch. ed. 2, with BJK; appy. all mss.; Goth. al.; Chrys., Theod., Dam., al. (Rec., Griesb., Alf.); but with appy. less probability; as the uncial authority is not strong, and the change is just as likely to have been owing to a conformation to the more natural order, as a transposition for the sake of throwing emphasis on the ὑμᾶs.

or έγκύμων είναι or γίγνεσθαι, as in Plato, Epin. 979 A, al.

ού μη ἐκφύγωσιν] 'they shall in nowise escape,' not τόν τε πόνον και δλεθρον, Œcum., but simply and absolutely; comp. Heb. ii. 3, xii. 25, Ecclus. xvi. 13. On the strengthened negation ού μη with the subjunctive, see notes and reff. on ch. iv. 15.

4. **iµtis &{] 'But ye;' in opposition to the unthinking and unbelieving noticed in the preceding verse: 'occasione accepta ex superioribus adhortatur Christianos ad vigilantiam, sobrietatem, et sanctimoniam,' Calv.

In the following words it is scarcely necessary to say that $\epsilon\epsilon\tau\dot{\epsilon}$ cannot possibly be imperatival (Flatt): both the negative, and the non-occurrence of the imper. $\epsilon\epsilon\tau$ in the N.T. utterly preclude such a translation.

έν σκότει] 'in darkness,' in the element or region of it. The σκότος here mentioned seems to have been suggested by the preceding èv νυκτί: it does not mark exclusively either τον σκοτεινόν και άκάθαρτον βίον (Chrys., Theoph., Œcum.), as might seem suggested by the succeeding verse, or την άγνοιαν (Theod.), as is partially suggested by the preceding verse, but, as the general context requires, both,—'statum ignorantiæ et vitii,' Turretin. It was a darkness not only of the mind and understanding (Eph. iv. 18), but of the heart and will (1 John ii. 9); see Andrewes, Serm. XIV. Vol. III. p. 371.

iva buas κ.τ.λ.] 'in order that the day should surprise you;' not merely a statement of result, but of the purpose contemplated by God in His merciful dispensation implied in οὐκ έστὲ ἐν σκότει; see Winer, Gr. § 53. It may be doubted, how-6, p. 408. ever, whether we have not here some trace of a secondary telic force of lva (see on Eph. i. 17), the eventual conclusion being in some degree mixed up with and obscuring the idea of finality; comp. notes on Gal. v. 17. With the numerous instances of a secondary telic use of tra which the writings of the N.T. (esp. those of St. John, Winer, Gr. p. 303) distinctly supply, and a remembrance of the ultimate declension of the particle into the và of modern Greek (Corpe. Gr. p. 129), it is prudent to beware in all cases of over-pressing the telic force; comp. Winer, Gr. § 44.8, p. 299 The 'day' here specified is not specifically the day of judgment | ἐκείνη ἡ ἡμέρα FG; Vulg., Clarom.]. but, as the context seems to require, the period of light (De W.), which indeed becomes practically synonymous with the day of the Lord, as bearing salvation (comp. Rom. xiii, 12), and bringing to light the hidden things of darkness, 1 Cor. iv. 5. καταλαβή] 'overtake,'

καταλαβή] 'overtake,' 'surprise,'

'j' Syr., 'adprehendat,' Clarom.,
'gafahai,' Goth.; the κατά here not introducing any definite sense of

καταλάβη: 5 πάντες γὰρ ύμεις υίοι φωτός έστε και υίοι ήμέρας. οὐκ έσμεν νυκτός οὐδε σκότους. 6 Αρα οῦν μη καθεύδωμεν ώς και οι λοιποί, άλλα γρηγορώμεν και

hostility (comp. Koch), but, as usual, being simply intensive, and deriving its further shades of meaning from the context: see the good collection of examples in Rost u. Palm, Lex. s.v. Vol. I. p. 1623. The reading κλέπτας [Lachm. with AB; Copt.] has certainly not sufficient critical support.

5. πάντες γάρ] 'for ye all;' con-

firmation of the preceding negative statement by a more specific positive declaration. The particle $\gamma d\rho$, which we can hardly say with Schott is 'haud necessaria ad sententiam,' is omitted by Rec., but on authority [K; majority of mss.] decidedly insufficient. υίοι φωτός] 'sons of light;' a Hebraistic formula (comp. Ewald, Gr. § 287) expressing with considerable emphasis and significance, not merely that they 'belonged to' the light (Alf.), but that they belonged to it in the intimate way of children to a parent,-almost οί τὰ τοῦ φωτός πράττοντες, Chrys., Theoph.: see Winer, Gr. § 34. 3. b. 2, p. 213, Steiger on 1 Pet. i. 14, p. 153, and notes on Eph. ii. 2. Somewhat analogous expressions are found in classical Greek, παίδες σοφών, π aîdes $l\epsilon\rho\epsilon\omega\nu$ $\kappa.\tau.\lambda.$, but appy. never (as here) in connexion with abstract substantives; comp. Blomf. on Æsch. Pers. 408. ούκ έσμέν νυκτός] 'We belong not to night;' the gen. idiomatically specifying the sphere to which the subjects belong: comp. Acts ix. 2, and see Winer, Gr. § 30. 5, p. 176. On the various meanings in which this possessive gen. is connected with elvat and γίγνεσθαι, see Krüger, Sprachl. § 47. 6. 1, sq., Bernhardy, Synt. III. 46, p.

165, and on the very intelligible

χιασμός (φῶς, ἡμέρα—νύξ, σκότος), see Jelf, Gr. § 904. 3, Madvig, Lat. Gr. § 473. a. The reading $\dot{\epsilon}\sigma\tau\dot{\epsilon}$ [D*FG; Syr. (not Philox.), Clarom., Goth., al.] is obviously a conformation to the preceding $\dot{\epsilon}\sigma\tau\dot{\epsilon}$.

6. apa ov 'Accordingly then;'

exhortation following on the preceding declaration, the illative doa being supported and enhanced by the collective our; see notes on Gal. vi. 10. In Attic Greek this combination is only found in the case of the interrogative âpa, comp. Klotz, Devar. Vol. II. p. 181, Herm. Viger, No. 292, and Stalb. on Plato, Republ. V. 462 A. καθεύδωμεν] 'sleep,' i.e. be careless and indifferent, μη dμελώμεν τών καλῶν ἔργων, Theoph.; comp. Eph. v. 14, and the very pertinent remarks of Beck, Christ. Lehrwiss. Vol. I. p. 200 (cited by Koch), on the deepening sleep of the soul under the influence of sin; see also Beck, Seelenl. I. 8, p. 18. The ol λοιποί are here obviously unbelievers, whether careless Jews or ignorant heathens; comp. notes on ch. iv. 13. Lachm. omits the ral before ol λοιποί, but on insufficient external authority [AB; 2 mss.; Amit., al.], and appy. in opposition to St. Paul's prevailing usage; comp. 1 Cor. ix. 5, Eph. ii. 3, and above ch. iv. 13. νήφωμεν] 'be sober;' comp. I Pet. v. 8. The νήφειν enhances the preceding γρηγορώμεν; Christians were not only to be wakeful, but have all their senses and capacities in full exercise: ἐν ἡμέρα ἄν γρηγορῆ τις μὴ νήφη δέ, μυρίοις περιπεσείται δεινοίς, Chrys. On the regular meaning of this verb, which always appears to be that of 'sobriety,' not that of 'watchfulness' or 'wakefulness' (as perhaps

νήφωμεν. ⁷ οἱ γὰρ καθεύδοντες, νυκτὸς καθεύδουσιν, καὶ οἱ μεθυσκόμενοι νυκτὸς μεθύουσιν· ⁸ ἡμεῖς δὲ ἡμέρας ὄντες νήφωμεν, ἐνδυσάμενοι θώρακα πίστεως καὶ ἀγάπης

Œcum., ἐπίτασις ἐγρηγόρσεως), see notes on 2 Tim. iv. 5.

7. οἱ γὰρ καθεύδοντες 'For they that sleep,' 'sleepers' (Winer, Gr. § 45. 7); confirmatory explanation of the preceding exhortation by a reference to the prevailing habits of non-Christian life. At first sight it might seem plausible to give all the words a spiritual reference (Chrys., Theoph., Koch); as however νυκτός seems only to mark the period when the actions referred to usually took place, the literal and proper meaning is distinctly to be preferred: 'quemadmodum in hoc versu dormire ita etiam ebrium esse dicitur proprie, tanquam exemplum ejusmodi sentiendi agendique rationis quæ nonnisi hominum sit in caligine nocturnâ lubenter versantium,' Schott; so Lünem. and Alf. οί μεθυσκόμενοι] 'they that are drunken.' The distinction advocated by Beng., 'μεθύσκομαι notat actum, μεθύω statum' (comp. Clarom. 'inebriantur-ebrii sunt'), seems here more than doubtful. The transition from 'being made drunk' to 'being actually drunk' is so slight (in Rost u. Palm, Lex. s.vv. both are translated 'berauscht seyn'), that with the preceding καθεύδοντες-καθεύδουσιν before us it seems best to regard them here as simply synonymous.

8. ημείς δὲ κ.τ.λ.] 'but let us as we are of the day;' not exactly 'qui diei sumus,' Vulg., Clarom., but 'quum simus,' Æth. (Platt), Arm., comp. Goth., 'visandans;' the participle not being here used predicatively, but with a slightly causal or combined 'temporal-causal' force; see Schmalfeld, Synt. des Gr. Verb. § 207, and comp. Donalds. Gr. § 615. On the

connexion of the gen. with $\epsilon l\mu l$, see notes on ver 5. perol 'having put on;' temporal participle defining the action contemporaneous with the νήφειν. The Apostle now passes into his favourite metaphor of the Christian soldier; comp. Rom. xiii. 12, 2 Cor. x. 4, and esp. Eph. vi. II, where not only (as here) the defensive, but the offensive portions of the equipment are described. The 'armatura' here consists of the three great Christian virtues, Faith, Love, and Hope, the first and second forming the breastplate (aliter Eph. vi. 14, 16), the third (similarly in Eph. vi. 17. see notes), the helmet; comp. Reuss, Théol. Chrét. IV. 22, Vol. II. p. 259, 260. θωρᾶκα πίστεως] 'a shield of faith,' or, more probably, 'the shield, dec.,' the second and third substt., as well known terms, here dispensing with the article (Winer, Gr. § 19. 1), and causing, on the principle of correlation (Middl. Gr. Art. III. 3. 6), the governing noun to be also anarthrous. The gen. is that of 'apposition;' see notes and reff. on Eph. vi. 14. περικεφ. κ.τ.λ.] 'and as a helmet the hope of salvation;' a defence that can never fail. With hope fixed on the έπηγγελμένη σωτηρία (Theod.), all the dangers and trials of the present seem light and endurable; $\kappa \alpha \theta \delta \pi \epsilon \rho$ γάρ ή περικεφαλαία τὸ καίριον σώζει των εν ημίν, την κεφαλην περιβάλλουσα καὶ πάντοθεν στεγάζουσα οῦτω καὶ ἡ έλπὶς τὸν λογισμὸν οὐκ ἀφίησι διαπεσείν, άλλ' όρθον Ιστησιν ώσπερ κεφαλήν, οὐδὲν τῶν ἔξωθεν εἰς αὐτὸν πεσείν èωσα, Chrys. The gen. σωτηρίαs is the gen. objecti, that to which it is directed and on which it is fixed.

καὶ περικεφαλαίαν ελπίδα σωτηρίας, 9 ὅτι οὐκ εθετο ήμας ὁ Θεὸς εἰς ὀργήν, ἀλλὰ εἰς περιποίησιν σωτηρίας διὰ τοῦ Κυρίου ήμῶν Ιησοῦ Χριστοῦ, 10 τοῦ ἀποθανόν-

comp. ch. i. 3, Rom. v. 2, and, if necessary, Winer, Gr. § 30. 1, p. 167.

9. δτι κ.τ.λ.] 'because, &c.;' reason for the use of the foregoing words έλπίδα σωτηρίας, expressed both negatively (οὐκ ἔθετο κ.τ.λ.) and positively (ἀλλ' εἰς περιπ. κ.τ.λ.); οὐ πρὸς τοῦτο ἐκάλεσεν εἰς τὸ ἀπολέσαι, ἀλλ' εἰς τὸ σῶσαι, Chrys.

tθετο ήμας κ.τ.λ.] 'appointed us to anger,' i.e. to become the subjects of it, to fall under its punitive action. The form τιθέναι (Acts xiii. 47) or θέσθαι els τl (1 Tim. i. 12) appears to have a partially Hebraistic tinge and to answer to מַּיִם, or חַיָּשׁ followed by ; comp. Psalm lxvi. 9, Jerem. ix. 11, Ezek. xiv. 8, al. On δργή, see notes on ch. i. 10. ποίησιν σωτηρίας] 'the obtaining of salvation, | june | [ad acquisitionem salutis], sim. Vulg., Clarom., Copt. [tancho,-here needlessly rendered 'vivificatio;' comp. Mal. iii. 17], 'du gafreideinai ganistais,' Goth.; comp. 2 Thess. ii. 14, els περιποίησιν δόξης. Neither here, Heb. x. 39, nor 2 Thess. l. c. is there any reason for departing from this simple and primary meaning of περιποίησις; Hesych. πλεονασμός κτήσις, Suid. κτησις. Both in Eph. i. 14 (see notes), and I Pet. ii. 9, as the context shows, the use is wholly different, and appy. a reflection of the סְּלֵּהָה of the O. T. (comp. Acts xx. 28): in 2 Chron. xiv. 13, Pseud. Plato, Def. 415 C (see Rost. u. Palm, Lex. s. v.), the meaning seems rather 'conservatio;' but neither the one (appy, favoured by Œcum., comp. Theod. Ινα οlκείους ἀποφήνη) nor the other is here either natural or suitable. διὰ τοῦ Κυρίου κ.τ.λ.] Dependent, not on ἔθετο, but on the preceding περιποίησιν σωτηρίας, and specifying the medium by which the σωτηρία was to be obtained. This medium is certainly not 'doctrinam eam quam Christus nobis attulit' (Grot.), nor, in this passage, 'faith in Him' (Lünem.), but, as the next verse seems to show, His atoning death; comp. Eph. i. 7, and notes in loc.

10. τοῦ ἀποθ. ὑπὲρ ἡμῶν] 'who died for us;' specification of the blessed act of redeeming love by which the περιποίησις σωτηρίας has become assured to us; comp. ch. iv. 14. The clause, as Lünem. properly observes, is not causal $(d\pi o\theta)$. would then be anarthrous, comp. Schmalfeld, Synt., § 222, 225 (note), and Donalds. Gr. § 492), but relative and assertory; 'ne quid de salutis certitudine dubitemus aut de satisfactione soliciti essemus, dicit Christum pro nobis mortuum esse, et pro peccatis nostris satisfecisse, ut salutem consequeremur,' Calv. On the meaning of ὑπèρ in dogmatical passages, -not exclusively, 'in our stead' (Waterl. Serm. XXXI. Vol. V. p. 740), see notes and reff. on Gal. iii. 13.

tva etre κ.τ.λ.] 'in order that whether we wake or sleep;' holy purpose of the Lord's redeeming death. There is some little doubt as to the exact meaning of the terms καθεύδεω and γρηγορείν. It seems clear that they cannot be understood in a simple physical sense (comp. Fell), still less in an ethical sense, as τὸ καθεύδεω was described (ver. 6) as a state incompatible with Christianity. There remains, then, only the supposition that they are used in a metaphorical sense

τος ύπερ ήμων, ΐνα είτε γρηγορωμεν είτε καθεύδωμεν, αμα σύν αὐτῷ ζήσωμεν. ¹¹ διὸ παρακαλείτε ἀλλήλους, καὶ οἰκοδομείτε είς τὸν ἕνα, καθως καὶ ποιείτε.

(comp. Psalm lxxxvii. (lxxxviii.) 6, Dan. xii. 2, al.), to which also the following ζήσωμεν seems very distinctly to guide us. The meaning, then, is substantially the same as Rom. xiv. 8, έἀν τε οδν ζωμεν έἀν τε ἀποθνήσκωμεν, τοῦ Κυρίου ἐσμέν.

It is not exact to say that the subjunctive with $\epsilon \ell \tau \epsilon - \epsilon \ell \tau \epsilon$, as here, is not classical (Alf.), for see Plato, Legg. XII. 958 D (ed. Bekk.). As a general rule, elte is associated with the same moods as el (Klotz, Devar. Vol. II. p. 533); as, however, there are cases in which it is now admitted that ϵl can be associated with the subj. (' \(\epsilon \) cum conjunct. respectum comprehendit experientiæ, expectandumque esse indicat, ut fiat aut non fiat, Herm. de Part. av. II. 7, see Klotz, Devar. Vol. II. p. 500 sq.), a similar latitude may rightly be assigned to elte. It seems probable here that the subj. is used, in the dependent clause, in a species of conformity with the subj. in the principal clause; comp. Winer, Gr. § 41. 2. c, p. 263.

άμα σὺν αὐτῷ] 'all together, united with Him,' not 'together with Him,' Auth.; the ζῆν σὺν Χριστῷ forming the principal idea, while the ἀμα (Heb. τητ.) subjoins the further notion of aggregation; comp. Rom. iii. 12, and contrast 1 Thess. iv. 17, where the previous specifications of time make the temporal meaning there more plausible. The ζήσωμεν is both more emphatic than ἐσόμεθα (ch. iv. 17), and also serves slightly to elucidate the metaphorical use of the preceding words.

11. S.6] 'Wherefore,' 'On which account;' not exactly 'quæ cum ita sint' (Alf.), but 'quamobrem' (see Klotz,

Devar. Vol. II. p. 173, who correctly assigns the former meaning to our), thereby serving to place in closer logical connexion the foregoing declaration and the present exhortation. On the uses of this particle by St. Paul, see notes on Gal. iv. 31. жараκαλειτε] 'comfort,' 'console,' [consolamini] Syr., 'consolamini,' Vulg., not 'exhortamini,' Clarom.: the analogy of this verse with ch. iv. 17 (where the contextual argument for the present sense is very strong) seems to require a similarity of translation, more especially as the hortatory tone (ver. 6) seems now to have merged into the consolatory. exact meaning of this word is frequently somewhat doubtful: it is used more than fifty times in St. Paul's Epp., with several varieties of meaning which can only be decided on by a careful consideration of the context. [Obs. that in notes on Col. ii. 2, 'always' is meant only to apply to passages similar to the one in question, where there is no doubt about the general meaning, but only its degree of intensity. Expunge, however, the ref. to 1 Thess. iii. 2; see notes in loc.] είς τὸν Eval 'one the other;' equivalent in meaning to άλλήλους; see exx. in Kypke, Annot. Vol. II. p. 339, all of which, however, except Theocr. Idyll. XXII. 65, are from late authors. Compare of $\kappa a\theta'$ $\xi \nu a$, Eph. v. 33, and the somewhat analogous είς πρὸς ἔνα, Plato, Legg. 1. p. 626 c, al.; see Winer, *Gr.* § 26. 2, p. 156. To regard eis as a prep., and to refer τὸν ἔνα to Christ, is in the highest degree forced and improbable; see Lünem. in loc.

Reverence your spiritual rulers; be peaceful and forbearing, and thankful. Quench not the Spirit: and may God sanctify and preserve you.

12 Ἐρωτωμεν δὲ ὑμᾶς, ἀδελφοί, εἰδέναι τοὺς κοπιῶντας ἐν ὑμῖν καὶ προϊσταμένους ὑμῶν ἐν Κυρίφ καὶ νουθετοῦντας ὑμᾶς,

The metaphorical term οlκοδομείν (1 Cor. viii. 1, x. 23, al.) is derived from the idea, elsewhere both expressed and implied in St. Paul's Epp., that Christians form a ναὸς or οlκοδομή Θεοῦ; see 1 Cor. iii. 9, 16, 2 Cor. vi. 16, Eph. ii. 20 al., and comp. Andrewes, Serm. VI. Vol. II. p. 273. καθὸς καὶ ποιεῖτε] 'even as ye also are doing;' praise and encouragement founded on the actual state of the Thessalonian church; comp. ch. iv. 1, 10. On the force of καὶ in comparative sentences of this kind, see notes on Eph. v. 23.

12. έρωτώμεν δέ] 'Now we ask you; transition by means of the 82 μεταβατικόν (see notes on Gal. iii. 8) to their duties towards the rulers of the church.—a subject not improbably suggested by the words immediately preceding. In no case could the precept οἰκοδομεῖτε εἶς τὸν ἔνα be carried out with greater practical benefit to themselves and to the church at large, than in showing respect to their appointed spiritual teachers. elbévai] 'to know,' 'to regard,' 'ut rationem ac respectum habeatis,' Est.; not 'to show (by deeds) that you know, Koch, but simply 'to know,' i.e. 'not to be ignorant of,' 'to fully recognize;' this somewhat unusual meaning of είδ. being analogous to that of the Heb. יוַע (see Gesen. Lex. s.v. 8), and here approximating in meaning to ἐπιγινώσκειν, I Cor. xvi. 18. No instance of a similar or even analogous usage has, as yet, been adduced from classical Greek. τούς κοπιώντας iy ὑμίν] 'those who are labouring among you,' 'those who are engaged in sacred and ministerial duties;' comp. 1 Tim. v. 17, where the more specific $\dot{\epsilon}\nu \lambda \delta \gamma \varphi$ is supplied. On the meaning and derivation of κόπος, κοπιάω, see notes on 1 Tim. iv. 10. This general designation, as the following explanatory terms seem to suggest, is to be referred to the Presbyters of the church of Thessalonica (Thorndike, Prim. Gov. ch. III. Vol. I. p. 8, A. C. Libr.), ἐν ὑμῖν obviously having no ethical reference, έν ταῖς καρδ. ὑμῶν (Flatt), still less 'in vobis docendis' (Zanch.), but simply implying 'in vestro cœtu' (Schott), 'inter vos,' Vulg.,—with mere local reference to the sphere of the $\kappa \delta \pi os$.

και προϊσταμένους κ.τ.λ.] 'and are presiding over you in the Lord;' further explanation and specification of the generic κοπιώντας. The omission of the article plainly precludes any reference of the three participles to three different ministerial classes: the κοπιώντες are simply regarded under two forms of their spiritual labour. as rulers and practical teachers, and as 'morum magistri,' Grot. Whether these duties were executed by the same or different persons cannot be determined: at this early period of the existence of the Church of Thess. the first supposition seems much the most probable; contrast Eph. iv. 11, 1 Tim. v. 17. The sphere of the προίστασθαι was to be έν Κυρίφ: οὐκ έν τοῖς κοσμικοῖς, ἀλλ' έν τοῖς κατὰ Κύριον, Theoph. νουθετοῦντας ὑμᾶς] 'admonishing you.' 'qui commonent vos,' Vulg.; not simply (docentes) Syr., but (admonentes) Syr. Philox., with reference to the 'exhor13 καὶ ἡγεῖσθαι αὐτοὺς ὑπερεκπερισσῶς ἐν ἀγάπη διὰ τὸ ἔργον αὐτῶν. εἰρηνεύετε ἐν ἐαυτοῖς. 14 Παρακαλοῦμεν δὲ

tationes et correptiones' (Est.), which it might be their duty to administer. On the proper meaning of νουθετεῦν,—primarily 'to correct by word' (νουθέτησις' λόγος ἐπιτιμητικὸς ἔνεκα ἀποτροπῆς ἀμαρτίας, Zonar. Lex. p. 1406), and then derivatively by deed (Judges viii. 10), see Trench, Synon. XXXII., and the numerous exx. collected by Kypke, Obs. Vol. II. p. 339.

13. και ήγεισθαι κ.τ.λ.] 'and to esteem them in love very highly.' These words appear to admit of two translations according as $\ell \nu$ $d\gamma d\pi \eta$ is connected (a) loosely with all the foregoing words, marking the element (certainly not the cause, Schott 2, 1) in which the ἡγεῖσθαι αὐτοὺς ὑπερεκπερισσῶs is to be put in force,—or (b) closely with the preceding $d\gamma d\pi \eta$ as specifying and enhancing the general duty implied in the preceding είδέναι, ver. 12. Both involve some lexical difficulties, as in (a) ἡγεῖσθαι must be regarded as equivalent to πλείονος άξιοῦν (Theod.), and in (b) ἡγεῖσθαι ἐν ἀγάπη must be taken as ήγεισθαι αὐτοὺς άξίους τοῦ άγαπᾶσθαι (Chrys., Theoph., Œcum.), -solutions, neither of them very strictly defensible. On the whole, the context, the appy. similar ἡγεῖσθαι τι ἐν κρίσει, Job xxxv. 2 (Schott), and perhaps the analogous ἐν ὀργη ἔχειν τινά, Thucyd. II. 18 (Lünem.), seem to preponderate in favour of (b): in ver. 12 the Thess. are exhorted to respect their spiritual rulers, in the present verse also to love them. So Schott, Olsh., Lünem., and Alf. The Vv. by preserving carefully the order do not give us any clue to the exact construction adopted. On the cumulative form υπερεκπερισσώς (Rec. υπερεκπερισσού,

but on insufficient authority), comp. notes on Eph. iii. 20.

διά τὸ ἔργον αὐτῶν for their work's sake;' on account both of the importance of the work (Heb. xiii. 17) and the earnest and laborious manner in which it was performed; comp. Phil. i. 22, ii. 30. είρηνεύετε έν éautoîs] 'Be at peace among yourselves; comp. Rom. xii. 18, 2 Cor. xiii. 11. On this not uncommon use of the reflexive for the reciprocal pronoun (άλλήλοις), see Jelf, Gr. § 654. 2, Apollon. de Synt. II. 27, and for the general principle and limits of the permutation, Kühner on Xenoph. Mem. II. 6. 20. Of the converse use (recipr. for refl.) there appears no distinct trace; see Bernhardy, Synt. VI. 2, p. 273. The reading αὐτοῖς [D* GF; many mss.; Vulg., Syr. (both), al.; Chrys., Theod.], though distinguished by Griesbach's highest commendatory mark ('indicat lectionem supparem aut æqualem, immo forsitan præferendam receptæ lectioni'), certainly does not seem to deserve it, as it arose in all probability from the feeling that the short admonition was out of place between the longer έρωτῶμεν δὲ κ,τ,λ . (ver. 12) and π apaka λ . $\delta \in \kappa,\tau,\lambda$. (ver. 14). Under any circumstances it can scarcely bear the meaning 'pacem habete cum eis,' Vulg., Syr. (comp. Chrys., Theod.), as this would so much more naturally have been expressed by είρηνεύετε μετ' αὐτῶν, as in Rom. xii. 18.

14. παρακαλοθμεν δέ] 'Now we beseech you;' address, neither πρός τους άρχοντας (Chrys.) ποτ πρός τους διδασκάλους (Theoph., Œcum.), but, as the άδελφοι suggests, to all (Ps. Ambr., Justin.). The Christian brethren at Thessalonica were not

ύμας, αδελφοί, νουθετείτε τοὺς ατάκτους, παραμυθείσθε τοὺς ολιγοψύχους, αντέχεσθε τῶν ασθενῶν, μακροθυμείτε

only to be at peace with one another themselves, but also to do their best to cause it to be maintained by others. νουθετείτε τούς ἀτάκτους | 'admonish the unruly;' those who do not preserve their τάξιν, 'inordinatos,' Beza, 'ungatassans,' Goth. The term ataktos, somewhat laxly rendered by Syr. lizans [offendentes], is marily and properly, as Chrys. suggests, a 'vox militaris' (Xenoph. Mem. III. 1. 7, where it is opp. to τεταγμένος), and thence derivatively a general epithet to denote a dissolute (Plato, Legg. VII. 806 c), ill ordered (περίεργοι και παρά τὸ προσήκον ποιοῦντες, Bekker, Anecd. p. 216), and unruly way of living: Thes be είσιν οι άτακτοι; πάντως οι παρά τὸ τῷ Θεῷ δοκοῦν πράττοντες. τάξεως γάρ έστι τής στρατιωτικής άρμοδιωτέρα αύτη ή τάξις της έκκλησίας, Chrys. Here the precise reference is probably to the neglect of duties and callings into which the Thess. had lapsed owing to mistaken views of the time of the Lord's coming; comp. ch. iv. 10, 11, 2 Thess. iii. 6, 11. On the meaning of νουθετείν, see above on ver. 12, and the exx. collected by Kypke, Obs. Vol. II. p. 340. τούς όλιγοψύχους] the feeble-

τοὺς όλιγοψύχους] 'the feeble-minded;' perhaps mainly (as the παραμυθ. seems to suggest) in reference to those who were unduly anxious and sorrowful about the state of the κοιμώμενοι, ch. iv. 13; όλιγο-ψύχους τοὺς ἐπὶ τοῖς τεθνεῶσιν ἀμέτρως ἀθυμοῦντας ἀνόμασεν, Theod., who, however, not injudiciously also includes τοὺς μὴ ἀνδρείως φέροντας τῶν ἐναντίων τὰς προσβολάς; comp. Theophyl., ὁλιγόψ. ὁ μὴ φέρων πειρασμόν.

The word δλιγόψ. is an ἄπ. λεγόμ. in the N.T., and appy. of rare occurrence elsewhere, except in the LXX (Isaiah lvii. 15, Prov. xviii. 14, al.; comp. Artemid. Oncirocr. III. 5); the more correct and usual term is μικρόψυχοs, Aristot. Ethic. Nicom. IV. 7, Isoor. Panegyr. p. 76 D.

άντέχεσθε των άσθενων] 'support the weak;' clearly not the weak in body (Luke x. 9, Acts iv. 9, v. 15, 1 Cor. xi. 30), but the weak in faith, τούς μή έδραίαν κεκτημένους πίστιν, Theod.; comp. I Cor. viii. 7. 10, so Chrys., Theoph., Œcum., and nearly all modern commentators. In Rom. v. 6, and appy. 1 Cor. ix. 22, the reference seems more inclusive, as marking those who were not Christians, who had not yet received the strength imparted by the Holy Spirit. The verb ἀντέχεσθαι (comp. Matth. vi. 24, Luke xvi. 13, and more generically Tit. i. 9) does not so much seem to imply 'observare,' Beng., as ὑπερείδειν, Theod., ὑποστηρίζειν, Theoph., ἀντιλαμβάνεσθαι (Bekker, Anecd. p. 408), or perhaps more exactly 'sustinere,' Clarom. (comp. Goth., Æth.), with a more direct allusion to the primary and physical meaning of the word; comp. notes on Tit. l.c., and see Suicer, Thesaur. s.v. Vol. I. p. 371.

μακροθυμ. πρὸς πάντας] 'be longsuffering to all;' not merely to the
three classes just mentioned (Theophyl.), but to all, και τοὺς οἰκείους και
τοὺς ἀλλοτρίους, Theod.; comp. ver. 15.
On the term μακροθυμεῖν opp. to ἀξυθυμεῖν (Eurip. Androm. 689), which here
serves to mark that gentle and forbearing patience which is so essentially a characteristic of ἀγάπη (1 Cor.
xiii. 4), see esp. Basil, Serm. [Sym.

πρὸς πάντας. 15 ὁρᾶτε μή τις κακὸν ἀντὶ κακοῦ τινι ἀποδῷ, ἀλλὰ πάντοτε τὸ ἀγαθὸν διώκετε εἰς ἀλλήλους καὶ

15. εls ἀλλήλουs] So Lachm., Scholz, Tisch. (ed. 1) with ADEFG; 15 mss.; Syr., Copt., Goth., Clarom., al. (De Wette, Koch, Lünem., Griesb. om. om.). In his second edition Tischendorf inserts καl before els with B(e sil.)JK; great majority of mss.; Syr. (Philox.), Amit.; Chrys., Theod., al. (Alford); but not on satisfactory grounds, as the external authority seems to preponderate for the omission, and the internal arguments (opp. to Alf.) would certainly seem rather in favour of its being an interpolation for the sake of specifying, than of its being omitted as unnecessary.

metaphr.] XIII. Vol. III. p. 784 (ed. Bened. 1839), the good notice in Suicer, Thesaur. s.v. Vol. II. p. 293 sq., Röthe, Theol. Ethik, § 1056 sq., Vol. 11. p. 518 sq., and comp. notes and reff. on Eph. iv. 2, 2 Tim. iii. 10. Lastly, $\pi \rho \delta s$ is not merely 'in regard to,' 'ad omnes,' Vulg., Clarom., 'cum omnibus,' Copt., but more precisely and definitely, erga: comp. the Goth. 'viPra,' and see notes on Gal. vi. 10. 15. δράτε μή τις κ.τ.λ.] 'See that no man render back, &c.; warning against revenge,-vet surely not in the sense that the better among them were to check its outbreaks in others (De W.), but simply that all were to abstain from it; see Lünem. in loc. The usual and correct statement that Christianity was the first to definitely forbid the returning evil for evil (see Fritz. Rom. xii. 17, Vol. III. p. 91) is called in question by Jowett on the ground that 'Plato knew that it was not the true definition of justice to do harm to one's enemies.' Not to multiply quotations, can this be sustained against de Legg. IX. 868 B. 882, al., where vengeance rather than punishment seems certainly contemplated by the legislator? Individual instances of the recognition of this precept may be found in heathenism (see Pfanner, Theol. Gentil. ch. XI. § 23. comp. Basil, de Legend. Gent. Libr.

§ 5, Vol. 11. p. 251, ed. Bened.), but as a general statement the remark of Hermann seems perfectly correct; 'nec laudant Græci si quis iniquis æquus est, sed virtutem esse censent, æquis æquum, iniquum autem iniquis esse,' on Soph. Philoct. 679. The formula ὀρᾶν μὴ (Matth. xviii το, Mark i. 44) is of less frequent occurrence than βλέπειν μή (Mark xiii. 5, Acts xiii. 40, 1 Cor. x. 12, al.), but is more classically usual and correct: for exx. of it in combination with the pres. and aor. subj., see, if necessary, the collection in Gayler, Partic. Neg. p. άποδφ] 'render,' 316 sq. 'usgildai,' Goth. The primary idea conveyed by άποδιδόναι, scil. 'ubi quid de aliqua copia das,' and thence 'ubi dando te exsolvis debito' (Winer), here naturally passes into that of 'retribuere,' the κακὸν being represented as something stored up, out of which and with which payment would be made; see Winer, de Verb. Comp. IV. p. 12, 13, where this verb is well discussed. τὸ ἀγαθὸν διώκετε] 'follow after that which is good; not here what is 'morally good' (Lünem.), but, as the antithesis seems rather to require, what is 'beneficial,' what proves good to him who receives it: οὐκ ἀρκεῖ τὸ μὴ άποδοθναι κακά άντι κακών, άλλα χρή, φησι, και άγαθοῖς άμειβεσθαι τὸν κακοποιήσαντα, Theoph., comp. Chrys.

εἰς πάντας. 16 πάντοτε χαίρετε, 17 αδιαλείπτως προσεύχεσθε, 18 ἐν παντὶ εὐχαριστεῖτε τοῦτο γὰρ θέλημα

Some shade of the same meaning is perhaps apparent in Gal. vi. 10, Eph. iv. 28 (see notes): here, however, it seems more decidedly brought out by the preceding κακόν. On the use of διώκειν (έπιτεταμένως σπουδάζειν τι, Theoph.) with abstract substantives or their equivalents, see notes and reff. on 2 Tim. ii. 22, and for exx. of the same use in classical Greek, see Ast, Lex. Platon. s.v. Vol. I. p. 548 sq. The correlative term is καταλαμβάνειν, Phil. iii. 12, and the antithesis φείνχειν, Plato, Gorg. 507 B.

16. πάντοτε χαίρετε] 'Rejoice alway; Phil. iii. 1, iv. 4, comp. 2 Cor. vi. 10; not merely κάν πειρασμοίς περιπέσητε (Theoph.), —a reference not inappropriate in ref. to the recent troubles at Thessalon., but, at all times.-under all circumstances, and in all dispensations. To the enquiry, 'why should this be a duty' (comp. Jowett), it seems sufficient to say with Barrow, in his good sermon on this text,-'if we scan all the doctrines, all the institutions, all the precepts, all the promises of Christianity, will not each appear pregnant with matter of joy, will not each yield great reason and strong obligation to this duty of rejoicing evermore? Serm. XLIII. Vol. II. p. 557; see also sound and comprehensive sermons by Beveridge, Serm. cv. Vol. v. p. 62 sq. (A.C. Libr.), and Donne, Serm. CXXXI. Vol. v. p. 344 sq. (ed. Alf.). The true originating cause (1 Thess. i. 6) and true sphere (Rom. xiv. 17) of this joy is the Holy Spirit, and its more immediate source, Faith; see notes on Phil. i. 25.

17. abunksimmes mpooreix.] 'pray without ceasing;' a precept naturally following on, and suggested by the

foregoing words; την όδον έδειξε τοῦ άει χαίρειν, την άδιάλειπτον προσευχήν καὶ εὐχαριστίαν ὁ γὰρ ἐθισθεὶς ὁμιλεῖν τῷ Θεῷ καὶ εὐχαριστεῖν αὐτφ ἐπὶ πασιν ώς συμφερόντως συμβαίνουσι, πρόδηλον ότι χαράν έξει διηνεκή, Theoph. This exhortation to unceasing prayer is distinctly urged by the Apostle in other passages (comp. Eph. vi. 18, Col. iv. 2), and is certainly neither to be explained away as 'a precept capable of fulfilment in idea rather than in fact '(Jowett), nor yet, with Bp. Andrewes, to be referred to appointed hours of prayer (Serm. VI. Vol. v. p. 354, A. C. Libr.), but is to be accepted in the simple and plain meaning of the words. Surely the τὸ ὁμιλεῖν τῷ Θεῷ (Theoph.) is one of those things which is real and actual; ούδὲ τοῦτο τῶν ἀδυνάτων, ῥάδιον γὰρ καὶ τῷ ἐσθίοντι τὸν Θεὸν ἀνυμνεῖν, καὶ τῷ βαδίζοντι τὴν τοῦ Θεοῦ συμμαχίαν alτεîν, Theod.; compare Hofmann, Schriftb. Vol. II. 2, p. 335. On the duty of constant prayer, see the sound remarks of Hammond, Pract. Catech. III. 2, p. 224 (not perfectly decided on this text), and on the power of it compare the noble epilogue of Tertullian, de Orat. ch. 20.

18. ἐν πάντι εὐχαριστείτε] 'In every thing give thanks;' not ἐν πάντι, scil. καιρῷ, Flatt. (comp. Chrys. ἀεί), still less 'in iis quæ vobis bona sunt,' Est., but ἐν πάντι, scil. χρήματι,

Chrys. on Phil. iv. 6, Syr., 'in omnibus,' Vulg., Copt.; comp. 2 Cor. ix. 8, ἐν παντὶ πάντοτε, which seems to fix the interpretation, and contrast ἐν μηδενί, Phil. i. 28. On the duty of εὐχαριστία, so often dwelt upon by St. Paul (see notes on Col. iii. 15), see Beveridge, Serm. CVII.

Θεοῦ ἐν Χριστῷ Ἰησοῦ εἰς ὑμᾶς. 19 τὸ Πνεῦμα μὴ

Vol. v. p. 76 sq., and on this and on the preceding verses the homily of Basil, de Grat. Act. Vol. II. p. 34 (ed. Bened. 1839).

τοῦτο γόρ] 'for this,' scil. τὸ ἐν πάντι εὐχαρ. (Theoph., Œcum.); not with reference to this and ver. 17 (Grot.), nor to this and the two preceding verses (Alf.), for though the three precepts χαίρετε, προσεύχεσθε, εὐχαριστεῖτε—especially the two latter - are sufficiently homogeneous in character to be included in the singular τοῦτο, yet the peculiar stress, which the Apostle always seems to lay on $\epsilon \dot{\nu} \chi a \rho$. (see above), renders the single reference to εὐχαριστία apparently more probable; 'gratiæ sunt in omni re agendæ, quia scimus omnia nobis cooperare ad bonum, Rom. viii. 28,' Cocceius; see Hofmann, Schriftb. Vol. II. 2, p. 335. So also Olshaus., Bisping, and Lünem., and appy, the majority of recent expositors. After γάρ, Lachm. adds έστω with D*E*FG; several Vv.; and Lat. Ff., but on insufficient external, and appy. opposing internal evidence. The possible doubt caused by the juxtaposition of $\tau \circ \hat{v} \tau \circ$ and $\theta \in \lambda \eta \mu \alpha$ would naturally suggest the interpolation of the verb subst. ἐν Χρ. 'Iησ. els buas] 'in Christ Jesus toward you: Christ is here represented not exactly as the medium by which (Theoph., Œcum.), but as the sphere in which the $\theta \in \lambda \eta \mu a$ is evinced and has its manifestation; εν φ και τα δόξαντα ποιεί και άναγεννά, Athan. contr. Arian. III. 61, Vol. I. p. 610 (ed. Bened, 1698). The objects towards whom ('ad vos,' Clarom.),not 'in whom' (Vulg., Copt.), or 'in reference to whom' (De W.)-it was so evinced, and to whom it was designed

to apply, were the converts of Thessalonica. The reference of $\theta \epsilon \lambda \eta \mu a$ to the 'decretum divinum de salute generis humani per Christum reparandâ' (see Schott) is grammatically doubtful on account of the omission of the article, and by no means exegetically plausible. The $\theta \epsilon \lambda \eta \mu a$ seems here suitably anarthrous, as marking $\epsilon \dot{\nu} \chi a \rho$. as one part and portion out of many contemplated in the collective $\theta \epsilon \lambda \eta \mu a \tau o \hat{\nu} \Theta \epsilon o \hat{\nu}$; see Lünem. in loc.

19. τὸ Πνεθμα] 'the (Holy) Spirit;' not merely 'vim divinam Christianis propriam' (Noesselt; comp. Beck, Seelenl. p. 37), nor even the gifts of the Spirit as evinced in prophecy (Theod.), nor, more generally, τὴν έν αὐτοῖς ἀναφθεῖσαν τοῦ Πνεύματος χάριν (Athan. ad Serap. I. 4; see Chrys.), but simply the Holy Spirit. which dwells within in association with our spirit, and evinces His presence by varied spiritual gifts and manifestations; comp. 1 Cor. xii. 8 sq., and see Waterl. Serm. XXI. Vol. v. p. 641. The subject of prayer leads naturally to the mention of the Holy Inspirer of it (comp. Rom. viii. 26, Gal. iv. 6), and thence to the specification of other gifts (προφητείας) which emanate from the same blessed Source. μή σβέννυτε] 'Quench not,' whether in yourselves or in others; contrast 2 Tim. i. 6. The Eternal Spirit is represented as a fire (comp. Andrewes, Serm. Vol. III. p. 124, A. C. Libr.) which it was regarded possible to extinguish, -not, however, in the present case by a βlos dκdθαρτος (Chrys.), but, in accordance with the context,-by a studied repression and disregard of its manifestation, arising from erroneous perceptions and a mistaken dread of

σβέννυτε, 20 προφητείας μη εξουθενείτε 21 πάντα δε

21. $\pi d\nu \tau a \delta \ell$] So Lachm. and Tisch. (ed. 1), with BDEFGJK; more than 50 mss.; Vulg., Clarom., Goth., Syr. (Philox.); Clem. (2), Basil, Chrys. (text) al. (Scholz, Linem., Alf.). In his second edition Tisch. strikes out the $\delta \ell$ with A; appy. many mss.; Syr., Copt., al.; Chrys. (aliquoties), Theod., Œcum., al. (Rec., De Wette),—but certainly on insufficient grounds. On the one hand there is only the internal argument of a connective interpolation; on the other hand there is the strong external support, the paradiplomatic argument (Pref. to Gal. p. xvi) of the ΔE having fallen out before the ΔO , and lastly, the plausible internal argument that $\delta \ell$ was omitted to make this sentence equally independent and unconnected with what precede and follow.

enthusiasm; comp. Neander, Planting, Vol. I. p. 202 (Bohn). This is more distinctly specified in what follows. For several illustrations of the expression, see exx. in Wetst., the most pertinent of which is Galen, de Theriac. I. 17, τὸ φάρμακον τὸ ξμφυτον πνεῦμα ῥαδίως σβέννυσιν. Plutarch, de Defect. Orac. § 17, p. 419 Β, ἀποσβῆναι τὸ πνεῦμα.

20. προφητείας] 'prophecies;' not merely announcements of what was to come to pass, but, in accordance with the more extended meaning of $\pi \rho o$ φήτης in the N.T. (see notes on Eph. iv. 11), varied declarations of the divine counsels and expositions of God's oracles, immediately inspired by, and emanating from the Holy Spirit; see Meyer on 1 Cor. xii. 10, and Fritz. on Rom. xii. 6. difference, then, between ordinary διδαχή and προφητεία consisted in this, that the latter was due to the immediate influence of the Spirit, the former to an έξ οίκείας διαλέγεσθαι, Chrys.; see Neander, Planting, Vol. I. p. 133 (Bohn), and for a comparison between prophecy and speaking with tongues, Thorndike, Relig. Assemblies, ch. V. Vol. I. p. 182 sq. ¿ξουθενείτε] (A. C. Libr.). 'despise,' 'set at nought;' a word used in the N.T. both by St. Paul (Rom. xiv. 3, 10, 1 Cor. i. 28, al.) and St. Luke (xvii. 9, xxiii. 11, Acts iv. 11), and found also in the LXX and later writers. On this, the more orthographically correct but apparently less usual έξουδενείν (Mark ix. 12, Lachm., Tisch.), and έξουδενοῦν (LXX, al.: Hesych. ἀποδοκιμάζειν) compare Lobeck, Phrynichus, p. 182. The habit of despising prophecies, here expressly forbidden, most probably arose from instances of $\pi\lambda a$ νῶντεs and πλανώμενοι in the Church of Thessalonica, who had brought discredit on this spiritual gift. deduction of Olsh., that up to the present time St. Paul had no apprehensions of any of the fanaticism which afterwards showed itself among the Thess. (Ep. II.), seems in every way questionable; contrast Neander, Planting, Vol. I. p. 203 sq. (Bohn). They were even now in a state of unrest and disquietude (ch. iv. II sq.); nay, the very exhortation now before us gains all its point from the fact that the more sober thinkers had been probably led by the present state of things to undervalue and unduly reject all less usual manifestations of the Spirit.

21. πάντα δὶ δοκιμ.] 'but prove all things;' antithetical exhortation to the foregoing: 'instead of despising and seeking to repress spiritual gifts, let them be manifested, but be careful to prove them.' Πάντα must thus have a restricted sense, and be

δοκιμάζετε, τὸ καλὸν κατέχετε 22 ἀπὸ παντὸς είδους

limited to the $\chi a \rho l \sigma \mu a \tau a$ previously alluded to; πάντα φησί, δοκιμάζετε, τούτεστι τὰς δντως προφητείας, Chrys. A more precise exhortation is given to the Corinthians, (I Cor. xiv. 20), from which, observing the similar and peculiar subject (προφητεία) here in question, we must conclude that the present precept to exercise spiritual discernment applied not so much to the Church at large (Neander, Planting, Vol. 1. p. 138, Bohn), as more restrictedly to those who had the special charisma of διακρίσεις πνευμάτων, 1 Cor. xii. 10. In 1 John iv. I (see Waterl. Serm. XXVII.) the exhortation is appy, more general, but the points to be tried are more elementary, and more easy to be decided on. On the meaning of the verb δοκιμάζειν, see notes on Phil. i. 10, and for an ingenious but improbable explanation of both the word [testing as a coin] and the following verse, Hänsel, Stud. u. Krit. 1836. p. 170 sq. τὸ κάλον κατέχ.] 'hold fast that which is good;' precept naturally and immediately following on the foregoing: 'exercise the gift of διάκρισις, and having found what is really good, hold to it; τὰ ψευδή και τὰ άληθή μετὰ δοκιμασίας κρίνετε, και τότε το δόξαν υμίν καλόν, τούτεστι τὰς άληθεῖς προφητείας κατέχετε, τούτεστι τιμάτε, διά φρον- $\tau l \delta o s \pi o l \epsilon l \sigma \theta \epsilon$, Theoph. On the primary meaning and derivation of καλός [καδ λός], see Donalds. Cratyl. § 334; but observe that in the N. T. it seems equally co-extensive in meaning with $d\gamma a\theta \delta s$, and frequently, as here, denotes what is simply and morally good; see notes on Gal. vi. 9, and comp. Aristot. Rhetor. I. 9 (init.), καλον μέν οθν έστίν, δ αν δι' αύτο αίρετον ον έπαινετον ή. On this whole verse see an excellent practical sermon by Waterland, Serm. XXIII. Vol. v. p. 655 sq.

22. ἀπὸ παντὸς εἴδους κ.τ.λ.] 'abstain from every form of evil; general exhortation appended to and suggested by, but not closely connected (De W.) with what precedes; Neand. Planting, Vol. I. p. 204, note (Bohn). In this verse there is some little difficulty depending, first on the meaning of eldous, and secondly, on the construction of πονηροῦ. will notice these separately. Eίδος cannot here be 'appearance,' Auth. Ver., Calv., as this meaning is more than lexically doubtful (comp. Luke iii. 22, ix. 29, John v. 37, 2 Cor. v. 7), and even if it could be substantiated would be here inappropriate, as the antithesis seems plainly not between 70 kalor and any semblance of evil, 'quod malum, etiamsi non sit, apparet' (Calv.), but what is actually and distinctly such. therefore adopt the more technical meaning 'species,' 'sort' (Plato, Epin. 990 E, eldos kal yévos, Parmen. 129 C. $\gamma \notin \nu \eta$ $\tau \in \kappa \alpha l$ $\in l \delta \eta$), which is supported by abundant lexical authority (see Rost u. Palm, Lex. s.v., and the numerous exx. in Wetstein in loc.), and is exegetically clear and forcible; they were to hold fast $\tau \delta$ καλόν and avoid every sort and species (μη τούτου ή ἐκείνου, άλλ' άπλῶς πάντος, Theoph.) of the contrary. So probably Vulg., Clarom., 'specie,' and more plainly, Syr., and [negotio] Copt. hob [re], Æth. megbar [agendi ratione], Goth., al., appy. the Greek Ff., and nearly all modern commentators. It is more difficult to decide whether πονηροῦ is an adjective or substantive. Most of the πονηροῦ ἀπέχεσθε. ²³ Αὐτὸς δὲ ὁ Θεὸς τῆς εἰρήνης ἀγιάσαι ὑμᾶς ὁλοτελεῖς, καὶ ὁλόκληρον ὑμῶν τὸ πνεῦμα

ancient Vv. (Syr., Vulg., Copt., Æth.) adopt the former, and so possibly the Greek commentators; the latter, however, preserves more correctly the antithesis, and less infringes (comp. Syr., Copt., al.) on the technical meaning of ellos. So De Wette, Lünem., Koch, Alf., and the majority of modern commentators. The absence of the article (Bengel, Middl. Gr. Art. p. 378) does not contribute to the decision; as abstract adjectives can certainly be thus constructed, when it is not necessary to mark the wholeness or entirety of what is specified; comp. Heb. v. 14, Plato, Republ. II. 358 C, Toltor eldos $d\gamma a\theta o\hat{v}$, and see Jelf, $Gr. \S 451. 1.$

The artificial interpretation of Hänsel (Stud. u. Krit. 1836, p. 180 sq.), είδ. π ον. = κίβδηλον νόμισμα, founded on the association of this text in several patristic citations with our Lord's traditional saying, γίνεσθε δόκιμοι τραπεζίται (see Suicer, Thesaur. Vol. II. p. 1281 sq.), is here adopted by Baumg.-Crus., but rightly rejected by most subsequent expositors. Even if we admit the very doubtful assumption that the simple eldos might gain from the context the more definite meaning eldos voulouaros, the use of $d\pi \dot{\epsilon} \chi \epsilon \sigma \theta \dot{\epsilon}$ in such a form of expression, would still be, as De W. observes, appy. unprecedented.

23. atrès & i But may He; He on whom all depends,—in contrast to them and the efforts they might be enabled to make; comp. ch. iii. 12, where, however, the emphasis is somewhat different, and the contrast less definitely marked. δ Θεὸς τῆς εἰρήνης i the God of peace; the God of whom peace is a characterizing attribute; the gen. falling under the

general category of the gen. of content, (Scheuerl. Synt. § 16. 3, p. 115, comp. notes on Phil. iv. 9), and the subst. εlρήτη marking the deep inward peace and tranquillity, which is God's especial gift, and which stands in closest alliance with that holiness which the preceding clauses inculcate. On this meaning of εlρήτη, see notes on Phil. iv. 7, and on the various meanings which it may assume in this and similar collocations, see Reuss, Théol. Chrét. IV. 18, Vol. II. p. 201.

όλοτελείς] 'wholly ;' 'per omnia,' Vulg., in your collective powers and parts; δλοτ. marking more emphatically than olders that thoroughness and pervasive nature of holiness (δλους δι' δλων, Œcumen., 'secundum omnes partes,' Cocceius) which the following words specify with further exactness: so distinctly, Theoph., όλοτ. δὲ τί ἐστὶ; τοῦτ' ἔστι, σώματι καὶ ψυχῆ. καὶ ἐφεξῆς δὲ μαθήση. This seems preferable to the qualitative interpretation, 'ad perfectum,' Clarom., Æth. (Syr. unites both), according to which ὀλοτελείς would be used proleptically (Syr. Philox.; comp. notes on ch. iii. 13). but in which the connexion between the substance of the first and second. portions of the prayer is less close and self-explanatory. The form ὁλοτελής is an $d\pi$. $\lambda \epsilon \gamma \delta \mu$. in the N.T., but occurs occasionally in later Greek; comp. Plutarch, de Placitis Philos. § 21, p. kal] 'and'-to specify more exactly; the copula appending to the general prayer one of more special details; see Winer, Gr. § 53. 3, p. 388, and comp. notes on Phil. iv. 12. δλόκληρον κ.τ.λ.] 'may your spirit &c., be preserved. entire;' 'not your whole spirit &c.,' Auth., comp. Syr.; δλόκλ., as its

καὶ ή ψυχή καὶ τὸ σῶμα ἀμέμπτως ἐν τῆ παρουσία τοῦ

position shows, not being an epithet but a secondary predicate; see Donalds. Cratyl. § 302, and comp. notes on Col. ii. 3. This distinction seems clearly maintained by all the ancient Vv. (except appy. Syr.); some, as Vulg., al., preserving the order of the Greek, others, as Æth., rendering δλόκλ. by an adverb placed at the end of the clause. The adj. δλόκληρος is a δls $\lambda \epsilon \gamma \delta \mu$. in the N. T. (here and James i. 4,) and serves to mark that which is 'entire in all its parts,' ἐν οὐδενὶ λειπόμενον (James l. c.), differing from τέλειος as rather defining what is complete, while the latter marks what has reached its proper end and maturity. In a word the aspect of the former word is (here especially) mainly quantitative, of the latter, mainly qualitative; comp. Trench, Synon. § XXII., and for exx. see the large collection of Wetst. in loc., one of the most pertinent of which is Lucian, Macrob. § 2, els γηρας άφικεσθαι έν ύγιαινούση τη ψυχή, καὶ όλοκλήρω τῷ σώματι; see also Elsner, Obs. Vol. 11. p. 278. The predicate clearly belongs to all three substantives though structurally connected with the first. ύμῶν τὸ πνεύμα κ.τ.λ.] 'your body, soul. and spirit;' distinct enunciation of three component parts of the nature of man: the πνεῦμα, the higher of the two immaterial parts, being the 'vis superior, agens, imperans in homine' (Olsh.); the $\psi \nu \chi \eta$, 'vis inferior quæ agitur, movetur, in imperio' (ib.), the sphere of the will and the affections. and the true centre of the personality; see Olshausen, Opusc. p. 154, Beck, Seelenl. 11. 12, 13, p. 30 sq., Schubert, Gesch. der Seele, § 48, Vol. II. 495 sq., comp. Vitringa, Obs. Sacr. p. 549 sq., and more especially University Sermons, p. 99-120, where this text is con-

sidered at length, and the scriptural distinction between the πνεῦμα and ψυχή discussed and substantiated. It may be remarked that we frequently find instances of an apparent dichotomy 'body and soul,' (Matth. vi. 25, x. 28, al.), or 'body and spirit' (1 Cor. v. 3, vii. 34, al.), but such passages will only be found accommodations to the popular division into a material and immaterial part; the ψυχή, in the former of the exceptional cases, including also the πνεῦμα, just as in the latter case the πνεῦμα also comprehends the $\psi \nu \chi \dot{\eta}$; see Olsh. l. c., p. 153 note, and contrast the ineffectual denial of Loesner, Obs. p. 381. To assert that enumerations like the present are rhetorical (De W.), or worse, that the Apostle probably attached 'no distinct thought to each of these words' (Jowett) is plainly to set aside all sound rules of scriptural exegesis. Again, to admit the distinctions, but to refer them to Platonism (Lünem.) is equally unsatisfactory and equally calculated to throw doubt on the truth of the teaching. If St. Paul's words do here imply the trichotomy above described (comp. Usteri, Lehrb. p. 384 sq.), then such a trichotomy is infallibly real and true. And if Plato or Philo have maintained (as appears demonstrable) substantially the same views, then God has permitted a Heathen and a Jewish philosopher to advance conjectural opinions which have been since confirmed by the independent teaching of an inspired Apostle. άμέμπτως] 'blamelessly;' the adverbial predication of quality appended to $\tau \eta \rho \eta \theta \epsilon i \eta$, δλόκληρον (see above) involving that of quantity. On the meaning of ἄμεμπτος 'is in quo nihil desiderari potest,' and its distinction from auwuos, see, Κυρίου ήμῶν Ἰησοῦ Χριστοῦ τηρηθείη. 24 πιστὸς δ καλῶν ὑμᾶς, ὅς καὶ ποιήσει.

Pray for us. Salute the brethren, and cause this Epistle to be read before the Church.

25 'Αδελφοί, προσεύχεσθε περὶ ἡμῶν. αδελφοὺς πάντας ἐν Church.

24. πιστὸς ὁ καλῶν] 'Faithful is He who calleth you,' 'qui vocat,' Clarom., scil. God the Father; comp. I Cor. i. o, and see notes on Gal. i. 6. The tense is neither to be pressed as implying an enduring act (Baumg. Crus., Bisp.), nor to be regarded as identical with the aor. 'qui vocavit,' Vulg., Goth., but simply to be considered as timeless, and as equivalent to a substantive, 'your Caller;' see notes on Gal. v. 8, and Winer, Gr. § 45. 7, p. 316. Πιστὸs in ref. to God here implies a faithfulness and trueness to His nature and promises (1 Cor. x. 13, 2 Tim. ii. 13), and hence becomes practically synonymous with $\dot{a}\lambda\eta\theta\dot{\eta}s$, Chrys., Theod.; ἐν γὰρ τῷ ποιείν & έπαγγέλλεται πιστός έστι λαλών, Athanas. contr. Arian. II. 10, Vol. I. p. 478 (ed Bened.), see Reuss, Théol. Chrét. IV. 13, Vol. II. p. 124. 85 Kal mointel 'who also will do it,'

not exactly, 'what I wish' (De W.) nor έφ' & έκαλεσεν sc. σώσει (Œcum., Theophyl.), but simply 'that same thing' (Arm.), scil. τὸ ἀμέμπτως ὑμᾶς τηρηθῆναι (Bisp., Lünem.), or, as the identity of subject suggests, τὸ ἀγιάσαι κ.τ.λ. and τὸ τηρηθῆναι κ.τ.λ.,—in a word, the substance of the prayer ex-

pressed in the preceding verse. In such cases there is really no ellipse of any pronoun; $\pi o \iota \epsilon i \nu$ is merely 'nude positum,' receiving its more exact explanation from the context; comp. Koch in loc., and Schömann on Isæus, de Apoll. Hær. § 35, p. 372.

25. προσεύχεσθε περί ήμων] 'pray for us;' comp. Eph. vi. 19, Col. iv. 3, 2 Thess. iii. 1. De Wette and Alf. remark that $\pi \epsilon \rho l$ is here less definite than $\dot{v}\pi\epsilon\rho$; but it is very doubtful whether in this and similar formulæ in the N.T. the difference is really appreciable; see notes on Eph. vi. 19, Fritz. Rom. Vol. 1. p. 26, and for the general distinction between the prepositions, notes on Gal. i. 4, and on Phil. i. 7. The prayer was doubtless intended to include reference both to his own personal state, and to the general success of his apostolic work; comp. Cocceius in loc. Whether Silvanus and Timothy are included is perhaps here doubtful; in Eph. l. c. where the Apostle writes only in his own person, the plural is equally used. Lachm. inserts in brackets kal before περί ὑμῶν, but on authority [BD*; a. few mss.; Clarom., Sangerm., Syr. (Philox.), Goth.] scarcely sufficient to warrant even this mode of insertion.

26. ἀσπάσασθε κ.τ.λ.] 'Salute all the brethren;' concluding exhortation, apparently addressed to the Elders of the Church (consider ver. 27). In the parallel passages, Rom. xvi. 16, 1 Cor. xvi. 20, and 2 Cor. xiii. 12 (ἐν ἀγίω φιλ., but opp. to AFGJ; see Fritz on Rom. l. c.), comp. 1 Pet. v. 14, the exhortation is ἀσπάσασθε ἀλλήλους: ἐπειδὴ φιλήματι αὐτοὺς ἀσπάσασθαι

φιλήματι άγίω. ²⁷ ἐνορκίζω ὑμᾶς τὸν Κύριον, ἀναγνωσθηναι την ἐπιστολην πᾶσιν τοῖς ἀγίοις ἀδελφοῖς.

27. $\dot{\alpha}\gamma loss$ $d\delta\epsilon \lambda \phi o \hat{s}$? The reading is very doubtful. Rec. and Scholz insert $\dot{\alpha}\gamma loss$ with AJK; mss.; Syr. (both), Vulg., Copt., Goth., Eth. (Platt), Arm.; Chrys., Theod., (De Wette, Koch). It is omitted by Lachm. and Tisch. with BDEFG; mss.; Clarom. Æth. (Pol.); Ambrst., Damasc., (Lünem., Alf.), but appy. with somewhat less probability. Though the uncial authorities preponderate for the omission, still the strong testimony of the Vv., and the probability that a word, here used somewhat uniquely by St. Paul in adjectival connexion with $d\delta\epsilon\lambda\phi o \hat{s}$, should be omitted as superfluous, decide us in favour of the text; comp. Heb. iii. 1. The epithet is certainly not without pertinence in reference to the adjuration and strength of language which marks the verses all the brethren, viewed generally as Christians, were holy (comp. Numb. xvi. 3), and would especially profit by having this letter read to them.

ούκ ήδύνατο, άπων δι' έτέρων αύτούς άσπάζεται, Chrysost. The Oriental custom of kissing in their greetings (Winer, RWB. s. v. 'Kuss,' Vol. I. p. 688) is here enhanced with Christian characteristics: it is to be a φίλημα άγιον, a φίλημα άγάπης, I Pet. v. 14, an 'osculum pacis,' Tertull. de Orat. ch. 14, a φίλημα μυστικόν, Clem. Alex. Pædag. III. 11, Vol. I. p. 301 (ed. Potter),-whether as given after prayer (Just. M. Apol. 1. 65; comp. Const. Apost. 11. 57, τὸ ἐν Κυρίφ φίλημα), or more probably as a token of brotherly love and holy affection,-no idle, meaningless, and merely pagan custom of salutation. On this custom see more in Bingham, Antiq. Book III. 3. 3, Augusti, Archäol. Vol. II. p. 718 sq., Coteler on Const. A post. l. c., and Fritz. Rom. xvi. 16. prep. èv may here possibly mark the accompaniment (see on Col. iv. 2), but is more naturally taken as simply instrumental; the φίλημα being that in which, so to say, the dσπασμὸς was involved; see notes on ch. iv. 18.

27. ἐνορκζω ὑμᾶς κ.τ.λ.] 'I adjure you by the Lord.' This very strong form of entreaty has been differently explained. There does not seem sufficient reason for concluding from ver.

12, 13, with Olsh., that there had been such differences between the Elders and the Church of Thess. as to suggest a fear that the Epistle might not be communicated to the Church at large; as the language of those verses is admirably calculated both to bespeak respect to the elders, and to conciliate the Church. That the expression arose from slight distrust combined with a θερμή διανοία towards his converts (Chrys., Theoph.) is improbable; that it was a customary form with St. Paul (Jowett 1), indemonstrable : that the inspired Apostle was not master of his words, or did not know their value (Jowett 2), monstrous. We therefore may perhaps fall back on the reason hinted by Theodoret and expanded by recent expositors, -that a deep sense of the great spiritual importance of this Ep. to all without exception suggested the unusual adjuration ; δρκον προστέθεικε, πασι την έκ τής καταγνώσεως ώφέλειαν πραγματεύων, Theod. The objections of Baur are briefly but satisfactorily answered by Neander, Planting, Vol. II. p. 126 (Bohn). The verb ένορκ. (Rec. the more usual δρκίζω with D***FGJK; mss.) is appy. not

found elsewhere, and is even wholly

Benediction. 28 'Η χάρις τοῦ Κυρίου ἡμῶν Ἰησοῦ Χριστοῦ μεθ' ὑμῶν.

omitted in the best modern lexicons. τὸν Κύριον] Accus. of the person; comp. Mark v. 7, Acts xix. 13, and for the similar construction of δρκόω see Jelf, Gr. § 583. 123. On the two forms δρκοῦν and δρκίζειν, and the prevalence of the former in Attic writers, see Lobeck, Phryn. p. 360, 361. άναγνωσθήναι] 'be read-as the context suggests-publicly; comp. Luke iv. 16, Acts xv. 21, 2 Cor. iii. 15, Col. iv. 16. This meaning ('palam prælegatur,' Schott) is, however, not specially due to the prep. drd, as άναγν. is abundantly used without any accessory notion of publicity, but is reflected on the verb by the general tenor of the sentence. The sor. infin. perhaps refers to the single act (Alf.), but must certainly not be pressed, as this tense in the infinitive, especially after verbs of 'hoping,' 'commanding,' &c. (see on ch. iv. 10), is often used in reference not merely to single acts, but to what is either timeless ('ab omni temporis definiti conditione libera et inmunis' Stalb. on Plato, Euthyd. p. 140), or simply eventual, and dependent on the action expressed by the finite verb; see Scheuerl. Synt. § 31. 2. b, p. 320 sq., Winer, Gr. § 44. 7. b, p. 296, and esp. Schmalfeld,

Syntax, § 173. 4. p. 346,—where the different moods of the infin. are carefully considered and contrasted.

28. ἡ χάρις κ.τ.λ.] The concluding benedictions of St. Paul's Epp. are somewhat noticeably varied. Adopting the best attested readings, we may observe that the shortest form is h χάρις μεθ' ὑμῶν, Col. iv. 18, 2 Tim. iv. 22 (preceded by ὁ Κύριος Ί. Χ. μετά τοῦ πνεύμ. σου), Tit. iii. 15 (μετά πάντων ὑμῶν), ἡ χάρ. μετὰ σοῦ 1 Tim. vi. 21, the longest, the familiar benediction 2 Cor. xiii. 13. Of the rest we have first, Rom. xvi. 20, 2 Thess. iii. 18, and Rom. xvi. 14 (πάντων ὑμ.), 1 Cor. xvi. 23 (omits $\dot{\eta}\mu\hat{\omega}\nu$, and appends ή άγάπη μου μετά πάντ. ύμ. έν X.'I.)—the same as the present; secondly, Philem. 25, Gal. vi. 18 (adds $d\delta \epsilon \lambda \phi o l$). Phil. iv. 23 (omits $\dot{\eta} \mu \hat{\omega} \nu$), in the form ή χάρις τοῦ Κυρ. Ί. Χ. μετά τοῦ πνεύματος ὑμῶν; and lastly, Eph. vi. 24, in the longer form ή χάρις μετά πάντων των άγαπώντων τον Κύρ. ἡμων 'I. X. ἐν ἀφθαρσία; see Koch on Philem. 25, p. 135 sq. The dμην (Rec. with AD***EJK; mss.) is appy. rightly omitted by Lachm. and Tisch. with BD*FG; mss.; Clarom., Sangerm., Amit., al., being probably only a liturgical addition.

SECOND EPISTLE TO THE THESSALONIANS.

CHAPTER I. 1, 2.

2. πατρόs ἡμῶν] The reading is very doubtful. Tisch. omits, and Lachm. brackets ἡμῶν with BDE; 3 mss.; Clarom., Sangerm.; Theophyl.; Ambrst. (ed.), Pel. (Lünem., Alf.). The pronoun is retained in Rec. with AFGJK; appy. great majority of mss.; Syr. (both), Vulg., Goth., Æth. (both), Copt., Arm.; Chrys., Theod., al. (Griesb., but om.),—and appy. rightly; for on the one hand the preponderance of external authority is very decided, and on the other, the probability of an omission either accidentally or intentionally, owing to the ἡμῶν just preceding, is not much less than the probability of an interpolation to conform with other Epistles.

CHAPTER I. 1. Hathof kat $\Sigma \iota \lambda$.] Substantially the same form of salutation as in the first Epistle; see notes in loc. The only difference is in the addition $\dot{\eta}\mu\omega\nu$ to $\pi\alpha\tau\rho l$, which, contrary to what we might have expected, does not appear to have suggested any variety of reading. For a brief account of Silvanus and Timothy who are here, as in the first Ep., associated with the Apostle as having co-operated with him in founding the Church of Thessalonica, see notes on 1 Thess. i. I.

2. χάρις ὑμῖν καὶ εἰρήνη] Regular form of salutation, uniting both the Greek χαίρεω and the Hebrew τίνφ (Gen. xliii. 23, Judges vi. 23, al.); τὸ χάρις ὑμῖν οὕτω τίθησω, ὥσπερ ἡμείς

τὸ χαίρεν ἐν ταῖς ἐπιγραφαῖς τῶν ἐπιστολῶν εἰώθαμεν, Theod. Mops. p. 145 (ed. Fritz.): see more in notes on Gal. 1. 2, Eph. 1. 2, and in the long and laborious note of Koch on 1 Thess. i. 1. The remark of Thom. Aquin. is not without point, 'χάρις quæ est principium omnis boni, εἰρήνη quæ est finale bonorum omnium;' see also notes on Col. i. 2.

aπò Θεοῦ πατρὸς ἡμ.] 'from God our Father;' scil. as the source from which it emanates. In 2 John 3 we find παρὰ in the same combination, but with a difference of meaning that in the present case (in ref. to God) is scarcely appreciable, and depends perhaps entirely on the usage and mode of

conception of the writer. St. John, for example, uses $\pi a \rho a$ and $a\pi a$ in a proportion a little less than I to 3, while St. Paul uses the same prepp. in a proportion of 1 to 5. The general distinction between these prepp. ($d\pi\delta$, emanation simply; παρά, eman. from a personal source) and the more frequently used $\epsilon \kappa$ is well stated by Winer, Gr. § 47. b, p. 326 (ed. 6). και Κυρίου κ.τ.λ.] Scil. και άπὸ Κυρίου κ.τ.λ.; not πατρός Κυρίου κ.τ.λ., an interpretation rendered highly improbable by the occurrence of πατήρ without any gen., as indeed here Tisch., [Lachm.], with less doubt Gal. i. 3, 1 Tim. i. 2, and with no var. 2 Tim. i. 2, Tit. i. 4; see notes on Eph. i. 3. On the reading, see critical note.

3. εὐχαρ. ὀφείλομεν] 'We are bound to return thanks,' scil. St. Paul, Silvanus, and Timothy. Though we must be cautious in pressing the plural in every case, yet in the present, remembering the relation in which Silv. and Tim. stood to the Church of Thess., it can hardly be overlooked: see notes on 1 Thess. i. 2. On this use of εὐχαριστείν in the sense of χάρω έχεω, see notes on Phil. i. 3, and for the constructions of εύχαρ., notes on Col. i. 12. περὶ ὑμῶν] 'concerning you;' with no very appreciable difference from ὑπὲρ (Eph. i. 16) in the same formula; see notes on I Thess. i. 2, v. 25, and for the distinction between these prepositions in cases where they appear less interchangeable, see on Gal. i. 4, and καθώς ἄξιόν on Phil. i. 7. ioriv] 'as it is meet;' not, on the one hand, a mere parenthetical addition to the preceding εὐχαρ. ὀφείλ., ('ut par est,' Beza), nor yet on the other, an emphatic statement of the 'modus

eximius' (Schott; και διά λόγων και δι' ξργων, Theoph. 2) in which such an εύχαριστία ought to be offered, but simply a connecting clause between the first member of the sentence and the distinctly causal statement one ὑπεραυξάνει κ.τ.λ. which follows, and with which $\kappa a \theta \dot{\omega} s$ d $\xi \iota o \nu \kappa. \tau. \lambda$. stands in more immediate union. Thus, as Lünem. well observes, while the δφείλομεν states the duty of the εὐχαριστία on its subjective side, καθώς κ.τ.λ. subjoins the objective aspects. probably will hesitate to prefer this simple and logical explanation to any assumption so injurious to the inspired writer as that of a tautology designed to supply the place of emphasis (Jowett). δτι will thus be not relatival > [quod] Syr. Pesch., but distinctly causal, 'quoniam,' Vulg., Clarom., Æth. (both), Goth., Syr. Philox., -in close union with the clause immediately preceding. It may be remarked that few particles in St. Paul's Epp. cause a more decided discrepancy of interpretation than δτι. Between the merely objective (Winer, Gr. § 53. 9, p. 398), and the strictly causal force (Winer, Gr. § 53. 8, p. 305) of the particle, it is not only often very difficult to decide, but in several passages (e. g. Rom. viii. 21) exegetical considerations of some moment will be found to depend on the decision; comp. notes on I Thess. iv. 16.

ύπεραυξάνει] 'increaseth above measure;' an ἄπ. λεγόμ. in the N.T. and not very common elsewhere, comp. Andoc. contr. Alcib. p. 32 (ed. Steph.), τοὺς ὑπεραυξανομένους. The predilection of St. Paul for emphatic compounds of ὑπὲρ has been noticed and briefly illustrated on Eph. iii. 20; see also Fritz. Rom. v. 20, Vol. I. p. 351.

ύπεραυξάνει ή πίστις ύμων, καὶ πλεονάζει ή αγάπη ένὸς έκάστου πάντων ύμων εἰς ἀλλήλους, 4 ώστε ήμας αὐτοὺς ἐν ὑμιν ἐχκαυχασθαι ἐν ταις ἐκκλησίαις τοῦ Θεοῦ ὑπὲρ τῆς ὑπομονῆς

It may be observed that ὑπεραυξάνει appears associated with wlotes as conveying more distinctly the idea of organic evolution and growth (comp. Matth. xvii. 20, Luke xvii. 6), while with $d\gamma d\pi \eta$ a term is used which expresses more generally the idea of spiritual enlargement, and of extension toward others; comp. notes on ένὸς 1 Thess. iii. 12. ἐκάστου κ.τ.λ.] 'of every one of you all toward each other;' not without distinctive emphasis,—first, in specifying that this $d\gamma d\pi \eta$ was not merely general, but individually manifested (Ιση ην παρά πάντων η άγάπη εis πάντας, Theoph.), and secondly, in showing that it was not restricted in its exhibitions to those who loved them, but extended to all their fellow Christians at Thessalonica; ὅταν μερικῶς άγαπωμεν, ούκ άγάπη τοῦτο άλλά διάστασις εί γάρ διά τὸν Θεὸν άγαπᾶς, πάντας άγάπα, Theoph. On this verse see five practical sermons by Manton, Works, Vol. IV. p. 420-458 (Lond. t608).

4. ήμας αὐτοὺς] 'we ourselves,'—as well as others, whether among you or elsewhere, who might call attention to your Christian progress more naturally and appropriately than those who felt it, humanly speaking, due to their own exertions, but who, in the present case, could not forbear. De Wette compares t Thess. i. 8, but it may be doubted whether St. Paul had here that passage very distinctly in his thoughts. To refer \(\delta\mu \alpha \side a \delta \tau \tau \right) s to St. Paul himself, in contrast to his associates included in the preceding plural verbs (Schott), seems distinctly illogical; and to leave open the possibility that this may be only an instance

of 'false emphasis or awkwardness of expression' (Jowett), can only be characterized as a subterfuge at variance with all fair, sound, and reasonable exegesis. The distinction between ἡμεῖs aὐτοὶ (in which the emphasis falls on the ἡμεῖs) and αὐτοὶ ἡμεῖs (in which it falls more on the αὐτοἱ; comp. I Thess. iv. 9) is illustrated by Krüger, Sprachl. § 51. 2. 8.

έν ύμιν έγκαυχασθαι] 'boast in you;' you were the objects of it, and the sphere, or rather substratum of its manifestation; comp. Winer, Gr. § 48. a, p. 345, and see notes on Gal. i. 24, N. 20. The somewhat rare form ἐγκαυχᾶσθαι is found a few times in the LXX, e.g. Psalm lii. 1, cvi. 47, al., in eccl. writers, and in Æsop, Fab. CCCXLII. p. 139, (ed. Schneider). The reading is not by any means certain; Rec. with DE(FG καυχήσασθαι)JK; mss.; many Ff., reads καυχᾶσθαι; but the probability that the change to the simpler and more common form is due to a corrector, seems in this case so very great that the reading of Lachm., and Tisch., though only with AB, 17, may perhaps with critical correctness be considered to deserve the preference.

in the Churches of God,' scil. in Corinth and its neighbourhood, where the Apostle was at the time of writing this Ep.; comp. Acts xviii. II, and see Wieseler, Chronol. p. 254 sq. The remark of Chrysost., ἐνταῦθα δείκνυσι καὶ πολὺν παρελθύντα χρόνον ἡ γὰρ ὑπομονὴ ἀπὸ χρόνου φαίνεται πολλοῦ, οὐκ ἐν δύο καὶ τρισὶν ἡμέραιs,—must be received with reservation; as there seems no reason for thinking that the Epistle was written later than the spring of 54 A.D.,

ύμῶν καὶ πίστεως ἐν πᾶσιν τοῖς διωγμοῖς ὑμῶν καὶ ταῖς θλίψεσιν αἷς ἀνέχεσθε, 5 ἔνδειγμα τῆς δικαίας κρίσεως τοῦ

perhaps even a few months earlier; comp. Lünem. Einleit. p. 160.

ύπομ. ύμων και πίστως your patience and faith;' precise subjects of the Apostle's boasting. There is no ₹ν διὰ δυοίν in these words, scil. ὑπομονης έν πίστει, Grot., -ever a doubtful and precarious assumption (see Fritz. on Matth. p. 853-858, Excurs. IV., where this grammatical formula is well considered), nor does mlores here imply 'fidelis constantia,' Beng., 'Treue,' Lünem.,—a doubtful meaning of wloves in the N. T., especially when the more usual meaning has just preceded (ver. 3) in reference to the same subjects. The Thessal. evinced faith in its proper and usual sense, in bearing up in their tribulations, and believing on Him while bearing His cross. On the meaning of ὑπομονή (here almost taking the place of έλπίς, Neand. Planting, p. 479, Bohn), which in the N. T. seems ever to imply not mere 'endurance,' but 'brave patience,' see notes on 1 Thess. i. 3, and comp. on 2 Tim. ii. πασιν seems clearly to belong only to διωγμοῖs; the article would otherwise have been omitted before θλίψεσιν. The distinction between the two words appears sufficiently obvious: διωγμός is the more special term ('injurias complectitur, quas Judzei et ethnici Christianis propter doctrinæ Christi professionem imposuerunt,' Fritz.), $\theta \lambda l \psi \iota s$ the most general and comprehensive; see Fritz. Rom. viii. 35, Vol. II. p. 221.

ds dwixerde] 'which ye are enduring,' 'quas sustinetis,' Vulg., Clarom.; ordinary and regular attraction (Winer, Gr. § 24. 1, p. 147)—for ων dνέχ., if we follow the analogy of 2 Cor. xi. 1, 2 Tim. iv. 3, or for—ds dνεχ., if we

follow the more usual structure of the verb in classical Greek. In the N.T. άνέχομαι is associated most commonly with persons, and but rarely with things; in both cases, however, it is constructed with a gen., while in earlier Greek its construction, esp. with persons, is comparatively rare except in the accus.; see Rost u. Palm, Lex. s.v. Vol. 1. p. 227. The present tense shows that the application is still going on, and is in no way at variance with 1 Thess. i. 6, ii. 14 (contrast Baur, Paulus, p. 488, notes), which refer to an earlier persecution that appears to have partially subsided before the 1st Epistle was written. The present allusion, as Lünem. rightly observes, is to some fresh outbreak. On this verse and on the remaining verses of the chapter, see sixteen practical sermons by Manton, Works, Vol. v. p. 393-514 (Lond. t698).

5. ἔνδειγμα κ.τ.λ.] '(which is) a token or proof of the righteous judgment, &c.;' appositional clause to the whole foregoing sentence, and practically equivalent to ὅ τι ἐστιν ἔνδειγμα $\kappa.\tau.\lambda$; comp. Phil. i. 28 [where observe the practically slight difference between the two verbals], and see Fritz. Rom. xii. 1, Vol. 1. p. 16. The apposition here seems to be not accusatival (Rom. xii. 1, I Tim. ii. 6), but nominatival, ἔνδειγμα not referring merely to the clause that more immediately involves the verb, but to all the preceding words, της ὑπομονης . . . dνέχεσθε: the endurance of all their persecutions and their afflictions in patience and faith formed the ξνδειγμα τής δικαίας κρίσεως του Θεού; comp. Rom. viii. 3, and see Winer, Gr. § 59. 9, p. 472. The reference of Θεοῦ, εἰς τὸ καταξιωθηναι ὑμᾶς της βασιλείας τοῦ Θεοῦ, ὑπὲρ

ένδειγμα to the Thess. ('ipsi Thessal. adversa sustinentes intelligi possunt esse exemplum justi judicii Dei,' Est.) is grammatically plausible, but both logically and exegetically improbable and unsatisfactory: the proof of the righteous judgment of God was not to belooked for in the Thessalonians themselves, but in their acts and their patient endurance.

Sikalas kolorews] 'the just judgment,' that will be displayed at the Lord's second coming (comp. ver. 7), when they who have suffered with and for the Lord will also reign with Him; comp. 2 Tim. ii. 12. To refer the δικαία κρίσις solely to present sufferings, as perfecting and preparing the Thessal. for future glory (Olsh.), is to miss the whole point of the sentence: the Apostle's argument is that their endurance of suffering in faith, is a token of God's righteous judgment and of a future reward, which will display itself in rewarding the patient sufferers, as surely as it will inflict punishment on their persecutors; ζστε σαφώς των κινδύνων τὰ δθλα, καὶ την των οὐρανών προσδέχεσθε βασιλείαν, τοῦ άγωνοθέτου τὴν δικαίαν ἐπιστάμενοι ψῆφον. Theod.

ets τὸ καταξωθ.] 'that ye may be counted worthy;' general direction of the δικαία κρίσις and object to which it tended. This infinitival clause has been associated with three different portions of the preceding sentence; (a) with αις ανέχεσθε, scil. 'quas afflictiones sustinetis eo fine et fructu ut.... efficiamini digni regno Dei,' Est.; (b) with ενδειγμα—Θεοῦ, scil. 'quæ perseverantia vestra judicii divini justissimi olim futuri pignori inservit, quod hoc attinet, ut digni judicemini,' Schott 2; (c) with δικαίας κρίσεως, so as to mark either (1) the

result to which it tended, Lünem., or (2) the aim which it contemplated, De Wette. Of these, while (a) causes the really important member ἔνδειγμα $\kappa.\tau.\lambda$ to relapse into a mere parenthesis, and (b) infringes on the almost regular meaning of els to with the infin., (c) preserves the logical sequence of clauses and the usual force of els rò with the infin. Whether, however, the result or the aim is here specified is somewhat doubtful. The decidedly predominant usage in St. Paul's Epp. of $\epsilon is \tau \delta$ with the inf. suggests the latter (Winer, Gr. § 44. 6, p. 295, Meyer on Rom. i. 20, note): as, however, there seems some reason for recognising elsewhere in the N. T. a secondary telic force of els τὸ (see notes on I Thess. ii. 12), we may perhaps most plausibly, in the present case, regard the καταξιω- $\theta \hat{\eta} \nu a \iota \kappa. \tau. \lambda$. not purely as the purpose, 'in order to,' Alf., but rather as the object to which it tended: the general direction and tendency of the kplous was that patient and holy sufferers should be accounted worthy of God's kingdom. βασιλείας τοῦ

Geoû] 'the kingdom of God;' His future kingdom in heaven, of which the Christian here on earth is a subject, but the full privileges of which he is to enjoy hereafter; see notes on to Thess. ii. 12, and comp. Bauer's treatise there alluded to, de Notione Regni Div. in N. T. p. 120 sq.

inter is kal mackets 'for which ye are also suffering;' not exactly 'pro quo consequendo,' Est., but with a more general reference, 'in behalf of which,' 'for the sake of which,'—the interpolar marking the object for which ('in commodum cujus,' comp. Usteri, Lehrb. II. 1. 1, p. 116) the suffering was endured (comp. Acts v. 41, Rom.

ης καὶ πάσχετε, 6 εἴπερ δίκαιον παρὰ Θεῷ, ἀνταποδοῦναι τοῖς θλίβουσιν ὑμᾶς θλίψιν 7 καὶ ὑμῖν τοῖς θλιβομένοις ἄνεσιν μεθ' ἡμῶν, ἐν τῆ ἀποκαλύψει τοῦ Κυρίου Ἰησοῦ

i. 5, see Winer, Gr. § 48. l, p. 343), while the kal with a species of consecutive force supplies a renewed hint of the connexion between the suffering and the $\kappa \alpha \tau \alpha \xi \iota \omega \theta \hat{\eta} \nu \alpha \iota \kappa. \tau. \lambda$. On this force of kal, see Winer, Gr. § 53. 3, p. 387, and comp. on 1 Thess. iv. 1. The clause thus contains no indirect assertion that sufferings established a claim to the kingdom of God (dπò τοῦ πάσχειν προπορίζεται ή βασιλεία των οὐρανῶν, Theoph.), but only confirms the idea elsewhere expressed in Scripture that they formed the avenue which led to it (ούτως δεί εls την βασιλείαν είσιέναι,, Chrys.), and that the connexion between holy suffering and future blessedness was mystically close and indissoluble; comp. Acts xiv. 22, Rom. viii. 17. On the general aspects of suffering in the N. T., see Univ. Serm. II. pp. 35-42.

6. «ίπερ δίκαιον] 'if so be that it is righteous;' confirmation, in a hypothetical form, of the preceding declaration of the justice of God, derived from His dealings with their persecutors. The elmep thus involves no doubt (οὐκ ἐπὶ ἀμφιβολίας τέθεικεν. άλλ' ἐπὶ βεβαιώσεως, Theod.), but only, with a species of rhetorical force, regards as an assumption (' $\epsilon l \pi \epsilon \rho$ usurpatur de re quæ esse sumitur,' Hermann, Viger, No. 310) what is really felt to be a certain and recognised verity; $\tau l\theta \eta \sigma \iota \tau \delta$ ' $\epsilon l\pi \epsilon \rho$,' $\dot{\omega} s$ έπι των ωμολογημένων, Chrys. On the force of είπερ, see Klotz, Devar. Vol. II. p. 528, and on its distinction from είγε, comp. notes on Gal. iii. 4. The word δίκαιον evidently points back to the δικαία κρίσις in ver. 5, not with any antithetical allusion to the grace of God (comp. Pelt), but in

simple and immediate reference to His justice as regarded under the analogies of strict human justice (εἰ γὰρ παρά άνθρώποις τοῦτο δίκαιον, πολλώ μᾶλλον παρά τῷ Θεῷ, Chrys.), and as inferred from His own declarations; comp. Rom. ii. 5, Col. iii. 24, 25. παρά Θεφ] 'before God,' with God, 'apud Deum,' Vulg. 🚨 🔊 [coram Deo] Syr.; the secondary idea of locality ('motion connected with that of closeness,' Donalds. Cratyl. § 177) being still faintly retained in the notion of judgment as at a tribunal, e.g. Herod. III. 160, παρά Δαρείφ κριτή; comp. Gal. iii. 11, and see Winer, Gr. § 48. d, p. 352. On the meaning of άνταποδιδόναι, see notes on 1 Thess. iii. Q. θλίβουσιν κ.τ.λ.] 'to those that affict you, affliction;' the 'jus talionis' exhibited in its clearest form: the $\theta \lambda l$ βοντες are requited with $\theta \lambda l \psi \iota s$, the θλιβόμενοι with ανεσις. Theophyl. subjoins the further comparison; oùx ώσπερ δε al επαγόμεναι υμίν θλίψεις πρόσκαιροι, ούτω και αι τοις θλίβουσιν ύμας αντεπαχθησόμεναι παρά Θεοῦ πρόσκαιροι έσονται, άλλ' άτελεύτητοι και αι άνέσεις ύμιν τοιαθται.

7. τοις θλιβομένοις] 'who are afflicted;' passive, clearly not middle, 'qui pressuram toleratis,' Beng., as the antithesis would thus be marred, and the illustration of the 'jus talionis' somewhat obscured.

Δυεσιν μεθ' ἡμῶν] 'rest with us;' rest in company with us, who are writing to you, and who like you have been exposed to suffering; see ch. iii. 2. To give ἡμῶις a general reference (De W.) would not be strictly true, and would impair the encouraging and consolatory cha-

απ' οὐρανοῦ μετ' ἀγγέλων δυνάμεως αὐτοῦ 8 ἐν φλογὶ πυρός, διδόντος ἐκδίκησιν τοῖς μὴ εἰδόσιν Θεὸν καὶ τοῖς μὴ

8. φλόγι πυρός] So Lachm. with BDEFG; 71; Vulg., Clarom., Syr., Goth., al.; Maced., Theod. (comment. !)., Œcum.; Tertull. (Scholz, Tisch., Lünem.), In his second edition Tisch. adopts πυρί φλογός with AJK; nearly all mss.; Syr. Philox. (marg.); Chrys., Theod. (text), Dam., al., (Rec., Alf.), but appy. not on sufficient evidence. Though a change from the less usual to the more natural form of expression is far from improbable; still either erroneous transcription or a reminiscence of the well-known passage, Exod. iii. 2, might have led to the inverted form. In this uncertainty the preponderance of external evidence ought certainly to decide us.

racter of the reference; $\epsilon\pi d\gamma\epsilon\iota \ \tau\delta \ \mu\epsilon\theta'$ ύμων, Ένα κοινωνούς αὐτούς λάβη καὶ των άγώνων και στεφάνων των άποστολικών, Œcum. "Aveous is similarly used in antithesis to $\theta \lambda l \beta \epsilon \sigma \theta \alpha l$ and $\theta \lambda l \psi l$, 2 Cor. vii. 5, viii. 13; it properly implies a relaxation, as of strings, and in such combinations stands in opposition to $\epsilon \pi l \tau a \sigma \iota s$; comp. Plato, Republ. Ι. 340 Ε, έν τῆ ἐπιτάσει καὶ ἀνέσει τῶν χορδών. It here obviously refers to the final rest in the kingdom of God; and forms one of the elements of its blessedness considered under simply negative aspects; comp. Rev. xiv. 13. έν τη άποκαλ. κ.τ.λ.] 'at the revelation of the Lord Jesus;' predication of time when the άνταπόδοσις shall take place. The term dποκάλυψις (I Cor. 17, comp. Luke xvii. 30) is here suitably used in preference to the more usual παρουσία, as perhaps hinting that though now hidden, our Lord's coming to judge both the quick and dead, will be something real, certain, and manifest; νῦν γάρ, φησί, κρύπτεται, άλλα μη άλύετε άποκαλυφθήσεται γάρ, και ώς Θεός και δεσπότης, Theoph.

ån' oʻopavoʻi] Predication of place: it is from heaven, from the right hand of God where He is now sitting that the Lord will come; comp. 1 Thess. iv. 16, and Pearson, Creed, Art. VII. Vol. I. p. 346 (ed. Burton).

μετ' άγγελων δυνάμ. αὐτοῦ] 'accompanied with the angels of His power;'

predication of manner; the Lord will come begirt with heavenly hosts, which shall be the ministers of His will and the exponents and instruments of His power. The gloss of Theoph. and Œcum. 2, δυνάμεως άγγελοι, τούτεστι δυνατοί, followed by Auth., al., but found in none of the better Vv. of antiquity, is now properly rejected by appy. all modern commentators. The gen. appears simply to fall under the general head of the gen. possessivus, and serves to mark that to which the ἄγγελοι appertained, and of which they were the ministers; comp. Bernhardy, Synt. III. 44, p. 161, Winer, Gr. § 34. 3. b, p. 211 (note). The Syr. practically inverts the clause, sc.

virtute Angelorum suorum], and may have suggested the equally incorrect and inverted paraphrase of Michaelis, 'das ganze Heer seiner Engel:' the former however, is corrected in Syr. Philox., and the latter has been properly rejected by all recent expositors. On the force of perd in this combination, see notes on I Thess. iii. 13.

8. ἐν φλογὶ πυρόε] 'in a flame of fire,' i.e. encircled by, encompassed by; continued predication of the manner of the ἀποκάλυψις; 'in libris V. T. sæpenumero ignis et flamma commemoratur, ubi de præsentiå et efficacitate Numinis divini singulari modo

ύπακούουσιν τῷ εὐαγγελίφ τοῦ Κυρίου ήμῶν Ἰησοῦ· 9 οἵτινες δίκην τίσουσιν, ὅλεθρον αἰώνιον ἀπὸ προσώπου

patefacienda, præsertim de judicio divino, sermo est, Exod. iii. 2 sq., Malach. iii. 19, Daniel vii. 9, 10, Schott. The addition thus serves not only to express the majesty of the Lord's coming, but is noticeable as ascribing to the Son the same glorious manifestations that the Old Test. ascribes to the Father. The Syr. (Pesch.), Æth. (Platt), and, if the punctuation can be trusted, some of the other Vv. (comp. Theoph. 1.) connect this clause with διδόντος ἐκδίκ., as an instrumental clause (Jowett actually unites both interpr.), but without plausibility; the attendant heavenly hosts and the encircling fire seem naturally to be associated as the two symbols and accompaniments of the divine presence. διδόντος ἐκδίκ.] 'awarding vengeance;' scil. τοῦ Κυρίου Ίησ., not in connexion with πυρός, which would not only be a halting and unduly protracted structure, but would wholly mar the symmetry of the two modal clauses. The formula διδόναι ἐκδίκ. only occurs here in the N. T., but is occasionally found elsewhere; see Ezek, xxv. 14. and comp. (ἀποδιδ. ἐκδ.) Numb. xxxi. 3. No exx. of its occurrence have been adduced from classical Greek: ἐκδίκ. ποιήσασθαι is found in Polyb. Hist. 111. 8. 10. τοίς μή elboor Geor] 'to those who know not God,' who belong to a class marked by such characteristics; first of the two classes who will be the future objects of the divine wrath, 'qui in ethnica ignorantia de Deo versantur' (Beng.), -in a word, the Heathens. On the peculiar force of the subjective negation see notes on I Thess. iv. 5, and comp. Winer, Gr. § 55. 5, p. 428 sq. τοίς μή ύπακ. κ.τ.λ.] 'who obey not the

gospel of our Lord Jesus; second class of those who afflicted the Thess. converts, those whose characteristic was disobedience generally, and especially to the gospel (Rom. x. 16), -in a word, the unbelieving Jews. It is somewhat singular that a scholar usually so sound as Schott should have felt a difficulty at the division into two classes; surely the article before μη ύπακ. renders such a view all but certain; see Winer, Gr. § 19. 5, p. 117, Green, Gram. p. 215. Even in seeming exceptions to the rule (Matth. xxvii. 3, Luke xxii. 4, al.) it may be fairly questioned whether the writer did not in these particular cases really intend the two classes to be regarded as separate, though otherwise commonly united. The reading is slightly doubtful; Rec. adds, and Lachm. inserts in brackets Χριστοῦ with AFG; mss.; Vulg., Clarom., Goth., al. Though the omission of $X\rho$. does not characterize this Ep. as it does the first (see on I Thess. iii. 13), the external authority [BDEJK; 25 mss.; Copt., al.; many Ff.] seems decidedly to preponderate for the omission.

9. oftwes] 'men who;' reference by means of the qualitative rel. pronoun to the two preceding classes. If we revert to the distinctions stated in the notes on Gal. iv. 24, it would seem that forus is here used, not in a causal sense with ref. to the reason for risouscu (Lünem., Alf.—who, however, mix up two usages), but explicatively ('who truly'), or even simply, classifically, with ref. to the class or category to which the antecedents are referred, and the characteristics which mark them; see notes on Gal. ii. 4, and on Phil. ii. 20. The brief dis-

τοῦ Κυρίου καὶ ἀπὸ τῆς δόξης τῆς ἰσχύος αὐτου,

tinction of Krüger (Sprachl. § 50. 8) that ôs has simply an objective aspect, 80718 one qualitative and generic, will in most cases be found useful and applicable. For other and idiomatic usages see Ellendt, Lex. Sophocl. s.v. Vol. II. p. 381 sq., and comp. Schæfer, notes on Demosth. Vol. II. p. 531. δίκην τίσουσιν] 'shall pay the penalty.' This formula does not occur elsewhere in the N. T. (comp., however, δίκην ύπέχεω, Jude 7), but is sufficiently common in both earlier and later Greek, and is copiously illustrated by West. in loc. dιώνιον] 'eternal destruction ;' accus. in apposition to the preceding δίκην. All the sounder commentators on this text recognise in alúvios a reference to 'res in perpetuum futuræ' (Schott), and a testimony to the eternity of future punishment that is not easy to be explained away: ποῦ τοίνυν οί 'Ωριγενιασταί, οἱ τέλος τῆς κολάσεως μυθούμενοι; αλώνιον ταύτην ο Παυλος λέγει, Theoph.; comp. Pearson, Creed. Art. XII. p. 465 (ed. Burton). In answer to the efforts of some writers of the present day to give alwrios a qualitative aspect let it briefly be said that the earliest Greek expositors never appear to have lost sight of its quantitative aspects; ἀκριβέστερον έδειξε της τιμωρίας το μέγεθος αιώνιον ταύτην dποκαλέσαs, Theod. For further remarks on this subject see notes and reff. in Univ. Sermons, p. 158-164, and for a discussion of the grave question of the eternity of divine punishments, Erbkam, in Stud. u. Krit. for 1838, p. 422 sq. The reading of Lachm. δλέθριον [with A; 2 mss.; Ephr., Chrys. (ms.); Tert.] is too feebly supported to deserve much consideration. άπὸ προσώπου τοῦ Κυρ.] 'removed from the presence

of the Lord.' These words have received three different explanations. corresponding to the three meanings. temporal, causal, and local which may be assigned to the preposition. Of these, $d\pi d$ can scarcely be here (a) temporal (άρκεῖ παραγένεσθαι μόνον και δφθήναι τον Θεόν, και πάντες έν κολάσει και τιμωρία γίνονται, Chrys., comp. Theoph., Œcum.), as the subst. with which it is associated seems wholly to preclude anything but a simple and quasi-physical reference. Equally doubtful is (b) the causal translation; for though dπò may be thus associated with neuter and even passive verbs, as marking the personal source whence the action originates (see exx. in Winer, Gr. § 47. a, p. 332, comp. Thiersch, de Pentat. II. 15, p. 106), yet, on the other, such a connexion in the present case would involve the assumption that προσώπου τοῦ Κυρ. was a periphrasis for the personal τοῦ Κυρίου (Acts iii. 20, cited by De W., owing to the dissimilar nature of the verbs, is no parallel), and merely equivalent to 'a præsente Domino' (comp. Pelt),—a resolution of the words in a high degree precarious and doubtful. We therefore adopt (c) the simply local translation, according to which dwd marks the idea of 'separation from' (Olsh., Lünem.), emkedma ['de devant'] Æth., while προσώπου Κυρ. retains its proper meaning, and specifies that perennial fountain of blessedness (comp. Psalm xvi. 11, Matth. xviii. 10, Rev. xxii. 4), to be separated from which will constitute the true essence of the fearful 'pœna damni' (Jackson, Creed, XI. 20. 9): see further details in Schott and Lünem. in loc., by both of whom this view is well maintained. άπὸ της δόξης της ίσχ.] 'from the

10 όταν έλθη ενδοξασθήναι εν τοίς άγίοις αὐτοῦ καὶ θαυμασθήναι εν πάσιν τοίς πιστεύσασιν, ὅτι ἐπιστεύθη τὸ

glory of His might; 'not 'His mighty glory,' Jowett, —a most doubtful paraphrase, but, the glory arising from, emanating from His might, (gen. originis, comp. notes on I Thess. i. 6), the $\delta\delta\xi a$ being regarded, as it were, the result of the exercise of His $l\sigma\chi\psi$ s, and as that sphere and halo of glory which environs its manifestations. The assumption of De W. that in this clause $d\pi\delta$ has a causal force is perfectly gratuitous.

10. δταν έλθη] 'when He shall have come: specific statement of the time in which the preceding δίκην τίσουσιν shall be brought about and accomplished; τότε γάρ τοῦ κριτοῦ τὴν δικαίαν ψήφον θαυμάσουσιν άπαντες. Theod. On the force of oray with the aor. subj. as referring to an objectively possible event, which is to, can, or must take place at some single point of time distinct from the actual present, but the exact epoch of which is left uncertain, see Winer, Gr. § 42. 5, p. 275, and esp. Schmalfeld, Synt. § 121, where the nature of the construction is well discussed. The most natural and idiomatic mode of translation is briefly noticed in notes to Transl.

ivδοξασθήναι iv τοις άγιοις] 'to be glorified in (the persons of) His saints; infinitive of design or purpose,—not equivalent to ὥστε κ.τ.λ. (Jowett), from which it is grammatically distinguishable as involving no reference to mode or degree; see notes on Col. i. 22, where both formulæ are briefly discussed. The verb itself is a δls λεγόμ. in the N.T. (here and ver. 12), and, with the exception of the LXX (Exod. xiv. 4, Isaiah xlv. 25, xlix. 3, al.) and eccl. writers, is of rare occurrence. The prep. seems here very distinctly to mark—not the mere locality

'among His saints' (Michael.), still less the instruments or media of the glorification (èv διὰ ἐστί, Chrysost., Beng.), but the substratum of the action, the mirror as it were (Alf.), in which and on which the δόξα was reflected and displayed; comp. Exod. xiv. 14, Isaiah xlix. 3, and see notes on Gal. i. 24. Lastly, the āγιοι do not here appear to refer to the Holy angels, but, as the tacit contrasts and limitations of the context suggest, to the risen and glorified company of believers; contrast I Thess. iii. 13. where mapres, and the absence of all notice of the unholy, suggest the more inclusive reference. θαυμασθηναι κ.τ.λ.] 'to be wondered at in all them that believed;' scil. owing to the reflection of His glory and power which is displayed in those that believed on Him while they were on earth; 'obstupescent, Christum in credentibus tam magnum et gloriosum esse, Cocceius. The aor. πιστεύσασιν [Rec. πιστεύουσιν, but in opp. to all the MSS., many Vv. and Ff.] is here suitably used in connexion with the period referred to: at that time the belief of the faithful would belong to the past. For exx. of this pass, use of θαυμάζω, see Kypke, Obs. Vol. II. p. δτι έπιστεύθη κ.τ.λ.] 342. 'because our testimony to you was believed; parenthetical clause taking up the preceding πιστεύσασιν, and giving it a more distinct reference to those $(\dot{\epsilon}\phi' \dot{\nu}\mu\hat{a}s)$ to whom he was writing. The μαρτύριον ἡμῶν is the testimony relating to Christ ($\mu a \rho \tau$, $\tau o \hat{v} \times \rho$. I Cor. i. 6), the message of the Gospel (μαρτύριον δὲ κήρυγμα προσηγόρευσε, Theod.) delivered by the Apostle and his associates (gen. originis or causa efficientis, Scheuerl. Synt. § 17, notes

μαρτύριον ήμων έφ' ύμας, έν τη ήμέρα έκείνη. ¹¹ Είς δ καὶ προσευχόμεθα πάντοτε περὶ ύμων, Ίνα ύμας άξιώση της κλήσεως ὁ Θεὸς ήμων καὶ πληρώση πασαν εὐδοκίαν

on I Thess. i. 6), the destination of which is specified in the same enunciation; comp. Col. i. 8, την ὑμῶν ἀγάπην έν πνεύματι, where, as here, the anarthrous prepositional member gives the whole clause a more complete unity of conception; see notes l.c., and Winer, Gr. § 30. 2, p. 123. On the prep. $\epsilon \pi l$, which here seems to mark the mental direction of the μαρτύριον (comp. Luke ix. 5), and commonly involves some idea of 'nearness or approximation' (Donalds. Crat. § 172), see Winer, Gr. § 40. l, p. 363 sq. ŧντῆ ἡμέρα ἐκ. is most naturally joined with θαυμασθήναι κ.τ.λ., to which it is joined as a predication of time, reiterating and more precisely defining the foregoing temporal clause, δταν έλθη κ.τ.λ. Some of the older Vv., e.g. Syr., Æth., Goth., appear to have joined these words with what precedes, but are compelled either to regard the aor. ἐπιστ. Syr., but not Philox.) or to assign meanings to ἐν ἐκείνη ἡμέρα, scil. 'de illo die,' Menoch., 'cum spe retributionis in illo die percipiendæ,' Est., that are neither grammatically nor exegetically defensible. The position of ἐν τῆ ἡμ. is confessedly somewhat unusual, but perhaps may have been designed still more to impress on the readers the exact and definite epoch when all was to be realized.

11. ets δ] 'Whereunto,' 'with expectations directed to which,' to its realization and fruition; not equivalent to $\delta \iota'$ δ (Auth., Schott), nor even to $i\pi \dot{\epsilon} \rho$ δ (comp. De W.), but simply, with the primary force of the prep., definitive of the direction taken, as it were, by the longing prayers of the

Apostle and his associates; see Winer, Gr. § 49. a, p. 354, Donalds. Cratyl. § 170, and comp. Col. i. 20, but observe that the verb with which it is there associated (κοπιῶ) gives the prep. a somewhat stronger and more definite meaning. καί προσευχόμεθα] 'we also pray;' beside merely longing or merely directing your hopes we also avail ourselves of the definite accents of prayer, the kal gently contrasting the $\pi \rho o \sigma \epsilon \dot{\nu} \chi$. with the infusion of the hope and expectation involved in the preceding words and especially echoed in the parenthetical member. On this use of ral, see notes on Phil. iv. 12, and on the use of $\pi \epsilon \rho l$ with $\pi \rho o \sigma$ εύχ., see notes on I Thess. v. 25, and on Col. i. 3. ἴνα ὑμᾶς κ.τ.λ.] 'that God may count you worthy of your calling;' subject of the prayer blended with the purpose of making it; tva having here, as not uncommonly in this combination, its secondary and weakened telic force; comp. Col. iv. 3, I Thess. iv. I, and notes on Eph. i. 17, and on Phil. i. o. The verb άξιοῦν occurs a few times in the N.T. (Luke vii. 7, 1 Tim. v. 17, Heb. iii. 3, al.), and regularly in the sense of 'esteeming or counting agios' ('dignari,' Vulg., Clarom.), not of making so (comp. Syr. (cases), Copt., al.), a meaning not lexically demonstrable; compare Rost u. Palm. Lex. s.v. The context is urged by Olsh., on the ground that the call had been already received: κλήσις, however, though really the initial act. (comp. 1 Thess. ii. 12), includes the Christian course which follows (Eph. iv. 1), and its issues in blessedness hereafter; κλήσω οὖν ἐνταῦθα λέγει

άγαθωσύνης καὶ ἔργον πίστεως εν δυνάμει, 12 ὅπως ενδοξασθή τὸ ὄνομα τοῦ Κυρίου ἡμῶν Ἰησοῦ εν υμίν καὶ

την διά των πράξεων βεβαιουμένην, ήτις και κυρίως κλήσις έστι, Theoph., see notes on Phil. iii. 14, and comp. Reuss, Théol. Chrét. IV. 15, Vol. II. πληρώση πάσαν p. 145. κ.τ.λ.] 'fulfil, bring to completion, every good pleasure of goodness,' 'ut expleat omnem dulcedinem honestatis, h.e. ut plenam et perfectam, quâ recreemini, honestatem vobis impertiat,' Fritz. Rom. x. 1, Vol. II. p. 372, note. The meaning of these words is not perfectly clear. The familiar use of εὐδοκεῖν, εὐδοκία, in ref. to God (Eph. i. 5, 9, Phil. ii. 13), suggests a similar reference in the present case (Œcum., in part Theoph., Beng., al.); to this, however, there is (1) the exegetical objection, that ἀγαθωσύνη, though occurring 4 times in St. Paul's Epp. (Rom. xv. 14, Gal. v. 22, Eph. v. 9), is never applied to God, and (2) the more grave contextual objection, that the second member έργον πίστεως, equally undefined by any pronoun, certainly refers to those whom the Apostle is addressing. It seems safest then to refer the present member to the Thessal.; εὐδοκία marking the good pleasure they evinced, and the defining gen. άγαθωσύνης (gen. objecti, Krüger, Sprachl. § 47. 7. 1,-not of apposition, Alf.) the element in which it was so manifested, or more exactly, the object to which the action implied in the derivative subst. was especially directed; see Scheuerl. Synt. § 17. The attempt I. p. 126. to refer the expression partly to God and partly to the Thess. (Olsh., comp. Theoph.), or to regard the operation of the believer and that of the Spirit as blended and confused (Jowett), is in a high degree precarious and unsatisfactory. On the meaning of $\epsilon \dot{\nu} \delta o \kappa l a$, see the good note of Fritz. Rom. x. 1, Vol. II. p. 369 sq., and on the meaning of $d\gamma a\theta \omega \sigma \dot{\nu} \eta$ (moral goodness) and its distinction from $d\gamma a\theta b\tau \eta s$, notes on Gal. v. 22.

έργον πίστεως] 'the work of faith,' the work which is the distinctive feature of it : fpyov being that which marks, characterizes, and evinces the vitality of the $\pi l \sigma \tau \iota s$, almost 'the activity of faith,' not, however, merely as την ύπομονην των διωγμών, Theoph., but ὑπομονὴν as exhibited in the various circumstances of Christian life and duty. On the exact meaning and construction of these words, see notes on I Thess. i. 3, and comp. Reuss, Théol. Chrét. IV. 19, Vol. II. p. 205. έν δυνάμει] 'with power,' i.e. powerfully,-modal adjunct to the verb πληρώση, with which it is associated with a practically adverbial force; comp. Rom. i. 4, Col. i. 20, and see Bernhardy, Synt. v. 7, p. 209. The analogous use of $\sigma \partial \nu$ (comp. Scheuerl. Synt. § 22. b, p. 180) is not appy. found in the N T.

12. δπως ἐνδοξασθη] ' in order that the name of &c., be glorified;' reiteration of the purpose (not merely result, ένδοξασθήσεται, Theoph.), stated generally in verse 10, in special reference to the converts of Thessalonica. It is not easy to state the exact difference between the present use of $\delta\pi\omega$ s (used comparatively rarely by St. Paul; only six times excluding quotations). and the corresponding one of lva. To speak somewhat roughly, it may be perhaps said that the relatival compound δπωs (Donalds. Cratyl. § 196) involves some obscure reference to manner, while Iva (appy. connected with the reflexive & or the pronoun of the second person, comp. Donalds.

ύμεις εν αὐτῷ, κατὰ τὴν χάριν τοῦ Θεοῦ ἡμῶν καὶ Κυρίου 'Ιησοῦ Χριστοῦ.

Be not disquieted concerning the Lord's coming. The Man of Sin, as ye know, must first be revealed; and then shall be destroyed by the Lord. $T = \frac{1}{2} \frac{$

Cratyl. § 139), may retain some tinge of its primary reference to locality. The real practical differences, however, are these, (a) that $\delta \pi \omega s$ has often more of an eventual aspect; (b) that it is used with the future and occasionally associated with av,-both which constructions are inadmissible with the final Iva; see Klotz, Devar. Vol. II. p. 629, 630. τὸ ὄνομα τοῦ Kup. is not a mere periphrasis for δ Κύριος, but specifies that character and personality as revealed to, and acknowledged by men; comp., but with caution, Bretschn. Lex. s.v. ovou. 6, p. 291, and comp. on Phil. ii. 10. The assertion of Jowett in loc., that these words have 'no specific meaning,' cannot be sustained, and is language in every way to be regretted.

The addition Χριστοῦ (Rec., [Lachm.] with A F G; mss.; many Vv; Chrys.) is rightly rejected by Tisch. with BDE JK; majority of mss.; Clarom., Sangerm., Copt., Sahid., al; Theod. (ms.), Œcum., al. έν αύτφ] 'in Him;' not in reference to brown τοῦ Κυρ. (Lünem.), but to the immediately preceding 'Ιησοῦ. The exact notion of reciprocity (comp. on Gal. vi. 14) would be best maintained by the former reference; but, as Alf. correctly observes, the present expression is used far too frequently and exclusively in ref. to union in our Lord Himself, to justify any change in the present application of the words.

κατά την χάριν] 'in accordance with the grace;' the xapis is the 'norma' according to which the glorification took place, and thence, by an intelligible transition, that to which it is to be referred as a consequence; ή χάρις αὐτοῦ δι' ἡμῶν πάντα κατορθοῖ, Œcum.; comp. notes on Phil. ii. 3, and on Tit. iii. 5. τοῦ Θεοῦ ήμῶν κ.τ.λ.] This is one of the passages supposed to fall under Granville Sharp's rule (comp. Middl. Gr. Art. p. 56, ed. Rose), according to which $\Theta \epsilon \delta s$ and $K \dot{\nu} \rho \iota \sigma s$ would refer to the same person. It may be justly doubted, however, owing to the peculiar nature of Κύριος (Winer, Gr. § 19. 1, p. 113), whether this can be sustained; see esp. Middleton, p. 379 sq. and comp. Green, Gram. p. 216.

CHAPTER II. I. EpwT@uev & 'Now we beseech you; transition, by means of the δε μεταβατικόν (see on Gal. iii. 8), from the Apostle's prayers for his converts to what he claims of them, and the course of conduct he exhorts them to follow. On the meaning of έρωταν, see notes on I Thess. ύπέρ is here iv. 1. certainly not introductory of a formula of adjuration (Vulg., perhaps Æth. [baenta,—often so used]. Beza, al.), as such a meaning, though grammatically tenable (Bernhardy, Synt. v. 21, p. 244,—partially, but appy. without full reason, objected to by Winer), is by no means exegetically probable, and is without precedent in the language of the N. T. The more natural interpretation is to regard the prep. as approximating in meaning to περί (Winer, Gr. § 47. l, p. 343; comp. Krüger, Sprachl. § 68. 28. 3), but still distinct from it, as involving some trace of the idea of benefit to, or furtherance of the mapovola; see notes on Phil. ii. 13. The subject of the παρουσία had been misunderstood and Χριστοῦ καὶ ἡμῶν ἐπισυναγωγῆς ἐπ' αὐτόν, ² εἰς τὸ μὴ ταχέως σαλευθῆναι ὑμᾶς ἀπὸ τοῦ νοὸς μήδε θροεῖσθαι,

misinterpreted, and its commodum was what the Apostle wished to promote. ήμων έπισυν. έπ' αὐτόν] 'our gathering together unto Him,' scil. in the clouds of heaven, and when He comes to judge the quick and dead; see I Thess. iv. 17, and comp. Matth. xxiv. 31, Mark xiii. 27. The subst. έπισυναγωγή only occurs once again in the N.T. (Heb. x. 25), in ref. to Christian worship (comp. 2 Macc. ii. 7), and seems confined to later writers. The meaning assigned by Hammond, 'the greater liberty of the Christians to assemble to the service of Christ, the greater freedom of ecclesiastical assemblies,' is due to his reference of the present παρουσία τοῦ Κυρίου to God's judgment on the Jews. The relation of the two Epp. seems totally to preclude such a reference; if in I Thess. iv. 15 the words refer to the final day of doom (Hamm.), the allusion here must certainly be the same. ἐπ' αὐτον] 'unto Him;' comp. Mark ν. 21, συνήχθη δχλος πολύς έπ αὐτόν; the preposition marking the point to which the συναγωγή was directed, and losing its idea of superposition in that of approximation to or juxtaposition; comp. Donalds. Crat. § 172. difference between the present usage and that of $\pi \rho \delta s$ in the same combination is perhaps no more than this, that while $\pi \rho \delta s$ points more to the direction to be taken, ent marks more the point to be reached.

2. els τὸ μἡ κ.τ.λ.] 'that ye should not be soon shaken,' 'ut non cito moveamini,' Vulg., Clarom.; object and aim of the ἐρωτῶν, with perhaps some included reference to the subject of it; comp. 1 Thess. iii. 10, and notes on 1 Thess. ii. 22. The verb σαλεύω, as its derivation shows [σάλος, connected with AA, and with

Sanscr. form sal, Benfey, Wurzellex. Vol. I. p. 61], marks that agitated and disquieted state of mind, which, in the present case, was due to wild spiritual anticipations; compare Acts xvii. 13, and see exx. in Elsner, Obs. Vol. II. p. 283 The ταχέως does not seem to refer to the period since St. Paul's presence with them, or to the date of the First Epistle, but simply to the time when they might happen to hear of it; the reference being rather modal ('præcipitanter' De W.) than purely temporal; 'si id crederent facili momento quassaretur ipsorum fides,' Cocceius.

ἀπὸ τοῦ voós] 'from your mind,' 'a vestro sensu,' Vulg.; certainly not 'a sententiâ seu doctrinâ,' Est., but simply 'statu mentis solito,' Schott I, -their ordinary, sober, and normal state of mind, παρατραπήναι άπὸ τοῦ νοός, ὄν μέχρι τοῦ νῦν εἴχετε ὀρθώς lστάμενον, Theoph.; comp. Rom. xiv. 5, and Beck, Seelenl. § 18. 1, p. 51. The construction is what is usually termed prægnans, scil. 'ita concuti ut demovearis,' Schott; comp. Rom. vi. 7, ix. 3, 2 Tim. iv. 18, al., and Winer, Gr. § 66. 2, p. 547. The reading is scarcely doubtful: DE, several ∇v , and some Ff. supply $\partial \mu \hat{\omega} \nu$, but this seems obviously only introduced to make clear the reference and meanμηδέ θροείσθαι] ing of voos. 'nor yet be troubled;' stronger expression than the foregoing, introduced by the slightly ascensive $\mu\eta\delta\epsilon$; see notes on I Thess. ii. 3 (Transl.) The verb θροέω [derived from ΘΡΕΟΜΑΙ, and connected with $\tau \rho \epsilon \omega$; comp. Donalds. Cratyl. § 272] properly implies 'clamorem tumultuantem edere' (Schott), and thence, by a natural transition, that terrified state (ταραχίζεσθαι, Zonaras), which is associated with and

μήτε διὰ πνεύματος μήτε διὰ λόγου μήτε δι' ἐπιστολῆς ώς δι' ήμῶν, ώς ὅτι ἐνέστηκεν ἡ ἡμέρα τοῦ Κυρίου.

 $\theta \rho o \eta \theta \hat{\eta}$ s comes to mean little more than μη θαυμάσης, Lobeck, Phryn. p. 676. The reading of Rec. μήτε [with D*** EJK; several Ff.] is rightly rejected by Lachm. and Tisch. on the preponderating external authority ABD*, **F** G (four times $\mu\eta\delta\dot{\epsilon}$); Orig. This adjunctive negative was probably suggested by the following μήτε, the true relation of the negatives not having been properly understood. μήτε διά πνεύματος] 'neither by spirit,' scil. of prophecy; διά προφητείας τινές γάρ προφητείαν ύποκρινόμενοι έπλάνων τον λαόν, ώς ήδη παρόντος τοῦ Κυρίου, Theoph. second negation is here, by means of the three times repeated $\mu\eta\tau\epsilon$, divided into three members; see exx. and illustrations in Winer, Gr. 55. 6, and p. 437, where the distinctive character of μηδέ and $\mu \eta \tau \epsilon$, their meaning, and sequence are well delineated. μήτε διά λόγου may be either regarded, (a) as an independent member distinguished both from what precedes and follows, or (b) may be connected more closely with the third negative member, both being associated with ώs δι' ἡμῶν. In the former case, λόγου forms a species of antithesis to πνεύματος as denoting oral teaching, less marked by supernatural or prophetic characteristics (διδασκαλίας ζώση φωνή γενομένης, Theoph.); in the latter the λόγος is in antithesis to ἐπιστολῆs, as marking what the Apostle had communicated by word of mouth in contradistinction to what he had written; μη πιστεύειν

. . . . μήτε εἰ πλασάμενοι ώς έξ αὐτοῦ

γραφείσαν έπιστολήν προφέροιεν, μήτε εί

άγράφως αὐτὸν εἰρηκέναι λέγοιεν, Theod.

Of these (b) seems slightly the most pro-

bable, especially as λόγος and ἐπιστολὴ

gives rise to such kind of outward

manifestations. In later writers, μη

are found similarly combined in v. 15. To extend ώς δι' ἡμῶν to the first clause, either partially (Jowett), or completely (Nösselt), seems illogical; oral or written communications might be ascribed to the absent Apostle, but the πνεῦμα could have only been recognised working in him (De W.) when he was with them; comp. Lünem. in ώς δι ήμων] 'as by us,' represented to come from us as its mediate authors; the ws as usual marking the erroneous aspects under which the λόγος or ἐπιστολή was designed to be regarded: 'particula ώs substantivis, participiis, totisque enuntiationibus præposita, rei veritate sublată, aliquid opinione, errore, simulatione niti declarat,' Fritz. Rom. ix. 32, Vol. II. p. 360, comp. notes on Eph. v. 22. It seems impossible to understand these words otherwise, especially when coupled with the notice in ch. iii. 17, than as implying that not only oral but written communications, definitely ascribed to St. Paul, were not only conceived (Jowett) but actually known by the Apostle to have been lately circulated in the Church of Thess.: καὶ γὰρ καὶ ἐπιστολάς πλάττοντες ώς παρά Παύλου σταλείσας εκύρουν & έλεγον, Theoph., comp. Neander, Planting, Vol. 1. p. 204 (Bohn). When we consider the extreme disquietude and anxieties that appear to have prevailed in the church of Thessal. in ref. to the παρουσία τοῦ Κυριόυ, there appears nothing strange in the supposition, that even within a less time than a year since the Apostle had last written, fictitious letters should have obtained currency among To refer the expression with Hammond, al., to portions of the First Epistle which had been misunderstood, seems distinctly to in3 'μη τις ύμας εξαπατήση κατά μηδένα τρόπον ὅτι ἐὰν μη ἔλθη ή ἀποστασία πρώτον καὶ ἀποκαλυφθη ὁ ἄνθρωπος

fringe on the simple meaning of ws di ἡμῶν. ώς δτι ένέστ. κ.τ.λ.] 'as that, to the effect that, the day of the Lord is now commencing, already come;' subject of the pretended communication introduced by ws which, as before, represents the statement not as actual, but as so represented, as the notion which was designed to be propagated; see Winer, Gr. § 65. 9, p. 544, Meyer on 2 Cor. xi. 21, and exx. in Kypke, Obs. Vol. II. p. The verb. ἐνέστηκεν is somewhat stronger than $\epsilon \phi \epsilon \sigma \tau$. (2 Tim. iv. 6), and seems to mark, not only the nearness but the actual presence and commencement of the ημέρα τοῦ Κυρ.; 'magna hoc verbo propinquitas significatur; nam ἐνεστώς [Rom. viii. 38, I Cor. iii. 22] est præsens,' Beng., comp. notes on Gal. i. 4, Hammond in loc., and see the numerous exx. in Rost u. Palm, Lex. s.v. Vol. I. p. 929. The ημέρα τοῦ Κυρ. thus approximates in meaning to παρουσία τοῦ Κυρ. and like it includes, beside the exact epoch of the Lord's appearance, the course of events immediately preceding and connected with it; comp. Reuss. Théol. Chrét. IV. 21, Vol. II. p. 230, 243.

3. μή τις ὑμᾶς ἔξαπ.] 'Let no one deceive you in any way;' not only in any of the three ways before specified (Theoph. Œcum.), but, with a more completely inclusive reference,—in any way, or by any artifice whatever; πάντα κατά ταὐτον τὰ τῆς ἀπάτης ἔξέβαλεν είδη, Theod. On the form ἔξαπατᾶν, comp. notes on 1 Tim. ii.

14. ὅτι ἐἀν μὴ 『λθη』 'because (the day will not arrive) unless there come;' slight grammatical irregularity owing to the omission of a member involving the finite verb, οὐ γενήσεται ἡ παρουσία τοῦ Κυρ.,

Theoph., or ή ἡμέρα οὐκ ἐνστήσεται, which can easily be supplied by the reader; see Winer, Gr. § 64. 7, p. 528, comp. Donalds. Gr. § 583. β. The most natural punctuation seems, not a comma before ὅτι, as in Lachm., Tisch., Buttm., but a colon, as in Mill, and as suggested by Lünemann. ή άποστασία] 'the falling away,' the definite religious apostasy that shall precede the coming of Antichrist, and of which it is not improbable that the Apostle had informed them by word of mouth; see ver. 5, and comp. Green, Gram. p. 155. It is hardly necessary to say that aποστασία is not an abstract for a concrete term (αὐτὸν καλεῖ τὸν άντίχριστον άποστασίαν, Chrys.; so Theod., Theoph., Œcum. 1), nor again a political (Nösselt), or politico-religious (Kern) falling away, whether past or future, but simply in accordance with the appy. regular use of the word (Acts xxi. 21, comp. 2 Chron. xxix. 19, 1 Macc. ii. 15), that religious and spiritual apostasy ('diabolicam Apostasiam, Iren. Hær. V. 25. 1), that falling away from faith in Christ (άπὸ Θεοῦ ἀναχώρησιν, Œcum.), of which the revelation of Antichrist shall be the concluding and most appalling phenomenon; comp. Luke xviii. 8. The paulo-post future view, according to which the dwoorasta refers to the revolt of the Jews from the Romans (Schoettg. Hor. Hebr. Vol. I. p. 840), is thus opposed to the appy, technical meaning of the word, while that of Hammond, who mainly refers it to the lapse to Gnosticism, fails to exhibit its generic reference, and to exhaust its prophetic significance. On the form of the word $d\pi o \sigma \tau$. (a later form for dmborages), see Lobeck,

Phryn. p. 528.

ἀποκαλυφθή

της άμαρτίας, ὁ υίὸς της ἀπωλείας, 4 ὁ ἀντικείμενος καὶ

'be revealed,'-a very noticeable expression: as the Lord's coming is characterized as an ἀποκάλυψις (ch. i. 7), so is that of Antichrist. Even as He is now spiritually present in His Church, to be personally revealed more gloriously hereafter, even so the power of Antichrist is even now secretly at work, but will hereafter be made manifest in a definite and distinctive bodily personality. has here appy. its consecutive force (see on I Thess. iv. I); the revelation of Antichrist was the aggravated issue and accumulated outcoming of the άποστασία. δ άνθρ. της άμαρτίας] 'the man of Sin,' the fearful child of man (Obs. the distinct term $d\nu\theta\rho$.) of whom Sin is the special characteristic and attribute, and in whom it is as it were impersonated and incarnate; ανθρωπον δέ αὐτὸν άμαρτίας προσηγόρευσεν, έπειδη άνθρ. έστι την φύσιν, πάσαν έν έαυτώ του διαβόλου δεχόμενος την ενέργειαν, Theod. On this gen. of the 'predominating quality.' which is commonly classed under the general head of the gen. possessivus see Scheuerlein, Synt. § 16. 3, p. 115, Winer, Gr. § 34. 3. b, p. 211, 213.

ό τιὸς τῆς ἀπωλ.] 'the son of perdition;' he who stands in the sort of relation to it that a son does to a father, and who falls under its power and domination, 'cujus finis est interitus [Phil. iii. 19],' Cocceius; see John xvii. 12, where this awful term is applied to Judas, and comp. Evang. Nicod. ch. xx., where it is applied to Satan; see Thilo p. 708. The transitive (Pelt), or mixed trans. and intransitive meaning (ώς και αὐτὸς ἀπολλύμενος και ἐτέροις πρόξενος τούτου γινόμενος, Theod., comp. Œcum.) seems appy. phraseologically doubtful; comp.

Winer, Gr. § 34. 3. b, p. 213, and notes on 1 Thess. v. 5. 4. δ ἀντικέμενος] 'he that opposeth,'

the adversary, on Doop og [qui adversarius est] Syr., comp. Copt., Æth.; participial substantive defining more nearly the characteristics of Antichrist; comp. Winer, Gr. § 45. 7, p. 316. The adversary, though assimilating one of the distinctive features of Satan (מָשָׁיֵי) is clearly not to be confounded with him whose agent and emissary he is (ver. 9), but, in accordance with the almost uniform tradition of the ancient Church, is Antichrist, -no mere set of principles ('vis spiritualis evangelio contraria,' Pelt) or succession of opponents (Jowett, comp. Middl. Gr. Art. p. 383) but one single personal being, as truly man as He whom he impiously opposes: τίς δὲ οῦτος ἐστιν; ἄρα ὁ σατανας οὐδαμώς, άλλ' ἄνθρωπός τις πασαν αὐτοῦ δεχόμενος την ἐνέργειαν, Chrys., see Wieseler, Chronol. p. 261, Hofmann, Schriftb. II. 2, Vol. II. p. 617. The patristic references will be found in the Excursus of Lünem. p. 204, and at length in Alford, Prolegom. p. 56. The object of the opposition (dvr.), it need scarcely be said, can be none other than Christ,-He whose blessed name is involved in the more distinctive title (artixpictos) of the adversary, and to whom that son of perdition, as Origen well says, is, κατά διάμετρον ένάντιος, contra Cels. VI. The present grammatical connexion, which (see above) is as old as Syr., is rightly adopted by De W., Lünem. and most modern commentators: the absence of the art., urged by Pelt, only shows that the ὑπεραιρόμενος έπι πάντα κ.τ.λ. is not a different person from the aptikelµevos,

ύπεραιρόμενος έπὶ πάντα λεγόμενον Θεον ή σέβασμα,

but by no means specifies that both are to be united in connexion with $\ell\pi l \pi d\nu \tau a \kappa.\tau.\lambda.$; comp. Winer, Gr. § 19. 4, 5, p. 116, 117. In a case like the present, the article really performs a kind of double duty; it serves to turn $d\nu \tau \iota \kappa$ into a subst., and also indicates that the two participles refer to the same individual.

καὶ ὑπεραιρόμ. κ.τ.λ.] ' and (who) exalteth himself above (and against) every one that is called God,' soil. every one that is so called, whether 'eum qui verissime dicitur Deus' (Schott), or those esteemed so by the heathen; the participle being prefixed to avoid seeming to place on a level or include in a common designation—τον Θεον and the so-called gods of paganism; comp. 1 Cor. viii. 5, λεγόμενοι θεοί, Eph. ii. 11. The verb ὑπεραιρ. occurs twice in 2 Cor. xii. 7, and serves to mark the haughty exaltation (ὑψωθήσεται και μεγαλυνθήσεται έπι πάντα θεόν, και λαλήσει ὑπέρογκα, Dan. xi. 36), while $\epsilon \pi i$ with its general local meaning ('supra,' Vulg., 'ufar,' Goth.) of 'motion with a view to superposition' (Donalds. Gr. § 483), involves the more specific and ethical one of opposition; comp. Matth. x. 21, and Winer, Gr. § 49. l, p. 363 sq.

ἐπὶ πάντα λεγόμ. Θεόν] This characteristic of impious exaltation is in such striking parallelism with that ascribed by Daniel to 'the king that shall do according to his will' (ch. xi. 36), that we can scarcely doubt that the ancient interpreters were right in referring both to the same person,—Antichrist. The former portion of the prophecy in Daniel is appy. correctly referred to Antiochus Epiphanes, but the concluding verses (ver. 36 sq.) seem only applicable to him of whom Antiochus was merely a type and shadow; comp.

Jerome on Dan. xi. 21, and see Prideaux, Connection, Part II. Book 3 (ad fin.). If this be correct, we may be justified in believing that other types of Antichrist may have appeared, and may yet appear, before that fearful Being finally come. If asked to name them, we shrink not from pointing to this prophecy, and saying, that in whomsoever these distinctive features be found,-whosoever wields temporal, or temporal and spiritual power, in any degree similar to that in which the Man of Sin is here described as wielding it, -he, be he pope or potentate, is beyond all doubt a distinct type of Antichrist. From such comparisons the wisest and most Catholic writers have not deemed it right to shrink; see Andrewes, Serm. VI. Vol. IV. p. 146 sq.

η σέβασμα] 'or object of worship,' scil. of divine worship,—an expansion of the preceding πάντα λεγόμενον θεόν. The special interpretation of Bengel, founded on the connexion of σέβασμα and σεβαστός, 'Cæsaris majestas et potestas Romæ maxime conspicua,' is wholly at variance with the prevailing use of the word (Acts xvii. 23, Wisdom xiv. 20, xv. 17, Bel 27, see Suicer, Thesaur. s.v. Vol. II. p. 942), and still more so with the generic terms of the prophecy.

σοτε αὐτὸν καθ.] 'so that he sitteth down;' his arrogance rises to such an impious height as to lead to this uttermost act of unholy daring; 'ωστε minus hic consilium quam sequelam innuere videtur,' Pelt. The verb καθίσαι is here not transitive (1 Cor. vi. 4, Eph. i. 20), but in accordance with its nearly regular usage in the N. T., intransitive; comp. Thom. Mag. p. 486 (ed. Bern.). The pronoun is thus not reflexive (Grot.), but is introduced

ώστε αὐτὸν εἰς τὸν ναὸν τοῦ Θεοῦ καθίσαι, ἀποδεικνύντα ἐαυτὸν ὅτι ἔστιν Θεός. 5 Οὐ μνημονεύετε ὅτι ἔτι ὧν πρὸς

and placed prominently forward to mark the individualizing arrogance ('hic ipse, qui quævis sancta et divina contemnit,' Schott) of this impious intruder. The interpolation &s (FG* "" adopted by Rec. with D*** EFGJK; mss.; Syr. (Philox. with an asterisk), Ar. (Polygl.); Chrys., al., is rightly rejected by Lachm., Tisch., with ABD*; 10 mss.; Clarom., Sangerm., Vulg., Goth.(1), Copt., Sah., Æth., Arm.; Origen (3), and many Ff. Though the uncial testimony is strong for the insertion, the authority of Vv. and Ff. is weak, and the probability of an explanatory gloss here very great. είς τον ναον τοῦ Θεοῦ] 'in the temple of God;' literally 'into,' with the not uncommon pregnant force of the preposition in connexion with ίζειν, καθέζεσθαι κ.τ.λ.; comp. Winer, Gr. § 50. 4, p. 368 sq., Buttm. Mid. p. 175. The exact meaning of these words has been greatly contested. Is it (a) merely a figurative or metaphorical expression (1 Cor. iii. 17, comp. Eph. ii. 21) for the Church of Christ, 7as πανταχοῦ ἐκκλησίας (Chrys.), according to the views of most of the interpreters of the fourth century ! Or is it (b) the actual temple of God at Jerusalem (Matth. xxvi. 61), which prophecy seems to declare shall be restored (Ezek. xxxvii. 26; see Todd on Antichr. p. 218), as proposed by Irenæus (Hær. v. 30. 4), and as adopted, though with varying modes of explanation, by the majority of recent German commentators. called upon to decide absolutely, the combination (opp. to Alf.) of local terms and the possibly traditional nature of the interpr. of Irenæus must decidedly sway us to (b). It may be

asked, however, in so wide a prophecy, whether we are wise in positively excluding (a). May it not be possible that a haughty judicial or dictatorial session in the Church of Christ may be succeeded and culminate in a literal act of ineffable presumption, to which the present words may more immediately though not exclusively refer? Combined or partially combined interprr. are ever to be regarded with suspicion, but in a prophecy of this profound nature, they appear to have some claim on our attention.

denote:

aποδεικνόντα κ.τ.λ.] 'exhibiting himself that he is God;' not merely 'a god,' Copt., or even 'tanquam sit Deus,' Vulg. (compare Syr.), but Δοτολοβί [quod sit Deus]

Syr. Philox.,—with a studied reference to the execrable assumption of an unconditioned glory, dignity, and independence, which will characterize the God-opposing session of the son of perdition: so, with an effective paraphrase, Æth., 'et dicet omnibus, ego sum Deus.' The participle thus does not mark the 'conatus' (πειρώμενον άποδεικνύναι, Chrys.),—this it must be from the nature of the case, -but the continuing nature of the act, the impious persistence of this developed outcoming of frightful and intolerable selfishness; see Müller on Sin, Book I. 3. 2, Vol. I. p. 145, comp. Book v. Vol. II. p. 480 (Clark). For examples of this use of αποδεικνύναι, see Loesner. Obs. p. 384, and for the force of the compound $d\pi o\delta$. ('spectandum aliquid proponere'), Winer, de Verb. Comp. IV. p. 16.

5. ob µvnµovevere] 'Remember ye not;' emphatic, reminding them, with some degree of implied blame, of the definite oral communications which

ύμας ταθτα έλεγον ύμιν; 6 και νθν τὸ κατέχον οίδατε, είς τὸ ἀποκαλυφθήναι αὐτὸν ἐν τῷ ἐαυτοθ καιρῷ. 7 τὸ γὰρ

had been made to them during the Apostle's first visit; ιδοῦ γὰρ καὶ παρόντος ήκουσαν ταῦτα λέγοντος, καὶ πάλιν ἐδεήθησαν ὑπομνήσεως, Chrys.
πρὸς ὑμῶς] 'with you;' so I Thess.
iii. 4. On this combination of πρὸς with the acc. and verbs implying rest, see notes on Gal. i. 8, iv. 18. The ταῦτα is clearly the substance of the two preceding verses.

6. Kal yûy to Katéx. old.] 'and now what restraineth ye know.' The difficulty of these words is twofold, (1) lexical, turning on the meaning of νῦν, (2) exegetical, in reference to the explanation that is to be given of τὸ κατέχον. With regard to the first, the temporal particle subsequently connected with δ κατέχων (ver. 7), and the preceding Eri (ver. 5), both seem decidedly to suggest the temporal use of vûv (Wieseler, Chronol. p. 259 note); the order of the words, however, and the context seem so very distinctly in favour of the logical use (Hartung, Partik. vûv, 2. 2, Vol. II. p. 25, see notes on I Thess. iii. 8), that on the whole that meaning is to be preferred; see esp. Lünem. in loc. who has brought appy, valid arguments against the temporal meaning. To properly investigate (2) would far outstrip the limits of this commentary. It may be said, however, briefly,that after most anxious consideration, a modification of the current patristic view seems much the most plausible. The majority of these early writers referred the restraining influence to the Roman Empire, 'quis nisi Romanus status,' Tertull. de Resurr. ch. xxiv.; so Chrys., Theoph., Œcum., Cyril of Jerus., al. In its literal meaning, this cannot now be sustained without artificial and unhistorical assumptions: if, however, we refer the to katexov to what really formed the groundwork of that interpretation,-the restraining power of well-ordered human rule, the principles of legality as opposed to those of avoula, - of which the Roman Empire was the then embodiment and manifestation, we shall probably not be far from the real meaning of the very mysterious expression. Of the numerous other views, we may notice the opinion of Theod. and Theod. Mops., that the τὸ κατέχον is ὁ τοῦ Θεοῦ ὄρος, as at first sight plausible; but to this, the έως ἐκ μέσου γένηται introduces an objection that seems positively insuperable. Further information will be found in the Excursus of Pelt (who, however, adopts the view of Theod.), p. 185 sq., the thoughtful note of Olsh., the discussion of Lünem. p. 204 sq., and the useful summary of Alford, Prolegom. p. 55 sq.; comp. also Hofmann, Schriftb. II. 2, Vol. II. p. 613 sq. els τὸ ἀποκαλ.] 'that he should be revealed; purpose contemplated in the existence of the restraining principle. This dποκάλυψις was not to be immediate (οὐκ εἶπεν ὅτι ταχέως ἔσται, Chrys.) or fortuitous, but was to be deferred till the δ ἐαυτοῦ καιρός, - the season appointed and ordained by God. On the (correct) insertion of ev see notes on Eph. ii. 12.

7. To Yap pustifp.] 'For the mystery of lawlesness;' confirmatory explanation of the preceding statement: the mystery of iniquity, it is true, is at work; but its full manifestation cannot take place till the removal of the restraining power. On this sort of mixed explicative and argumentative force of $\gamma d\rho$, see notes on Gal.

μυστήριον ήδη ένεργείται της ανομίας, μόνον ο κατέχων

The meaning of iv. 22. μυστήριον της άνομ. is somewhat doubt-Considered merely grammatically, the gen. does not seem to be that of the agent (Theod.), or that of apposition (Lünem., and Alf., -who, however, seems to mix it up with a gen. continentis), but simply a gen. definitivus (comp. Madvig, Synt. § 49) or gen. of the 'characterizing principle or quality' (Scheuerl. Synt. § 16. 3, p. 115), -the mystery, of which the characterizing feature, or, so to say, the active principle was avoula; comp. Joseph. Bell. Jud. 1. 24. 1, τον 'Αντιπάτρου βίον οὐκ ἄν ἀμάρτοι τις εἰπὼν κακίας μυστήριον. The transition from this gen. to that of (ethical) content is so easy and natural, that it is often difficult to decide whether the gen. belongs to that category or to that of the possess. gen.; see Scheuerl. l.c. The genitival relation of μυστήρ, της εὐσεβείαs is often somewhat plausibly contrasted with the present expression (Andrewes, Serm. III. Vol. I. 34), but seems really different; see notes on I Tim. iii. 9. This mystery of dvoula is no personality, scil. Antichrist, or any real or assumed type of Antichrist (Νερώνα ἐνταῦθά φησιν, Chrys.), but all that mass of uncombined, and so to say, unorganized dvoula, which, though at present seen only in detail and not revealed in its true proportions, is even now (ήδη) aggregating and energizing, and will hereafter (ἐντῷ ἐαυτοῦ καιρῷ) find its complete development and organization in the person and power of Antichrist. On the meaning of μυστήρ.,—here placed emphatically forward as in tacit antithesis to $d\pi$ οκαλυφθ. ver. 6, 8,—see notes on Eph. v. 32, and comp. Sanderson, Serm. IX. (ad Aul.), Vol. I. p. 227 (ed.

avoulas] 'law-Jacobs.) lessness;' in appropriate and illustrative antithesis to the principle of order and legality involved in the apparent meaning of τὸ κατέχον. On the meaning of avoula ('in qua cogitatur potissimum legem non servari,' Tittm.) and its distinction from dounta, see Tittm. Synon. I. p. 48, and comp. notes on Tit. ii. 13. ένεργείται] working,' 'operatur,' Vulg., [incipit efficax esse] Syr., comp. Æth.; clearly not passive, 'efficax redditur' (Schott), which would not only be here inappropriate, but in opposition to the prevailing use of the word in the N.T.; see notes on Gal. v. 6, and on the different constructions of the word, notes on ib. ii. 8. μόνον δ κατέχων κ.τ.λ.] 'only until he that now restraineth be removed;' rhetorical change of the usual order; see exx. in Winer, Gr. § 61. 3, p. 405 (ed. 6), and comp. Gal. ii. 10, μόνον τῶν πτωχῶν ἴνα μνημονεύωμεν, where the emphatic words are similarly attached to the semi-elliptical μόνον. As, however, in Gal. l.c., so here, it is not necessary to supply definitely any verb to complete the ellipsis ('tantum ut qui tenet nunc teneat,' Vulg., comp. Auth.), still less to connect μόνον with what precedes (Kypke, Obs. Vol. II. p. 342). The μόνον belongs to ĕws, and simply states the limitation involved in the present working of the μυστήριον της ανομίας: it is working already, but only with unconcentrated action until the obstacle be removed, and Antichrist be revealed. So rightly as to structure, Chrys., ή άρχη ή 'Ρωμαϊκή όταν άρθη έκ μέσου, τότε έκείνος ήξει. The only other plausible structure is the supple-

άρτι εως εκ μεσου γενηται· 8 καὶ τότε αποκαλυφθήσεται

8. δ Κύριος Ίησ.] So Lachm. and Tisch. ed. I with AD*E*FGJ**; 6 mss.; Syr. (both), Vulg., Clarom., Copt., Æth. (both), Arm.; Orig., Hippol., Ath., al.; Tertull., Hieron. (Scholz, Lünem., Alf.) In his second ed., Tisch. omits Ἰησοῦς with B (e sil.) D***E**J*K; great majority of mss.; Arab. (Polygl.); Orig. (I), Maced., Cyr. (Hieros.), Theod. (I), al.; Vig. (Rec.),—authority of some weight, but decidedly inferior to that in favour of the insertion.

ment of fort, but the objection of Lünem. that a word so emphasized and of such real importance could scarcely be omitted, seems reasonable and valid. The greatest difficulty is, however, the change of gender in the designation of the restraining principle. Perhaps the simplest view is to regard it, not as a studied designation of a single individual (e.g. St. Paul, Schott, p. 249), or of a collection of such (e.g. the saints at Jerusalem, Wieseler, Chronol. p. 273), but merely as a realistic touch, by which what was previously expressed by the more abstract τὸ κατέγον is now, as it were, represented as concrete and personified; comp. Rom. xiii. 4, where the personification is somewhat similarly introduced after, and elicited from, a foregoing abstract term. άρτι is to be closely connected with ὁ κατέχων, and simply refers to time regarded as present to the writer. On the derivation and meaning of the word, see

two tk μέσου γένηται] On this connexion of two with the subjunctive without dν,—a construction especially characteristic of later writers, see Winer, Gr. § 41. 3, p. 266. The distinction acutely drawn by Herm. (de Partic. dν, 11. 9, p. 109) between such formulæ as μίμνετε τως θάνω (de moribundo) and τως αν θάνω (de eo qui non ita propinquam sibi putaret mortem esse), and repeated by Klotz (Devar. Vol. 11. p. 568) cannot with safety be applied in the N.T.; nor

notes on 1 Thess. iii. 6.

can we with distinct probability ascribe the omission of av to any idea of design supposed to be involved in the sentence, as suggested by Green, Gram. p. 64, note. We have only an instance of that obliteration of finer shades of distinction which characterizes the later and decadent Greek. The phrase έκ μέσου γίγνεσθαι is illustrated by Wetstein and Kypke (Obs. Vol. II. p. 343): it indicates the removal of any obstacle, of anything έν μέσφ ὄν (Xenoph. Cyrop. v. 2. 26, cited by Lünem.), leaving the manner of the removal wholly undefined; comp. έξαιρ. έκ μέσου, I Cor. v. 2, μέσου, Isaiah lvii. 2.

 καὶ τότε] 'and THEN,'—then when ὁ κατέχων shall have been removed: the primary emphasis clearly falling on the particle of time, the secondary and subordinate on ἀποκαλυφθήσεται. δ aνομος] 'the lawless one;' identical with the foregoing δ ανθρωπος της $\dot{a}\mu a\rho\tau$., the changed designation serving appropriately to echo the preceding term (ávoµla) which defines more nearly the evil principle that the Man of Sin will especially develop; 'Exlex ille, qui nullis legum vinculis coerceri vult, sed omnia jura divina et humana suo ipsius arbitrio subjicit,' Vorst, ap. Pol. Syn. δν δ Κύριος κ.τ.λ.] 'whom the Lord Jesus shall consume with the breath of His mouth :' relative sentence describing, with a consolatory glance forward to the final issue, the ultimate fate of Antichrist; και τι μετά ταῦτα; έγγυς ή παραμυθία: ἐπάγει γάρ, δν δ Κύριος

ό ἄνομος, δν ο Κύριος 'Ιησοῦς ἀναλώσει τῷ πνεύματι τοῦ στόματος αὐτοῦ καὶ καταργήσει τῆ ἐπιφανεία τῆς παρουσίας αὐτοῦ, 9 οῦ ἐστὶν ἡ παρουσία κατ' ἐνέργειαν

 $\kappa.\tau.\lambda.$, Chrys. The forcible expression τῷ πνεύμ. τοῦ στόμ. has received different explanations. It has been referred (a) by the Greek commentators to the words of power $(\phi\theta\dot{\epsilon}\gamma$ ξεται μόνον, Chrys.; comp. Theod., Theod. Mops., al.) issuing from the Lord's lips; (b) by Athan. (ad Serap. I. 6, p. 655), Theoph. 2, al., to the Holy Spirit; but is most simply regarded, (c) as a vivid declaration of the glorious and invincible power of the coming Lord, 'cui sufficiat halitus oris quo avonos ille perdatur,' Schott; comp. Isaiah xi. 4 (of which these words may have been a partial reminiscence), Wisdom xi. 20, and the pertinent quotations from Rabbinical writers collected by Wetst. in loc. on the word καταργέω, comp. notes on Gal. v. 4. The reading is doubtful: ἀναλεῖ is adopted by Lachm. with ABD* (FG; 67* ἀνέλοι); above ten mss.; Orig. I, Hippol., Maced., but is suspicious as a possible conformation to Isaiah xi. We retain therefore αναλώσει [D***EJK; great majority of mss.; Orig. (1), Basil (1), Theod. (2), al.] with Rec., Tisch. ed. 2, and most recent commentators. ἐπιφανεία τῆς παρ.] 'with the appearance of His coming,' not with a semitheological reference to the glorious manifestation ('illustratione,' Vulg., 'brightness,' Auth. Ver., 'vi salutari, Kypke, Obs. Vol. II. p. 343) of Christ at His second coming (comp. notes on I Tim. vi. 14, and on Tit. ii. 3), but with simple reference to His actual coming ('aspectu adventus sui,' Clarom., Æth.), and actual local appearing; στήσει τὴν ἀπάτην καὶ φανείς μόνον, Chrys., Theoph.

9. of forly in mapovola Return to the time and subject of Antichrist's coming, after the anticipatory allusion to his final overthrow; the οδ resuming and re-echoing the 8v of verse 8. The (ethical) present ἐστὶν marks the certainty of the future event; see Winer, Gr. § 40. 2, p. 237, Bernhardy, Synt. x. 2, p. 371. κατά ένέργ. τοῦ Σατ.] 'according to the working of Satan;' not here 'in consequence of' (De W., comp. notes on ch. i. 12), but, in accordance with the more usual force of kard, 'in agreement and correspondence with' an ἐνέργεια such as belongs to, and might be looked for from Satan; comp. notes on Eph. i. 19, and Col. i. 29. έν πάση δυνάμ. κ.τ.λ.] 'in all power and signs and wonders of falsehood,' -in every form of (see notes on Eph. i. 8) power, signs, and wonders, leading to and tending to develop ψεῦδος: έν being no 'nota dativi' (Olsh.), but marking the sphere and domain of this [άντι]παρουσία (comp. on I Thess. i. 5), and both #doy (comp. Winer, Gr. § 59. 5, p. 466) and the gen. being associated with all the three substantives. The exact nature of the genitival relation is not perfectly certain: ψεύδους may be regarded as (a) a gen. of the origin, (b) of the characterizing quality or essence (see notes on ver. 7), or lastly, (c) of 'the point of view' (Scheuerl. Synt. § 18, p. 129). Of these (a) is by no means probable; but between (b) and (c) it is very difficult to decide. Perhaps the object specified in ver. 11, and the analogy of anath abiklas (ver. 10), scil. 'fraus quæ ad improbitatem spectat,' (Schott 1, Winer, Gr. § 30. 2, p. 170), may here incline us to the

τοῦ Σατανα εν πάση δυνάμει καὶ σημείοις καὶ τέρασιν 10 καὶ ἐν πάση ἀπάτη ἀδικίας τοῖς ἀπολλυμές **Ψεύδους.** νοις, ανθ' ων την αγάπην της αληθείας ουκ εδέξαντο είς τὸ

latter; so Chrys. 2, els ψεῦδος ἄγουσι. For exx. of these more lax connexions of the gen., see Winer, Gr. § 30. 2. β, p. 169. The three substantives might seem to be climactic; it was not only in an element of power (see on I Thess. i. 5), but one of signs, and further, one of prodigies, that the working of Satan took place; as, however, we find a varied order (Acts ii. 22), and as the difference between σημεία ('res insolitas quibus Deus aliquid significet,' Fritz.) and τέρατα ('quæ ut inusitata observari soleant,' ib.), is less in the things themselves than in the mode of regarding them, we may perhaps most naturally consider the substantives as only rhetorically accumulated; compare Bornemann, Schol. in Luc. p. xxx. On the meaning of the two last words, and the derivation of $\tau \epsilon \rho as$ $[\tau \eta \rho \epsilon \omega, comp.$ Benfey, Wursellex, Vol. II. p. 238], see the elaborate note of Fritz. Rom. xv. 19, Vol. III. p. 270. The form σημείον appears closely connected with $\sigma \hat{\eta} \mu a$ ($\theta \hat{\eta} \mu a \tau$ -), and thence with ΘΕΩ, τίθημι; see Pott, Etym. Forsch., Vol. II. p. 592.

10. και έν πάση κ.τ.λ.] 'and in all (kind of) deceit of iniquity; generic and comprehensive term appended by the collective kal to the foregoing list of more special details; comp. Winer, Gr. 53. 3, p. 388, notes on Phil. iv. 12. On the genitival relation see above, ver. 9, and Winer, Gr. § 30. 2, p. 170, and on the meaning of doixla ('de quâcunque improbitate dicitur, quatenus τῷ δικαίφ repugnat,' Tittm.), notes on 2 Tim. ii. 19. The addition of the art. [Rec. with DEJK; mss.; Hippol., Chrysost., Theod.] is rejected by Lachm., Tisch.

on the higher authority of ABFG; mss.; Orig. (6), Cyr. (Hieros.) τοις απολλυμένοις] 'for those that are perishing;' dat. incommodi, belonging to the general head of the dative of interest; see Krüger, Sprachl. § 48. 4. The more exactly specifying τοῖε $d\pi o \lambda \lambda$. has no reference to any 'decretum reprobationis' (comp. even Pelt, 'damnationi a Deo devoti'), but either like eorly marks the certainty of the event ('qui certissime sunt perituri,' Turret.), or perhaps, more simply, with merely a temporal parallelism, points to those who 'are perishing' at the time in contemplation,-not too without reference to the present existence (comp. ver. 7) of such a class (1 Cor. i. 18, 2 Cor. xi. 15, iv. 3), of which those here specified will be the continuance and development. The consolatory nature of the tacit limitation is not overlooked by the Greek commentators; $\mu \dot{\eta} \phi o \beta \eta \theta \dot{\eta} s d \gamma \alpha \pi \eta \tau \dot{\epsilon}$. άλλ' ἄκουε λέγοντος αὐτοῦ: ἐν τοῖς άπολλ. Ισχύει, οί, εί και μή παρεγένετο έκείνος, ούκ αν έπείσθησαν, Chrys. The reading is somewhat doubtful: év is prefixed by Rec. with D***EJK; mss.; Syr. (both); Orig. (1), al., but is rightly rejected by Lachm., Tisch., both with preponderant external authority [ABD*FG; Vulg., Clarom.,

Copt., Æth. (both), Sah., al.; Orig. (5), Cyr. (Hieros.), Iren.], and as a probable interpolation to remove a supposed difficulty of construction.

ave av for that, 'in requital for which' (τί οδυ τὸ κέρδος, Chrys.), Luke i. 20, Acts xii. 23, comp. Lev. xxiv. 20; explanatory statement of the cause of the judicial dispensation of God, and of the justness and deservedness of their punishment. On this σωθηναι αὐτούς. 11 καὶ διὰ τοῦτο πέμπει αὐτοῖς ὁ Θεὸς ενέργειαν πλάνης, εἰς τὸ πιστεῦσαι αὐτοὺς τῷ ψεύδει,

meaning of ἀνθ' ὧν (' propterea quod') see Herm. Viger, No. 33, Winer, Gr. § 48. a, p. 326, and for exx. see the list collected by Wetst. on Luke, l. c., and Raphel, Annot. Vol. I. p. 442. την άγάπην της άληθ.] ' the love of the truth;' not 'charitatem veram,' Anselm (cited by Corn. a Lap.), but 'the love felt for the truth,' 'dilectionem veritatis, Ps. Ambros., $-\dot{a}\lambda\eta\theta$. not being a gen. of quality, but the simple and common gen. objecti; comp. Winer, Gr. § 30, p. 167, Krüger, Sprachl. § 47. 7. 1 sq. It seems somewhat perverse in Jowett to deny that this implies any higher degree of alienation from the truth than the less distinctive οὐκ ἐδέξαντο την άληθ.; surely it is one thing not to receive the truth,-an unhappy state that might be referable to a mental obliquity for which some excuse might be found,—and another to receive no love of it, to be open to no desire to seek it, to be worse than indifferent to it; 'ubi veritas summopere amabilis, ibi se quodammodo amor veritatis insinuat,' Cocceius. prosopopæia (άγάπην άληθ. τὸν Κύριον κέκληκεν) adopted by Theod., Theoph... and Œcum. is artificial, and unsupported by analogy. €ls τò σωθήναι] 'that they might be saved!' object that would have been naturally contemplated in their reception of it; and which was negatived and disregarded by the contrary course; 'non ita sibi chari fuerunt ut cogitarent de vitâ æternâ,' Cocceius.

II. Kal Sid rouro] 'And for this cause,' kal serving to mark the correspondence between the judgments and the course of conduct that had provoked them, and perhaps involving partly a conse-

cutive, and partly a contrasting force; comp. notes on Phil. iv. 12.

πέμπει] 'doth send;' not so much an ethical (see ver. 9), as a direct present; the mystery of iniquity is even now at work (ver. 7), and is even now calling down on itself the punishment of judicial obduracy. There is no need for explaining away πέμπει (συγχωρήσει φανήναι την πλανήν, Theod., comp. Theod. Mops., Theoph., Œcum.), nor is it right merely to ascribe it to a form of thought in the age of the Apostle (Jowett), nor enough to say merely that 'whatever God permits he ordains,' Alf. The words are definite and significant; they point to that 'judicial infatuation' (Waterl. Vol. v. p. 486,—differently, however, Vol. IV. p. 363), into which, in the development of His just government of the world, God causes evil and error to be unfolded, and which He brings into punitive agency in the case of all obstinate and truth-hating rejection of His offers and calls of mercy; comp. Müller, Doctr. of Sin, Book v. Vol. I. p. 471 (Clark), and see two able Sermons on this text by South, Serm. Vol. II. p. 102-228. The reading πέμψει [Rec. with D***EJK; mss.; majority of Vv., and many Ff.], is rightly rejected by most modern editors, being inferior in uncial authority to πέμπει [ABD*FG: 67; Amit., Orig. (3), al.], and a correction of it that would easily suggest itself.

ένέργειαν πλάνης] 'an (effective) working of delusion;' not πλάνην ένεργον, Œcum.,—here a most questionable solution of the governing subst. (see Winer, Gr. § 34. 3, p. 211), but, in accordance with δυνάμει κ.τ.λ. ψεύδους, of which ένέργ. πλάνης is a kind of summary,—'a working which tends to

12 ໃνα κριθώσιν ἄπαντες οἱ μὴ πιστεύσαντες τῆ ἀληθεία ἀλλ' εὐδοκήσαντες ἐν τῆ ἀδικια.

We ought to thank God that He hath chosen and called you. Hold what we delivered unto you; and may God stablish you.

enhance and develop πλάνη,' the gen. being (as in verse 9), that of 'the point of view;' τὰ ἔργα ἃ ποιεῖ [Αντίχρ.] εls τὸ πλανήσαι, Theoph. On the meaning of πλάνη ('error,' Vulg.), see notes on I Thess. ii. 3, and on Eph. iv. 14. είς τὸ πιστεθσαι κ.τ.λ.] 'to the intent that they should believe the lie,' scil. the falsehood implied in the preceding words οδ ἐστιν -doirlas (Green, Gram. p. 141), not falsehood generally, as Middl. Gr. Art. p. 383 (ed. Rose): clause stating the purpose of God ('non meram sequelam,' Schott), in His judicial act of sending to them the ἐνέργ. πλάνης. He sends a power of a nature designed to work out the appointed issue, and to bring about a state which involves its own chastisement. On the telic force of els τò in sentences similar to the present, see Meyer on Rom. i. 20.

12. Υνα κριθώσιν άπ.] 'that they may all of them be judged;' more remote purpose involved in the preceding words els τὸ πιστεῦσαι κ.τ.λ., with which this clause seems more naturally in connexion than directly with the preceding πέμπει. The preceding els τὸ κ.τ.λ. renders a reference to result ('quo fiet, ut,' Schott) here distinctly untenable. It need scarcely be said that κριθώσιν is not per se ' might be damned,' Auth. ("va κατακριθώσι, Chrys.), but simply 'might be judged,' 'judicentur,' Vulg., the further idea of an unfavorable judgment being supplied by the context; comp. κρίμα, ι Tim. iii. 6, and see The reading is notes in loc. doubtful: Tisch. reads απαντες with AFG; mss.; Orig. (2), Cyr.: Rec.

and Lachm. adopt warres with B (e sil.) DEJ; mss.; Orig. (1), many Ff. Till the reading of B is (as it shortly will be) definitely known, it seems best to coincide with Tisch.

εὐδοκήσαντες έν τῆ άδικ.] 'took pleasure in unrighteousness.' On the meaning of εὐδοκείν ('re aut persona delectari,' Fritz.), compare notes on r Thess. ii. 8, but see esp. the elaborate note of Fritz. Rom. x. 1, Vol. 11. р. 360 вд. The reading is not quite certain; èv is retained by Rec. and Tisch. ed. 2 [with AD***EJK; great majority of mss.; Syr. (both), Copt., Æth. (both), al.; Orig. (2), Chrys., Theod.], but rejected by Lachm., Tisch. ed. I [with BD*FG; 7 mss.; Vulg., Clarom., Sahid.; Orig. (2), Hippol., al.], -appy. however, with less probability, as the construction with the simple dat. is not found in the N.T., and as the omission of the particle may here have been easily suggested by a desire to preserve a parallelism of clauses.

13. ἡμεῖε 8έ] 'But we;' scil. the Apostle and his companions, Silvanus and Timothy (ch. i. 1), not St. Paul alone (Jowett),—placed by means of the oppositive δὲ in contrast with those alluded to in the foregoing verses. δφείλομεν] 'are bound,' Auth., 'oportet,' Copt. [sempsha]; the verb δφείλεω, as in ch. i. 3, expressing the duty on its subjective side, 'das innerlich Gedrungenfühlen,' Lünem. On the connexion of εὐχαριστεῦν with περί, and on the meaning of the verb, see notes and reff. on 1 Thess. i. 2.

άδελφοι κ.τ.λ.] So, similarly, 1 Thess. i. 4, άδελφοι ήγαπημένοι ὑπὸ Θεοῦ,—

ύπὸ Κυρίου, ὅτι εἵλατο ὑμᾶς ὁ Θεὸς ἀπ' ἀρχῆς εἰς σωτηρίαν ἐν ἀγιασμῷ πνεύματος καὶ πίστει ἀληθείας,

except that Kuplou here, as nearly always in St. Paul's Epp., refers to our Lord, not to God the Father. Though love, as Alf. remarks, is in this sort of collocation somewhat more usually referred by St. Paul to the First Person of the blessed Trinity (ver. 16, Eph. ii. 4, al.), yet such references to the Second Person are by no means without precedent; comp. Rom. viii. 37, Eph. v. 2, 25. ότι «ίλατο ὑμᾶς] 'that He chose you;' objective sentence ('quod,' Vulg., 9, Syr.) stating the matter and grounds, surely not 'the reason,' Alf. (comp. Æth., Auth.) of the εὐχαριστία; see 1 Thess. ii. 13, 1 Cor. i. 14, and on objective sentences generally, or as they are sometimes termed, 'expositive' sentences, consult Schmalfeld, Synt. § 163 sq., Donalds. Gr. § 584 sq. The verb alρείσθαι is an āπ. λεγόμ. in St. Paul's Ep. in reference to the divine exhaut, the more regular term being ἐκλέγεσθαι (τ Cor. . 27, 28, Eph. i. 4); comp. I Thess. i. 4, and Reuss, Théol. Chrét. IV. 14, Vol. 11. p. 133 sq. The Alexandrian form είλατο (see Lobeck, Phryn. p. 183) is rightly adopted by Lachm., Tisch., and most modern editors, with greatly preponderating authority [ABDEFGJ; mss.; Theod. (mss.)]. On these forms in the N.T., see Tisch. Prolegom. p. xxv.

άπ' ἀρχῆς] 'from the beginning;' scil. of all things, 'from eternity;' so I John i. I, ii. 13, but not elsewhere in St. Paul's Epp. where the more distinctive formulæ dπὸ καταβολῆς κόσμου (Eph. i. 4), πρὸ τῶν αἰώνων (I Cor. ii. 7), πρὸ χρόνων αἰωνίων (2 Tim. i. 9), and more restrictedly, ἀπὸ τῶν αἰώνων (Eph. iii. 9), are used to express the same or a similar

idea. The reference to the beginning of the gospel-preaching (Michaelis, al.) is rightly rejected by Schott and Lünem., as requiring some supplement either immediately connected with άρχή (Phil. iv. 13), or obviously involved in the context (r John ii. 7, Finally, the reading $d\pi a\rho$ χὴν (Lachm., Tisch. 1) has fair external support [BFG; mss.; Vulg.], but is so distinctly inferior in external authority to dπ' dρχη̂s [ADEJK; nearly all mss. and Vv.; Gr. and Lat. Ff.], and involves such a tacit opposition to actual history (the Thess. were not the first believers in Maced.), that we can here scarcely hesitate in our choice.

έν άγιασμφ πνεύματος] 'in sanctification of the Spirit,' scil. wrought by, and effected by the Spirit; πνεύματος being the gen. of the causa efficiens (see notes on I Thess. i. 6), and referring not to man's spirit (Schott). but to the personal Holy Spirit. No argument can be founded on the omission of the article, as in the first place such omissions are not rare with Πνεθμα, and secondly, it might here be due to the common principle of correlation; comp. Middl. Gr. Art. III. 3. 7, p. 49 (ed. Rose). The prep. èv may be instrumental (Chrysost., Lünem., al.), but is perhaps more naturally taken in its usual sense as denoting the spiritual state in which the είλατο είς σωτηρίαν was realized: see Winer, Gr. § 50. 5, p. 370, who, in ed. 5, refers it less exactly to σωτηρία. The assumption of De W., that èv is here equiv. to els, is well refuted by Lünem., who justly urges the obscuring effect this would have on the preceding els σωτηρίαν.

mloτει άληθείας] 'belief in the truth;'

14 εἰς δ ἐκάλεσεν ὑμᾶς διὰ τοῦ εὐαγγελίου ἡμῶν, εἰς περιποίησιν δόξης τοῦ Κυρίου ἡμῶν Ἰησοῦ Χριστοῦ.
 15 ἄρα οὖν, ἀδελφοί, στήκετε, καὶ κρατεῖτε τὰς παραδόσεις

 $d\lambda\eta\theta$ elas not being a gen. of quality ($\pi l\sigma\tau\epsilon\omega s$ $d\lambda\eta\theta\sigma\hat{\nu}s$, Chrys.), but simply the gen. objecti, see Winer, Gr. § 30. I, p. 167, and comp. Phil. i. 27.

14. els 8] 'whereunto,' scil. els σωτηρίαν έν άγιασμῷ κ.τ.λ., not 'ad electionem atque animum quo eâdem digni evadimus' (Pelt), as the historical έκάλεσεν naturally stands in connexion, not with the election which had taken place $d\pi' d\rho \chi \hat{\eta}s$, but with those issues contemplated by the είλατο, which had their commencements in time. So rightly Theoph., είς τοῦτο γὰρ ἐκάλεσεν ὑμᾶς, φησίν, είς τούτο; ποίον; είς τὸ σωθήναι διά (?) τοῦ ἀγιασμοῦ καὶ τῆς πίστεως. reading of Lachm., ἐκάλεσεν ἡμᾶs, has the support of ABD*; a few mss.; Clarom., Sangerm., and,—as ὑμᾶs might have been a conformation to the preceding vuas, -is plausible, but too deficient in external authority to be admitted with confidence.

8ια τοῦ εὐαγγ. ἡμῶν] 'by means of our gospel,' soil. 'the gospel we preached,' that which involved the ακοὴν which is the antecedent of πίστις; comp. Rom. x. 17, and Usteri, Lehrb. II. 2. 2, p. 267. On the exact genitival relation of ἡμῶν, see notes on 1 Thess. i. 5.

els περιποίησιν δόξης] 'to the obtaining of the glory of our Lord J. C.,' in acquisitionem gloriæ,' Vulg., Copt., comp. Æth., 'ut vivatis in gloria Domini:' more exact specification of the preceding els σωτηρίαν (ver. 13), the term περιποίησιε giving the σωτηρία the aspect of a κτήσιε (Hesych., Suid.), and that of a glory of which Christ was—not the author (Pelt), but, in accordance with the analogy of Scripture,—the Lord and

possessor; see John xvii. 24, comp. Rom. viii. 17. See esp. notes on I Thess. v. o, where this meaning of περιπ. is briefly investigated. Of the two other interpretations of $\pi \epsilon \rho \iota \pi$.,— (a) active, with reference to God, scil. **ἴνα δόξαν περιποιήση τῷ υἰῷ αὐτοῦ,** Œcum.; and (b) passive (comp. Eph. i. 14), δόξης being resolved into an adj., scil. 'gloriosa possessio,' Est. 2,the first is grammatically, the second contextually doubtful. In the case of (a) we must have had the usual dative of 'interest,' not (as here) a gen. of possession; in the case of (b) the seeming parallelism with I Thess. v. 9, would be destroyed, and the object of the καλείν would really become the glorification of our Lord (so expressly

Syr. (in large expectation of ver. 15 (dpa ov) seems logically to depend; comp. Lünem. in loc.

15. άρα οὖν κ.τ.λ.] 'Accordingly then stand (firm); exhortation following on the preceding declaration of the gracious purpose of God,—the illative άρα being supported by the collective our; see notes on Gal. vi. 10, and reff. on 1 Thess. v. 6. On the present derivative meaning of στήκετε (perstate, Beza, μὴ καταβλήθητε, Œcum.; comp. I Thess. v. 8), here suitably used in retrospective antithesis to σαλευθήναι (ver. 2), see notes on Phil. i. 27. This verb, as has before been noticed, only occurs in St. Paul's Epp. (7 times) and in Mark xi. 25. It occurs only once in the LXX. Exod. xiv. 13 (Alex., Complut.). κρατείτε τας παραδόσεις] 'hold fast

åς εδιδάχθητε είτε διὰ λόγου είτε δι' επιστολής ήμων 16 αὐτὸς δὲ ὁ Κύριος ήμων Ἰησοῦς Χριστὸς, καὶ ὁ Θεὸς

the instructions;' practically synonymous with I Cor. xi. 2, ταs παραδόσεις κατέχετε. These παραδόσεις (Mark vii. 3, Gal. i. 14, al.) probably related, -not, as in 1 Cor. l.c. (see Meyer in loc.), to matters both of doctrine and discipline, but, as the more specific έδιδάχθητε and the general tenor of the context (comp. ver. 5) suggest, solely to the former, κανόνα διδασκα-Mas, Theod. The polemical and controversial use of the term, hinted at even by Chrys., is brought forward by Damasc. (de Imag. 1. 23, Vol. 1. p. 318, Paris, 1712), and enforced by most writers of the Romanist Church (comp. Canon. Conc. Trid. Sess. IV. p. 15, ed. Tauchn.), but distinctly without plausibility. No reference to any ἐκκλησιαστικόν φρόνημα (Euseb. Hist. Eccl., v. 27; comp. Möhler, Symbolik, § 38, p. 36r) can fairly be elicited from the words. Apostle, as the following clause most distinctly shows, is referring to some definite and lately-given communieations on doctrine which he had specially made to the Thess. (comp. 1 Cor. l.c., καθώς παρέδωκα) by word of mouth and in his former letter. For the most ingenious modern defence of the Romanist doctrine of tradition, see Möhler, Symbolik, l.c. р. 361-365. έδιδάχθητε] 'which ye were taught.' For exx. of this well-known construction, see Winer, Gr. § 32. 5, p. 204, and for the general theory of the connexion of the accus. with passive verbs, Schmalfeld, Syntax, § 25, p. είτε διά λόγου κ.τ.λ.] 'whether by word or by our epistle,'-έπιστολή ήμῶν (gen. auctoris), not an έπιστολή ώς δι ήμων, ver. 2. We can hardly say with

Gom. (cited and approved by Pelt, comp. Schott) that 'e'τε non disjungit, sed conjungit et copulat;' it rather subdivides the general ἐδιδάχθητε into the two special modes in which διδαχὴ is usually and regularly conveyed; comp. I Cor. xiii. 8, and Meyer in loc.

16. αὐτὸς δὲ ὁ Κύρ.] 'but may our Lord Himself;' concluding prayer (πάλιν εὐχὴ μετὰ παραίνεσιν τοῦτο γάρ ἐστιν ὅντως βοηθεῖν, Chrys.), the δè contrasting the succeeding prayer with the foregoing exhortation, and the airds giving force and dignity to the mention of our Lord as compared with the preceding ἡμῶν; comp. I Thess. iii. 11, v. 23, where, however, the connexion is less close, and the contrasting force, both of the particle and pronoun, somewhat less emphatic. Our Lord is probably put first in the enumeration (2 Cor. xiii. 13), contrary to the Apostle's usual habit of writing, either on account of the recent mention of our Lord in ver. 14, or from the feeling that it was by His grace alone that they could have strength to carry into practice the preceding exhortations; 'per gratiam Christi venitur ad Patris amorem,' Bengel on 2 Cor. l.c. This unusual order is not left unnoticed by Chrys. and the Greek expositors; τῆ τῆς τάξεως εναλλαγή την δμοτιμίαν δεικνύει, Theod. The reading is somewhat doubtful. Lachm. inserts ò before Xριστόs [with A], brackets it before Ocos [BD* omit], and puts it in the place of και before πατήρ [with BD*FG; mss.; some Vv. and some Lat. Ff.]. In such cases of variation it is difficult to speak with precision, but, on the whole, the reading of the text (Rec., Tisch., Alf.) seems best attested. δ Θεός και πατήρ

καὶ πατηρ ήμῶν, ὁ ἀγαπήσας ήμᾶς καὶ δοὺς παράκλησιν αἰωνίαν καὶ ἐλπίδα ἀγαθην ἐν χάριτι, ¹⁷ παρακαλέσαι ὑμῶν τὰς καρδίας καὶ στηρίξαι ἐν παντὶ ἔργφ καὶ λόγφ ἀγαθφ.

ήμων] 'God and our Father.' On the meaning of this august title, see notes on Gal. i. 4, and on the simply copulative force of kal, compare the observations in notes on I Thess. iii. TI. δ άγαπήσας κ.τ.λ. seems to refer only to God the Father. The union of Father and Son, esp. as shown by the subsequent singular verb, is confessedly so mystically close that it is difficult to speak with complete confidence (Alf., but see ib. on ver. 16), still the usual reference of $d\gamma d\pi \eta$ to the Father (see on ver. 16) may incline us here to the more exclusive reference. The arbitrary reference of the first of the two participles to Christ, and of the second to God the Father (Baumg.-Crus.), is almost obviously untenable.

παράκλησιν alwv(av] 'eternal consolation;' not appy. with any specially qualitative reference to an έλπίδα τῶν μελλόντων (Chrysost., Theoph.) but mainly in a temporal sense, in contrast to the transitory and fleeting nature of earthly joys (Olsh.): the έλπις τῶν μελλόντων is embodied in the $\dot{\epsilon}\lambda\pi\dot{\epsilon}\delta a$ $\dot{a}\gamma a\theta\dot{\eta}\nu$, 'la perspective d'un heureux avenir,' Reuss, Théol. Chrét. IV. 9, Vol. II. p. 85; comp., though with a slightly different reference, την μακαρίαν έλπίδα, Tit. ii. 13. ev xápiti] 'in grace;' modal adjunct, not to both preceding participles $(\dot{a}\gamma a\pi$. being more usually undefined. Rom. viii. 37, Gal. ii. 20, al.), but to δούs (Schott, and appy. Chrys., Œcum.), the èv, as usual, defining the sphere and element in which the love is evinced and the consolation vouchsafed. In cases like the present the line of demarcation between the above reference to ethical locality and the instrumental use $(\chi d\rho \iota \tau \iota, Chrys.)$ is really very shadowy. It can scarcely be doubted that such a use has arisen from the inclusive nature of the Aramaic \supset , and it is well not to be unduly narrow in interpretation; still, in most of the expressions similar to the present there is a theological idea,—an idea of an encompassing element of grace and love, which it seems desirable to retain; comp. notes on 1 Thess. ii. 8.

17. παρακαλέσαι] 'comfort;' opt. and sing., as in I Thess. iii. II, where see notes. The Apostle does not say merely ὑμᾶs, but ὑμᾶν τὰs καρδίαs (comp. Col. ii. 2); it was the καρδία, the seat of their feelings and affections (comp. notes on I Tim. i. 5; Beck, Seelent. III. 24, p. 92 sq.), the καρδία that was so full of hope and fear about the future, that the Apostle prayed might receive com-

The meaning, [consoletur] Syr., (comp. Æth.), seems thus in the present case more suitable than 'exhortetur,' Vulg., as a translation of παρακαλέσαι; see notes on 1 Thess. v. 11. στηρ(ξαι] ''stablish (you),' βεβαιώσαι, ώστε μή σαλεύεσθαι μηδέπαρακλίνεσθαι, Chrys.; comp. I Thess. iii. 2. The obvious supplement buas is inserted by Rec. with D***E**JK; mss., but rightly rejected by Lachm. and Tisch. with very decidedly preponderating uncial authority. έν παντί ξργφ κ.τ.λ.] 'in every good work and word;' both παντί and ἀγαθῷ being obviously connected with the two intervening substantives. The slightly Finally, pray for the advance of the Lord's word, and for us. He will stablish you, and may He guide your hearts.

ΙΙΙ. Τὸ λοιπὸν, προσεύχεσθε, ἀδελφοὶ περί ήμων, ίνα ὁ λόγος τοῦ Κυρίου τρέχη καὶ δοξάζηται καθώς καὶ πρὸς ὑμᾶς, 2 καὶ ίνα ρυσθώμεν από των ατόπων και πονηρών ανθρώπων οὐ

unusual order [Rec., however, λόγ. κ. €ργ.,—but only with FGK; mss.] has appy. caused the Greek commentt. (silet Theod.) to assign the doubtful meaning δόγματα to the simple word $\lambda \delta \gamma \varphi$. This is by no means probable; the association with ξργφ (comp. Fritz. Rom. xv. 18, Vol. III. p. 268), and still more the inclusive παντι seem both decisive for the ordinary meaning. It is singular that Chrys. (so Theoph.) should have here taken èv as instrumental; clearly the ξργον και λόγος is not the means by which, but the elements in which

CHAPTER III. τ. τὸ λοιπόν] "Finally," 'as to what remains to be said; similar in meaning to λοιπόν (t Thess. iv. 1), but owing to the article, slightly more specific. On the grammatical difference between this formula and the gen. τοῦ λοιποῦ, see notes on Gal. vi. 17.

the στηριγμός takes place.

προσεύχεσθε περί ήμων] 'pray for us;' άνω αὐτὸς εὐξάμενος ὑπὲρ αὐτῶν νῦν αίτει εὐχὴν παρ' αὐτῶν, Œcum. On the formula προσευχ. περί, and its practical equivalence to προσεύχομαι $\dot{v}\pi\epsilon\rho$, see notes on Col. 1. 3.

ΐνα ὁ λόγος κ.τ.λ.] Subject of the prayer blended with the purpose of making it, as so often in St. Paul's Epp.; see notes on Eph. I. 17. This prayer of the Apostle, as Chrys. has well observed, was not ίνα μή κινδυνεύη (els τοῦτο γὰρ ἔκειτο), but that His Lord's word (compare I Thess. I. 8) might speed onward and be glorified. As ever, his prayer did not involve one single selfish element.

τρέχη και δοξάζηται] 'may have free course and be glorified,' 'currat et clarificetur,' Vulg., i.e. may find no obstacles and hindrances (ἀκωλύτως συντρέχη, Theod., προκόπτη, Damasc.) in its onward course (contrast 2 Tim. ii. 9, δέδεται), and be manifested, felt, and acknowledged in its true power and glory by all; compare ch. i. 12, but not, as usually cited, Acts xiii. 48,-where, as De W. rightly observes, the word has a somewhat weaker force, more nearly approaching to 'laudare,' comp. Schneider on Xenoph. Anab. v. q. 32. The middle force adopted by Pelt, 'laudem sibi paret,' is not supported by the usage of the N.T., nor is it at all accurate to say that ἀπὸ would have been more naturally used if the verb had been passive. If any other prep. had been used, it would have been ὑπό (Matth. vi. 2, Luke iv. 15), or èv (John xvii. 10); πρός, however, is perfectly suitable, as denoting the locality reached where the glorification took place. On the use of $\pi \rho \delta s$ with verbs implying rest, &c., see notes on Gal. i. 18.

καθώς και πρός ύμας 'even as it is also with you;' the kal gently contrasting them with others where a similar reception had taken place, and the clause 'tacitâ laude' (Est.) reminding them of their previous and present receptivity; comp. 1 Thess. i. 6 sq.

2. Kal [va puo Bapev] and that we may be delivered,' that we may by our freedom co-operate in this advance of God's word. To find here a mere shrinking of the flesh on the part of the Apostle from the dangers that γαρ πάντων ή πίστις. 3 πιστος δέ έστιν ο Κύριος, δς

awaited him (Jowett), is to assign to the Apostle a character that never belonged to him, and which such passages as Rom. xvi. 31 (see only ver. 32 which shows the true reason) or 2 Cor. i. 8, most certainly do not substantiate. How much keener are the perceptions of the older commentators; διπλή μέν ή αίτησις είναι δοκεί, μία δὲ δμως ἐστί. τῶν γὰρ πονηρῶν άνθρώπων ήττωμένων, άκωλύτως και δ τοῦ κηρύγματος συντρέχει λόγος, Theod. των ατόπων κ.τ.λ.] 'perverse and wicked men,' or, in the more derivative sense of the term & towos,-'iniquis et malis hominibus,' Clarom.;

comp. Syr. Malo [malorum et perversorum], where the order seems changed. The word ārowos, frequently used by Plato, and in connexion with kairbs (Rep. III. 405 D), θαυμαστός (Legg. I. 646 B), and ahθηs (Tim. 48 B, Legg. VII. 797 A), properly signifies ὁ μὴ ἔχων τόπον (Suid. s.v.), and thence derivatively, as the same lexicographer observes, κακός, μοχθηρός (see Bekk. Anecd. p. 460, Hesych. πονηρός, alσχρός), with concomitant ideas of 'mischief,' &c., according to the context; comp. Acts. xxvii. 26, Philo Leg. Alleg. III. § 17, άτοπος λέγεται είναι ὁ φαῦλος, άτοπον δέ έστι κακὸν δύσθετον (Vol. I. p. 98, ed. Mang.), and the exx. collected by Kypke, Obs. Vol. II. p. 145 sq. Who these men were is somewhat doubtful. The most natural supposition is, that they were perverse and fanatical Jews (not Christians, on account of what follows) at Corinth, who were then opposing the word of God and the Apostle's ministry of it; comp. Acts xviii. 12 sq., and Wieseler, Chronol. p. 256. The remark of Tertullian seems to

have ever been very true in reference to the early Church, - 'synagogas Judæorum, fontes persecutionum, 'adv. Gnost. Scorp. ch. 10. ού γάρ πάντων ή πίστις] 'for the faith doth not pertain unto all men; reason for the foregoing clause, and the mention of those alluded to in it. The definite h mlores can here only refer to 'faith' in the Christian sense (τδ πιστεῦσαι, Œcum., and perhaps Syr. الروم محمد الكون of Schott, 'fides sincera et constans,' in contrast to false Christians (ψευδάδελφοι, Gal. ii. 4), seems inconsistent with the use of the simple unqualified substantive. For exx. of this not uncommon use of the possessive gen., see Krüger, Sprachl. § 47. 6. 8, and comp. Acts i. 7, Winer, Gr. § 30. 5, p. 176. Wetstein in loc. cites the well known proverbial saying, ou παντός ανδρός ές Κόρινθον έσθ' ὁ πλοῦς, cited by Suidas s.vv. οὐ παντός, Vol. II. p. 1220 (ed. Bern.).

3. TIGTOS & K.T.A.] But faithful is the Lord;' antithesis to the member immediately preceding, with a paronomasia, or rather play on the word, suggested by the preceding πίστις; comp. 2 Tim. ii. 13, and see exx. in Winer, Gr. § 68. 2, p. 561, where the distinction is drawn between simple paronomasia, and a play on words (Wortspiel) where a fresh or slightly changed meaning is introduced. There seems no reason for departing, either here or ver. 4, from the usual reference of & Kúpios to the second person of the blessed Trinity; comp. notes on ch. ii. 13. The reading adopted by Lachm., ὁ Θεός [AD*FG; Vulg. (not Amit.), Armen. (Marg.); Latin Ff.], seems clearly a correction, and a conformation to the more usual forστηρίζει ύμας και φυλάζει από του πονηρού. 4 πεποίθαμεν δε εν Κυρίφ εφ' ύμας, ότι α παραγγελλομεν καί

mula, 1 Cor. i. 9, x. 13, 2 Cor. i. 18. 85 στηρίξει] 'who shall stablish you,' not perhaps without a faint explicative force in the relative, 'being one who will, &c.;' comp. notes on I Tim. ii. 4, and on Col. i. 25, 27. The form στηρίσει found in B is noticed by Winer, Gr. § 15, p. 82, and is not without analogy in Alexandrian Greek. άπὸ τοῦ πονηροῦ] 'from the Evil One.' Here as elsewhere in the N.T., it is extremely doubtful whether τοῦ πονηροῦ refers to evil in the abstract (Rom. xii. 9), or to the Evil One (I John v. 18, comp. Eph. vi. 16, and notes in loc.) The context alone must decide; and this in the present case, in spite of the reference to ch. ii. 17, στηρίξαι ἐν παντί ξργφ και λόγφ, urged by Lünem. and repeated by Alf., seems rather in favour of the masculine,—(1) in consequence of the seeming ref. to the Lord's prayer, where the Greek commentt. (whose opinion in such points deserves full consideration) adopt the masc., -and (2) from the tacit personal antithesis suggested by the preceding Κύριος. The ancient Vv. whose testimony would have here been of considerable importance, do not seem to afford us any sure indications of the view they adopted. The Syr., we may observe, uses the same word both here and I John v. 18, where the meaning is not doubtful.

4. πεποίθαμεν δὲ ἐν Κυρ.] 'Yea, we have trust in the Lord;' declaration of the Apostle's trust in his converts,—the δὲ subjoining with a faint antithesis to the simple future just preceding ('ei quæ jam significata est, similis notio quodam modo opponitur,' Klotz, Devar. Vol. II. p 361) the Apostle's present trust and con-

victions, and paving the way for the exhortations in ver. 6 sq.: καὶ τοῦτο els προτροπὴν αὐτῶν τέθεικεν, ἰνα μαθύντες οἶας ἔχει δόξας περὶ αὐτῶν τοῦς ἔργοις βεβαιώσωσι ταύτας, Theod. This πεποίθησις, as ever, was ἐν Κυρίφ: it was not only a trust in His φιλανθρωπία (Chrys.), but a trust in Him as the blessed sphere and element in which alone it could be truly felt and entertained: see Phil. ii. 19, and notes on Eph. iv. 17, vi. 1.

έφ' ὑμᾶs] 'in regard of you;' the preposition marking the ethical direction of the πεποιθέναι; comp. Matth. xxvii. 43, 2 Cor. ii. 3, and see Winer, Gr. § 49. l, p. 363. It is very difficult to draw clear lines of demarcation between the ethical uses of $\pi \rho \delta s$, $\epsilon \pi i$, and $\epsilon i s$, in combinations like the present. To speak somewhat generally, we may perhaps say that $\pi \rho \delta s$ with the acc. commonly indicates simple ethical motion (comp. Donalds. Crat. § 169, 171); ent with the same case, mental direction with an idea of approximation (Donalds. Crat. § 172), and a more defined expression of the erga (Luke vi. 35) or contra (Matth. x. 21); els direction or destination, with the idea of having actually reached the object (comp. Krüger, Sprachl. § 68. 21. 5, and notes on Philem. 5), and with a wider and more inclusive notion of general behaviour however characterized. For the distinctions between els, πρός, and kará, see notes on Tit. i. 1.

δτι & παραγγέλλ.] Objective or expositive sentence (Donalds. Gr. § 584, see notes on ch. ii. 13) stating the matter of the Apostle's confidence. The & παραγγέλλ.,—clearly not 'quæ præcepimus,' Pelt,—here refers most naturally to the commands which the

ποιείτε και ποιήσετε. 5 ο δέ Κύριος κατευθύναι υμών τας καρδίας είς την αγάπην του Θεου, και είς την υπομονήν του Χριστου.

Apostle is now in the act of giving to his converts, and links the present verse in an easy and natural way καί ποιείτε κ. with ver. 6. ποιήσ. belongs to the apodosis of the sentence, kal-kal presenting both ποιείτε and ποιήσ. simultaneously in a single predication; see notes on I Tim. iv. 10. The reading is slightly doubtful. Lachm. reads παραγγέλλομεν [ὑμῶν καὶ ἐποιήσατε καὶ] ποιεῖτε, but the authority for και ἐποιήσ. [BFG; Boern.] is perhaps scarcely sufficient to warrant even the bracketed introduction. The case of υμίν [Rec. with AD***EFGJK; mss.; &c.] is different. Though so strongly attested, the omission [Tisch. with BD*; 17. 67**; Clarom., Sangerm., Vulg., al.; Chrys. (comm. 2), many Lat. Ff.] still seems to deserve on critical grounds the preference; the ὑμῖν being so very natural a conformation to ver. 6.

5. δ δὲ Κύρ. κατευθ.] 'But may the Lord direct your hearts;' repetition of the Apostle's prayer, introduced in the form of a gentle antithesis (8) to what precedes,—'I doubt you not, my confidence is in the Lord; may He, however, vouchsafe his blessed aid; ἀμφοτέρων ἡμῖν χρεία, καὶ προθέσεως άγαθης καὶ της ἄνωθεν συνεργείας, Theod. The appearance of τοῦ Χριστοῦ in the concluding member of $\tau o \hat{v} \times \rho$, has led Basil (de Spir. Sanct. ch. 21, πάντως άν είρητο ὁ δὲ κ.τ.λ. εἰς τὴν ἐαυτοῦ dγdπην), Theod., Theoph., and Œc. to refer à Kúpios to the Holy Spirit. This, however, is unnecessary, and contrary to the language of the N.T.; Κύριος appy. not being so applied even in the debateable passage, 2 Cor. iii. 18, see Meyer in loc. On the compound κατευθύνειν (εὐθυπορείν, Theoph.), see notes on I Thess. iii. 11, and on the meaning of καρδία in such combinations (here, the centre of the active will and its practical applications), see Delitzsch, Bibl. Psych. IV. 12, p. 202, Beck, Seelenl. III. 24, είς την άγ. του p. 94, 95. Ocoul 'into the love of God;' principle to which and into which the Apostle prays that his converts may be guided. The only doubt is whether τοῦ Θεοῦ is a gen. subjecti, under the more specific form of a gen. auctoris, scil. 'amor quem Deus hominum quasi infundit animis,' Pelt, -or simply a gen. objecti, 'amor erga Deum, Beng., τὸ ἀγαπῆσαι The latter seems αὐτόν, Theoph. most natural; the love of God is indeed the 'virtutis Christianæ fons limpidissimus,' Schott;' see Matth. xxii. 37. την ύπομ. τοῦ Xρ.] 'the patience of Christ.' The meaning of these words is also slightly doubtful, owing to the different aspects in which the gen. may be regarded. Analogy with what precedes would suggest (a) a gen. objecti. 'waiting for Christ' (Auth., Chrys. 2, Theoph. 2), but would introduce a meaning of ὑπομ. that is appy. not lexically defensible, and certainly is contrary to the usage of the N.T. Of the other meanings, (b) the gen. auctoris or causæ effic. (Pelt) is plausible, but appy. less simple than the more inclusive possessive gen. (Lünem., Alf.), 'patience such as Christ exhibited;' Ινα ὑπομένωμεν ώς ἐκείνος ὑπέμεινεν, Chrys. 1, Theod. 1, comp. 1 Pet. ii. 21. On the meaning of the word ὑπομονή, see notes on 1 Thess. Avoid all disorderly brethren, and imitate us. We charge such to labour, and bid you mark them that disobey. The Lord give you peace. 6 Παραγγέλλομεν δὲ ὑμῖν, ἀδελφοί, ἐν ὀνόματι τοῦ Κυρίου Ἰησοῦ Χριστοῦ, στέλλεσθαι ὑμᾶς ἀπὸ παντὸς ἀδελφοῦ ἀτάκτως περιπατοῦντος καὶ μὴ κατὰ τὴν παράδοσιν

 3. The addition of the art. (Rec. ὑπομ.) has the support of all the MSS. and very many Greek Ff.

6. παραγγέλλομεν δέ] 'Now we command you;' transition by means of the δε μεταβατικόν (notes on Gal. iii. 8) to the more distinctly preceptive portion of the Epistle. In what follows the exhortations of the former Epistle (ch. iv. 11, 12, v. 14) are repeated and expanded with more studied distinctness of language, it being probable that the evils previously alluded to had advanced among some members of this Church to a still more perilous height. The words εν δνόματι κ.τ.λ. give the παραγγελία a greater force and solemnity; ούχ ήμεῖς ταῦτα λέγομεν άλλ' ὁ Χριστός, Chrys.: see 1 Cor. v. 4, and comp. Acts iii. 6, xvi. 18. The addition \u03c4\u03c

The addition $\eta\mu\omega\nu$ atter Kupiou (Rec., [Lachm.], with AD***E**GJK; mss.), though well supported is appy. rightly rejected by Tisch. with BD*
E*F; Clarom., Sangerm.; Cypr. (1), as a likely interpolation.

στέλλεσθαι ὑμᾶς κ.τ.λ.] 'that ye withdraw yourselves from;' object inf. stating the substance of the παραγγελία. The verb στέλλεω [derived from a root ΣΤΑ-, Pott, Etym. Forsch. Vol. I. p. 197] properly signifies 'collocare,'—thence, with a not improbable figurative reference (τὰ ἴστια, Rost u. Palm, Lex. s.v. Vol. II. p. 1529), 'cohibere,' 'comprimere,' and reflexively, 'se subtrahere,' Vulg., Clarom, ΣΣΥ ΑΝΟΣΙΕ [ut sitis

distantes] Syr., 'gaskaidaip izvis,' Goth., sim. Copt., al.; comp. Mal. ii. 5, ἀπὸ προσώπου ὁνόματός μου στέλλεσθαι [where the Heb. ΜΠ seems to suggest a tinge of the still further derivative meaning 'præ metu se subducere;' Hesych. φοβείται, στέλλεται], Gen. viii. 1 (Aquil.), and with an acc., 2 Cor. viii. 20, στελλόμενοι τοῦτο, rightly translated by Vulg., 'devitantes hoc;' add also Gal. ii. 2, ὑπέστελλεν ἐαυτόν, Heb. x. 38, ὑποστείληται. For further exx. see Elsner, Obs. Vol. II. p. 283, Kypke, Obs. Vol. II. p. 344, Loesner, Obs. p. 387, where this verb is copiously illustrated.

άτάκτως περιπ.] 'walking disorderly;' comp. I Thess. v. 14, τοὺς ἀτάκτους. On this use of the verb περιπατεῖν (περιπ. τουτέστι, βιοῦντος, Chrys.) as indicating the general course of a life in its habitual and practical manifestations, see reff. on I Thess. iv. 12, and comp. notes on Phil. iii. 18.

κατά τὴν παράδοσιν] 'according to the lesson or instruction;' παράδοσις (comp. ch. ii. 15) including both the oral (comp. ver. 10, 1 Thess. iv. 11) and written (1 Thess. iv. 11, 12) instructions which the Apostle had delivered to his converts. To refer this to a παράδοσιν τὴν διὰ τῶν ἔργων, as Chrys. and the Greek expositors, is to infringe on what follows, where this mode of teaching is distinctly specified.

βοσαν] 'which they received,' scil. those included in the foregoing πάντος ἀδελφοῦ, which has here the character of a collective substantive. The main difficulty is the reading. Lachm. adopts παρελάβετε with BFG; 3 mss.; Goth., Syr. (Philox.), al.,—but scarcely with plausibility.

ην παρελάβοσαν παρ' ήμων. 7 αὐτοὶ γὰρ οἴδατε πως δεῖ μιμεῖσθαι ήμας, ὅτι οὐκ ήτακτήσαμεν ἐν ὑμῖν ⁸ οὐδὲ δωρεὰν ἄρτον ἐφάγομεν παρά τινος, ἀλλ' ἐν κόπφ καὶ

as the change would have been so easily suggested by the seeming difficulty of construction in the plural. The same may be said of Rec. παρέ- $\lambda \alpha \beta \epsilon$, which, however, has scarcely any external authority. The choice, then, seems to lie between παρέλαβον [Scholz, with D***EJK; mss.; Greek Ff.] and the text [Griesb., Tisch., with A; Bas., and ἐλάβοσαν, D*]. Of these, the tendency to grammatical correction coupled with the known existence (Sturz, de Dial. Alex. p. 60, Matth. Gr. § 201. 5) and prevalence, even to a late period (Lobeck, Phryn. p. 349), of the form -ocar in the 3rd plur. of the imperf. and second aor, may perhaps induce us to acquiesce in the not improbable, though weakly supported παρελάβοσαν; so Olsh., Lünem., and Alford.

7. aiτοι γάρ κ.τ.λ.] Confirmation of the wisdom and pertinence of the foregoing exhortation, and more esp. of the modal clause immediately preceding, by an appeal to their own knowledge and observation. Thessalonian converts knew 'of themselves' πω̂ς δεῖ κ.τ.λ., and needed not that the Apostle should inform πώς δεί μιμείσθαι them. ήμ.] 'how ye ought to imitate us;' a simple and intelligible brachylogy. The more natural sequence would have been πως δεί περιπατείν καί ημας μιμείσθαι, but the more brief mode of expression is probably designedly chosen, as throwing emphasis on the μιμεῖσθαι, and giving the whole appeal more point and force. It is somewhat doubtful whether the plural is to be referred to St. Paul alone, or to the Apostle and his associates. By a comparison with

I Thess. ii. 9, where the ref. seems to the latter, we shall most probably be justified in adopting the same view in the present case. ήτακτήσ.] 'in that we behaved not disorderly.' This is appy. one of those cases in which the causal sentence approaches somewhat nearly,not so much to the modal (comp. Æth., kama [sicut, quemadmodum], Peile, 'how'), as to the relative (comp. Syr. 25 | [qui non ambulavimus]), or to the expositive sentence, with both of which it has some logical and grammatical affinity; comp. Winer, Gr. § 60. 6, p. 479. It was not precisely 'because' St. Paul and his associates οὐκ ἡτάκτησαν, as 'seeing that,' 'in that' such was the case, that the Thess. came to know how ('quali ratione vivendi.' Beng.) to imitate them. In a word, the εὐταξία was not so much a cause, as a causa sine qua non of the knowledge. This use of 571, which might perhaps be termed its 'sub-causal' or 'secondary causal' use, appy. deserves some attention, esp. in the N.T. The verb ἀτακτεῖν is an ἄπ, λεγόμ. in the N.T., and here practically synonymous with περιπατείν ατάκτως, ver. II: it occurs occasionally in classical Greek, sometimes in a more restricted reference to τὰ στρατιωτικά, e.g. Demosth. Olynth. III. p. 31, rods άτακτοῦντας ('qui disciplinam militarem labefactant,' Wolf), sometimes, as here, with a more general reference, e.g. Xenoph. Cyrop. VIII. I. 22; see Kypke, Obs. Vol. II. p. 345. 8. δωρεάν άρτον έφάγ.] 'ate (our)

bread for nought.' Awpedy is an ad-

verbial accusative implying either

μόχθω, νύκτα καὶ ἡμέραν ἐργαζόμενοι, πρὸς τὸ μὴ ἐπιβαρῆσαί τινα ὑμῶν 9 οὐχ ὅτι οὐχ ἔχομεν ἐξουσίαν, ἀλλ' ἔνα ἐαυτοὺς τύπον δῶμεν ὑμῖν εἰς τὸ μιμεῖσθαι ἡμᾶς.

'sine justă causă,' Gal. ii. 21 (see notes), or, as here, 'gratis,' Vulg., Syr., the true idea of λαμβάνειν δωρεάν being 'ita accipere ut nihil referas, nulla prægresså causâ accipiendi,' Tittm. Synon. II. p. 161. The formula dotor payeir appears to be Hebraistic (comp. אַכֵּל לַחֲם, Gen. xliii. 25, 2 Sam. ix. 7, 10, al.), implying really nothing more than the simple verb φαγείν, 1 Cor. ix. 4. έν κόπω καί μόχθω] 'in toil and travail,' scil. ἄρτον ἐφάγομεν; modal adjunct involving a tacit opposition to the preceding $\delta\omega\rho\epsilon d\nu$. On the meaning and derivation of these words, and the apparent distinction between them, see notes on I Thess. ii. q. νυκτά και ήμ. κ.τ.λ.] 'labouring during night and day;' participial epexegesis of the preceding ἐν κόπφ και μόχθφ, more remotely dependent on the foregoing ἐφάγομεν; Winer, Gr. § 45. 6. b, p. 314. Lünem. and Alf. connect the participial clause closely with έν κόπω καὶ $\mu \delta \chi \theta \varphi$, according to which $\epsilon \rho \gamma$. would have a more distinctly modal force. This is perfectly admissible: the emphatic position of δωρεάν, however, appy. suggests the sharper antithesis which the separation of the members here seems to introduce. The reading νυκτός και ἡμέρας [Lachm. with BFG; 5 mss.; Chrys. (ms.), Dam.] seems to be more than doubtful.—the change being probably suggested either by a desire to modify the hyperbole of the expression, or, more probably, to bring the text into conformation with I Thess. ii. 9; comp. iii. 10. On the phrase itself,

see notes on 1 Thess. l.c., and on 1 Tim. v. 5. πρὸς τὸ μὴ ἐπιβ.] 'with a view of not being burdensome to any of you;' object contemplated in the νυκτὰ καὶ ἡμ. ἐργαζ. On the word ἐπιβαρ. see notes on 1 Thess. ii. 9, where precisely the same words are used in ref. to the same subject.

9. ούχ ὅτι] 'not that;' limitation

of what precedes to prevent the preceding declaration being misapprehended and misapplied: the Apostle conserves his ministerial right and privilege of receiving, if need be, support from his converts; comp. 1 Cor. ix. 4 sq. On the use of this formula ('ex dialecticis, ut ita dicam formulis Paulo solemnibus,' Pelt), which is found several times in St. Paul's Epp. (2 Cor. i. 24, iii. 5, Phil. iii. 12, iv. 11, 17), see Hartung, Partik. Vol. II. p. 154, and notes on Phil. iii. 12. efour (av] 'power,' 'right,' scil. τοῦ μὴ ἐργ. (De W.), or, more naturally, τοῦ δωρεάν φαγείν ἄρτον (Lünem.),—the latter being the principal statement of the preceding verse. The word εξουσία ('jus, licentia, auctoritas aliquid faciendi,' Schott) is used exactly similarly, 1 Cor. ix. 12. eaυτούς] 'ourselves;' with reference to the Apostle and his associates. On this use of έαυτούς for ημας αὐτούς, υμας αὐτούς, see Winer, Gr. § 22. 5. p. 136, and for exx. in classical Greek, Krüger, Sprachl. § 51. 2. 15. els το μιμ. ήμας 'that ye should, to the intent that, ye imitate us;' not merely an objective member, but, as usual, specifying the object and pur-

pose of the έαυτ. τύπον διδόναι; comp.

Winer, Gr. § 44. 6, p. 295.

καὶ γὰρ ὅτε ἢμεν πρὸς ὑμᾶς, τοῦτο παρηγγέλλομεν ὑμῖν, ὅτι εἴ τις οὐ θέλει ἐργάζεσθαι, μηδὲ ἐσθιέτω.
 ἀκούομεν γάρ τινας περιπατοῦντας ἐν ὑμῖν ἀτάκτως,

10. και γάρ] 'For also,' 'for besides;' second confirmation of the wisdom and pertinence of the preceding warning that they ought to avoid those that were walking disorderly,—the γάρ being co-ordinate with the preceding $\gamma d\rho$ in ver. 7, and the kal having appy. a conjunctive force, and serving to connect this argumentative clause with that in ver. 7, and thus more thoroughly to substantiate the κατά την παράδ. ην $\kappa.\tau.\lambda$. Lünemann, followed by Alf., makes kal ascensive, and refers it to τοῦτο παρηγγέλλ., as bringing out an additional element in the reminiscence. This is somewhat forced: kal $\gamma \dot{a} \rho$ has two usages in the N.T., —one in which the conjunctive force of kai prevails ('etenim,' Beza), the other ('nam etiam;' 'nam et,' Vulg.,but not Clarom, which omits 'et') in which the ascensive force is predominant; see Winer, Gr. § 53. 8, p. 397, and notes on Phil. ii. 27. The latter has been undoubtedly far too often overlooked in the N.T. (comp. Fritz. Rom. Vol. II. p. 433), but is not to be obtruded in a passage like the present, where the context (contrast 1 Thess. iii. 4) and sequence of argument seem somewhat decidedly in favour of the conjunctive use. On the use of $\pi \rho \delta s$ with $\epsilon l \nu a \iota$ and verbs implying rest $(\pi \alpha \rho' \dot{\nu} \mu \hat{\nu} \nu, \mu \epsilon \theta' \dot{\nu} \mu \hat{\omega} \nu, \text{ Theoph.})$, comp. notes on Gal. i. 18, and see above, ch. ii. 4, I Thess. iii. 4. τοῦτο] 'this, -that follows;' the pronoun being placed emphatically forward to direct attention to the succeeding declaration; comp. Winer, Gr. § 23. 5, p. 145. The partially proverbial statement which follows is illustrated by Wetstein in loc., and Schoettg. Hor. Hebr. Vol. I. p. 850: the most pertinent quotation seems Bereschith, XIV. 12, 'R. Hunna dixit: fecit eum servum manumissum coram se ipso, ut si non laboret, non manducet.' The exhortation is expressed in the form of a kind of enthymeme (Whately, Logic, II. 3. 7, p. 121), the portion to be supplied being, 'atqui quilibet edit; ergo quilibet laborato,' On the use of ov following Beng. ϵl , when the negative is closely united with the verb, see notes on I Tim. iii. 5, and the exx. collected by Gayler de Part. Neg. ch. v. p.

11. $\frac{1}{2}$ $\frac{1}{2}$ hear that there are some walking, &c.; ground for the reiteration of the Apostle's previous παραγγελία. cases like the present the predicative participle is not merely equivalent to an infinitive mood, but is idiomatically used as marking the state or action as now in existence, and, as such, coming before the observation of the writer; see Winer, Gr. § 45. 4, p. 308 sq.,-where there is a good collection of exx.; comp. also Schmalfeld, Synt. § 217. 2, p. 437, and esp. the able tract of Weller (Bemerk zum Gr. Synt. Meining., 1845), where the distinctions between the finite verb with 574, with the infin., and with the participle are carefully stated, and illustrated by numerous examples. έργαζ. άλλά περιεργ.] 'doing no work but being busy-bodies,' 'nihil operantes sed curiose agentes,' Vulg., Clarom., أَمْنُم لِا دُحْتُ إِلَّا لِي عَنْتَمُوا [nihil quidquam operantur nisi vana] Syr.; more exact specification of the preceding περιπ. εν υμίν ατάκτως

1

μηδεν εργαζομένους άλλα περιεργαζομένους. 12 τοις δε τοιούτοις παραγγέλλομεν και παρακαλούμεν εν Κυρίφ Ίησοῦ Χριστῷ, ΐνα μετὰ ήσυχίας εργαζόμενοι τὸν έαυτων

12. έν Κυρ. 'Ιησ. Χρ.] So Lachm., Tisch. ed. τ, with ABD*E*FG (D*E* Xρ.); 4 mss.; Vulg., Clarom., Goth., Copt., al.; Dam. (1); Lat. Ff. (Litnem., Alf.). In his 2nd edition, Tisch. reads διὰ τοῦ Κυρ. ἡμῶν 'Ιησ. Χρ. with D*** E**JK; nearly all mss. [not Syr.,—as Tisch. after the Lat. transl.; the being indeterminate]; Chrys., Theod., Dam. (1), Theoph., Œcum. (Rec., Griesb., Schott, De W.). As, however, the internal arguments are very nearly balanced,—the διὰ being nearly as likely to have been introduced in consequence of Rom. xv. 30 and the more usual παρακ. διά, as the ἐν to have been derived from ι Thess. iv. 1,—we seem bound to follow the best attested reading.

by means of a forcible paronomasia; comp. [Demosth.] Phil. IV. p. 150, έξ δν έργάζη και περιεργάζη, and Quintil. Inst. Orat. VI. 3. 54, 'non agere dixit sed satagere.' The verb περιεργ. is an ἀπαξ λεγόμ. in the N.T., and serves to mark the dνόνητον πολυπραγμοσύνην (Theod.), the 'pravam curiositatem et sedulitatem' (Pelt) which marked the actions of those to whom the Apostle referred; comp. περιεργοι, I Tim. v. 13, and see the good notice of this verb in Suicer, Thesaur. s.v. Vol. II. p. 670.

12. Tois δὲ τοιούτοις] 'Now to such as these;' the article with τοιοῦτος marking the whole class of persons so specified, and having such characteristics as those previously mentioned; see Krüger, Sprachl. § 50. 4. 6, Jelf, Gr. § 453. β , and notes on Gal. v. και παρακαλουμεν] 'and exhort' (them), conso 2000 [et petimus ab iis] Syr., — τους τοιούτους (Schott), or, more simply, αὐτοὺς (Lünem.), being here supplied zeugmatically to παρακαλ., which is only found with the accus. This παράκλησις is $\epsilon \nu$ Κυρ. Ίησ. Χρ.; it is in Him that it has its proper force and efficacy; see notes on I Thess. iv. 1, where παρακαλείν is enhanced by the same addition. The reading

is doubtful, but that retained in the text seems to deserve the preference; see critical note. μετά ήσυχ(as] 'with quietness;' in opposition to the busy and meddlesome course of life followed by the περιπατουντες άτάκτως, and περιεργαζόμενοι; see I Thess. iv. II. The preposition μετά serves to point to, not the 'causa instrumentalis' (Kypke, Obs. Vol. I. p. 143), but the concomitant of their working,-that which was associated with it, and characterized their 'modus operandi;' comp. Winer, Gr. § 47. h, p. 337. On the derivation of ἡσυχία and its probable distinction from the less common ήρεμία, see notes on I Tim. ii. 2.

τὸν ἐαυτῶν ἄρτον] ' their own bread,' -- 'their own' (τον έξ οίκείων πονων, Chrys.), not without emphasis; they were not to seek it at the hands of others (comp. ver. 8), they were not 'aliena vivere quadra,' Juven. Sat. v. 2. The sentiment is well illustrated by Schoettg. and Wetst. in loc. from the Rabbinical writings, out of which the following deserves citation; 'quo tempore homo panem proprium edit, animo composito ac sedato est ; si vero panem parentum aut liberorum comedit, non animo tam sedato est, ne dicam de pane peregrino,' Aboth R. Nathan, ch. 30.

ἄρτον ἐσθίωσιν. ¹³ ὑμεῖς δέ, ἀδελφοί, μὴ ἐγκακήσητε καλοποιοῦντες. ¹⁴ εἰ δέ τις οὐχ ὑπακούει τῷ λόγφ ἡμῶν

13. Upels de abedool] 'But ye brethren; renewal of his address to those who were 'recte animati' (Schott), and lived orderly after the example which he had set them. Such the Apostle urges to pursue their course, and not from faintness to fall into idle, and eventually meddlesome, and unquiet habits, like those he had been just condemning. έγκακήσητε καλοπ.] 'be weary in well-doing.' The exact meaning of καλοποιείν has been somewhat differently estimated. Several modern writers, following the hint, though not the exact interpr. (μή μην περιίδητε λιμώ διαφθαρέντας) of Chrys., Theoph., assign to the verb the idea of 'conferring benefits;' the connexion between this and the preceding verse arising from the gentle contrast between the duty of living by their own labour, and the still further duty of conferring benefits on others; see Calv. in loc. As this meaning, however, seems lexically doubtful, see Lev. v. 4 (Cod. Coist., where kakow. stands in antithesis to κακοποιήσαι), and as the more generic 'recte agere' (comp. Syr., : () is perfectly in harmony with the context, it seems best here, as in the very similar passage, Gal. vi. 9, to give καλόν its less restricted meaning. What this καλόν exactly is, lies in the specifications of the context. On the form εγκακείν [Lachm., Tisch., with ABD*] and the somewhat doubtful ikkakew [Rec.], see the remarks and distinctions in notes on Gal. vi. 9.

14. τῷ λόγῳ ἡμῶν κ.τ.λ.] 'our word conveyed by the epistle;'

| Line | Conveyed | Line | Li

epistola]. It is doubtful whether διά της επιστολης is to be joined (a) with the following verb σημειούσθε, or (b) with the preceding subst. $\tau \hat{\varphi} \lambda \delta \gamma \varphi$, scil. τῷ διὰ τῆς ἐπιστολῆς ἀποσταλέντι, Œcum. The former is adopted by Æth. (Polygl.), Beng., Pelt, Winer, (Gr. § 18. 9. 3, p. 108), and others, either (a,) in the simple sense, 'notate in epistola,' Æth., scil. 'in epistola ad me scriptå illum suis notis depingite, Grot., —της έπιστολης referring to the letter which St. Paul would, in that case, receive from the Thess. (see Winer); or (a_e) in the more artificial sense 'hac epistola freti severius tractate,' Pelt (comp. Beng.),—της ἐπιστολήs in that case referring to the present epistle. Of these last mentioned, (a,) seems clearly forced and improbable, while (a1), though somewhat more plausible, lies open to the linguistic objection that the present order of words would tend to throw an emphasis on διά της έπιστ. which cannot be accounted for, and further, to the still graver exegetical objection, that a letter would seem uncalled for after the precept in ver. 6, where the course to be pursued by the Thess, is already stated. We retain then (b) with Syr., not improbably Vulg., Copt., Goth. [the exact order of the Greek is preserved], Chrys. (appy.), Theoph., Œcum., and most modern expositors. The objection founded on the omission of the art. before λόγω is not of weight, as διά της έπιστ. is so associated with $\tau \hat{\varphi} \lambda \delta \gamma \varphi \dot{\eta} \mu$. as to form with it only a single idea; see exx. in Winer, Gr. § 20. 2, p. 123. It may be observed that this is one of those cases in which the use of the art. in the N. T. seems slightly to differ from that of the best διὰ της ἐπιστολης, τοῦτον σημειοῦσθε καὶ μη συναναμίγνυσθε αὐτῷ, ἵνα ἐντραπῆ. ¹⁵ καὶ μη ὡς ἐχθρὸν ἡγεῖσθε, ἀλλὰ νουθετεῖτε ὡς ἀδελφόν. ¹⁶ αὐτὸς δὲ ὁ Κύριος τῆς

with what precedes is palpably close, this omission of the art. in the N. T. is so far from unusual, that its insertion usually implies some degree of emphasis; see Fritz. Rom. iii. 25, Vol. I. p. 195 (note). σημειοῦσθε] 'mark,'—scil. by avoiding his company (comp. ver. 6), as more fully specified in the words which follow. So paraphrastically Syr. (22 4;2A) [separetur a vobis], comp. Æth. Platt. The verb σημειοῦν is an ἄπ. λεγόμ. in the N. T.: it properly implies 'signo distinguere' (Schott), e.g. ἐπιστολάς σφραγίδι, Dion. Hal. Antiq. IV. 57, and thence in the middle 'sibi notare aliquid' (Polyb. Hist. XXII. 11. 12),-more correctly, according to the Atticists, άποσημαίνεσθαι (Thomas Mag. p. 791, Herodian, p. 420, ed. Koch), or, as here, with a more intensive force, 'nota (censoriâ) notare;' the middle having what has been termed its 'dynamic' character, Krüger, Sprachl. § 52. 8. 4. For a large list of verbs of this class, see Schmalfeld, Synt. § 35, p. 44 8q. μή συναvaμίγνυσθε] 'keep no company with;' present, pointing to the course they were to follow. The double compound συναναμίγ. (Athen. Deipn. VI. 68, p. 256 A), appears used in a sense little differing from the simpler and more

usual συμμίγν., and probably only in

accordance with that noticeable ten-

dency of later Greek to double com-

position: comp. notes on Gal. iii. 13.

Attic Greek. While in the latter the

article is rarely omitted, except after

verbal substantives (Krüger, Sprachl.

§ 50. 9. 9), or where the structural connexion of the prepositional member

The reading is doubtful; Lachm. (Griesb. om. om.) omits kal with AB D***E; 17; Clarom., Sangerm., Goth., Copt.; Chrys.; Tert., al.,and reads συναναμίγνυσθαι with ABD* (DΕ συναναμίσ γεσθαι); 17 (?); Clarom., Sangerm., Copt., and perhaps Goth., Tert.,-but appy. on evidence scantly sufficient; esp. when the change to the infin. might have been suggested by a desire to mark more distinctly the meaning of the unusual verb σημειοῦσ θ ε. On the whole, then, it seems safest to retain the reading of Rec. [D*FGJK; nearly all mss.; Vulg., Boern., Syr. (both), Æth. (both), al.; Basil, al.], with Tisch. ed. 2, and most modern editors.

evrραπη] 'be shamed,' 'ut confundatur,' Vulg.; passive,—not with a middle sense, 'ad se ipsum quasi redire,' Pelt (comp. Grot. 'ut pudore tactus ad mentem meliorem redeat),—a meaning for which there seems no sufficient reason either here or Tit. ii. 8, see notes in loc. The active occurs in I Cor. iv. 14.

15. kal is not 'here instead of άλλά' (Jowett, comp. De W., 'aber'), -a most precarious statement,-but, with its usual and proper force, subjoins to the previous exhortation a further one that was fully compatible with it, and in fact tended to show the real principle on which the command was given: it was not punitive, but corrective. ώς έχθρόν] 'as an enemy,' 'in the light of an enemy;' the ws being used (here almost pleonastically, Plato, Gorg. 473 A) to mark the aspect in which he was (not) to be regarded; comp. notes on ch. ii. 2, and see on Col. iii. 23.

16. αὐτὸς δὲ κ.τ.λ.] 'But may the

είρήνης δώη ύμιν την είρήνην διά παντός εν παντί τρόπω. δ Κύριος μετά πάντων ύμων.

Autograph salutation and benediction.

17 'Ο ἀσπασμὸς τῆ ἐμῆ χειρὶ Παύλου,

Lord Himself;' the ôè (as in I Thess. v. 23), putting in slight antithesis the prayer with the foregoing exhortation, and the autos enhancing the dignity of the subject; comp. notes on ch. ii. 16, where, however, the antithesis is somewhat more distinctly marked. On the meaning of the word eighpy, not merely 'concord' (ωστε μηδαμόθεν έχειν φιλονεικίας άφορμήν, Chrys.), but peace in its widest and Christian sense, -the deep tranquillity of a soul resting on God, see notes on Phil. vi. 7, and on the nature of the gen. ib. iv. 9, comp. also on I Thess. v. 23,-but observe that Kúpios can more readily be associated with the gen. as allied in meaning to verbs that regularly govern that case; comp. Krüger, Sprachl. § 47. 26. 8. παντός κ.τ.λ.] 'continually, in every manner,'-'at all times' (Matth. xviii. 10, Acts ii. 25, Rom. xi. 10, comp. Ast, Lex. Platon. Vol. III. p. 63), and in every possible mode of its manifestation, 'in omnibus quæ facitis,' Æth. Pol.; ώστε πρός αὐτὸν εἰρηνεύειν, καὶ πρός άλλήλους και της των έναντιων $\dot{\epsilon}\pi\iota\beta o\nu\lambda\hat{\eta}s$ $\dot{a}\pi\eta\lambda\lambda\dot{a}\chi\theta a\iota$; Theod. The second mode is, however, but slightly in the contemplation of the Apostle, as there is nothing in the Ep. to make us think that τὸ είρηνεύειν πρὸς άλληλούs had been seriously endangered or violated. The reading $\dot{\epsilon}\nu$ $\pi\alpha\nu\tau$ i $\tau\delta\pi\varphi$, adopted by Lachm. with A*D*FG; 17. 49; Vulg., Clarom., Goth.; Chrys. [but see the note of Montfaucon], seems to have been suggested by the not uncommon occurrence of the formula (t Cor. i. 2, 2 Cor. ii. 14, 1 Tim. ii. 6), and perhaps partially by the foregoing allusion to time. The reading of the text is

strongly supported [A**B (e sil.) D
***EJK; nearly all mss.; Syr. (both),
Copt., al.; Theod., Dam.], and seems
in every way more suitable to the
context.

17. ο άσπασμος κ.τ.λ.] 'The salutation of me Paul with mine own hand; comp. 1 Cor. xvi. 21, and Col. iv. 18, where see notes on the quasi-appositional genitive Παῦλου. These words appy. form the commencement of the autograph salutation with which the Apostle attests the genuineness and authenticity of the Epistle (comp. notes on Gal. vi. 11), the two verses having appy. both been written by the Apostle, -not merely ver. 18 (τδ ή χάρις κ.τ.λ. άντι του ἐρρωσθαί σε $\gamma \rho d\phi \epsilon i \nu \epsilon l \omega \theta \epsilon i$, Theod., al.), which, as Lünem. rightly observes, could hardly be termed a direct dσπασμός.

8] 'which thing;' not, by an attraction (see exx. Winer, Gr. § 24. 3, p. 150) to the following σημείον, 'which greeting,' but more simply and naturally in reference to the preceding words, and to the general fact of their being written τη έμη χειρί Παύλου. These autograph lines formed a σημεῖον that the Ep. was not ώς δι' αὐτοῦ (ch. ii. 2), but was truly and genuinely his own inspired compoέν πάση έπιστολή] sition. 'in every epistle;' appy. with reference to every future epistle (τŷ πρὸς ούστινας δήποτε, Theoph. 2) which the Apostle might hereafter deem it necessary so to authenticate,not neerly those he might have contemplated writing to Thessalonica (Theoph. 1, Lünem.); for consider I Cor. xvi. 21, and Col. iv. 18. If it be urged that these last mentioned are the only Epp. in which the autoδ έστιν σημείον εν πάση επιστολή. οδτως γράφω· 18 ή χάρις τοῦ Κυρίου ήμων Ἰησοῦ Χριστοῦ μετὰ πάντων ὑμων. ἀμήν.

18. 'Autr' This is omitted by Tisch. (Griesb. om. om.) with B; 17. 44. 67**
116; Harl., Tol.; Chrys. (ms.); Ambrst.,—but appy. rightly retained by Rec. and Lachm. Though ever a probable liturgical interpolation, it still cannot be safely extruded when so strongly supported by external authority.

graph attestation seems to have found a place, it may be reasonably answered that the \u03c4don must be understood relatively of every Epistle that was sent in such a way or under such circumstances as to have needed it. the other Epp. (except 1 Cor., Col., which have the σημείον, and I Thess., which was sent before circumstances proved it to be necessary) are fairly shown both by De Wette and by Alf. in loc. to have either been delivered by emissaries (2 Cor., Phil.), to bear marks (Gal. vi. 11, and perhaps the doxology in Rom., Eph.), or to be of such a general character (Rom.? Eph.? and those to individuals), as to have rendered such a formal attestation unnecessary. ούτως γράφω] 'so I write;' scil. in such characters as ver. 17 and 18 appeared written with. The suppositions that the Apostle here inserted some words (76, ἀσπάζομαι ὑμᾶς, ἢ τὸ, ἔρρωσθε, ἤ τι τοιοῦτον, Œcum.), or adopted a monogram ('conjunctis scilicet apte literis

II et A,' according to Zeltner, de Monogr. Pauli, Altorf, 1721; see contra Wolf, in loc.), or lastly 'singulari et inimitabili picturâ et ductu literarum expressisse illud, gratia, &c.,' (Beng.),—seem all far too artificial to deserve serious consideration. The oōrws simply and naturally points to the visible and recognizable difference between the handwriting of the transcriber and of the Apostle.

18. ἡ χάρις κ.τ.λ.] The same form of benediction as at the end of r Thess. (where see notes), except that the inclusive and significant πάντων is here added,—'all,'—even those who had deserved and received the Apostle's censure (comp. μετὰ πάντων, ver. 16) were to share in his benediction and farewell prayer; see Pelt in loc. who however joins with it the less probable supposition 'ne rixæ [none of which appear to have existed] disceptationesque Thessalonicenses turbarent.'

TRANSLATION.

NOTICE.

THE following revised translation will be found in accordance with the principles previously laid down in former portions of this work. Experience seems satisfactorily to show, that change is undesirable except where our admirable Version is incorrect, inexact, insufficient, obscure, (Pref. to Gal. p. xx.), or inconsistent with itself in renderings of less usual words or forms of expression (Notice to Transl. of Past. Epistles). The last form of correction is perhaps the most difficult to adjust satisfactorily, as our last Translators expressly state that they have not been careful to preserve throughout their work a studied uniformity of translation, and consequently as any attempt to do this regularly would only reverse the principles on which they acted, independently of being frequently spiritless and monotonous. Still in the same epistle, and especially in the same context, it is so obviously desirable to be consistent, that here at least changes will have to be introduced. It must, however, always rest with individual judgment, whether the word or expression in question is of such a character as to demand uniformity, or whether it is best left to take its hue from That I have been always judicious in my decisions is much too presumptuous to hope, but I have still striven to make them with a clear recognition of the general principles that characterize the noble Version which I am presuming to revise.

That these points may be more fully considered, and that my opinion, where seemingly capricious or precipitate, may be more completely tested, I have made a few additions to the notes in the shape of reasons for the changes adopted, and I have further sought to add to the common stock of principles of revision a brief record of my own humble experiences and my own many difficulties. Sincerely and earnestly do I trust that the revision of our Authorized Version may be undertaken in its own good time, and that that time is not indefinitely remote, still year after year I am made more sensibly to feel that this can only be done by a frank and modest avowal, on the part of every one who has gained any experience, of the real difficulties that attend on the work,—difficulties far more numerous than the inexact and often presumptuous criticism of the day is at all aware of.

I have carefully considered the Revised Translation of these Epistles published by the American Bible Union (Trübner, London, 1856), and have in a few cases been benefited by its suggestions, still, as I have said more fully in my Preface, I venture to reiterate the opinion that this laborious work is at present very far from what we may imagine to be the model of a national Revision.

FIRST EPISTLE TO THE THESSALONIANS.

CHAPTER I. 1.

PAUL, and Silvanus, and Timothy, unto the church of the Thessalonians in God the Father and the Lord Jesus Christ. Grace be unto you, and peace.

² We give thanks to God always for you all, making mention of you in our prayers; ³ remembering without ceasing your work of faith and toil of love and patience of hope in our Lord Jesus Christ, in the presence of God and our Father: ⁴ knowing, brethren beloved of God, your election; ⁵ because our gospel came not unto you in word only, but also in power,

CHAP. I. t. Timothy | So Wiclif. Cran., Rhem.: 'Timotheus,'Auth. See notes on Col. i. I (Transl.). In God] So Wicl., Tynd., Cov. (both), Cran., Rhem.: 'which is in God,' Auth., Gen., Bish., -an unnecessary and inexact addition, not adopted by Auth. in the parallel passage, 2 Thess. And the Lord, &c.] Sim. Rhem., 'and our Lord, &c.:' 'and in the Lord, &c.,' Auth. and remaining Vv. The addition of 'in' seems unnecessary, and is best reserved for those cases where it is expressed in the Greek, or where, as in I Tim. vi. 9 (see notes), there are contextual reasons for its introduction. The mistakes caused by such insertions are well noticed by Blunt, Lectures on Par. Priest, p. 56.

And peace] Auth. adds '*from God our Father, and the Lord Jesus Christ.'

3. Toil] Sim. Wiclif, 'traueile:' 'labour,' Auth. and the remaining

Vv. except Gen., 'diligent love.' Though 'labour of love' from the alliteration has become familiar to the ear, it still seems desirable here to maintain the more strict translation of κόπος: see notes. In the presence | So Auth. ch. ii. 10: 'in the sight,' Auth. and the other Vv. except Wicl., Cov. (both), Rhem., 'before.' It is of but little moment which of these translations is adopted; but as the expression έμπρ. τοῦ Θεοῦ is only used by St. Paul in this Epistle, it should be similarly translated throughout.

4. Beloved of God] So Tynd., Cov. (both), Cran., Rhem., and similarly Wicl.: 'beloved, your election of God,' Auth., and sim. Gen., Bish.

5. Because] 'For,' Auth. and all the Vv. except Rhem., 'that.'
Even as] 'As,' Auth. and all the other Vv. It is almost impossible to lay down any exact rule for the translation of $\kappa\alpha\theta\dot{\omega}s$. Whether the

and in the Holy Ghost, and in much assurance; even as ye know what manner of men we became among you for your sake. ⁶ And ye became followers of us, and of the Lord, having received the word in much affliction, with joy of the Holy Ghost; ⁷ so that ye became an ensample to all that believe in Macedonia and in Achaia. ⁸ For from you hath sounded forth the word of the Lord not only in Macedonia and Achaia, but also in every place your faith to God-ward is gone forth; so that we need not to speak anything. ⁹ For they themselves report of us what manner of entering in we had unto you, and how ye turned to God from idols to serve the living and true God; ¹⁰ and to wait for His Son from

lighter 'as,' or the more expressive and perhaps more literal 'even as,' or 'according as,' is to be adopted, must appy. be left wholly to the context, and to individual judgment.

We became] 'We were,' Auth. and the other Vv. except Tynd., 'we behaued oure selves;' Cov. (Test.), 'we haue hene.'

6. Followers] So Auth. and all the Vv. Though 'imitators' would be more exact, it is perhaps hardly necessary to displace the present idiomatic and perfectly intelligible translation. Return then to the present rendering in Eph. v. I (Transl.). Received] So Auth. and all the other Vv. Some modern Versions endeavour to make a distinction between

δεξάμενοι and παραλαβόντες (ch. ii. 13), e.g. 'accepted—received;' it seems doubtful, however, both whether there is any real distinction in the Greek, and also whether the proposed translation adequately represents it.

7. Became an ensample] So Cov. (Test.), and sim. Wicl., 'ben made an ensaumple,' Rhem., 'were made a paterne:' 'were ensamples*,' Auth.; 'were an ens.,' Tynd., Cov., Cran.; 'were as ens.,' Gen., Bish.

And in Achaia] 'And *Achaia,'
Auth.

8. Hath sounded forth] 'Sounded out,' Auth. and the Vv. except Wicl., 'is pupplischid;' Cov. (Test.), 'is ... noysed out;' Rhem., 'was bruited.' The perfect ought always to be observed in translation. Though idiom may occasionally require the acrist to be translated with the usual sign of the perfect, the converse is extremely rare; comp. 2 Cor. i. 9.

Is gone forth] So Wicl., and sim. Cov. (Test.), 'is gone oute:' 'is spread abroad,' Auth., Cov. (Cran., Bish., omit 'is'); 'spred her silfe abroad,' Tynd., Cran.; 'is proceded,' Rhem.

9. Report] So Rhem.: 'shew,' Auth. and the remaining Vv. From heaven] So Auth. and the other Vv. except Wicl., 'from heuenes;' Cov. (Test.), 'from the heauens.' Many modern Vv. observe both the article and the plural, but with the familiar usage of the word before us in the N.T. (e.g. Matth. vi. 9, Luke xi. 2), it seems in general passages like the present both harsh and unnecessary to be thus literally precise.

10. Which delivereth] So Tynd., Cov., Cran., Gen., Bish.: 'which delivered,' Auth.; sim. Wicl., 'whych hath drawen us oute;' Cov. (Test.), 'who hath delivered.'

The coming wrath] 'The wrath to

heaven, whom He raised from the dead, even Jesus, which delivereth us from the coming wrath.

CHAPTER II.

For yourselves know, brethren, our entering in unto you, that it was not vain: 2 but after that we had suffered before, and had been shamefully entreated, as ye know, at Philippi, we were bold of speech in our God, so as to speak unto you the gospel of God in much conflict. 3 For our exhortation

come,' Auth. and all the other Vv. except Wicl., 'wraththe to comynge.'

CHAP. II. 1. Know brethren] So, in the same order, Tynd., Gen., Bish., Rhem.: 'brethren, know,' Auth. and similarly the remaining Vv. There seems here no reason for departing from the order of the original.

Vain] So Wicl., Rhem.: 'in vain,' Auth. and the remaining Vv.

2. But after] 'But *even after,' Auth. Had been shamefully. &c.] 'Were shamefully, &c.,' Auth., and so too Tynd., Cran., Gen., Bish. The other Vv. slightly vary the translation of the participle; some, as Cov., giving προπαθόντες a causal force, and converting ὑβρισθέντες into a finite verb; others, as Cov. (Test.), Rhem., retaining the purely participial translation. If the view taken in the notes be correct, it seems best to regard both participles as temporal, and to express it by the usual idiomatic resolution into the English pluperfect. On the translation of the aorist part. when associated with the finite verb, see notes on Phil. ii. 30 (Transl.). Bold of speech 'Bold,' Auth. and the remaining Vv. except Wicl., 'hadden trist;' Cov. (Test.), 'were boldened;' Rhem., 'had confidence:' see notes in loc. So as to speak] 'To speak,' Auth. and the remaining Vv. The introduction seems necessary to exhibit the nature of the (epexegetic) infinitive, and to avoid tautology. In much] So Wicl., Cov. (Test.), Cran., Rhem.: 'with much,' Auth. and the remaining Vv. There is some difference in the translation of dγων: Auth. here adopts 'contention;' Tynd., Cov., Cran., Gen., Bish., 'striving;' Wicl., 'bisynesse;' Cov. (Test.), Rhem., 'carefulnesse.' Apparently the translation adopted by Auth. in Col. ii. 1, may here be suitably repeated.

3. Is not] So Wicl.: 'was not,' Auth. and the remaining Vv. Error] So Wicl., Cov. (Test.), Rhem.: 'deceit,' Auth., Bish.; 'to bring you to erroure,' Tynd., Cov., Cran.; 'not to use deceite,' Gen. Nor yet] So Tynd., Cov., Cran., Gen.: 'nor,' Auth., Cov. (Test.), Bish.; 'neither,' Wicl.; 'nor of,' Rhem. There is some little difficulty in the choice of an appropriate rendering in the different cases of continued negation. Perhaps the following distinctions of translation may be found generally satisfactory in application. (1) Mημηδέ or ού-ούδέ will commonly admit the translation (a) 'not-neither,' when the two words or clauses to which the negation is prefixed are simply parallel and co-ordinate, e.g. Matth. vii. 6; (b) 'not-nor,' when there is some sort of connexion in thought, or accordance in meaning,

is not of error, nor yet of impurity, nor in guile: 'but according as we have been approved of God to be put in trust with the gospel, even so we speak; not as pleasing men, but God, which trieth our hearts. 'For neither at any time used we speech of flattery, as ye know, nor a cloke of covetousness; God is witness; 'neither seeking glory of men, neither of you nor of others, though we might have used authority, as Christ's apostles. 'But we were gentle in the midst of you, like as a nurse cherisheth her own

in the words or clauses with which the negatives are associated, e.g. ch. v. 5; (c) 'not-nor yet,' where there is less accordance, and where the latter clause has somewhat of a climactic character, e.g. Phil. ii. 16, and see notes to Transl. (2) M\u00e4μηδέ-μηδέ, 'not-nor-nor' (John i. 13), where the terms are similar or non-ascensive, or 'not' followed by 'nor-nor yet,' as perhaps Col. ii. 21 (but see notes), or by 'nor yet-nor,' as here, according as the dissimilarity or climactic force is mainly exhibited in the second or in the third term. (3) Mη-μήτε-μήτε, 'not-neithernor;' where the first negation, so to say, bifurcates, and is expanded into two similar clauses introduced each by the adjunctive $\mu\dot{\eta}\tau\epsilon$; comp. I Tim. i. 7. In cases where there are three or more repetitions of $\mu \dot{\eta} \tau \epsilon$, our Authorized Version appears generally to continue (3) with repetitions of 'neither;' comp. Matth. v. 34, Luke Impurity] 'Uncleanness,' Auth. and the remaining Vv. except Gen., 'wickedness.' The present use of the term 'uncleanness' is perhaps insufficiently inclusive; see

4. According as] 'As,' Auth. and all the other Vv. As has been before observed, the introduction of the 'according' or 'even,' must depend on the general hue of the passage: here it seems necessary.

Have

been approved] Sim. Wiclif, 'ben preued;' Rhem., 'were approved:' 'were allowed,' Auth. and the remaining Vv. except Coverd., 'are allowed.'

5. Speech of flattery] Somewhat similarly Wicl., 'word of glosynge;' Rhem., 'word of adulation:' 'flattering words,' Auth. and the remaining Vv. 6. Neither seeking, &c.] So Wicl., and sim. Cov. (Test.), Rhem., 'nor seeking:' 'nor of men sought we glory,' Auth., and similarly the remaining Vv., except that they more correctly adopt 'neither' at the commencement of the clauses. In some cases, especially in St. Paul's Epp., it is almost impossible to give an idiomatic translation without converting the participle into a finite verb (comp. Rom. xiv. o sq.): here, however, there appears no such necessity. Nor] So rightly Cov. (both), Bish., Rhem .: 'nor vet,' Auth, and the remaining Vv. except. Wicl., 'nether.' Though we might, &c.] Similarly Cran., 'when we myght have bene in auctorite:' 'when we might have been burdensome,' Auth.. 'whanne we myghten haue be in charge,' Wicl.; 'when we myght have bene chargeable,' Tynd., Cov. (both), Gen., Bish.; 'whereas we might have been a burden,' Rhem. Christ's apostles] So Wicl .: 'the Apostles of Christ,' Auth. and the remaining Vv.

7. In the midst of] So Cov. (Test.)

children; so, being affectionately desirous of you, had we good will to impart unto you, not the gospel of God only, but also our own souls, because ye became very dear unto us. For ye remember, brethren, our toil and travail: working night and day, that we might not be burdensome unto any of you, we preached unto you the gospel of God. Ye are witnesses, and so is God, how holily and justly and unblameably we behaved ourselves to you that believe; we eas ye know how in regard of every one of you we did so, as a father toward his own children, exhorting you and en-

Rhem., and similarly Wicl.: 'ainong,'
Auth. and the remaining Vv.
Like as] So Cov.: 'even as,' Auth.
and the other Vv. except Wicl., Cov.
(Test.), 'as if.' Her own]
'Her,' Auth. and the remaining Vv.;
but see notes.

8. Had we good will] So somewhat

similarly Tynd., Cran., Gen., Bish., 'our good will was;' Cov., 'wolde with good wyll:' 'we were willing,' Auth.: 'wolden haue bitake to you,' Wicl.; 'wolde delyuer,' Cov. (Test.); 'would gladly deliuer,' Rhem. Impart | Similarly with a pres. infin., Cov. (Test.), Rhem.: 'have imparted, Auth.; 'haue bitake,' Wicl.; 'have dealte,' Tynd., Cov., Cran., Gen., Became | Similarly Wicl., 'ben made;' Coverd. (Test.), 'were become;' Rhem., 'are become;' 'were,' Auth. and the remaining Vv. Very dear | Similarly Wicl., Rhem., 'moost dere;' Cov. (Test.), 'moost beloued: 'dear,' Auth. and remaining Vv.

9. Toil] 'Labour,' Auth. and the other Vv. except Wicl., 'trauel.'
Working] So Coverd. (Test.), Rhem.: 'for *labouring,' Auth.; 'for . . . we worchid,' Wicl.; 'for we laboured,' Tynd., Cran., Gen., Bish.; 'for wroughte we,' Cov. That we might not, &c.] Somewhat similarly Wicl., 'that we schulden not greue:' because we would not be charge-

able,' Auth., Tynd. ('greveous'), Cov., Cran., Gen., Bish.; 'lest we shulde be chargeable,' Cov. (Test.); 'lest we should charge,' Rhem.

Preached we] 'We preached,' Auth., Cov. (Test.), Rhem.: the other Vv. connect the clause with 'and.' The inversion seems to give a slight force, and to keep in more immediate connexion the participle and its finite verb.

10. So is God] So Tynd., Cov., Cran., Gen.: 'God also,' Auth., Bish.; 'God and ye,' Wicl.; 'and God, Cov. (Test.), Rhem. To you] So Wicl., Rhem.: 'among you,' Auth. and the remaining Vv. except Cov. (Test.), 'by you.'

11. Even as] 'As,' Auth. and all the other Vv. How in regard of, &c.] 'How we exhorted and comforted and charged every one of you,' Auth., and, with a similar use of the finite verb, Wicl., Tynd., Cov., Gen., Bish. Of the remaining Vv., Cov. (Test.) and Rhem. convert the last participle only into a finite verb, while Cran. alone preserves in all three the participial translation, and in a manner appy. similar to that in the text, 'how that we bare soch affeceyon unto euery one of you, as a father doth unto chyldren, exhortyng, confortyng, and beseechyng you that, &c. This also seems the more correct position of the clause $\dot{\omega}s \pi a \tau \dot{\eta} \rho \kappa.\tau.\lambda.$

couraging you, and charging you, 12 that ye should walk worthy of God, who is calling you into His own kingdom and glory.

13 For this cause we also thank God without ceasing, that when ye received from us the word of preaching that is of God, ye received not the word of men, but, as it is in truth, the word of God, which worketh also in you that believe. 14 For ye, brethren, became followers of the churches of God which are in Judæa in Christ Jesus, in that ye also suffered like things of your own countrymen, even as they of the Jews; 15 who killed both the Lord Jesus and the

except that it somewhat interferes with the easy run of the sentence.

Encouraging] 'Comforting,' Auth. and all the other Vv., though not all with the participle.

His own]

As above, ver. 7: 'his,' Auth. and the other Vv. except Cran., which omits the pronoun.

12. Should] So Wicl.: 'would,'
Auth. and all the remaining Vv.

Is calling] 'Hath called,' Auth. and all the other Vv. except Wicl., 'that clepid.'

His own] 'His,'
Auth. and all the other Vv.

13. We also, &c.] Similarly Cov. (Test.), Rhem. (omits 'do'), 'do we also give thankes:' 'also thank we God,' Auth., Gen., Bish.; Wicl., Tynd., Cov. omit 'also;' 'thanke we God also,' Cran. That when] So Bish .: 'because when,' Auth., Cov. (Test.); 'for whanne,' Wicl.; 'because that when,' Tynd., Cov., Cran., Gen., Rhem. The word of, &c.] Very similarly, Coverd. (both), Bish., 'the worde of the preachinge of God:' 'the word of God which ye heard of us,' Auth.; 'the word of the herynge of God,' Wicl., Rhem.; 'the word wherewith God was preached,' Tynd., Gen.; 'the word (wherewith ye learned to know God), 'Cran.

Received not] 'Received it not as,'
Auth. and all the other Vv. except
Wicl., 'ye token it not, as.'

Worketh] So all the other Vv.: 'effectually worketh,' Auth. The force of ἐνεργεῖσθαι, 'ex se vim suam exercere,' is not easy to be expressed in English: 'to work,' seems hardly sufficient on the one hand; 'to work effectually,' somewhat too strong on the other. The most exact translation is perhaps 'to evince (its) working,' but is not in harmony with the tone of our Authorized Version.

(Test.), and sim. Rhem.: 'in Judæa are,' Auth. and the remaining Vv. In that] Similarly Gen., Bish., 'because:' 'for,' Auth. and the remaining Vv. except Cov., 'so that.' Suffered] 'Have suffered,' Auth. and all the other Vv. They] So Wicl., Coverd. (Test.), Rhem.; 'they have,' Auth., Bish.; 'we ourselves have suffered,' Tynd., Cran.; 'as they have suffered,' Cov., Gen.

14. Are in Judæa | So Wicl., Cov.

15. Killed both] So, in respect of order, Wicl., Coverd. (Test.): 'both killed,' Auth., Gen., Rhem.; 'as they killed the Lord,' Tynd., Cran., Bish., and sim. Cov. The prophets] '*Their own,' Auth. Drove us out] 'Have persecuted us,' Auth. and the other Vv. except Wicl.,

prophets, and drove us out, and please not God, and are contrary to all men, ¹⁶ hindering us from speaking to the Gentiles that they might be saved,—in order to fill up their sins alway. But the wrath is come upon them to the *very* end.

¹⁷ But we, brethren, having been torn from you for a

'persueden us;' Cov. (Test.), 'haue persued us.' Please] So Cov., Rhem., and similarly Coverd. (Test.), 'do not please:' 'they please,' Auth., Wicl., and sim. Tynd. and remaining Vv., 'God they please not.'

16. Hindering us from speaking Somewhat similarly Cran., Bish., 'and hynder us:' 'forbidding us to speak,' Auth., Wicl., Cov. (both); 'and forbid,' Tynd., Gen.; 'prohibiting us to speak,' Rhem. In order to fill] 'To fill,' Auth. But 'For,' Auth. and all the other Vv. Is come | So Auth. and all the other Vv. except Wicl., 'cam.' This certainly seems one of those cases in which our English agrist does not convey the full force of the Greek, but remands the event too unequivocally to the past. While the Greek $\xi\phi\theta\alpha\sigma\epsilon$ states the fact, but is simply silent as to 'quam late pateat id quod actum est' (see notes), the English 'came' seems to express it, and to imply too distinctly that the event plainly belongs with all its issues to the past. Very end] Sim. Wicl., 'in to the ende;' Cov. (Test.), 'untyll ye ende;' Rhem., 'to the end: 'to the uttermost,' Auth., and similarly Tynd., Cran., Gen., 'even to the utmost;' Cov., 'already unto ye utmost;' Bish., 'to the utmost.' The translation adopted in the text perhaps more precisely conveys the φθάνειν εls τέλος than the more qualitative and appy. adverbial 'to the uttermost; see notes.

17. Having been torn] 'Being taken from you,' Auth.; 'disolat fro you,' Wicl.; 'as we are kept from

you,' Tynd., Cov. ('haue bene'), Cran., Gen., Bish. ('were'); 'deprived of you,' Rhem. It is almost impossible to represent in English without a paraphrase the highly expressive ἀπορφανισθέντες, which serves so forcibly to convey not only the separation and severance of the Apostle from his converts, but also his desolate and bereaved state while so separated. The present translation adopted by Murdoch (Transl. of Syr. N. T.), Peile, and others, seems to come as near perhaps to this meaning as any single word that has yet been suggested. The more abundantly end.] 'Endeavoured the more abundantly,' Auth.; 'hiyed more plenteousli,' Wicl.; 'enforsed the more,' Tynd , Cran., Gen., Bish.; 'haisted the more,' Cov.; 'haysted more spedely,' Cov. (Test.); 'hastened the more abundantly,' Rhem. Though all the Vv. thus put the adverb after, and not before the verb, the latter order is perhaps still to be preferred, as throwing the emphasis more distinctly on the 'more abundantly.' It may be observed that much caution must be used in adjusting the order of the words in English with regard to emphasis; for while in Greek the emphatic word seems always to have the precedence, the attentive reader will often observe that the contrary is the case in English. In the position of the verb and adverb, however, the two languages seem mainly coincident. The discrepancy between the English and the Greek position of emphasis has been far too much neglected by

140 I THESSALONIANS II. 17—20. III. 1, 2.

short time, in presence, not in heart, the more abundantly endeavoured to see your face with great desire. ¹⁹ On which account we would fain have come unto you, even I Paul, both once and again,—and Satan hindered us. ¹⁹ For what is our hope, or joy, or crown of boasting? Or are not ye too it in the presence of our Lord Jesus at His coming? ²⁰ Verily ye are our glory and joy.

CHAPTER III.

WHEREFORE when we could no longer forbear, we thought it good to be left behind at Athens—alone; ² and sent Timothy, our brother and fellow-worker with God in the gospel

modern revisers, who too often seem to think that in all cases the most complete faithfulness is attained by rigidly following the order of the original; see, for example, the canons laid down by Wade, Notes on the Rev. Transl. of St. John, p. iv.

18. On which account] '*Wherefore,' Auth. Would fain 'Would,' Auth. and all the other Vv. Few words cause more difficulty to the translator of the N.T. than the verb $\theta \in \lambda \omega$: 'wish' is commonly much too weak, 'desire' not always exact, and 'will' or 'would' often liable to be mistaken for mere auxiliaries. In many cases our Auth. Revisers appear to have availed themselves of the past tense 'would' as a very suitable and idiomatic translation of the present $\theta \in \lambda \omega$; comp. Rom. vii. 15 sq. Here, however, it would be open to the misconception above alluded to. Both once] 'Once,' Auth. and all the other Vv. And] 'But,' Auth, and all the other Vv.

19. Boasting] 'Rejoicing,' Auth. and the other Vv. except Wicl., Cov. (Test.), Rhem., 'glory.' Or are] 'Are,' Auth. and the other Vv. except Wicl., 'whether ye ben not.' It is frequently difficult to decide

whether, in interrogations introduced by ħ οὐχί, the ħ is to be regarded as only giving a greater vividness and abruptness to the question, almost 'What! are not, &c.,' or as really retaining its proper disjunctive force. In the present case, and in more perhaps than are usually so regarded, the latter seems the most correct view. Ye too it] So, as regards the introduction of 'it,' Tynd., Cov. (both), Cran., Gen., Bish.; all, however, except Bish. ('euen you'), neglect the kal: 'even ye,' Auth.; 'ye,' Wicl.; 'you,' Rhem. Jesus 'Jesus *Christ,' Auth.

20. Verily] Similarly Tynd., Cov., Cran., Gen., Bish., 'yes ye are:' 'for,' Auth. and remaining Vy.

CHAP. III. 1. Left behind] 'Left,'
Auth.; 'dwelle,' Wicl.; 'remayne,'
Tynd., Cov. (both), Cran., Gen.,
Bish., Rhem.

2. Timothy] 'Timotheus,' Auth.:
see ch. i. 1. And fellowworker with God] 'And *minister
of God, and our fellow-labourer,'
Auth. Exhort] 'Comfort
*you,' Auth. and the other Vv.
except Wicl., 'be taught;' Coverd.
(Test.), Rhem., 'exhort.' In
behalf of] '*Concerning,' Auth.

of Christ, to establish you, and to exhort in behalf of your faith ³ that no man be disquieted in these afflictions: for yourselves know that we are appointed thereunto. ⁴ For verily, when we were with you, we told you before that we are to be afflicted; as also it came to pass, and ye know. ⁵ For this cause, when I too could no longer forbear, I sent in order to know your faith, lest haply the tempter have tempted you, and our labour should prove in vain.

⁶ But now when Timothy came to us from you, and brought us good tidings of your faith and your love, and that ye have good remembrance of us always, longing to see us, as we also to see you,— ⁷ for this cause, were we comforted,

- 3. Be disquieted] 'Should be moved,' Auth. and the other Vv. except Wicl., Coverd. (Test.), Rhem., 'be moved.' In] So Wicl., Tynd., Coverd. (both), Cran., Rhem.: 'by,' Auth.; 'with,' Gen., Bish.
- 4. Are to be afflicted] 'Should suffer tribulation,' Auth. and the other Vv. except Wicl., Cov. (Test.), Bish., Rhem., which adopt the plural 'tribulations.' As also So Rhem.: 'even as,' Auth. and the remaining Vv.
- 5. I too] Sim. Cov. (Test.), Rhem., 'I also:' 'I,' Auth. and remaining Vv. except Wicl., 'I Poul.'

In order to know] 'To know,'
Auth., Wicl., Coverd. (Test.), Rhem.;
'that I myght have knowledge,'
Tynd. and the remaining Vv.

Haply] So Tynd., Cov. (both), and sim. Wiclif, 'peradventure;' Rhem., 'perhaps:' 'by some means,' Auth., Cran.; 'in any sort,' Gen., Bish. Have tempted] So Auth., Cov. (Test.),

Rhem. ('hath'): 'had,' Tynd. and the remaining Vv. Neither translation is quite exact, or strictly idiomatic; the English perfect, however, seems here to approach more nearly to the present use of the Greek acrist than the pluperfect, and perhaps, owing to the peculiar form of the

expression in the original, may be considered as admissible in point of English. Should prove] 'Be,' Auth.; 'be made,' Wicl., Rhem.; 'had bene bestowed,' Tynd., Cov., Cran., Gen.; 'become,' Cov. (Test.); 'had been,' Bish. It seems here perhaps unnecessary to adopt the more strict translation of κόπος, as the phrase is semi-proverbial, and does appear to place in prominence that idea of 'molestus labor,' which in other passages is often distinctly traceable in κόπος, and is necessary to be preserved; see notes on ch.

6. Timothy] 'Timotheus,' Auth.: see ch. i. I. To us from you] So Wicl., Cov. (Test.), Rhem.; 'from you unto us,' Auth. and the remaining Vv.,—a departure from the order of the Greek for which there does not here seem any satisfactory reason.

Your love] So Cov., Cran., and sim. Tynd., Gen., Bish., 'love:' 'charity,' Auth., Wicl., Cov. (Test.), Rhem. On this correction see notes on 1 Tim. i. 5 (Transl.).

Longing] 'Desiring greatly,' Auth.; 'desirynge,'

'Desiring greatly,' A wth.; 'desirynge,' Wicl. and the other Vv.: the $\epsilon\pi\iota$ - is not intensive; see notes.

7. For this cause] 'Therefore,' Auth. and the remaining Vv. Were

brethren, over you in all our distress and affliction by your faith: since now we live, if ye stand fast in the Lord. For what thanks can we render to God for you, for all the joy which we joy for your sakes in the presence of our God: 10 night and day praying very exceedingly that we may see your face, and may supply the lacking measures of your faith?

11 Now may God Himself and our Father, and our Lord Jesus Christ, direct our way unto you: 12 but you may the Lord make to increase and abound in your love one toward another and toward all men, even as we also do toward you; 18 to the end he may stablish your hearts unblameable

we] 'We were,' Auth. and similarly the remaining Vv. The transposition seems to keep the sentence a little closer together, and is frequently adopted in Auth. Brethren] So, in this place, Rhem.: Auth. and remaining Vv. append it to 'therefore.' In this case it seems more exact to retain the order of the Greek. Distress and affliction '*Affliction and distress,' Auth.

8. Since] 'For,' Auth. and the other Vv. except Rhem., 'because.' Here the particle &ti seems scarcely to have so full a force as 'because,' and yet to be somewhat stronger than 'for,'-which, as a general rule, it seems desirable to reserve as the translation of yap.

Q. Render to God] So Cov. (Test.), Rhem., and similarly Wicl., 'gilde to God:' 'render to God again,' Auth.; 'recompence to God,' Tynd. and the remaining Vv. Which] Similarly Tynd., Cran., Gen., 'that:' 'wherewith,' Auth., Coverd. (Test.), Bish., Rhem.; 'in which,' Wicl. In the presence of] 'Before,' Auth.; see notes on ch. i. 3.

10. Very exceedingly] 'Exceedingly,' Auth. and the other Vv. except Wicl., 'more plenteousli;' Rhem., 'more abundantly.'

May] So Coverd. (Test.), Rhem.: 'might,' Auth. and the remaining ٧v. May supply, &c.] 'Might perfect that which is lacking in,' Auth., and similarly Tynd. ('fulfil'), Gen. (ib.), Bish. ('accomplish'), 'fulfille the thingis that failen,' Wicl.; 'fulfyll the thynges that are,' Cov. (Test.), Cran. ('which'); 'accomplish those things that want of,' Rhem.

II. May God] Auth. and the other Vv. omit 'may,' which however seems to add perspicuity to the sentence.

12. But you may the Lord] 'And the Lord make you, &c.,' Auth., and similarly the other Vv. except Cov., which adopts 'but,' and Cran., which omits &é, and incorrectly adopts a future in translation, 'the Lord also shall, &c.' Though there is perhaps some little awkwardness in the prominence given to the pronoun, it seems required to convey to the English reader the antithesis of the original; see notes. love] So Wicl., Cov. (Test.), Rhem. : 'love,' Auth. and the remaining Vv. We also | So Rhem., and similarly Wicl. 'also we;' Cov. (Test.), 'we do also:' 'we,' Auth. and the remaining Vv.

13. In the presence of 'Before,' Auth.; see notes on ch. i. 3.

1 THESSALONIANS III. 13. IV. 1—6. 143

in holiness in the presence of God and our Father, at the coming of our Lord Jesus with all His saints.

CHAPTER IV.

God and our Father] So Wicl., Cov. (Test.), Rhem.: 'God, even our Father,' Auth.; 'God oure Father,' Tynd. and the remaining Vv. On the best mode of translating this august formula, see notes on Gal. i. 4 (Transl.) Jesus] 'Jesus' Christ,' Auth.

CHAPTER IV. 1. Furthermore] So Auth. and the remaining Vv. except Wicl., 'fro hennesforward;' Rhem., 'for the rest.' This translation of λοιπόν is perhaps not exactly literal, but seems sufficiently approximate: 'finally' would here be hardly appropriate, and 'for the rest' (Rhem.), though literal, both harsh and awkward. Brethren, we] So Rhem., Cov. (Test.), and similarly Rhem.: Auth. and remaining Vv. insert it after 'you,'-but not in accordance with the Greek order. the Lord | So Wicl., Tynd., Cov. (Test.), Gen., Bish., Rhem.: 'by the Lord,' Auth., Cov., Cran. Received] 'Have received,' Auth. and all the other Vv. As indeed ye are walking | Auth. " omits. more] 'More and more,' Auth. and the other Vv. except Wicl., 'the more; 'Cov. (Test.), 'be more plentyfull;' Rhem., 'abounde more.'

- 3. To wit, that ye abstain] Sim. Wicl., Cov., Rhem., 'that ye (Rhem., 'you') absteyne:' 'that ye should abstain,' Auth., Cran.; 'and that ye shuld abstayne,' Tynd., Gen., Bish.; 'that ye abstayne yourselues,' Cov. (Test.)
- 4. Know] So Cov., and sim. Wicl., 'kunne:' 'should know,' Auth. and the remaining Vv. except Rhem., 'may know.' Get himself his own] 'Possess his,' Auth., Cov. (Test.), Bish., Rhem.; 'wilde' [wield], Wicl.; 'kepe his,' Tynd., Cov., Cran., Gen.
- 5. Lustfulness of desire] 'Lust of concupiscence,' Auth. and the other Vv. except Wicl., Rhem., 'passioun of lust.' Gentiles also Similarly Cov. (Test.), 'the hethen also:' 'Gentiles,' Auth., and similarly, as respects the omission of 'also,' the remaining Vv.
- 6. Overreach] 'Defraud,' Auth.; 'ouer go,' Wicl., Rhem.; 'goe to farre,' Tynd., Cov.; 'passe,' Cov. (Test.); 'oppress,' Cran., Gen., Bish.
 The matter] 'Any matter,' Auth., Gen., Bish.; 'chaffaringe,' Wicl.;

in the matter: because that the Lord is the avenger of all these things, as also we before told you and did solemnly testify. ⁷ For God called us not for uncleanness, but in sanctification. ⁸ Wherefore then, he that rejecteth, rejecteth not man, but God, who also gave His Holy Spirit unto you.

⁹ Now as touching brotherly love ye need not that I write unto you; for ye yourselves are TAUGHT of God to love one another: ¹⁰ for indeed ye do it toward all the brethren that are in the whole of Macedonia. But we

'bargayning,' Tynd., Cov. (both), Cran.; 'in businesse,' Rhem. All these things] So Wicl., Coverd. (Test.), Rhem., 'all such,' Auth.; 'all suche thynges,' Tynd. and the remaining Vv. As also, &c.] 'As we also have forewarned you and testified,' Auth.; 'as we bifor seiden to you and han witnessid,' Wicl; 'as we told you before tyme and testified,' Tynd.; 'as we have sayde and testified unto you aforetyme,' Cov.; 'as we have sayde unto you before and haue wytnessed,' Cov. (Test.); 'as we tolde you before and testifyed,' Cran., Gen. ('before tyme'); 'as we have told you before time and have testified,' Bish.; 'as we have foretold you and have testified,' Rhem. The slight change to 'did testify' is for the sake of preserving a sort of rhythm; comp. notes on Phil. ii. 16 (Transl.)

7. Called us not] Similarly Wicl., 'clepid not us:' 'hath not called us,' Auth. and the remaining Vv.

For] 'Unto,' Auth. and the other

For] 'Unto,' Auth. and the other Vv. except Wicl., Rhem., 'in to;' Cov., 'to.' In sanctification] 'Unto holiness,' Auth. and the other Vv. except Wicl., 'in to holyness;' Coverd. (Test.), 'unto halowyng;' Rhem., 'into sanctification.'

8. Wherefore then, &c.] 'He therefore that despiseth despiseth,' Auth. and the other Vv. except Wicl.,

Rhem., 'therefore he that dispisith thes thingis;' Cov. (Test.), 'wherfore he that despyseth these thynges despyseth,' and Gen., Rhem., which also insert 'these things' after the first 'despiseth.' Also gave] So Wicl .: 'hath also given,' Auth .; 'hath sent,' Tynd., Cran., Gen.; 'hath geuen,' Cov.; 'also hath geuen,' Coverd. (Test.), Rhem.; 'hath euen given you,' Bish. His Holy Spirit unto you] 'Unto *us His Holy Spirit,' Auth.; 'His Holi Spirit in us,' Wicl., Cov. (Test.), Rhem.; 'His Holy Sprete among you,' Tynd., Cran.; 'His Holy Spirit in to you,' Cov.; 'you His Holy Sprite,' Gen.; 'you His Holy Spirit,' Bish.

Now] 'But,' Auth. and all the other Vv.

10. For indeed] 'And indeed,' Auth.; 'for,' Wicl., Cov. (Test.); 'ye and that thinge verely,' Tynd., Cov. (omits 'verely'), Cran., Gen., Bish.; 'yea and you doe it,' Rhem.

That] 'Which,' Auth. and the other Vv. except Wicl., Coverd. (Test.), Rhem., which omit the relative.

The whole of] 'All,' Auth. and the other Vv. except Cov. (Test.), 'whole Maced.'

To abound still more] 'That ye increase more and more,' Auth., Tynd., Cov. ('yet more and more'), Cran., Bish.; 'that ye abounde more,' Wiclif, Rhem.;

beseech you, brethren, to abound still more, " and to study to be quiet, and to do your own business, and to work with your own hands, according as we commanded you; 12 in order that ye may walk becomingly toward them that are without, and may have lack of nothing.

¹³ Now we would not have you to be ignorant, brethren, concerning them that are sleeping, that ye sorrow not, even as the rest which have no hope. ¹⁴ For if we believe that Jesus died and rose again, even so those laid to sleep through Jesus will God bring with Him. ¹⁵ For this we say unto you in the word of the Lord, that we which are living and

'that ye be more abundaunte,' Cov. (Test.); 'that ye excel more and more,' Gen.

11. To study] 'That ye study,' Auth. and the other Vv. except Wicl., 'and taken kepe;' 'that ye endeuoure,' Coverd. (Test.); 'that you employ your indeuour,' Rhem.

According as] 'As,' Auth. and all the other Vv.

12. In order that] 'That,' Auth. and the other Vv. except Wiclif, Rhem., 'and that.' Becomingly] 'Honestly,' Auth. and all the other Vv. The translation 'seemly' deserves consideration, but is appy. open to the objection that, in point of strict etymology, such a form of the adverb is somewhat doubtful; see Trench, on Auth. Vers. ch. II. p. 31.

13. Now we] 'But I,' Auth.; 'for →we,' Wicl.; 'but we,' Cov. (Test.); 'and we,' Rhem .: , Tynd., Coverd. ('we'), Cran., Gen., Bish. omit dè in translation. That are sleeping | Very similarly Cov. (Test.), 'that be slepynge:' 'which are *asleep,' Auth., Bish.; 'men that dreume,' Wiclif; 'which are fallen asleep,' Tynd., Cov., Cran., Gen., that sleepe,' Rhem. The rest] 'Others,' Auth., Rhem.; 'other, Wiclif, Tynd., Coverd., Cran., Gen., Bish.; 'ye other,' Cov. (Test.).

14. Those laid to sleep through Jesus] 'Them also which sleep in Jesus,' Auth., Gen., Bish. (omits 'also'); 'them that been deed bi Jesus,' Wicl.; 'them also which sleep by Jesus,' Tynd., Cov., Cran.; 'them that haue slept,' Cov. (Test.), Rhem.

15. In the word] So Wicl., Tynd., Cov., Cran., Gen. ('words'), Rhem.: 'by the word,' Auth., Bish.; 'on the worde,' Cov. (Test.),—a translation that deserves consideration.

Living and are remaining behind] 'Which are alive and remain,' Auth.: 'that lyuen that ben lefte,' Wicl.; 'which live and are remayninge.' Tynd., Cov., Gen., Bish.; 'that lyue whych remayne,' Cov. (Test.); 'whych shall lyue, and shall remayne,' Cran.; 'which liue, which are remaining,' Rhem. It is not easy to give these words a perfectly accurate and perfectly idiomatic translation: 'we the living, the remaining, &c..' would be accurate, but bald; 'we the living who are, &c.,' somewhat harsh and appositional. We therefore may perhaps not unwisely retain the 'and,' and also (with Auth.) omit the second ol in translation, as tending to overload the sentence.

Shall in no wise] 'Shall not,' Auth. and all the other Vv. Great caution is required in the translation of ob μh

are remaining behind unto the coming of the Lord shall in no wise prevent them which are asleep: ¹⁶ because the Lord Himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God, and the dead in Christ shall rise first; ¹⁷ THEN we which are living and are remaining behind shall be caught up at the same time with them in clouds, to meet the Lord in the air; and so shall we ever be with the Lord. ¹⁸ So then comfort one another with these words.

CHAPTER V.

But concerning the times and the seasons, brethren, ye have no need to be written unto. ² For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. ³ For when they shall say, Peace and safety; then doth

in the N.T., as in some cases it appears very doubtful whether any emphatic negation is really contemplated by the writer, and whether the formula was not due to that sort of strengthened negation which is often observable in later Greek. Perhaps the simplest and best rule is to be guided by the context,-which here seems to require the stronger form of translation. If it be thought necessary to alter the now obsolete 'prevent,' we may perhaps have recourse to the more modern 'precede:' archaisms, however, as such, are not altered in this revision.

16. Because] 'For,' Auth. and all the other Vv. In the following words it is perhaps doubtful whether, as in Rhem., the Greek order might not be advantageously retained. It tends, however, to throw appy. a greater stress on καταβήσεται ἀπ' οὐρανοῦ than is conveyed by the original.

17. Are living, &c.] 'Are alive and remain,' Auth.; 'that lyuen and ben lefte,' Wicl.; 'which live and remain,' Tynd., Cov., Gen., Bish.; 'that lyue whyche are left ouer,' Cov. (Test.); 'which shall lyue (euen we which

shall remayne),' Cran.; 'we that liue, that are left,' Rhem. The slight addition 'behind' seems suggested by the compound περιλείπεσθαι, the prep. perhaps marking the idea of overplus, and thence, in the present context, of a continuance on earth and survival; comp. Herod. I. 82.

At the same time] 'Together,' Auth., Wicl., Cov. (Test.); 'with them also,' Tynd., Coverd., Cran., Gen., Bish.; 'withal,' Rhem. On the translation of dua, see notes. In clouds] So Wicl.; 'in the clouds,' Auth. and the remaining Vv. except Cov. (Test.), 'into the ayre.'

18. So then] 'Wherefore,' Auth. and the other Vv. except Wiclif, Rhem., 'therfor.'

CHAPTER V. 1. Concerning] 'Of,'
Auth. and all the other Vv.

To be written unto] 'That I write unto you,' Auth. and the other Vv. (Wicl. 'to') except Coverd., 'it is no nede to wryte unto you;' Cov. (Test.), 'that we do wryt unto you;' Rhem., 'that we write to you.'

3. Doth destruction come suddenly] 'Sudden destruction cometh,' Auth.;

destruction come suddenly upon them, as travail upon a woman with child; and they shall in no wise escape. But ye, brethren, are not in darkness, that the day should overtake you as a thief. For ye all are sons of light, and sons of the day: we are not of the night, nor of darkness. Accordingly then let us not sleep, even as do the rest; but let us watch and be sober. For they that sleep sleep in the night; and they that are drunken are drunken in the night. But let us, as we are of the day, be sober, having put on the breastplate of faith and love, and as an helmet, the hope of salvation; because God did not appoint us to wrath, but to obtain salvation through our Lord Jesus Christ, who

'sudeyn deeth schal come,' Wicl.;
'commeth on the soden destr.,' Tynd.;
'shall soden destr. come,' Coverd.,
Cran., Rhem.; 'shall a soden destr.
come,' Cov. (Test.); 'commeth on
them soden destr.,' Gen.; 'shall come
upon them sudden destr.,' Bish.
In no wise] 'Not,' Auth. and all the
other Vv.; see notes on ch. iv. 15
(Transl.).

4. The] 'That,' Auth. and the other Vv. except Wicl., 'the ilke;' Rhem., 'the same.' It may be doubted whether the text is here so explicit as Auth.; the translation, however, of the article by a pronoun is so very hazardous, and so erroneous in principle, that the cases are but very few in which idiom or perspicuity can be admitted so far to prevail over the literal rendering.

5. For ye all are] '*Ye are all,' Auth. Independent of the insertion of γάρ, which is required by uncial authority, it seems also better to give 'all' a prominence corresponding to that of the πάντες in the Greek.

Sons (bis)] Sim. Wicl., 'the sones—sones:' 'the children,' Auth. and the remaining Vv. except Cov., which omits the article in both cases, and Rhem., which omits it in the second.

6. Accordingly then] 'Therefore,' Auth. and all the other Vv.

Even as] '*As,' Auth. and the other Vv. except Rhem., 'as also.'

The rest] 'Others,' Auth., Rhem.;

The rest] 'Others,' Auth., Rhem.; 'other,' Tynd. and the remaining Vv. except Cov. (Test.), 'the other.'

7. Are drunken] 'Be drunken,' Auth. and the other Vv. except Rhem., 'be drunke.'

8. As we are] 'Who are,' Auth.; 'that ben,' Wicl.; 'which are,' Tynd., Cov., Cran., Gen., Bish.; 'that are,' Cov. (Test.), Rhem. Having put on] 'Putting on,' Auth.; 'clothid in,' Wicl.; 'armed with,' Tynd., Coverd. (both), Cran., Gen., Bish.; 'hauing on,' Rhem. As an helmet,' Auth., Cran., Bish.; 'in the helme of,' Wicl.; 'with ye helmet of,' Cov.; 'the helmet the hope, &c.,' Cov. (Test.); 'a helmet the hope of,' Rhem.

o. Because] 'For,' Auth. and all the other Vv. Did not appoint] 'Hath not appointed,' Auth. and the other Vv. except Wicl., 'puttid not us.' Through] So Cov. (Test.): 'by,' Auth., Wicl., Rhem.; 'by the meanes of,' Tynd., Cov., Cran., Gen., Bish.

10. Together live] 'Live together,'

died for us, that, whether we wake or sleep, we should together live with him. "Wherefore comfort each other, and edify one the other, even as also ye do.

¹² Now we beseech you, brethren, to regard them which labour among you, and preside over you in the Lord, and admonish you; ¹³ and to esteem them very highly in love for their work's sake. Be at peace among yourselves. ¹⁴ Moreover we exhort you, brethren, admonish the unruly, comfort the feebleminded, support the weak, be long suffering toward all men. ¹⁵ See that none render evil for evil unto any man; but alway follow after that which is good, toward one another and toward all men. ¹⁶ Rejoice alway; ¹⁷ pray without ceasing; ¹⁸ in every thing give thanks: for this is the will of God in Christ Jesus toward you. ¹⁹ Quench not the Spirit;

Auth. and all the other Vv.; see notes.

11. Each other] 'Yourselves together,' Auth., Tynd., Cov., Cran.; 'ye to gidre,' Wicl.; 'one another,' Cov. (Test.), Gen., Bish., Rhem. The other] 'Another,' Auth. and the other Vv. except Wicl., 'ech other.'

12. Now] So Bish.: 'and,' Auth., Wicl., Cov. (Test.), Rhem.; Tynd., Cov., Cran., Gen. omit. Regard] 'Know,' Auth. and all the other Vv. Preside over] 'Are over,' Auth., Bish.; 'ben souereyns to,' Wicl.; 'have the oversight,' Tynd., Cov., Cran., Gen.; 'haue oversight,' Cov. (Test.); 'gouerne,' Rhem.

13. Be at peace] Auth., Tynd., Cov., Cran., Gen., Bish. prefix 'and;' 'haue ye pees,' Wicl.; 'and haue peace,' Cov. (Test.); 'haue peace,' Rhem.

14. Moreover] 'Now,' Auth.; 'and,' Wicl., Cov. (Test.), Rhem.: the rest omit. Admonish the unruly] Sim. Bish., 'admonish them that are unruly;' Rhem., 'admonish the unquiet:' 'warn them that are unruly,' Auth., Tynd., Cov., Cran., Gen.; 'repreue ye unpesible men,' Wicl.;

'rebuke the restless,' Cov. (Test.).

Longsuffering] 'Patient,' Auth. and
all the other Vv.

15. None | So Auth. and the other Vv. except Wicl., Cov. (Test.), 'no man.' It may be remarked that Auth. and the older Vv. appy. always adopt the form 'none,' not 'no one.' Alway] So Coverd. (Test.), and sim. Rhem., 'alwaies:' 'ever,' Auth. and the other Vv. except Wicl., 'euermore.' Follow after] 'Follow,' Auth. and the other Vv. except Wicl., 'sue;' Cov. (Test.), 'followe-upon;' Rhem., 'pursue.' one another] So ch. iii. 12 (Auth.): "both among yourselves,' Auth. and the other Vv. except Wicl., 'eche to other;' Coverd. (Test.), 'one unto another; Rhem., 'towards eche other.' Toward] So Bish., Rhem.; 'to,' Auth. and the remaining Vv. except. Cov. (Test.), 'unto.'

16. Alway] So Cov. (both), Rhem.: 'evermore,' Auth., Wicl.; 'euer,' Tynd. and the remaining Vv.

18. Toward you] So Tynd., Cov. (both), Cran., Gen.: 'concerning you,' Auth., Bish.; 'in alle you,' Wicl., Rhem.

²⁰ despise not prophesyings: ²¹ but prove all things; hold fast that which is good. ²² Abstain from every form of evil. ²³ But may the God of peace Himself sanctify you wholly; and may your spirit and soul and body be preserved whole without blame in the coming of our Lord Jesus Christ. ²⁴ Faithful is He that calleth you, who also will do it.

²⁶ Brethren, pray for us. ²⁶ Salute all the brethren with an holy kiss. ²⁷ I adjure you by the Lord that this epistle be read unto all the holy brethren.

28 The grace of our Lord Jesus Christ be with you.

21. But prove] '*Prove,' Auth.

22. Every form] Similarly Gen., 'all kynde:' 'all appearance,' Auth., Bish., Rhem., sim. Cran.; 'al yuel spice,' Wicl.; 'all suspicious thinges,' Tynd., Cov.; 'all euel lykenesse,' Cov. (Test.).

23. But may the God, &c.] Sim. Rhem., 'and the God of peace Himself:' and the very God of peace,' Auth.; 'and God himsilf of pees,' Wicl.; 'the very God of peace,' Tynd., Cov. (both), Cran.; 'that God of peace,' Gen.; 'now the very God of peace,' Bish. May] 'I pray God,' Auth. and the other Vv. except Wicl., Cov. (Test.), Rhem., which omit the words. Your spirit! 'Your whole spirit,'

Auth. and the other Vv. except Wicl., 'your spirit be kept hool:' see notes. Whole without blame] 'Blameless,' Auth., Cov. (both), Bish.; 'without playnt,' Wicl.; 'be kept fautlesse,' Tynd., Gen.; 'so that in nothing ye maye be blamed,' Cran.; 'without blame may be, &c.,' Rhem.

In] So Wicl., Cov. (Test.), Cran.,

In] So Wicl., Cov. (Test.), Cran., Rhem.; 'unto,' Auth., Tynd., Cov., Gen., Bish.

26. Salute] So Rhem.: 'greet,' Auth. and the remaining Vv.

27. Adjure] So Rhem., and sim. Wicl., 'conjure:' 'charge,' Auth. and the remaining Vv.

28. With you] Auth. adds '*Amen.'

THE

SECOND EPISTLE TO THE THESSALONIANS.

CHAPTER I.

PAUL, and Silvanus, and Timothy, unto the church of the Thessalonians in God our Father and the Lord Jesus Christ. ² Grace be unto you and peace, from God our Father and the Lord Jesus Christ.

³ We are bound to give thanks to God always for you, brethren, as it is meet, because that your faith increaseth exceedingly, and the love of every one of you all toward each other abounderh; ⁴ so that we ourselves make our boast in you in the churches of God, for your patience and faith in all your persecutions and the afflictions that ye are enduring;—
⁵ which is a token of the righteous judgment of God, that ye may be counted worthy of the kingdom of God, for which

CHAP. I. T. Timothy] 'Timotheus,' Auth. and the other Vv. except Wicl., 'Tymothe;' Rhem., 'Timothee:' see notes on Col. i. I (Transl.).

- 2. Grace be unto] So Cov. (Test.), Cran.: 'Grace unto you,' Auth.; 'grace to you,' Wicl., Rhem.; 'grace be with you,' Tynd., Coverd., Bish.; 'grace be to you,' Gen.
- 3. Give thanks to] So Cov. (Test.), Rhem., and Auth. in I Thess. i. 2: 'thank,' Auth. and the remaining Vv. except Wicl., 'do thankyngis.' Increaseth] So Cov. (both), Rhem.: 'groweth,' Auth. and the remaining Vv. except Wicl., 'wexith.' Love] So Tynd., Cov. (both), Cran., Gen., Bish.: 'charity,' Auth., Wicl., Rhem.; comp. notes on I Tim. i. 5 (Transl.).
- 4. Make our boast in] Similarly Cov., 'make our boast of;' Cran., 'boast of:' 'glory in,' Auth., Wicl., Rhem.; 'rejoice of,' Tynd., Cov. (Test.), Gen., Bish. The afflictions] 'Tribulations,' Auth. and the other Vv. except Cov. (both), 'troubles.'
- 5. Token] So Tynd., Cov., Cran., Gen., Bish.; 'manifest token,' Auth.; 'ensaumple,' Wicl., Coverd. (Test.), Rhem. Are also suffering] 'Ye also suffer,' Auth. and the other Vv. except Wicl., Cov. (Test.), 'ye suffre;' Rhem., 'also you suffer.' The change appears to have two advantages, first, that it more distinctly preserves the association of και and πάσχετε, and secondly, that it con-

ye are also suffering. ⁶ If so be that it is righteous with God to recompense to them that afflict you, affliction; ⁷ and to you who are afflicted, rest with us, at the revelation of the Lord Jesus from heaven with the angels of His power ⁶ in flame of fire, rendering vengeance to them that know not God, and that obey not the gospel of our Lord Jesus Christ. ⁹ Who shall suffer punishment, *even* eternal destruction apart from the presence of the Lord, and from the glory of His power; ¹⁰ when He shall come to be glorified in His saints, and to be admired in all them that believe (because our testimony to

veys more fully the present and continuing nature of the trials of the Thessalonians.

6. If so be that] So Auth. in Rom. viii. 9, 17, 1 Cor. xv. 15, 2 Cor. v. 3, 1 Pet. ii. 3: 'seeing,' Auth.; 'if netheless,' Wiclif; 'it is verely,' Tynd., Cran.; 'for it is,' Cov., Bish.; 'if at the leest,' Cov. (Test.); 'for it is verely,' Gen.; 'if yet,' Rhem.

Afflict you, affliction] 'Tribulation to them that trouble you,' Auth. and the other Vv. (Coverd. 'unto') except Rhem., 'tribulation to them that vexe you.' The change seems to preserve more clearly the antithesis, and also to bring more into prominence the 'lex talionis' that is tacitly referred

7. Afficted] 'Troubled,' Auth. and the other Vv. except Rhem., 'vexed.' At the revelation of the Lord Jesus] Sim. Cov. (Test.), 'unto the revelation, &c.;' Rhem., 'in the revelation, &c.:' 'when the Lord Jesus shall be revealed,' Auth.; 'in the schewynge of, &c.,' Wicl.; 'when the Lord Jesus shall shewe him silfe,' Tynd., Cov., Cran., Gen., Bish. The angels of His power] So Cov. (both), Cran., Rhem., and sim. Wicl., 'aungels of His vertu:' 'His mighty angels,' Auth., Tynd., Gen., Bish.

8. In flame of fire So Rhem. and similarly Wicl., Coverd. (Test.), 'the

flawme of fire: ' 'in flaming fire,' Auth., Tynd., Gen., Bish.; 'with flaminge fyre,' Cov., Cran.

Rendering] So Tynd., Gen., Bish.: 'taking,' Auth.; 'schall geue,' Wicl.; 'to geue,' Cov.; 'geuynge,' Coverd. (Test.), Rhem.; 'shall rendre,' Cran.

9. Suffer punishment, even Shall be punished with, Auth. and the other Vv. except Wicl., Cov. (Test.), Rhem., 'schulen suffre.'

Eternal] So Rhem.: 'everlasting,' Auth. and the remaining Vv. Though really the change is here unimportant, it is still perhaps best to translate this word uniformly, except where the context seems specially and exclusively to imply simple duration. In the present case the always is equally qualitative and quantitative.

Apart from 'From,' Auth. and all the other Vv.

10. Shall come] So Auth. and all the other Vv. There is some little difficulty in the translation of $\delta \tau a \nu$ with the aor. subj. Perhaps, as a general rule, it may be said that when the exact rendering 'shall have,' is inapplicable (see notes on Tit. iii. 12, Transl.), we may conveniently adopt in translation the present (indic. or conj.) when the reference to the actual futurity of the subsequent event is less specially contemplated (comp. Matth. xxi. 40, Mark iv. 29,

SECOND EPISTLE TO THE THESSALONIANS.

CHAPTER I.

PAUL, and Silvanus, and Timothy, unto the church of the Thessalonians in God our Father and the Lord Jesus Christ. ² Grace be unto you and peace, from God our Father and the Lord Jesus Christ.

³ We are bound to give thanks to God always for you, brethren, as it is meet, because that your faith increaseth exceedingly, and the love of every one of you all toward each other ABOUNDETH; ⁴ so that we ourselves make our boast in you in the churches of God, for your patience and faith in all your persecutions and the afflictions that ye are enduring;—
⁵ which is a token of the righteous judgment of God, that ye may be counted worthy of the kingdom of God, for which

CHAP. I. I. Timothy] 'Timotheus,' Auth. and the other Vv. except Wicl., 'Tymothe;' Rhem., 'Timothee:' see notes on Col. i. I (Transl.).

- 2. Grace be unto] So Cov. (Test.), Cran.: 'Grace unto you,' Auth.; 'grace to you,' Wicl., Rhem.; 'grace be with you,' Tynd., Coverd., Bish.; 'grace be to you,' Gen.
- 3. Give thanks to] So Cov. (Test.), Rhem., and Auth. in I Thess. i. 2: 'thank,' Auth. and the remaining Vv. except Wicl., 'do thankyngis.' Increaseth] So Cov. (both), Rhem.: 'groweth,' Auth. and the remaining Vv. except Wicl., 'wexith.' Love] So Tynd., Cov. (both), Cran., Gen., Bish.: 'charity,' Auth., Wicl., Rhem.; comp. notes on I Tim. i. 5 (Transl.).
- 4. Make our boast in] Similarly Cov., 'make our boast of;' Cran., 'boast of:' 'glory in,' Auth., Wicl., Rhem.; 'rejoice of,' Tynd., Cov. (Test.), Gen., Bish. The afflictions] 'Tribulations,' Auth. and the other Vv. except Cov. (both), 'troubles.'
- 5. Token] So Tynd., Cov., Cran., Gen., Bish.; 'manifest token,' Auth.; 'ensaumple,' Wicl., Coverd. (Test.), Rhem. Are also suffering] 'Ye also suffer,' Auth. and the other Vv. except Wicl., Cov. (Test.), 'ye suffre;' Rhem., 'also you suffer.' The change appears to have two advantages, first, that it more distinctly preserves the association of καl and πάσχετε, and secondly, that it con-

ye are also suffering. ⁶ If so be that it is righteous with God to recompense to them that afflict you, affliction; ⁷ and to you who are afflicted, rest with us, at the revelation of the Lord Jesus from heaven with the angels of His power ⁸ in flame of fire, rendering vengeance to them that know not God, and that obey not the gospel of our Lord Jesus Christ. ⁹ Who shall suffer punishment, *even* eternal destruction apart from the presence of the Lord, and from the glory of His power; ¹⁰ when He shall come to be glorified in His saints, and to be admired in all them that believe (because our testimony to

veys more fully the present and continuing nature of the trials of the Thessalonians.

6. If so be that] So Auth. in Rom. viii. 9, 17, 1 Cor. xv. 15, 2 Cor. v. 3, 1 Pet. ii. 3: 'seeing,' Auth.; 'if netheless,' Wiclif; 'it is verely,' Tynd., Cran.; 'for it is,' Cov., Bish.; 'if at the leest,' Cov. (Test.); 'for it is verely,' Gen.; 'if yet,' Rhem.

Afflict you, affliction Tribulation to them that trouble you, 'Auth. and the other Vv. (Coverd. 'unto') except Rhem., 'tribulation to them that vexe you.' The change seems to preserve more clearly the antithesis, and also to bring more into prominence the 'lex talionis' that is tacitly referred to.

7. Afflicted] 'Troubled,' Auth. and the other Vv. except Rhem., 'vexed.' At the revelation of the Lord Jesus] Sim. Cov. (Test.), 'unto the revelation, &c.;' Rhem., 'in the revelation, &c.:' when the Lord Jesus shall be revealed,' Auth.; 'in the schewynge of, &c.,' Wicl.; 'when the Lord Jesus shall shewe him silfe,' Tynd., Cov., Cran., Gen., Bish. The angels of His power] So Cov. (both), Cran., Rhem., and sim. Wicl., 'aungels of His vertu:' 'His mighty angels,' Auth., Tynd., Gen., Bish.

8. In flame of fire] So Rhem. and similarly Wicl., Coverd. (Test.), 'the

flawme of fire: ' 'in flaming fire,' Auth., Tynd., Gen., Bish.; 'with flaminge fyre,' Cov., Cran.

Rendering] So Tynd., Gen., Bish.: 'taking,' Auth.; 'schall geue,' Wicl.; 'to geue,' Cov.; 'geuynge,' Coverd. (Test.), Rhem.; 'shall rendre,' Cran.

9. Suffer punishment, even] 'Shall be punished with,' Auth. and the other Vv. except Wicl., Cov. (Test.), Rhem.. 'schulen suffre.'

Eternal] So Rhem.: 'everlasting,' Auth. and the remaining Vv. Though really the change is here unimportant, it is still perhaps best to translate this word uniformly, except where the context seems specially and exclusively to imply simple duration. In the present case the alwinos is equally qualitative and quantitative.

Apart from] 'From,' Auth. and all the other Vv.

10. Shall come] So Auth. and all the other Vv. There is some little difficulty in the translation of $\delta \tau a \nu$ with the aor. subj. Perhaps, as a general rule, it may be said that when the exact rendering 'shall have,' is inapplicable (see notes on Tit. iii. 12, Transl.), we may conveniently adopt in translation the present (indic. or conj.) when the reference to the actual futurity of the subsequent event is less specially contemplated (comp. Matth. xxi. 40, Mark iv. 29,

152 2 THESSALONIANS I. 10—12. II. 1—3.

you-ward was believed) in that day. "Whereunto we also pray always for you, that our God may count you worthy of your calling, and fulfil every good pleasure of goodness and the work of faith, with power; 12 that the name of our Lord Jesus Christ may be glorified in you, and ye in Him, according to the grace of our God and the Lord Jesus Christ.

CHAPTER II.

Now we beseech you, brethren, touching the coming of our Lord Jesus Christ, and our gathering together unto Him, ² that ye be not quickly shaken from your *sober* mind, nor be troubled, neither by spirit, nor by word nor by letter as from us, to the effect that the day of Christ is now come. ³ Let no man deceive you in any way; because the day will

al.), and future when, as here, such a reference is more distinct and prominent. To you-ward] Sim. Bish., 'toward you,' and somewhat sim. Tynd., 'that we had unto you;' Cov., 'unto you;' Cran., 'that we had to you:' 'among you,' Auth.; 'is bileued on you,' Wicl.; 'wytnesse upon you,' Coverd. (Test.); 'was beleued of you,' Gen.; 'testimony concerning you,' Rhem.

,

11. Whereunto we also] 'Wherefore also we,' Auth. and similarly Tynd .. Cov., Cran., Gen., which omit 'also,' and Bish., which inverts ('wee also'); 'in which thing also we,' Wicl., Cov. Test. ('the whych'); 'wherein also May | So Bish .: we,' Rhem. 'would,' Auth.; 'wyll,' Cov. (Test.), Cran.; the remaining Vv. omit the auxiliary. Your | 'This,' Auth., Cran., Gen.; 'His,' Wicl., Cov. (Test.), Bish., Rhem.; 'the, Tynd., Cov. Every good pleasure of] 'All the good pleasure of His,' Auth., Bish., Rhem.; 'all the wille of His,' Wicl., Cov. (Test.); 'all delectation of, Tynd., Cov., Cran.; 'all the fre benevolence of His,' Gen.

CHAPTER II. 1. Touching] 'By,'
Auth. and all the other Vv.; see
notes. And our] So Cov.
(Test.): 'and by our,' Auth., Bish.;
'and of oure,' Wicl., Rhem.; 'and in
that we shall assemble,' Tynd., Cov.,
Cran., Gen.

2. Quickly] 'Soon,' Auth., Wicl., Cov. (Test.); 'sodenly,' Tynd., Cov., Cran., Gen., Bish.; 'easily,' Rhem. From your sober mind | Similarly Wicl., 'fro youre witte;' Tynd., Cov., Cran., Gen., Bish., 'from youre mynde;' 'from youre meanynge,' Coverd. (Test.); 'from your sense,' Rhem.: Auth. alone adopts the incorrect 'in mind.' Norl So Cov. (Test.), Cran., Bish., Rhem.: 'or,' Auth.; 'neither,' Wicl.; 'and be not,' Tynd., Cov., Gen. the effect that] 'As that,' Auth.; 'as if,' Wicl.; 'as though,' Tynd. and the remaining Vv. This slight change seems to make the meaning a little more perspicuous. Now come] 'At hand,' Auth. and the other Vv. except Wicl., 'be nyg.'

3. In any way] 'By any means,' Auth. and the other Vv. except Wicl.,

not come, except there come the falling away first, and the Man of Sin be revealed, the son of perdition; 'he that opposeth, and exalteth himself against every one called God or an object of worship; insomuch that he sitteth down in the temple of God, displaying himself that he is God. 'Remember ye not, that, when I was yet with you, I told you these things? 'And now ye know what restraineth, that he may be revealed in his own time. 'For the mystery of lawlessness is ALREADY working, yet only until he who

'on ony maner.' Because the day will not come] 'For that day shall not come,' Auth., Bish.; 'for but discencioun come first,' Wicl.; 'for the Lord cometh not excepte,' Tynd., Cov. (both); 'for the Lord shall not come except,' Cran.; 'for the day of Christ shal not come,' Gen.; 'for unlesse there come, &c.,' Rhem.

The falling away] 'A falling away,'

The falling away] 'A falling away,' Auth.; 'discencioun,' Wicl.; 'a revolt,' Rhem.; 'a departynge,' Tynd. and the remaining Vv. except Cov. (both), which alone of these Vv. preserve correctly the force of the article.

The man] So Wicl., Rhem.: 'that man,' Auth., Coverd., Bish.; 'that synfull man,' Tynd. and the remaining Vv.

4. He that opposeth] 'Who opposeth,' Auth.; 'that is adversarie,' Wiclif; 'which is an adversarie,' Tynd., Coverd., Cran., Gen., Bish., Rhem.; 'which withstandeth;' Cov. (Test.). It will thus be seen that most of the Vv. rightly recognise the substantival character of δ dντικείμενοs, and unite ἐπὶ πάντα κ.τ.λ. solely with the latter participle.

Against every one] 'Above all that is,' Auth., Tynd., Cov. (both), Cran., Gen., Rhem.; 'oure alle thing that is,' Wicl.; 'agaynst all that is,' Bish. An object of worship] 'That is worshipped,' Auth. and the other Vv. except Cov., 'God's seruyce.'

Insomuch] So Coverd. (Test.): 'so,'
Auth. and the remaining Vv.
That He] 'That he *as God,' Auth.
Displaying] 'Shewing,' Auth., Cov.
(Test.), Bish., Rhem.; 'and schewe,'
Wicl., Tynd.; 'and boasteth himselfe,' Cov., Cran.; 'and beare in
hand that,' Gen.

6. Restraineth] 'Withholdeth,'
Auth. and the other Vv. except
Cov. (Test.), 'doth withhold;' Rhem.,
'letteth.' There does not seem any
reason for supplying the pronoun
'him,' as Scholef. (Hints, p. 116, ed.
3): we seem bound to preserve the
mysterious indefiniteness of the original. May So Cov. (Test.),
Rhem.; 'might,' Auth. and the remaining Vv. except Wicl., 'be.'
His own 'His,' Auth. and all the
other Vv.

7. Lawlessness] 'Iniquity,' Auth., Bish., Rhem.; 'wickednes,' Wicl.; 'that iniquitie,' Tynd., Cov. (Test.); 'the iniquyte,' Cov., Cran., Gen. It seems desirable here to retain this more rigidly literal translation as serving more clearly to indicate the essential character of τὸ κατέχον.

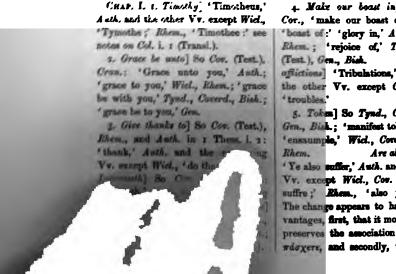

Is already working] 'Doth already work,' Auth., Cran., Gen., Bish.; 'worchith now,' Wicl.; 'doeth he all readie work,' Tynd.; 'worketh already,' Cov.; 'doth worke allreadye,' Cov. (Test.); 'now—worketh,' Rhem. Yet only until, &c.] Similarly Cov.,

STOONE EPISTLE TO THE THESSALONIANS

CHAPTER I.

PAUL and Silvano, and Empty, must the church of the Thesalmans in God our Father and the Lord Jesus Canet. * Orace & unto you and peace, from God our Father and the Lord Jesus Christ.

"We are bound to give thanks to God always for you, beethern, as it is meet, because that your faith increaseth enteet agry, and the love of every one of you all toward each other about state; "so that we curselves make our boast in you in the churches of God, for your patience and faith in all your personations and the afflictions that we are enduring:which is a token of the righteous judgment of God, that ye usy be counted worthy of the kingdom of God, for which

4. Make our boast in Similarly Cor., 'make our boast of;' Cras., 'boast of:' 'glory in,' Auth., Wick, Rhem.; 'rejoice of,' Tynd., Cor. offictions 'Tribulations,' Auth. and the other Vv. except Cov. (both,

5. Tokes | So Tynd., Cov., Cran., Gen., Blak.; 'manifest token,' Auth.; ensaumple,' Wick., Coverd. (Test.), Are also sufering] 'Ye also suffer,' Auth. and the other Vv. except Wicl., Cov. (Test.), 'yo suffre : Rhem., 'also you suffer.' The change appears to have two advantages, first, that it more distinctly preserves the association of rai and mdoxers, and secondly, that it con-

152 2 THESSALONIANS I. 10—12. II. 1—3.

you-ward was believed) in that day. ¹¹ Whereunto we also pray always for you, that our God may count you worthy of your calling, and fulfil every good pleasure of goodness and the work of faith, with power; ¹² that the name of our Lord Jesus Christ may be glorified in you, and ye in Him, according to the grace of our God and the Lord Jesus Christ.

CHAPTER II.

Now we beseech you, brethren, touching the coming of our Lord Jesus Christ, and our gathering together unto Him, that ye be not quickly shaken from your sober mind, nor be troubled, neither by spirit, nor by word nor by letter as from us, to the effect that the day of Christ is now come.

3 Let no man deceive you in any way; because the day will

al.), and future when, as here, such a reference is more distinct and prominent. To you-ward] Sim. Bish., 'toward you,' and somewhat sim. Tynd., 'that we had unto you;' Cov., 'unto you;' Cran., 'that we had to you:' 'among you,' Auth.; 'is bileued on you,' Wicl.; 'wytnesse upon you,' Coverd. (Test.); 'was beleued of you,' Gen.; 'testimony concerning you,' Rhem.

Ŧ

11. Whereunto we also] 'Wherefore also we,' Auth. and similarly Tynd., Cov., Cran., Gen., which omit 'also, and Bish., which inverts ('wee also'); 'in which thing also we,' Wicl., Cov. Test. ('the whych'); 'wherein also we,' Rhem. May] So Bish .: 'would,' Auth.; 'wyll,' Cov. (Test.), Cran.; the remaining Vv. omit the auxiliary. Your | 'This,' Auth., Cran., Gen.; 'His,' Wicl., Cov. (Test.), Bish., Rhem.; 'the,' Tynd., Cov. Every good pleasure of | 'All the good pleasure of His,' Auth., Bish., Rhem.; 'all the wille of His,' Wicl., Cov. (Test.); 'all delectation of, Tynd., Cov., Cran.; 'all the fre benevolence of His,' Gen.

CHAPTER II. 1. Touching] 'By,'
Auth. and all the other Vv.; see
notes. And our] So Cov.
(Test.): 'and by our,' Auth., Bish.;
'and of oure,' Wicl., Rhem.; 'and in
that we shall assemble,' Tynd., Cov.,
Cran., Gen.

2. Quickly] 'Soon,' Auth., Wicl., Cov. (Test.); 'sodenly,' Tynd., Cov., Cran., Gen., Bish.; 'easily,' Rhem. From your sober mind | Similarly Wicl., 'fro youre witte;' Tynd., Cov., Cran., Gen., Bish., 'from youre mynde;' 'from youre meanynge,' Coverd. (Test.); 'from your sense,' Rhem.: Auth. alone adopts the incorrect 'in mind.' Norl So Cov. (Test.), Cran., Bish., Rhem.: 'or,' Auth.; 'neither,' Wicl.; 'and be not,' Tynd., Cov., Gen. the effect that] 'As that,' Auth.; 'as if,' Wicl.; 'as though,' Tynd. and the remaining Vv. This slight change seems to make the meaning a little more perspicuous. Now come] 'At hand,' Auth. and the other Vv. except Wicl., 'be nyg.'

3. In any way] 'By any means,' Auth. and the other Vv. except Wicl.,

not come, except there come the falling away first, and the Man of Sin be revealed, the son of perdition; 'he that opposeth, and exalteth himself against every one called God or an object of worship; insomuch that he sitteth down in the temple of God, displaying himself that he is God. 'Remember ye not, that, when I was yet with you, I told you these things? 'And now ye know what restraineth, that he may be revealed in his own time. 'For the mystery of lawlessness is Albeady working, yet only until he who

'on ony maner.' Because the day will not come] 'For that day shall not come,' Auth., Bish.; 'for but discencioun come first,' Wicl.; 'for the Lord cometh not excepte,' Tynd., Cov. (both); 'for the Lord shall not come except,' Cran.; 'for the day of Christ shal not come,' Gen.; 'for unlesse there come, &c.,' Rhem.

The falling away] 'A falling away,' Auth.; 'discencioun,' Wicl.; 'a revolt,' Rhem.; 'a departynge,' Tynd. and the remaining Vv. except Cov. (both), which alone of these Vv. preserve

correctly the force of the article. The man So Wick, Rhem.: 'that man,' Auth., Coverd., Bish.; 'that synfull man,' Tynd. and the remaining Vv.

4. He that opposeth] 'Who opposeth,' Auth.; 'that is adversarie,' Wiclif; 'which is an adversarie,' Tynd., Coverd., Cran., Gen., Bish., Rhem.; 'which withstandeth;' Cov. (Test.). It will thus be seen that most of the Vv. rightly recognise the substantival character of δ dντικείμενοs, and unite ἐπὶ πάντα κ.τ.λ. solely with the latter participle.

Against every one] 'Above all that is,' Auth., Tynd., Cov. (both), Cran., Gen., Rhem.; 'oure alle thing that is,' Wicl.; 'agaynst all that is,' Bish. An object of worship] 'That is worshipped,' Auth. and the other Vv. except Cov., 'God's seruyce.'

Insomuch] So Coverd. (Test.): 'so,' Auth. and the remaining Vv.
That He] 'That he *as God,' Auth.
Displaying] 'Shewing,' Auth., Cov.
(Test.), Bish., Rhem.; 'and schewe,'
Wicl., Tynd.; 'and boasteth himselfe,' Cov., Cran.; 'and beare in hand that,' Gen.

6. Restraineth] 'Withholdeth,'
Auth. and the other Vv. except
Cov. (Test.), 'doth withhold;' Rhem.,
'letteth.' There does not seem any
reason for supplying the pronoun
'him,' as Scholef. (Hints, p. 116, ed.
3): we seem bound to preserve the
mysterious indefiniteness of the original. May] So Cov. (Test.),
Rhem.; 'might,' Auth. and the remaining Vv. except Wicl., 'be.'
His own] 'His,' Auth. and all the
other Vv.

7. Lawlessness] 'Iniquity,' Auth., Bish., Rhem.; 'wickednes,' Wicl.; 'that iniquitie,' Tynd., Cov. (Test.); 'the iniquyte,' Cov., Cran., Gen. It seems desirable here to retain this more rigidly literal translation as serving more clearly to indicate the essential character of τὸ κατέχον.

Is already working] 'Doth already work,' Auth., Cran., Gen., Bish.; 'worchith now,' Wiel.; 'doeth he all readie work,' Tynd.; 'worketh already,' Cov.; 'doth worke allreadye,' Cov. (Test.); 'now—worketh,' Rhem. Yet only until, &c.] Similarly Cov.,

now restraineth be taken out of the way. ⁸ And THEN shall the Lawless One be REVEALED, whom the Lord shall consume with the breath of His mouth, and shall destroy with the appearance of His coming; ⁹ whose coming is after the working of Satan in all power and signs and wonders of falsehood, ¹⁰ and in all deceit of unrighteousness for them that are perishing; because they received not the love of the truth, that they might be saved. ¹¹ And for this cause doth God send them a working of delusion that they should

Cran., 'tyll he which now onely letteth:' 'only he who now letteth will let until he, 'Auth.; 'oonli that he that hooldith now, holde til he,' Wicl.; 'which onlie loketh, untill it be,' Tynd.; 'onely that he that holdeth let hym holde now untill he, Cov. (Test.); 'only he which now letteth, shal let til he, Gen.; 'only he which nowe withholdeth (shall let) till he, 'Bish.; 'only that he which now holdeth, doe hold,' Rhem. The insertion of 'yet' may perhaps be admitted as slightly clearing up the elliptical formula. 8. The lawless One] 'That Wicked,'

Auth., Tynd., Cov., Cran.; 'the ilke wickid,' Wicl.; 'the wicked,' Cov. (Test.); 'that wicked man,' Gen., Bish .; 'that wicked one,' Rhem. Breath] So Coverd. (Test.): 'spirit,' Auth. and the remaining Vv. Appearance] So Tynd., Cov. (both), Cran., Gen.: 'brightness,' Auth., Bish.; 'lightnynge,' Wicl.; 'manifestation,' Rhem. The regular translation of this word in Auth. is 'appearing' (I Tim. vi. 14, 2 Tim. i. 10, iv. 1, 8, Tit. ii. 13), but is here slightly changed to avoid the juxtaposition of two participial substantives. 9. Whose | So Rhem. : Auth. pre-

fixes 'even him,' and so the remaining

Vv. except Wicl., Cov. (Test.), 'hym

(Test.), Rhem.: 'with,' Auth. and the

In] So Wicl., Cov.

Wonders of

whose.'

remaining Vv.

falsehood] 'Lying wonders,' Auth., Coverd. (Test.), Gen., Bish., Wicl.; 'wondris fals;' 'lyinge power, signes and wonders,' Tynd., Cov. ('power and'), Cran.; 'lying signes and wonders,' Rhem.

10. And in So Wicl., Tynd., Cov. (Test.), Gen., Rhem.; 'and with,' Auth., Cov., Cran., Bish.

Deceil So Wicl., and similarly Cov.

(Test.), 'deceatfulnesse:' 'deceivableness,' Auth. and the remaining Vv. except Rhem., 'seducing.'

For them] 'In them,' Auth.; 'to hem,' Wicl., Rhem.; 'amonge them,' Tynd., Coverd., Cran., Gen., Bish.; 'unto them,' Cov. (Test.).

Are perishing] 'That perish,' Auth.

Are perishing] 'That perish,' Auth. and all the other Vv.

11. Doth God send God *shall send,' Auth. and the other Vv. except Coverd. (Test.), 'shall God sende;' Rhem., 'God wil send.' working] As in ver. 9, and as in Wicl., Coverd. Test. ('the'): 'strong delusion,' Auth. and the remaining Vv. except Rhem., 'the operation of errour.' Though in both cases the introduction of the adjective 'effectual' seems partly borne out by the context, it is still, lexically considered, somewhat too strong as a purely literal rendering. It would thus seem perhaps better to strike out 'effectual' in Eph. iii. 7, iv. 16, Col. ii. 12, or to retain it only in italics. These are, however, points which it

believe the lie; 12 that they may all of them be judged who believed not the truth, but had pleasure in unrighteousness.

18 But we are bound to give thanks to God alway for you, brethren beloved of the Lord, that God chose you from the beginning to salvation in sanctification of the Spirit and belief in the truth: 14 whereunto he called you by our gospel, to the obtaining of the glory of our Lord Jesus Christ. 15 Accordingly then, brethren, stand fast, and hold the traditions which ye were taught, whether by word, or by our epistle. 16 Now our Lord Jesus Christ Himself, and God and

is very difficult to adjust, for if the one translation is too strong, the other certainly seems somewhat too weak: 'energy,' as adopted by some translators, is appy. too modern.

The lie So Cov. (Test.); 'a lie,'

The hej So Cov. (Fest.); 'a he,' Auth.; 'lesynge,' Wiclif; 'lyes,' Tynd., Coverd., Cran., Gen., Bish.; 'lying,' Rhem.

12. That they may all of them] 'That *they all might,' Auth.; 'that all be,' Wicl.; 'that all they might,' Tynd., Coverd., Cran., Gen., Bish.; 'that all they may,' Cov. (Test.); 'that all may,' Rhem. The two slight changes are made to preserve the reading &παντες, and the correct sequence of tenses; comp. Latham, Engl. Lang. § 539 (ed. 4).

13. To God alway] 'Alway to God,' Auth., and in sim. order the Vv. except Wicl., 'do thankyngis euermore to God;' Cov., 'unto God;' Coverd. (Test.), 'geue God thankes alwaye;' Rhem., 'giue thankes to God alwaies.' There does not here seem any necessity for leaving the order of the original. So Wicl., Cov. (Test.), Rhem.; 'because,' Auth., Coverd.; 'for because that,' Tynd., Cran., Gen.; 'because that,' Bish. Chose you] So Wiclif, 'chees:' 'hath from the beginning chosen,' Auth. and the remaining Vv. except Coverd. (Test.), Rhem., which read άπαρχήν [so too Wicl.], but equally insert the 'hath.' In sanctification] So Rhem., and sim. Cov. (Test.), 'in the s.:' 'through sanctification,' Auth., Bish.; 'in halowinge,' Wicl.; 'thorow sanctifyinge,' Tynd., Cran., Gen.; 'in the sanctifyenge,' Cov. In the truth] 'Of the truth,' Auth., Cran., Rhem.; 'of truth,' Wicl., Coverd. (Test.), Gen., Bish.; 'beleuynge the trueth,' Tynd., Cov. ('of the').

15. Accordingly then] 'Therefore,'
Auth. and all the other Vv.
Traditions] So Auth. with Wicl., Cov.
(Test.), Rhem. The other Vv. vary;
'ordinaunces,' Tynd., Cov., Cran.;
'instructions,' Cov., Gen., Bish.
Were taught] Have been taught,'
Auth., Bish.; 'han lerned,' Wicl.
and the remaining Vv. By
our] So Wicl., Cov. (Test.), Bish.,
Rhem.: 'our,' Auth.; 'by pistle,'
Tynd. and the remaining Vv.

16. God and our Father] So Rhem.: 'God even our Father,' Auth. and sim. Bish., 'our God even the Father;' 'God our Father,' Wicl. and the remaining Vv. except Cov. (Test.), 'oure God and Father.' On the translation of this solemn title, comp. notes on Gal. i. 4 (Transl.). Loved] So Wicl.: 'hath loved,' Auth. and the remaining Vv. Gave] So Wicl.: 'hath given,' Auth. and the remaining Vv. Eternul]

our Father, which loved us, and gave us eternal consolation and good hope in grace, ¹⁷ comfort your hearts, and stablish you in every good work and word.

CHAPRER III.

Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is also with you: ² and that we may be delivered from perverse and wicked men; for it is not all that have Faith. ³ But faithful is the Lord, who shall stablish you, and keep you from the Evil One. ⁴ Yea we have confidence in the Lord touching you, that ye both do and will do the things which we command. ⁵ But may the Lord direct your hearts into the love of God, and into the patience of Christ.

Now we command you, brethren, in the name of our Lord

So Wicl.: 'everlasting,' Auth. and the remaining Vv.; see notes on ch. i. 9, and correct Gal. vi. 8, 1 Tim. i. 16. In grace] So Wicl., Cov. (Test.), Rhem.: 'through,' Auth. and the remaining Vv.

17. Stablish you] Auth. retains '*you' in Roman type, but contrary to the best mss. authority; see notes. Work and word] '*Word and work,' Auth.

CHAP. III. 1. Pree course] In the best authenticated copies of Auth., 'free' is in italics, but perhaps may be fairly considered as involved in the translation of τρέχη. Also with you] So Bish., and similarly Cran. (omits 'even'), Rhem. (omits 'it is'): Auth. and the remaining Vv. omit 'also.'

2. Perverse] 'Unreasonable,' Auth. and the other Vv. except Wicl., 'noyous;' Cov. (Test.), Rhem., 'importunate.' It is not all, &c.] 'All men have not faith,' Auth. and the other Vv. except Wicl., 'feith is not of all men;' Cov. (both), 'fayth is not every mans.'

- 3. But faithful is the Lord] 'But the Lord is faithful,' Auth. and the other Vv. except Wicl., 'the Lorde is trewe;' Rhem., 'our Lord is faythful.' Independently of the change of order harmonizing better with that of the original, the paronomasia caused by the juxtaposition of $\pi l \sigma \tau is$ and $\pi \iota \sigma \tau is$ is more distinctly preserved. The Evil One] 'Evil,' Auth. and all the other Vv.; see notes.
- 4. Yea we] 'And we,' Auth., Wicl., Bish., Rhem.; 'but we,' Cov. (Test.); the rest, Tynd., Cov., Cran., Gen., omit & in translation.
- Command] 'Command *you,' Auth.
- 5. But may the Lord] 'And the Lord,' Auth. and the other Vv. except Cov., which omits δè in translation.

 Patience of Christ]
 So Wicl., Tynd., Cov. (both), Cran., Rhem.: 'patient waiting for Christ,' Auth.; 'weating for of Christ,' Gen., Bish.
- 6. Walking] So Coverd. (Test.), Rhem.: 'that walketh,' Auth., Tynd., Cov., Gen., Bish.; 'that wandrith,' Wicl.; 'that behaveth himself,' Cran. Though the meaning is practically

Jesus Christ, that ye withdraw yourselves from every brother walking disorderly, and not after the tradition which they received of us. ⁷ For yourselves know how ye ought to follow us: in that we behaved not disorderly among you; ⁸ neither ate we bread of any man for nought, but with toil and travail, working night and day, that we might not be burdensome to any of you: ⁹ not that we have not power, but to make ourselves an ensample unto you that ye should follow us. ¹⁰ For also when we were with you, This we commanded you, that if any will not work, neither let him

the same, it still seems desirable in translation, when consistent with our idiom, to mark the anarthrous participle. Tradition] So Auth., Rhem.: 'techynge,' Wicl.; 'institution,' Tynd., Coverd., Cran.; 'ordinaunce,' Cov. (Test.); 'instruction,' Gen., Bish. If any change be thought necessary, the last of these translations is perhaps to be preferred.

They received] '*He received,' Auth.
7. In that] 'For,' Auth. and all the other Vv.; see notes.

Behaved not disorderly] 'Behaved not ourselves disorderly,' Auth.; 'we weren not unpeisible,' Wicl.; 'behaved not ourselves inordinately,' Tynd., Cov., Cran., Gen., Bish.; 'we were not restless,' Cov. (Test.); 'we haue not been unquiet,' Rhem.

8. Ate we bread of any man] Sim. Wicl., 'eten breed of ony man;' Rhem., 'haue we eaten bread of any man;' 'did we eat any man's bread;' Auth., and similarly Cov. (Test.), 'the bread of ony man;' 'toke we breed of eny man,' Tynd., Coverd., Cran., Gen., Bish. It seems desirable here to invert the order of the Greek that \delta\theta\theta\theta\theta\theta\theta\theta, which occupies the emphatic place in Greek, may occupy the same place in English,—that place being not uncommonly in our language, the last.

But with toil, dc.] 'But wrought with labour,' Auth.

and the other Vv. (Bish. 'we wrought') except Wiclif, 'but in traueil and werynesse worchiden;' Cov. (Test.), 'but labouring night and day in weeryness;' Rhem., 'but in labour and in toil night and day working.' Burdensome] Similarly Rhem., 'lest we should burden:' 'chargeable,' Auth., Coverd., Cran., Gen., Bish.; 'that we greeieden noon,' Wicl.; 'we wolde not be grevous,' Tynd.; 'lest we shulde charge,' Cov. (Test.).

9. Not that] 'Not because,' Auth.; 'not as,' Wicl.; 'not but that,' Tynd., Coverd., Cran., Gen., Bish.; 'not as though,' Cov. (Test.), Rhem. That ye should follow] Somewhat similarly Rhem., 'for to:' 'to follow,' Auth. and the remaining Vv. except Wicl., 'to sue.'

10. For also] So Wicl., Rhem., and sim. Cov. (Test.): 'for even,' Auth., Bish.; 'and when,' Cov.; the rest, Tynd., Cran., Gen., omit kal in translation. Will not] So Wicl., Cov. (Test.), Rhem.: 'would not,' Auth. and the remaining Vv. Neither let him] So Rhem., and sim. Wiclif, 'nether ete he:' 'neither while he,' Auth.; 'that the same shuld not,' Tynd., Cov. (omits 'that'), Cran. (ib.), Gen.; 'let him not,' Cov. (Test.); 'that he should not,' Bish.

11 For we hear that there are some walking among you disorderly, working at nothing, but being busybodies. 12 Now them that are such we command and exhort in the Lord Jesus Christ, that with quietness they work, and eat THEIR ¹³ But ye, brethren, be not weary in well own bread. ¹⁴ But if any man obey not our word by this epistle, mark that man, and keep no company with him, that he may be shamed. And count him not as an enemy, but admonish him as a brother. 16 But may the Lord of peace

II. Walking | 'Which walk,' Auth. and the other Vv. except Wicl., 'that somme among you gon in rest;' Cov. (Test.), 'to be walkyng;' Rhem., 'that walke;' also comp. notes on Working at nothing] Similarly Cov. (Test.), Rhem., 'working nothing: 'working not at all, Auth., Cran.; 'and no thing worchen, Wicl.; 'and worke not at all,' Tynd., Cov., Gen., Bish. Being busybodies | So Cran.: 'are busybodies,' Auth., Tynd., Coverd., Gen., Bish.; 'don curiousli,' Wicl.; 'using curiosite,' Coverd. (Test.); 'curiously meddling,' Rhem.

12. In the] '*By our,' Auth.

14. But if | So Cov.: 'and if,' Auth., Rhem. If 'but' be objected to in consequence of the preceding 'but' in ver. 13, it would then seem better with Tynd. and the remaining Vv. to omit it in translation.

Obey not | So Auth. and the other Vv. except Wicl., 'obeieth not;' Cov. (Test.), 'doth not obey.' At first sight the latter translation might seem preferable, but considered strictly, it would seem to imply that such would probably be the case (see Latham, Eng. Lang. § 537, ed. 4), whereas the Greek el with the indic. 'per se nihil significat præter conditionem' (Klotz, Devar. Vol. II. p. 455). It may thus be best, as a general rule, only to adopt the indicative in English where either (a) the context or circumstances

of the case corroborate the likelihood of the assumed case, or (b) where the speaker appears to regard it as a matter of fact. The possibility of inserting after 'if' the words, 'as is matter of fact,' or, 'as seems matter of fact,' will commonly facilitate decision. This epistle] So Auth.; 'oure worde bi epistil,' Wicl.: all the other Vv. join $\tau \hat{\eta} s$ $\epsilon \pi \iota \sigma \tau \circ \lambda \hat{\eta} s$ with $\sigma \eta \mu \epsilon \iota \circ \hat{\upsilon} \sigma \theta \epsilon$, and translate $\tau \hat{\eta}$ s by the English indefinite article. This, perhaps, may remain as one of the few cases in which idiom and euphony may justify us in retaining the pronominal translation: Scholefield (Hints, p. 118, ed. 3) proposes 'our epistle,' but this is scarcely suitable after the preceding 'our word,' where the 'our' is a translation of $\dot{\eta}\mu\hat{\omega}\nu$, and would thus seem to imply that it was repeated before της έπιστολης. Mark] So Wiclif: 'note,' Auth., Bish., Rhem.; 'sende us worde of him,' Tynd., Cov., Cran., Gen.; 'shewe [us] the same,' Cov. (Test.). Keep] 'Have,' Auth. and the other and the remaining Vv. except Rhem., 'be confounded.'

Vv. except Wicl., 'comyne ye not:' Rhem., do not companie with.'

Shamed] So Wicl .: 'ashamed,' Auth.

15. And] So Wicl., Tynd., Cran., Rhem .: 'yet,' Auth. and the remaining Vv.

16. But may] 'Now-give,' Auth.,

2 THESSALONIANS III. 16—18. 159

Himself give you peace continually, in every way. The Lord be with you all.

¹⁷ The salutation of me Paul with mine own hand which is a token in every epistle: so I write. ¹⁸ The Grace of our Lord Jesus Christ be with you all. Amen.

Gen., Bish.; 'and—geue,' Wiclif, Rhem.; Tynd., Cov. (both), Cran., omit & in translation. Continually in every way] 'Always by all means,' Auth. and the other Vv. except Wicl., 'everlasting pees in al place;' Cov. (Test.), Rhem., 'euerlastynge peace in euery place.'

17. Me Paul] So Tynd., Coverd., Cran., Gen., Bish.: 'Paul,' Auth.; 'be the hond of Poul,' Wicl.; 'with myne owne hande Paul,' Cov. (Test.), Rhem. ('Paules'). A token] Similarly Rhem., 'a signe:' 'the token,' Auth. and the remaining Vv. except Wicl., 'whiche signe.'

THE END.
